RE: Request for Approval of the South Miami Community Redevelopment Agency (SMCRA) FY 06/07 Budget

Mr. Iturrey:

On September 12, 2006, the Miami-Dade County Commission approved a South SMCRA request for a long-term bonding program and 15-year extension of the SMCRA Agency. On October 17, 2006, the SMCRA Board and City Commission approved the SMCRA's FY 06/07 Budget. The adopted budget was then transmitted to Miami-Dade County on October 19, 2006.

On November 13, 2006, the SMCRA Board approved a long-term bonding agreement with Regions Bank to purchase properties required to develop the Madison Square Project. Following approval of the bonding agreement, the Board approved a resolution to adjust the FY 06/07 Budget to include additional revenues from the Regions Bank loan and proposed OCED grant revenues.

Attached are the FY 06/07 Adjusted Budget and SMCRA Board resolution approving the adjusted budget. Also attached is the FY 06/07 in County format. The adjusted budget will be voted on by the South Miami City Commission under the consent portion of the November 28, 2006 City Commission Agenda. We will forward the City Commission's approval of this item following the November 28th Meeting.

We respectfully submit the FY 06/07 Budget including the approved adjustments for Miami-Dade County approval. If you should have any questions or concerns regarding our follow-up submittal of the budget, please feel free to call us directly at (305) 668-7238. Thank you.

Agenda Item No. 8(L)(1)(A)

From: George M. Burgess
County Manager

Subject: FY 2006-07 Budget for the South Miami Community Redevelopment Agency

RECOMMENDATION

It is recommended that the Board of County Commissioners (the "Board") approve the South Miami Community Redevelopment Agency's FY 2006-07 budget for the South Miami Community Redevelopment Area (CRA), which includes revenues and expenditures of $4,859,656 as indicated in the attached Exhibit.

BACKGROUND

The Board approved the CRA's Redevelopment Plan (Plan) and Interlocal Agreement through Resolution 99-100 and funding of the Plan when it enacted ordinance No. 98-80 (Trust Fund) on June 16, 1998. An Interlocal Agreement among the County, the City of South Miami, and the CRA was approved by the Board on September 9, 1999 (Interlocal Agreement), and later amended to raise the administrative cap to 20 percent through Resolution R-327-04. This agreement requires the CRA submit, for County approval, an annual budget for the implementation of the Plan. The Board also approved an amendment to the redevelopment plan through Resolution R-466-05, which extended the life of the CRA to June 1, 2020 subject to the CRA securing long term financing commitments by June 2007. As a result of this requirement, the CRA requested, and the Board approved, the issuance of bonds and an extension of the CRA to 2020, by Resolution R-931-06 on September 12, 2006.

The CRA's FY 2006-07 budget (Exhibit I) of $4,859,656 includes revenue sources from City and County Tax Increment Revenues ($1,571,798), and carryover from prior years ($253,047). The tax increment revenues from the City and the County are $831,463 and $740,335, respectively. Revenues also include $2,730,000 in bond proceeds (approved by the County through Resolution R-931-06), as well as $294,000 of 2004, 2005, and 2006 CDBG grant funds from the Office of Community and Economic Development.

Administrative expenditures total $301,493 and represent 19.18 percent of the total tax increment revenues, excluding the 1.5 percent County Administrative Charge ($11,105), which complies with the 20 percent cap required by the Interlocal Agreement. The majority of these expenditures include employees' salaries and fringes ($268,673); office equipment and furniture ($16,320); and audits and studies ($6,000).

Operating expenditures total $4,488,938 and include land and building acquisitions for the Madison Square project ($3,166,327), a mixed-use commercial and residential project; building construction and improvements for renovations to the Mobley Building ($324,000), which will be used as a small business incubator; debt service payments for outstanding loans ($299,474); redevelopment grants for residential and commercial rehabilitation; small business startup assistance and an apprentice job training assistance program ($247,500); reimbursements to the City for Community Policing and Code Enforcement within the CRA "transfers out to others" ($128,300); and contractual services

($61,000) for professional services related to infrastructure and street beautification improvement projects.

The Tax Increment Financing Committee has reviewed this budget and recommended it for Board approval at their meeting on December 4, 2006.

From: Stephen David, SMCRA Interim Director

Date: November 28, 2006

Subject: **Budget Adjustment to the FY 06/07 Adopted SMCRA Budget**

Request: **A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF SOUTH MIAMI AUTHORIZING AN ADJUSTMENT TO THE FY 06/07 ADOPTED BUDGET TO INCLUDE $3,024,000 IN ADDITIONAL REVENUES FROM A PROPOSED LONG-TERM LOAN WITH REGIONS BANK IN THE AMOUNT OF $2,730,000 AND PROJECTED GRANT REVENUES FROM THE MIAMI-DADE COUNTY OFFICE OF COMMUNITY & ECONOMIC DEVELOPMENT IN THE AMOUNT OF $294,000 AND AUTHORIZING THE AGENCY TO TRANSMIT THE ADJUSTED BUDGET TO MIAMI-DADE COUNTY FOR FINAL APPROVAL; AND PROVIDING AN EFFECTIVE DATE.**

Reason/Need: On October 17, 2006, the SMCRA Board and City Commission approved the SMCRA FY 06/07 Budget. On October 20, 2006, the adopted budget was transmitted to Miami-Dade County for approval. The adopted budget included a $400,000 budgeted line item in anticipation of proposed debt service requirements. On November 13, 2006, the SMCRA Board authorized the Executive Director to enter into a $2,730,000 loan agreement with Regions Bank. Pending the receipt of funding, the loan proceeds will be utilized to purchase properties required to develop Madison Square.

As indicated in **Exhibit 1**, the amortization schedule for the proposed loan includes an annual debt service payment of $297,773.28. The FY 06/07 Budget has now been adjusted to include additional loan revenues in the amount of $2,730,000 and an annual debt service line item in the amount of $297,774 (See **Exhibit 2**).

In addition to loan proceeds from Regions Bank, the South Miami Community Action Agency of the Miami-Dade County Office of Community and Economic Development (OCED) has set aside grant funding for the SMCRA to purchase properties required to develop Madison Square. The total funding allocation is $294,000. In anticipation of the receipt of grant funding, additional revenues in the amount of $294,000 have also been included to the FY 06/07 Budget. Pending the receipt of revenues from Regions Bank and OCED, additional revenues in the amount of $3,024,000 will be available for the 06/07 Fiscal Year.

Approval of the attached resolution shall authorize a budget adjustment to the FY 06/07 Budget to include $3,024,000 in additional revenues and an annual debt service line item in the amount of $297,774.

Recommendation: Staff recommends approval of the attached resolution authorizing a budget adjustment to the FY 06/07 Budget to include additional revenues in the amount of $3,024,000 in addition to allocating a specific annual debt service line item in the amount of $297,774 for debt service payment. The FY 06/07 adjusted budget shall be transmitted to Miami-Dade County for final approval.
