Memorandum

MIAMI-DADE
COUNTY

Date: October 2, 2007

To: Honorable Chairman Bruno A. Barreiro and Members,
Board of County Commissioners

Agenda Item No. 8(D)(1)(F)

From: George M. Burges
County Manager

Subject: Resolution Authorizing the Execution of Agreement No. S0337 with the Florida Department of Environmental Protection (FDEP) for Support of the Ambient Air Quality Monitoring Network in Miami-Dade County

Recommendation

It is recommended that the Board authorize the execution of Agreement No. S0337 with the Florida Department of Environmental Protection (FDEP) for support of the Ambient Air Quality Monitoring Network in Miami-Dade County.

Scope

The agreement provides funding for operation of a countywide ambient air quality monitoring network.

Fiscal Impact/Funding Source

FDEP shall pay Miami-Dade County up to \$201,451 for the service period. The agreement allows for amendment(s) to provide for additional services if additional funding is made available by the Legislature. There is no requirement for matching funds from the County.

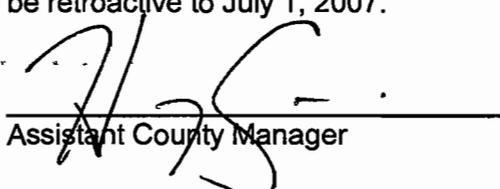

Track Record/Monitor

The Director of the Department of Environmental Resources Management (DERM) will monitor this agreement.

Background

Title V of the Federal Clean Air Act mandates the establishment of state or local ambient air monitoring programs to measure air quality for criteria air pollutants: carbon monoxide, nitrogen dioxide, ozone, particulate matter and sulfur dioxide. Specific activities associated with the monitoring network include: network design, management, preparation, installation, operation, calibration, and maintenance; reporting of data to the FDEP's central air quality database; production of equipment standard operating procedures; software development; production of required reports; air monitoring contract development and management; and ambient air statistical and descriptive data analysis work. An Air Quality Index for Miami-Dade County is calculated based on the monitoring data and provided daily to the public and the media. DERM also calculates and provides the daily Air Quality Index for Miami-Dade County to the public and media.

FDEP has delegated the ambient air monitoring program activities to Miami-Dade County since 1993. The Board authorized execution of the preceding Agreement No. S0156 on October 19, 2004 through Resolution No. R-1225-04. Because the new agreement was received from FDEP on July 17, 2007, it was not possible to obtain Board approval prior to the commencement of the project period. This agreement shall therefore be retroactive to July 1, 2007.

DEP AGREEMENT NO. S0337

STATE OF FLORIDA
GRANT ASSISTANCE
PURSUANT TO LINE ITEM 1979 OF THE 2007-2008 GENERAL APPROPRIATIONS ACT

THIS AGREEMENT is entered into between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and MIAMI-DADE COUNTY, whose address is Department of Environmental Resources Management, 701 Northwest 1st Court, Miami, Florida 33136 (hereinafter referred to as "Grantee" or "Recipient"), a local government, to provide funding for the Ambient Air Quality Monitoring Project in Dade County.

In consideration of the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, Attachment A, Grant Work Plan, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Contract" and "Agreement" and the terms "Grantee", "Recipient" and "Contractor", are used interchangeably.
2. This Agreement shall begin July 1, 2007 and shall remain in effect until June 30, 2008, inclusive. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.
3.
 - A. As consideration for the services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis in an amount not to exceed \$201,451 for the first period of service beginning July 1, 2007 and ending June 30, 2008 as identified in Attachment A, Grant Work Plan. Funding for each additional period of service shall be added to the Agreement by formal amendment. The parties hereto understand and agree that this Agreement does not require a cost sharing or match on the part of the Grantee. If the Grantee finds, after receipt of competitive bids, that the work described in Attachment A cannot be accomplished for the current estimated project cost, the parties hereto agree to modify the Project Work Plan described in Attachment A to provide for the work that can be accomplished for the funding identified above. Written approval from the Department's Grant Manger shall be required for changes between approved budget categories up to 10% of the total budget. The DEP Grant Manager will transmit a copy of the written approval and revised budget to the DEP Procurement Office and the DEP Contracts Disbursements Office for inclusion in the Agreement file. Changes greater than 10% will require a formal amendment to the Agreement.
 - B. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon receipt and acceptance of a properly completed Attachment B, Payment Request Summary Form. In addition to the summary form, the Grantee must provide from its accounting system, a listing of expenditures charged against this Agreement. The listing shall include, at a minimum, a description of the goods or services purchased, date of the transaction, voucher number, amount paid, and vendor name. All requests for reimbursement of travel expenses shall be in accordance with the travel requirements established in Section 112.061, Florida Statutes.
 - C. In addition to the invoicing requirements contained in paragraph 3.B. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within 30 calendar days of such request. The Grantee may also be required to submit a cost allocation

plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>.

4. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations.
5.
 - A. The Grantee shall submit monthly invoices. The Department's Grant Manager shall have thirty (30) calendar days to review the invoices submitted by the Grantee.
 - B. The Grantee shall submit validated ambient data to the Department's ambient air quality central database within thirty (30) days after the end of the month in which they were recorded. Verification of the ambient data, on a quarterly basis, shall be made within fifty (50) days after the end of the calendar quarter in which they were recorded.
 - C. In the event that the data reports are not submitted as required herein, the Department reserves the right to withhold payment of current and future invoices until all deficiencies have been corrected.
6. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
7.
 - A. The Department may terminate this Agreement at any time in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.
 - B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days written notice.
8. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Section 119.07(1), Florida Statutes.
9. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five years following Agreement completion. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
10.
 - A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment C, Special Audit Requirements**, attached hereto and made a part hereof. **Exhibit 1 to Attachment C** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment C**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grants Development and Review Manager at 850/245-2361 to request a copy of the updated information.

The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. The Department will be glad to furnish a list of minority owned businesses for consideration in subcontracting opportunities.
12. In accordance with Section 216.347, Florida Statutes, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency.
13. The Grantee shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Agreement. SPECIAL AUDIT REQUIREMENTS

The administration of resources awarded by the Department of Environmental Protection (*which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the contract/agreement*) to the recipient (*which may be referred to as the "Contractor", Grantee" or other name in the contract/agreement*) may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).
4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at <https://apps.fldfs.com/fsaa> for assistance. PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)
