Memorandum

Date: September 18, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Agenda Item No.

3 (O) (10) (A)

From: George M. Burgess
County Manager

Subject: Resolution Authorizing Application for U.S. Department of Homeland Security (DHS) and Florida Domestic Security Strategy Grants

Recommendation

It is recommended that the Board of County Commissioners approve the attached resolution authorizing the County Mayor or his designee to apply for, receive, accept, and expend grant funds for homeland security and all-hazards response as identified in the National Preparedness Goal, the Florida's Domestic Security Strategy and the Miami-Dade County Homeland Security Briefing Book. This resolution additionally authorizes the County Mayor to accept modifications to agreements, sub-awards and execute amendments to such agreements.

Scope

This resolution addresses countywide projects funded from the U.S. Homeland Security Grant Program. The Homeland Security related grant funds that are being applied for can come from a number of different programs including the Urban Areas Security Initiative, State Homeland Security Grant Program, Law Enforcement Terrorism Prevention Program, Metropolitan Medical Response System, Citizen Corps Program, and Citizens Emergency Response Team. Other programs also included are, the Hazard Mitigation Grant Program, Assistance to Firefighter Grants, Fire Prevention & Safety Grants, Staffing for Adequate Fire and Emergency Response Grants, and the National Urban Search & Rescue Response System.

Fiscal Impact/Funding Source

Since FY 2003 to the present, the Miami-Dade Fire Rescue Department (MDFR) and/or the Office of Emergency Management and Homeland Security (OEMHS) has received approximately \$35 million in federal funds from the U.S. Department of Homeland Security, and approximately \$27.1 million in State Homeland Security Grant Program funds from the State of Florida. Funding amounts will be annually based upon federal appropriations approval. These grants do not require any matching funds. This request mirrors the process for the blanket Local Mitigation Strategy grant program that was approved by the board in resolution R-710-05.

Track Record/Monitor

All awards will be tracked and monitored by the MDFR Grants Management Bureau for consistency with applicable OMB Circulars, audit requirements and award directives.

Background

Since 2003, the County has been the recipient of Homeland Security funds passed through federal, state and local awards. The core mission of the federal government, in collaboration with the state government is to enhance the ability of state, local, and tribal governments to prepare, prevent, and respond to natural disasters and terrorist attacks. The Homeland

Security Grant Program is a primary funding mechanism for building and sustaining national preparedness capabilities. These grants fund a range of preparedness activities, including planning, organization, equipment purchase, training, exercise and management and administrative costs.

This resolution can be applied as a blanket authorization for the County to accept grant awards from the Department of Homeland Security. Approval of this resolution will streamline the complete grants process and avail the County of additional funding opportunities for projects or programs already identified as a homeland security need.
