Memorandum

Date: March 6, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Agenda Item No. 9(A)(9)(A)

From: George M. Burgess
County Manager

Subject: Resolution to Execute an Inter-Local Agreement with Miami-Dade County Public Schools

RECOMMENDATION

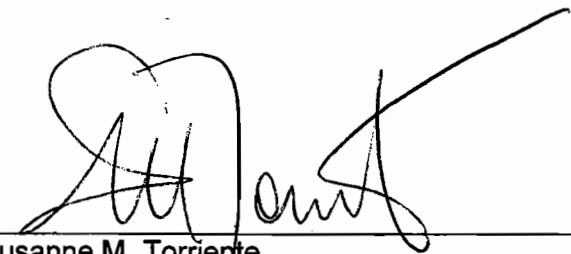

It is recommended that the Board approve the attached resolution authorizing the County Manager to execute an inter-local agreement with Miami-Dade County Public Schools/Lindsey Hopkins Technical Educational Center (MDCPS/LHTEC) to provide career/technical and academic education to inmates incarcerated in the facilities operated by Miami-Dade Corrections and Rehabilitation Department (MDCR) at a cost not to exceed \$400,000.00 for school year 2006-2007.

BACKGROUND

MDCR and MDCPS/LHTEC are committed to providing career/technical and academic educational course work that will effectively habilitate inmates, giving them the necessary skills to provide a smooth transition into society and consequently reduce recidivism. Since school year 1987-88, MDCR has benefited from a longstanding, cooperative relationship with MDCPS.

MDCPS offers a comprehensive educational/vocational service at a competitive rate. Its basic education courses are provided at no charge to the County and the cost for the vocational courses is competitively at a lower rate than offered by the private sector. Furthermore, having MDCPS provide both the career/technical and academic education offers the benefits of service continuity and alleviates the need to negotiate the terms and conditions of service delivery by multiple vendors.

LHTEC provides the following courses to inmates at six (6) MDCR facilities: Adult Basic Education (ABE), English for Speakers of Other Languages (ESOL), General Educational Development (GED) preparation, Automotive Technology, Automotive Collision Repair and Refinishing, Automotive Detailing and Reconditioning, Business Systems, Cabinet Making, Applied Welding Technology, Printing and Graphic Arts, Gasoline Engine Services, Carpentry, Custom Garment, Cosmetology, Facials Specialist, Nails Specialty, and other educational programs requested by the County. The academic/educational courses are provided at no cost and the cost associated with the career/technical educational courses will not exceed 375 contact hours per course, per student, per trimester. The amount of tuition payment based on the School Board's rate will not exceed \$400,000.00.
