Memorandum

Date: June 26, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution Authorizing Interlocal Agreement with the Homestead 50 Community
Development District

Agenda Item No. 9(A)(19)(B)

Recommendation

It is recommended that the Board authorize execution of the attached interlocal agreement between Homestead 50 Community Development District and Miami-Dade County. This is to allow Homestead 50 Community Development District to utilize the uniform method for the levy, collection, and enforcement of non-ad valorem assessments as prescribed in Section 197.3632, Florida Statutes.

Scope

In accordance with Sections 192.091(2)(b) and 197.3632, Florida Statutes, and the interlocal agreement, the Homestead 50 Community Development District will charge separate non-ad valorem assessments for satisfying the debt obligations of the District related to financing and constructing and/or the cost of maintaining and servicing the District's improvements and/or services. The Homestead 50 Community Development District is located in Board of County Commission District 8. Homestead 50 is a proposed 51.857 acre residential single family and townhome development lying wholly within the City of Homestead, bounded approximately by SW 320 and SW 325 Streets, and, SW 157 and 159 Avenues.

Fiscal Impact/Funding Source

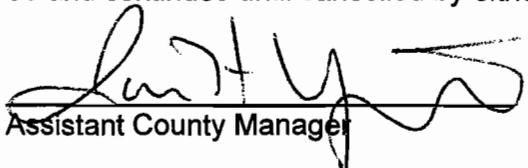

The Community Development District agrees that the County shall be entitled to retain the actual costs of collection, or 2 percent (2%), on the amount of special assessments collected and remitted.

Track Record/Monitor

The Homestead 50 Community Development District is managed by Governmental Management Services. The Interlocal Agreement is managed by the Property Appraiser's office.

Background

This interlocal agreement between the Homestead 50 Community Development District and Miami-Dade County enables the District, pursuant to Section 197.3632, Florida Statutes, the ability to utilize the TRIM notice and combined tax bill for collection of its non-ad valorem assessments. Use of the uniform method of collection of these assessments could result in issuance of tax certificates, tax deeds and the loss of title to the property, if said assessments are not paid. The term of this agreement commences with special assessments collected in FY 2007-08 and continues until cancelled by either party.
