Subject: Resolution Approving a Two Year Extension of the Interlocal Agreement Between Miami-Dade County and Broward County for Reciprocity of Local Preference

Recommendation

It is recommended that the Board of County Commissioners adopt the attached resolution approving a two year extension of the Interlocal Agreement between Miami-Dade County and Broward County for reciprocity of Local Preference.

Scope

The impact of the accompanying resolution is countywide in nature.

Fiscal Impact/Funding Source

The accompanying resolution will have no fiscal impact on Miami-Dade County.

Track Record/Monitor

The Department of Procurement Management is responsible for the administration of the Local Preference Ordinance and the implementation of the agreement with Broward County.

Background

The original Interlocal Agreement between Miami-Dade and Broward Counties became effective in 2002 and established reciprocity of local preference upon the execution of a statement by both counties affirming that each county had adopted a substantially similar Local Preference Ordinance. The terms of the agreement require each county to extend and apply its Local Preference Ordinance to the local vendors of both counties.

The original agreement was effective from 2002 through 2005. Since 2005, the Board has extended this agreement annually through September 30, 2007. Approval of this amendment will extend the term of the agreement for two years, through September 30, 2009.

The local preference policies of each county are to apply equally to the vendors of each county. Since the implementation of the reciprocity program, two contracts were awarded by Broward to Miami-Dade vendors and three contracts were awarded by Miami-Dade to Broward vendors due to reciprocity.

Since this is an agreement between two governmental entities, the requirements of Resolution 130-06 are not applicable.
