Agenda Item No. 8(M)(1)(B)

Subject: Reallocation of Forfeited CBO Grant Funding for Improvements at Gwen Cherry Park
Y.E.T. Center

RECOMMENDATION

It is recommended that the Board authorize the reallocation of the balance of a forfeited Community Based Organization (CBO) grant awarded to Miami-Dade Weed & Seed, Inc. (Weed & Seed), to the Miami-Dade Park and Recreation Department (Parks Department). The forfeited grant funds totaling \$69,030 will be used for improvements to the Youth Education Town Center (Y.E.T.) at Gwen Cherry Park, 2591 N.W. 71 Street.

BACKGROUND

Miami-Dade Weed & Seed, a non-profit CBO, was awarded a competitive \$75,000 grant through Ordinance No. 00-122 (Attachment A) to refurbish and develop an existing maintenance building at Gwen Cherry Park into an environmental center. Upon approval of the grant award, Weed & Seed worked with its architect and the Parks Department to develop a detailed scope of work for the project. An in-depth review of the maintenance building revealed a more complex project than originally anticipated. Additional work elements, building requirements, and funding would be necessary to complete the project.

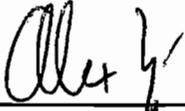

Significant cost increases and a reduction in available project funding when Weed & Seed could not provide its original funding commitment stalled the project. In late 2003, Weed & Seed notified the Parks Department that it could no longer make the commitment of time and staff to complete the multi-faceted project and subsequently forfeited the grant balance. The original grant amount of \$75,000 was reduced by \$5,970 to \$69,030 for in-house technical assistance during the project development phase.

The Parks Department has not previously requested use of the grant balance because staff wanted to identify an under-funded project to benefit the same community as was planned through the original grant project. The Parks Department is currently performing a variety of repairs and upgrades to the Y.E.T. Center at Gwen Cherry Park. The reallocated funding will be used toward interior renovations and purchases to assist in the upgrading of the facility which will include: an upgrade of the flooring in the computer lab, library and lobby area; upgrade of the lighting in the lobby and gym; brand new maple flooring for the gym; and landscape improvements.

Improvements are scheduled to coincide with both the 10th anniversary of the Center and the celebration of Super Bowl XLI in 2007. The Gwen Cherry Y.E.T. Center was developed by the National Football League and their desire to leave a lasting legacy to the community for having hosted Super Bowl XXIX in 1995. The Super Bowl XXIX Committee has contributed \$1 million for the construction of the Y.E.T. Center.

The Gwen Cherry Y.E.T. Center provides sports and recreational activities, in combination with education, to assist disadvantaged youth in their personal growth and development. Specific services offered include: homework assistance, one-on-one reading, tutoring, computer training, and intramural sports.
