RECOMMENDATION

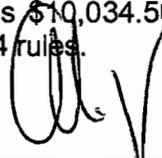

It is recommended that the Board of County Commissioners (BCC) grant the attached Road Closing Petition following a public hearing. The Miami-Dade County Departments of Planning and Zoning, Public Works, Water and Sewer and Fire Rescue have no objection to the right-of-way closing.

BACKGROUND

The Petitioner, Raúl Pestana, wishes to close NW 6 Street, from NW 74 Avenue West for 150 feet, in order to incorporate the portion of the property that reverts back to him into his property. The petitioner will enhance and maintain this portion as part of his property. The abutting property owner to the north has been made aware of this road closing and has no objection. The right-of-way that is being requested to be closed has never been improved nor maintained by Miami-Dade County.

The subject right-of-way was dedicated in 1925, by the plat of "WINONA PARK 1ST ADDITION", recorded in Plat Book 17, Page 49, of the Public Records of Miami-Dade County, Florida. Said plat contains a reverter clause which stipulates that the right-of-way reverts to the current owners of the abutting properties when its use as a public right-of-way is lawfully and permanently discontinued. The area surrounding the subject right-of-way is zoned GU (Interim District).

The Property Appraiser's Office has assessed the adjacent property to this right-of-way at \$10.11 per square foot. Therefore, the estimated value of this right-of-way would be approximately \$92,345. If this right-of-way is closed and vacated, it will be placed on the tax roll, generating an estimated \$1,968 per year in additional property taxes. This petition was filed after October 1, 2004, when the BCC approved the resolution which amended Administrative Order 4-114 by creating the two tier fee system for Road Closing Petitions. Therefore, the total fee for this road closing is \$10,034.50, instead of \$750.00 which would have been the fee under the previous AO4-114 rules.

Respectfully submitted,

In 1993 we started the project to clean up the aforementioned land. That there is a certified letter held by public works from the administrator of the adjacent land dated 1993, permitting and asking the land to be cleaned and allowing the road to be fenced in. We do not have this letter but it should be on file. In 1996 we were granted a permit to use the land and clean it, we did, and spent \$16,000.00 dollars, cleaning it. However papers were not finalized. We have been trying to get this done since 2000; and since the new owner of the abutting land lives in Venezuela, it has been a nightmare to get him to sign the petition. The administrator of the warehouse is aware of this matter. So far we have not received anything showing any interest at all from said owner. However, it would be very rewarding for the people living in Winnona Park, if this street is closed. **We want to make it even prettier by planting oranges, lemons, etc** and make it an addition to our property. We want this petition to be granted because we have been maintaining the land, with great care and will continue to do so.
