Memorandum

Date: September 4, 2007

To: Honorable Chairman Bruno A. Barreiro and Members,
Board of County Commissioners

Agenda Item No. 8(D)(1)(C)

From: George M. Barreiro
County Manager

Subject: Resolution Authorizing the Execution of an Interlocal Agreement between Miami-Dade County and Co-Permittees Named in National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer Systems (MS4) Permit No. FLS000003

Recommendation

It is recommended that the Board approve the attached Resolution authorizing the execution of an Interlocal Agreement between co-permittees named in National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer Systems (MS4) Permit No. FLS000003 and Miami-Dade County. This agreement provides for performance of professional services by the County and establishes responsibility for the control of stormwater discharges between the co-permittees.

Scope

The sampling and monitoring services are performed countywide.

Fiscal Impact/Funding Source

Annual sampling and monitoring costs are proportionately shared between the County and the co-permittees as shown in Attachment A. The addition of the Town of Cutler Bay reduced the County's annual share by \$6,750 to \$136,350. The County's funding source is the Miami-Dade County Stormwater Utility.

Track Record/Monitor

The Director of DERM monitors this agreement.

Background

Under the NPDES MS4 Operating Permit, the EPA requires the sampling, monitoring, and analysis of storm sewer systems throughout Miami-Dade County and requires the control of pollutants through interlocal agreements, making each co-permittee responsible for discharges from their MS4. The co-permittees under this Interlocal Agreement include Miami-Dade County, local municipalities, the Florida Department of Transportation (FDOT) District VI, FDOT Turnpike Enterprise and the Miami-Dade County Expressway Authority. Originally executed in November 2005, this Interlocal Agreement now requires renewal in order to add the recently incorporated Town of Cutler Bay. Since Miami-Dade County staff is trained in meeting compliance standards with certain conditions of the NPDES MS4 Permit, this Agreement establishes that Miami-Dade County provide the necessary sampling, monitoring, and analysis services.

This new Interlocal Agreement will continue the existing arrangement through November 16, 2012. All co-permittees share in the monitoring costs associated with the NPDES MS4 Permit based upon the percentage of total storm water outfalls within their respective jurisdictions (see Attachment A). The total contribution from all co-permittees, including the County, will be \$450,000 annually.

The COUNTY shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the CO-PERMITTEE, where applicable, including appellate proceedings, and shall pay all costs, judgements and attorney's fees which may issue thereon. Provided, however, this indemnification shall only be to the extent and within the limitations of Section 768.28 Fla Stat., subject to the provisions of that Statute whereby the COUNTY shall not be held liable to pay a personal injury or property damage claim or judgement by any one person which exceeds the sum of \$100,000, or any claim or judgement or portions thereof, which, when totaled with all other claims or judgement paid by the COUNTY arising out of the same incident or occurrence, exceed the sum of \$200,000 from any and all personal injury or property damage claims, liabilities, losses or causes of action which may arise as a result of the negligence of the COUNTY.

Section VII
County Event of Default

Without limitation, the failure by the COUNTY to substantially fulfill any of its material obligations in accordance with this Agreement, unless justified by Force Majeure, shall constitute a "COUNTY event of Default".

If a COUNTY event of default should occur, the CO-PERMITTEE shall have all of the following rights and remedies which it may exercise singly or in combination:

1. The right to declare that this Agreement together with all rights granted to COUNTY hereunder are terminated, effective upon such date as is designated by the CO-PERMITTEE;
2. Any and all rights provided under federal laws and the laws of the State of Florida.

Section VIII
Co-Permittee Event of Default

Without limitation, the failure by the CO-PERMITTEE to substantially fulfill any of its material obligations in accordance with this Agreement, unless justified by Force Majeure, shall constitute a " CO-PERMITTEE Event of Default".

Section IX
General Provisions

1. **Authorization to Represent the CO-PERMITTEE in NPDES MS4 Operating Permit** The CO-PERMITTEE hereby authorizes the COUNTY to act on its behalf only with respect to: monitoring and sampling portions of the NPDES MS4 Operating Permit; and compliance with all requirements of EPA and FDEP with respect thereto as conditions of the NPDES MS4 Operating Permit.
2. **Attendance at COUNTY Permit Review Meetings.** The CO-PERMITTEE may, but is not required to, attend any or all regular meetings held by COUNTY staff for the purpose of reviewing the status of the NPDES MS4 Operating Permit.
3. **Responsibility for Discharges** The CO-PERMITTEES shall each be responsible for the control, investigation of and remedial activities relating to discharges of pollutants from within their respective MS4 or boundaries to the municipal separate storm sewer system of another NPDES MS4 CO-PERMITTEE, pursuant to the requirements of 40CFR 122.26(d)(2)(i)(D).
4. **Identification of Discharges** Both the CO-PERMITTEE whose stormwater system generates a pollutant discharge that impacts another CO-PERMITTEE'S system and the impacted CO-PERMITTEE agree to cooperate by providing the staff and equipment necessary to identify the source of pollutant discharges emanating from the separate storm sewer system of one CO-PERMITTEE to the separate storm sewer system of another CO-PERMITTEE.
5. **Notification** When pollutant discharges to a shared separate storm sewer system are discovered, the CO-PERMITTEES, or COUNTY, or any of the foregoing, as applicable, which are the source of the discharge(s) agree to report said discharges to the other affected parties sharing the particular MS4. The COUNTY shall assist, as needed, in any investigation and identification of a source of the discharge. When an investigation specifically identifies an NPDES CO-PERMITTEE as the source of a pollutant discharge, that CO-PERMITTEE shall be responsible for ceasing the discharge and remediating the effects of the discharge by restoring the affected MS4 in accordance with applicable standards.
6. **Dispute Resolution** when the parties sharing a MS4 cannot agree on the source of a discharge to their shared MS4, the State of Florida Department of Environmental Protection, Bureau of Watershed Management, shall be the final arbiter in determining jurisdiction and responsibility for cessation of discharge, remediation, and final resolution.
7. **Termination** Each party may terminate that particular party's participation in this Agreement without cause by providing sixty (60) days prior written notice of termination to the other parties to this Agreement. CO-PERMITTEES shall be entitled to reimbursement of monies paid to the COUNTY only in the event of termination for cause by the CO-PERMITTEE, or termination without cause by the COUNTY, and the CO-PERMITTEE shall then be entitled to such reimbursement only to the

extent that services providing information useful to the NPDES MS4 Permit have not been rendered by the COUNTY. Upon termination by any party, the NPDES MS4 Operating Permit status of that party shall be the sole responsibility of that party.

8. **Entire Agreement; Prior Agreements Superseded; Amendment to Agreement** This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this Agreement, and that this Agreement contains the entire agreement between the parties as to matters contained herein.
