Memorandum

Date: March 6, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Agenda Item No. 3(O)(10)(A)

From: George M. Burgess
County Manager

Subject: Resolution For the Application of Funds for Improved and Expanded
Pre-Hospital EMS System

RECOMMENDATION

It is recommended that the Board approve the attached resolution authorizing the County Manager to apply for, receive and expend Emergency Medical Services (EMS) grant award funds estimated at \$347,973 in new revenues for the fiscal year 2006-07. These funds will be used to improve and expand the countywide pre-hospital EMS system. The new funds will be distributed as follows:

Miami-Dade County Fire Rescue Department	\$197,573
City of Miami Fire Rescue Department	\$88,459
City of Miami Beach Fire Rescue Department	\$18,756
City of Hialeah Fire Rescue Department	\$37,250
City of Coral Gables Fire Rescue Department	\$4,606
Village of Key Biscayne Fire Rescue Department	\$1,329

The distribution of grant funds to each participating department is based on the percentage of combined total EMS calls for the calendar year prior to the new grant's fiscal year.

BACKGROUND

Each year the Florida Department of Health, Office of Emergency Medical Services distributes county grant funds as authorized by Chapter 401, Part II, Florida Statutes. These funds are made available to eligible county governments to improve and expand their pre-hospital emergency medical services. The funds are derived from surcharges on various traffic violations.

A stipulation of the grant is that municipal fire departments are to apply for and receive funds through their respective county government or county fire department. Members of the five municipal fire departments, as well as Miami-Dade Fire Rescue, conduct an annual needs assessment to formulate the County's application. The director of each fire department reviews and approves the grant work and expenditure plans included in the final grant application package.

Approximately \$347,973.00 of new grant award monies is anticipated for fiscal year 2006-07. This new revenue combined with estimated prior-year carryover funds (\$672,353.06) and interest earned (\$41,291.80), forms the basis for the FY 2006-07 work plan estimated amount of \$1,061,617.86. A detailed description of the proposed projects is provided in the attached grant work plan. No matching funds are required for this grant.

Specifically, the Miami-Dade Fire Rescue Department's estimated new allocation of \$197,573, in addition to the estimated revenue carryover (\$388,560.69) and interest from the previous year (\$14,736.29), will fund nine identified projects as outlined in the department's grant work and expenditure plans. Projects include the purchase of EMS equipment upgrades and Emergency Medical Technician (EMT) on-duty training.

The resolution certifies that the activities included in our application will improve or expand the pre-hospital EMS system in Miami-Dade County and that funds will not be used to supplant existing budget allocations for these services.
