Subject: Resolution Approving an Option for Purchase of Approximately 9.441 Acres In the South Dade Wetlands Project from Pedro E. Zuccolillo and Gunnulf Bjorkman by the Environmentally Endangered Lands Program

## RECOMMENDATION

The attached Assignment of Option to Purchase real estate has been negotiated by The Nature Conservancy for the Environmentally Endangered Lands (EEL) Program and is recommended for approval. Building Better Communities General Obligation Bond (GOB) funding will be used for this purchase. However, due to the increased number of South Dade Wetlands purchases over the past year, it is possible that the annual GOB allocation for EEL purchases may be expended prior to the closing of this purchase. Therefore, the EEL Acquisition Trust Fund may be used to close on the property if needed.

OPTION AGREEMENT FOR SALE AND PURCHASE

This Option Agreement for Sale and Purchase (the "Agreement") is made and entered into this 26<sup>th</sup> day of January, 2007, by and between the below named SELLER:

whose address is: Pedro E. Zuccolillo and Gunnulf Bjorkman  
c/o Bjorn Bjorkman  
1513 E. Pitkin Street  
Ft. Collins, CO 80524-4343

(hereinafter referred to as "SELLER"), and The Nature Conservancy, a non-profit District of Columbia corporation, as Trustee of The Nature Conservancy Charitable Trust dated May 11, 1998, as amended, and its successors and assigns (hereinafter referred to as "BUYER") whose address is 222 S. Westmonte Drive, Suite 300, Altamonte Springs, FL 32714.

For and in consideration of the mutual covenants set forth herein and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, and in further consideration of the terms and conditions hereinafter set forth, the parties hereto, intending to be legally bound, agree as follows:

This Agreement will be void, at the option of the BUYER, if not accepted by the SELLER by proper execution on or before October 31, 2006. The date of agreement, for purposes of performance, shall be regarded as the date when the BUYER has signed this Agreement. Acceptance and execution of this Agreement shall void any prior contracts or agreements between the parties concerning the Premises (as defined below) unless incorporated by reference herein.

I. OPTION.

1. GRANT OF OPTION.

SELLER hereby grants to BUYER the exclusive option to purchase all of SELLER's right, title and interest in and to the real property located in Miami-Dade County, Florida, described in Exhibit "A", together with all improvements, easements and appurtenances (the "Premises"), in accordance with the provisions of this Agreement. This Agreement becomes legally binding upon execution by the parties. BUYER may assign this Agreement to Miami-Dade County ("Miami-Dade County") whose mailing address is Environmentally Endangered Lands Program, 33 SW 2nd Avenue, PH-2, Miami, FL 33130-1540, c/o Emille Young, Director. If assigned, the exercise of the option is conditioned upon the approval of the Board of County Commissioners of Miami-Dade County.

2. OPTION TERMS.

The option payment is \$100.00 (the "Option Payment"), the receipt and sufficiency of which is hereby acknowledged by SELLER. Seller agrees to provide Purchaser with a completed W-9 form, upon Seller's request, in order to enable Purchaser to issue any checks provided for hereunder.

The option is exercised by BUYER delivering written notice of exercise to SELLER during the period beginning with BUYER's execution of this Agreement and ending One Hundred and Twenty (120) days after BUYER's execution of this Agreement (the "Option Expiration Date"), unless extended by other provisions of this Agreement.

II. TERMS OF SALE AND PURCHASE. In the event that the Option is exercised pursuant to Section I above, the following terms and conditions shall apply to the sale and purchase.

1. PURCHASE PRICE.

The purchase price is the sum of ONE HUNDRED EIGHTY-EIGHT THOUSAND EIGHT HUNDRED AND 00/100 DOLLARS (\$188,800.00) (the "Purchase Price") which, after reduction by the amount of the

Option Payment, will be paid in cash (or, if this option is assigned to the County, by County check) to SELLER at time of closing, subject only to the prorations and payments as otherwise provided in this Agreement. In the event BUYER's funds in the amount of the Purchase Price are not available at the Option Expiration Date, the period of exercise of the option may be extended until such funds become available, not to exceed 60 days after the Option Expiration Date, by written notice from BUYER to SELLER.

## 2. CLOSING DATE.

The closing shall be on or before 90 days after BUYER exercises the option; provided, however, that if a defect exists in the title to the Premises, title commitment, or any documents required to be provided or completed and executed, the closing shall occur either on the original closing date or within 30 days after receipt of documentation removing the defects, whichever is later. BUYER shall set the date, time and place of closing.

## 3. PRORATIONS.

All real estate taxes and assessments which are or which may become a lien against the Property shall be prorated between the parties to the date of closing. Notwithstanding any provision herein to the contrary, if this Agreement is assigned to the County, SELLER shall pay at closing all real property taxes accrued with respect to the Property through the closing date in accordance with Florida Statute 196.295 and all other revenue of the Property shall be prorated as of the closing date. All pending, certified, confirmed or ratified special assessment liens existing as of the closing date are to be paid by the SELLER no later than closing. Intangible personal property taxes, if any, shall be paid by SELLER.

## 4. EVIDENCE OF TITLE.

BUYER, no later than thirty (30) days after BUYER's execution of this Agreement, shall at SELLER's expense order a title insurance commitment issued by a title insurer of BUYER'S choice, agreeing to issue to the BUYER upon recording of the deed hereinafter mentioned, an owner's policy of title insurance in the amount of the Purchase Price insuring the BUYER as to marketable title of the Premises, subject only to liens, encumbrances, exceptions or qualifications set forth in this Agreement and those which will be satisfied or discharged by the SELLER at or before closing. Said title insurance commitment shall include, at SELLER's expense, complete legible copies of all supporting documentation to all schedule B title exceptions. The cost of the title commitment and all supporting documentation, as well as the entire title insurance premium due for the title insurance policy to be issued to the BUYER after Closing pursuant to the title Commitment shall be deducted from SELLER'S proceeds at Closing. BUYER shall have thirty (30) days from the date of receiving the evidence of title to examine same. If title is found to be unacceptable to BUYER, in BUYER's sole discretion, the BUYER shall within said period notify the SELLER in writing specifying the defects. The SELLER shall have ninety (90) days from the receipt of such notice to cure the defects, and if after said period the SELLER shall not have cured the defects, BUYER shall have the option: (1) of accepting title as it then is or (2) declining to accept title and thereupon this Agreement shall be canceled and the BUYER and the SELLER shall have no further claim against each other.

## 5. CONVEYANCE.

At closing, SELLER shall execute and deliver to BUYER a statutory warranty deed in accordance with Section 689.02, Florida Statutes, conveying marketable title to the Premises together with all timber rights, water rights and subsurface rights, and all right, title and interest of SELLER in and to any streams, canals, water bodies, drainage ditches, alleys, roads, streets, easements of access and utility rights of way, abutting or adjoining the Premises, in fee simple free and clear of all liens, reservations, restrictions, easements, leases, tenancies and other encumbrances, except for those that are acceptable encumbrances in the opinion of BUYER and do not impair the marketability of the title to the Premises.

## 6. RESTRICTIONS AND EASEMENTS.

The BUYER shall take title subject to: (a) Zoning and/or restrictions and prohibitions imposed by governmental authority, (b) public utility easements of record, provided said easements are located on the side or rear lines of the Premises and are not more than ten feet in width.

Notwithstanding anything contained herein to the contrary, any other easements, restrictions, obligations or encumbrances either recorded or unrecorded, for which SELLER is unable to acquire release satisfactory to BUYER, or such easements, restrictions, obligations or encumbrances which BUYER, at its sole discretion, does not accept, shall be considered title defect(s) and shall allow BUYER to terminate all obligations under this Agreement.

7

7. EXISTING MORTGAGES.

For any existing mortgage, the SELLER shall furnish estoppel letters (not necessarily in affidavit form) setting forth the principal balance, method of payment, and whether the mortgage is in good standing. All outstanding mortgages shall be satisfied by SELLER and a recordable satisfaction of such mortgage furnished to BUYER, at or prior to closing.

8. NO LEASES OR PARTIES IN POSSESSION.

The SELLER warrants that there are no written or oral leases, licenses, rights of entry or easements pertaining to the Premises and that there are no parties other than SELLER in occupancy or possession of any part of the Premises.

9. MECHANICS LIENS.

The SELLER shall furnish to the BUYER at closing an affidavit that there have been no improvements to the Premises for 90 days immediately preceding the date of closing. If the Premises have been improved within 90 days immediately preceding the closing date, the SELLER shall deliver releases or waiver of all mechanics liens executed by general contractors, subcontractors, suppliers or material men and the SELLER's mechanics lien affidavit sufficient to obtain a title policy without an exception pertaining thereto.

10. SPECIAL ASSESSMENT LIENS.

All pending, certified, confirmed or ratified special assessment liens existing as of the date of closing are to be paid by the SELLER.

11. HANDWRITTEN PROVISIONS.

Handwritten provisions inserted in this Agreement and initialed by the BUYER and the SELLER shall control all printed provisions in conflict therewith.

12. DOCUMENTS FOR CLOSING.

The BUYER shall prepare the deed, the SELLER's affidavits, and the closing statement and submit copies of the same to the SELLER's attorney, at least five (5) days prior to the closing. At the time of execution of this Agreement by SELLER, SELLER shall prepare and submit to BUYER a Beneficial Interest and Disclosure Affidavit as required by Section 380.08(2), Florida Statutes.

13. EXPENSES.

The SELLER will pay the documentary revenue stamp tax and all other taxes or costs associated with the conveyance, including the cost of recording the statutory warranty deed and any other recordable instruments necessary to assure good and marketable title to the Premises.

14. DEFAULT.

If SELLER defaults under this Agreement, BUYER may waive the default and proceed to closing, seek specific performance, or refuse to close and elect to receive the return of any money paid, each without waiving any action for damages, or any other remedy permitted by law or in equity resulting from SELLER's default. In connection with any dispute arising out of this Agreement, including without limitation litigation and appeals, BUYER will be entitled to recover reasonable attorney's fees and costs.

15. ENVIRONMENTAL CONDITIONS.

For purposes of this Agreement, "pollutant" shall mean waste of any kind, or any contaminant, toxic material, hazardous material, petroleum, petroleum products or by-products, ground pollution or other pollution as defined or regulated by applicable federal, state, or local laws, statutes, ordinances, rules, regulations or other governmental restrictions (hereinafter sometimes referred to collectively as "Applicable Laws"). "Disposal" shall mean the presence, introduction, release, storage, use, handling, discharge, or disposition of such pollutants.

While paragraph 15 establishes contractual liability for the SELLER regarding pollution of the Premises as provided herein, it does not alter or diminish any statutory or common law liability of the SELLER for such pollution.

#### A. REPRESENTATIONS

The Seller warrants and represents to the BUYER as follows concerning the Premises:

- 1) The SELLER has obtained and is in full compliance with any and all permits regarding the disposal of pollutants on the Premises or contiguous property.
- 2) The SELLER is not aware nor does it have any notice, actual or constructive, of any past, present or future events, conditions, activities or practices which may give rise to any liability or form a basis for any claim, demand, cost or action relating to the disposal of any pollutant on the Premises or on contiguous property other than the cleanup, if any, referred to in Paragraph 15C (2) of this Agreement.
- 3) There is no civil, criminal or administrative action, suit, claims, demand, investigation or notice of violation pending or threatened against the SELLER relating in any way to the disposal of pollutants on the Premises or on any contiguous property.

#### B. ENVIRONMENTAL AUDIT.

The SELLER hereby allows BUYER full and free access to the Premises in order to perform an Environmental Pollution Audit ("Audit") to be completed by Buyer, at Buyer's expense, within sixty (60) calendar days after the Buyer's execution of this Agreement.

#### C. POLLUTANTS.

(1) In the event that the Audit discloses the presence of pollutants on the Premises, BUYER or SELLER may elect to terminate this Agreement by sending written notice to the other party within thirty (30) calendar days after receipt of the Audit and neither party shall have any further obligations under this Agreement.

(2) Should the BUYER and SELLER elect not to terminate this Agreement, the SELLER shall at his sole cost and expense and prior to the closing, complete any assessment, cleanup and monitoring of the pollutants on the Premises necessary to bring the Premises into full compliance with all Applicable Laws. SELLER shall furnish the BUYER with written proof from the appropriate local, state and/or federal agency with jurisdiction over the cleanup that the cleanup has been satisfactorily completed and no further liability exists. The SELLER shall, in addition, execute an affidavit to be delivered to the BUYER at closing that the SELLER warrants and represents to the BUYER, its successors and assigns that SELLER has fully completed any assessment, cleanup and monitoring of pollutants on the Premises necessary to bring the Premises into full compliance with Applicable Laws.

#### 16. RIGHT TO ENTER.

The SELLER agrees that from the date of this Agreement through the date of closing, all officers and accredited agents of the BUYER shall have at all reasonable times the unrestricted right to enter upon the Premises for all proper and lawful purposes, including examination of the Premises and the resources upon them.

#### 17. PLACE OF CLOSING.

Closing shall be held at the office of the *Seller WJ* or as otherwise agreed upon.

#### 18. RISK OF LOSS AND CONDITION OF PREMISES.

SELLER assumes all risk of loss or damage to the Premises prior to the date of closing and warrants that the Premises shall be transferred and conveyed to BUYER in the same or essentially the same condition as of the date of SELLER's execution of this Agreement, ordinary wear and tear excepted. However, in the event that the condition of the Premises is altered by an act of God or other natural force beyond the control of SELLER, BUYER may elect, at its sole option, to terminate this Agreement and neither party shall have any further obligation under this Agreement. SELLER agrees to clean up and remove all abandoned personal property, refuse, garbage, junk, rubbish, trash and debris from the Premises to the satisfaction of BUYER prior to the Option Expiration Date.

19. ACCESS.

SELLER warrants that there is legal ingress and egress for and to the Premises.

20. BROKERS.

SELLER warrants that no persons, firms, corporations or other entities are entitled to a real estate commission or other fees as a result of this Agreement or subsequent closing. SELLER shall indemnify and hold BUYER harmless from any and all such claims.

21. RECORDING.

This Agreement, or notice of it, may be recorded by BUYER in the appropriate county or counties.

22. TIME.

Time is of the essence with regard to all dates or times set forth in this Agreement.

23. ENTIRE AGREEMENT.

This Agreement contains the entire agreement between the parties pertaining to the subject matter contained in it and supersedes all prior and contemporaneous agreements, representations and understandings of the parties. No supplement, modification or amendment to this Agreement shall be binding unless executed in writing by the parties.

24. WAIVER.

Failure of BUYER to insist upon strict performance of any covenant or condition of this Agreement, or to exercise any right herein contained, shall not be construed as a waiver or relinquishment for the future of any such covenant, condition or right; but the same shall remain in full force and effect.

25. ASSIGNMENT AND SUCCESSORS IN INTEREST.

This Agreement may be assigned by BUYER to Miami-Dade County. This Agreement may not be assigned by SELLER. This Agreement shall be legally binding upon the parties, their heirs, legal representatives, successors, and assigns.

Agenda Item No. 8(D)1(A)

**From:** George M. Burgess  
County Manager

**Subject:** Supplemental Information to South Dade Wetlands Purchases

---

Four (4) South Dade Wetlands land purchase agreements were approved at the March 13, 2007, Governmental Operations and Environment Committee, then were deferred from the April 24, 2007 Board of County Commissioners (Board) meeting. These items are now scheduled for the May 22, 2007 Board meeting.

By way of background, offer letters were sent to over 600 landowners on April 4, 2006. These purchase offers contained the most recent appraisals reflecting the increase in land values that have occurred in recent years. Many of the owners in these areas have been eager to receive offers containing the new appraisal data and responded positively to the offer letters. This positive response by willing sellers is translating into an elevated number of these EEL purchase agreements.

Attachment A is a summary sheet showing the acreage, price per acre, address, etc. of each the four (4) items before the GOE and the Board. The price per acre of these properties ranges from \$7,835 - \$19,998, depending predominantly on location. Also listed is the ownership history for each of the properties.

A handwritten signature in black ink, appearing to read "B. Burgess", written over a horizontal line.
