TRACK RECORD/MONITOR

MDWASD's Intergovernmental Affairs Manager will keep record of this property conveyance.

BACKGROUND

The Miami-Dade Water and Sewer Department (MDWASD) owns and operates a sewer pump station at 350 Sunny Isles Beach Boulevard. The City of Sunny Isles Beach has requested that a portion of this property be conveyed to the City of Sunny Isles for use as public right of way. Use of a portion of this property as public right of way will allow for enhanced development opportunities within the City of Sunny Isles. MDWASD has no need for the portion of the property sought by the City of Sunny Isles and is able to maintain full operations of the pump station without use of the property sought.
