Memorandum

Date: November 28, 2006

To: Diane O'Quinn Williams, Director
Department of Planning and Zoning

Charles Danger, Director
Building Department

From: George M. Burgess
County Manager

Subject: Imposition of Administrative Building Moratorium

In accordance with the provisions within Section 33-319(a) of the Code of Miami-Dade County, this memorandum serves as a temporary administrative order prohibiting the issuance of building permits for non-residential structures and/or uses within the area bounded by SW 136 Street on the north, SW 152nd Street on the south, SW 107 Avenue on the east, and the Homestead Extension of Florida's Turnpike State Road #821 on the west (the Study Area). Copies of two (2) zoning maps are attached for your reference.

The Study Area contains residential, commercial and agricultural zoning districts. Of particular concern is the appropriateness of the non-residential zoning districts and their intensities in close proximity to properties that are residentially zoned and improved, as well as the appropriateness of existing non-residential zoning classifications which are different from the current CDMP land use designations. The residentially zoned and improved properties are potentially at risk of being detrimentally affected by uses permitted by the non-residential zoning districts should they continue to remain applicable and building permits be subsequently issued. Therefore, I find that it is in the public interest to make a comprehensive determination as to the appropriateness of the these non-residential zoning districts and whether the continued existence of such zoning districts may be detrimental to the Study Area. This action is consistent with provisions of the CDMP for the review of grandfathered zoning that is different from the CDMP planned designations and therefore potentially incompatible with other properties within the Study Area.

In further accordance with the procedures contained in Section 33-319 of the Code of Miami-Dade County, this memorandum shall serve to notify the Clerk of the Board of County Commissioners (the Clerk) of this administrative order and to request that the matter be placed before the Board of County Commissioners (the Board) for its consideration and review following a public hearing as soon as is reasonably practicable. According to the code, the Clerk shall give reasonable notice of the scheduled public hearing by publication in a newspaper of general circulation in Miami-Dade County.

The public hearing shall provide the Board the opportunity to inquire into the propriety of the aforementioned building moratorium based upon the reasonable necessity for a detailed comprehensive analysis of the Study Area and the probability of detriment to the character of the Study Area by the continued application of the existing zoning districts. Should the Board agree that the building moratorium is reasonably necessary, it may order the same and direct that no

building permits be issued within the Study Area, or such other geographically affected area as determined by the Board.

The Board's order shall fix a time within which my office shall report back to the Board with a recommendation relating to the appropriate zoning districts for the affected area. The initial moratorium imposed by the Board shall be for a period not to exceed one hundred twenty (120) days. However, the Board on its own motion or otherwise may continue the moratorium for a longer period of time if reasonably necessary. My office may also submit a request to the Board for a reasonable extension of the time limitation after a public hearing.

I intend to submit a report and recommendations to the Clerk no later than 60 days from the date of this memorandum. According to the Code, the Clerk shall then schedule a public hearing on the matter before the Board at the earliest practicable time, after reasonable notice by publication in a newspaper of general circulation in Miami-Dade County. Upon consideration of the report and recommendations at a public hearing the Board shall make its determination as to whether the zoning districts shall remain the same or shall be changed. Should the Board determine that the zoning districts are to remain the same, it may immediately issue its order terminating the building moratorium. However, should the Board determine that the zoning districts should be changed, or new districts created, it may issue its order continuing the building moratorium. Where zoning district boundary changes are involved said changes shall be heard directly by the Board.
