Agenda Item No. 8(F)(1)(A)

RECOMMENDATION

It is recommended that the Board adopt the attached Resolution declaring 2.5 acres of vacant County-owned property located at 22 SE 16 Street, Homestead, surplus, and authorizing the public sale of same to the highest bidder with the restriction that it be used as passive recreational open space.

SCOPE

MANAGING DEPARTMENT: Miami-Dade Water and Sewer Department

FOLIO NUMBER: Portion of 10-7920-001-0251

LOT SIZE: 108,981.34 square feet (2.5 AC)

COMMISSIONER DISTRICT: 9

COMMISSION DISTRICT (S) IMPACTED: County-wide

LOCATION: 22 SE 16 Street, Homestead, FL

DATE ACQUIRED: July 1st, 1982 via Warranty Deed

ZONING: RU-2 (Two- Family Residential)

FISCAL IMPACT/FUNDING SOURCE

MINIMUM SALE AMOUNT: If approved for surplus, GSA will sell the property via sealed bid, for not less than \$250,000.00, the fair market value established by an independent state-certified appraiser.

JUSTIFICATION:

Shores Development, developer of the Shores at Keys Gate residential community, has expressed interest in acquiring vacant, unused acreage at the County's Newton Water Treatment Plant site in Homestead, for the recreational use of that community. In addition, the City of Homestead adopted Resolution No. R2004-03-22 supporting the "transfer" of the south 2.5 acres of the Newton Water Treatment Plant to the Homeowners Association of the Shores at Keys Gate Subdivision.

The subject property falls under the jurisdiction of the Miami-Dade Water and Sewer Department (WASD). The overall site is five acres in size; however, only one of the five acres is actually developed with water treatment equipment. The remaining four acres are currently vacant except for underground water monitoring wells around the site. Upon review, WASD has determined that it would be willing to recommend the release of 2.5 acres of the total site for sale to a third party, under the condition that the use be restricted to passive recreation open space, consistent with the need to protect the underlying water well fields.

Due to the above-described use restrictions which will not permit development of the site, the property cannot be utilized for Infill or Affordable Housing. In addition, staff has circulated notice to County departments and determined that this parcel is not needed for any County purpose. At its March 6, 2006 meeting, the Planning Advisory Board recommended this property be declared surplus to County needs, and that it be made available for sale provided that the use is restricted to "Passive Recreational Open Space."

BACKGROUND

COMMENTS:

The sale of this parcel will eliminate the County's obligation to maintain the property, and will put the property on the tax roll.

Under Florida Statute, the property must be sold via a competitive bidding process.

and Members, Board of County Commissioners
