All payments shall be governed by the provisions of the Florida Prompt Payment Act.

4.03 PAYMENT FOR SERVICES

The fee for Services authorized in accordance with this Agreement shall be computed by one of the following methods as mutually agreed to by the County and the Consultant:

- 4.03.1 Fixed lump sum: Under this compensation basis, the Consultant agrees to perform specifically described services for an agreed fixed dollar amount of compensation.
- 4.03.2 Direct labor multiplier: Under this compensation basis, the Consultant is compensated for the time of personnel engaged directly in performing Services under this Agreement. The compensation to be paid shall consist of the Direct Salaries of such personnel, as reported to the Director of the United States Internal Revenue Services, times a direct labor multiplier. A not-to-exceed cap for the total fee for assignments given under this compensation basis shall be established prior to the issuance of a Service Order. The direct labor multiplier for all personnel designated as full time staff is **2.54** times Direct Salaries.
- 4.03.3 Compensation for authorized overtime services must be approved in writing by the Owner prior to incurring overtime charges. For Employees that are salaried and are not required to be paid time and one half for work over 40 hours: Forty (40) hours multiplied by the base pay rate (\$) multiplied by the multiple (M); plus Hours Worked Beyond Forty (40) Hours During Week (Hrs) multiplied by the pay rate (\$) multiplied by 1.1. Using conventions contained in Microsoft Excel, the equation for this would be:

$$(40*\$*M) + (Hrs*\$*1.1)$$

For Employees that are on an hourly basis and are required to be paid at a time and one half overtime rate: Hours Worked Beyond Forty (40) Hours During Week (Hrs) multiplied by the premium pay rate (\$*1.5) and then multiplied by 1.1. Using conventions contained in Microsoft Excel, the equation for this would be:

$$(40*\$*M) + (Hrs*\$*1.5*1.1)$$

EXAMPLE

Hours worked during week = 50

Pay rate = \$30/hr.

Multiplier = 2.65

$$(40*30*2.65)+(10*30*1.1) = 3180+330 = \$3510 \text{ or}$$

EXAMPLE

Hours worked during week = 50.

Pay rate = \$30/hr.

Multiplier = 2.65

$$(40*30*2.65)+(10*30*1.5*1.1) = 3180+495 = \$3675$$

4.04 MAXIMUM LIMIT ON DIRECT SALARIES

Unless otherwise changed as provided for hereinafter, a maximum hourly rate payable for Direct Salaries (exclusive of the direct labor multiplier) is hereby established for the classifications, (see **Appendix 2**), Consultant Job Classification and Maximum Wage Rates, (see **Appendix 3**). Compensation for the **Principal-in-Charge** shall be at the flat rate without application of any multiplier of **\$160.00** per hour.

Any other classifications that may be used during the course of performing the Services and the hourly rate for such classifications shall only be authorized by Service Order.

4.04.1 Prior to the beginning of each year of this Agreement other than the first year and prior to the beginning of each year of the extension to the term of this Agreement, the rates specified in **Appendix 3**, the Consultant Job Classifications and Maximum Wage Rates table (excluding adjustments to the multiple), shall be adjusted by the lower of either the percentage increase in the Consumer Price Index (CPI) or the cost of living adjustment for the County non-union bargaining unit. The adjustment shall not increase the authorized amount for compensation and reimbursable expenses (see Sub-Article 4.01) for this Agreement.

4.04.2 Consultant shall not invoice the County for charges for office, rent or overhead expenses of any kind, including but not limited to, insurance, local telephone and utility charges, office/drafting supplies, depreciation of equipment, professional dues, subscriptions, reproduction of drawings and/or specifications, mailing, stenographic, clerical, nor shall it invoice for other employee time or travel and subsistence not directly related to the Services. The direct labor multiplier factor set forth above shall cover all such costs pertinent to the Services.

4.05 PAYMENT FOR SUB-CONSULTANTS

Sub-consultants, other than those that are a part of its project team, may be employed by the Consultant to perform any or all requested Services when in the opinion of the Consultant said sub-consultant services are necessary for the accomplishment of the Services. The Consultant shall obtain County's approval of the use of and the fees for such sub-consultants prior to commencing such work. Such approval must be contained in the applicable Service Order. Verification of the work performed by such sub-consultant(s) shall be the sole responsibility of the Consultant. Any Consultant's use of sub-consultants will not affect any NTE amount.

4.05.1 All payments to sub-consultant(s) employed for the performance of Services shall be the sole responsibility of the Consultant. The

Consultant shall, upon receipt of progress and/or final billing(s) from such sub-consultant(s) for Services satisfactorily performed, incorporate such billing(s) in the manner and to the extent appropriate to the applicable payment basis(es) in the next following invoice submitted by the Consultant to the County. The Consultant shall not submit invoices that include charges for Services by sub-consultant(s), unless such Services have been performed satisfactorily and the charges are, in the opinion of the Consultant, payable to such sub-consultant(s). The Consultant shall make all payments to such sub-consultant(s) promptly following receipt by Consultant of corresponding payment from the County. Prior to any payments to sub-consultant(s), the Consultant shall, if requested by the Project Manager, furnish to the County a copy of the agreement(s) providing for such payments.

- 4.05.2 All compensation rates to sub-consultants authorized by the County shall not exceed the Consultant's rates contained herein unless otherwise approved in advance by the County.

4.06 PAYMENT FOR REIMBURSABLE EXPENSES

Any Reimbursable Expenses shall be approved by the County in advance and authorized by a Service Order:

- 4.06.1 Sub-consultants, when recommended by the Consultant, and approved by the County in writing, and when in the opinion of the Consultant, said Sub-consultant services are necessary of the accomplishment of the Services.
- 4.06.2 In the event the Consultant is assigned a project within the Customs area and the Consultant is required to obtain an Airport Customs Security Bond, the Department shall reimburse the Consultant the cost of the premium for such bond, as substantiated by the invoice.
- 4.06.3 All printing and reproduction costs, including the cost of CDs, as may be required herein and those costs in excess of that required under this Agreement. Such costs will be reimbursed at the same rate paid by the County to its vendors. Printing costs for internal coordination, reviews and other in-house uses will not be reimbursed.
- 4.06.4 Living and traveling expenses of employees and principals, when away from Miami-Dade County on business in conjunction with authorized Services, as limited by Miami-Dade County Administrative Order No. 6-1, "Travel on County Business" and County Resolution No. R-1345-03. For purpose of this Agreement, all personnel are assumed to be residents of Miami-Dade County and all travel would originate in Miami-Dade County. Records must include employee name, dates, points of travel, mileage rate, lodging, and meals.

4.07 ACCOUNTING RECORDS AND AUDIT PROVISIONS

The County reserves the right to audit the accounts and records of the Consultant supporting all payments for Services hereunder and all reimbursable expenses including, but not limited to, payroll records and federal tax returns. The County shall have unrestricted access to all of the Consultant's books and records that pertains to the Consultant's operation under this Agreement. In addition, the County shall have unrestricted right to audit, either by County staff or an audit firm chosen by the County. Such audit may take place during reasonable business hours for the period of the performance of this Agreement and for three (3) years after final payment under this Agreement. The Consultant shall maintain, as part of its regular accounting system, records of a nature and in a sufficient degree or detail to enable such audit to determine the personnel hours and personnel costs and other expenses associated with this Agreement. It is further agreed that said compensation provided for in the Agreement shall be adjusted to exclude any significant costs where the County determines that the payment for Services was increased due to inaccurate, incomplete or non-current wage rates or other factual unit costs. All such adjustments in compensation paid or payable to Consultant under this Agreement shall be made within three (3) years from the date of final billing or acceptance of the Services by the County, whichever is later. The Consultant shall pay for all audit-related expenses where the audit findings aggregate to greater than or equal to three percent (3%) of the correct amount the County should have paid or been invoiced. The three percent (3%) audit-related expense threshold only applies to the amount(s) audited, and not all of the Consultant's billings. Any overpayment amount(s) discovered by audit shall be reimbursed to the County within fifteen (15) day of notice of the audit results to the Consultant.

ARTICLE 5 – NONDISCRIMINATION

5.01 EQUAL EMPLOYMENT OPPORTUNITY

In the event of the Consultant's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, and orders, this Agreement may be cancelled, terminated, or suspended in whole or in part in accordance with Sub-Article 13.05 hereof and the Consultant may be declared ineligible for further contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended by Executive Order 11375 and such sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 as amended or by rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.

By entering into this Agreement with the County and signing the Disability Nondiscrimination Certification, the Consultant attests that it is not in violation

of the Americans with Disabilities Act of 1990 (and related acts) or Miami-Dade County Resolution No. R-385-95. If the Consultant or any owner, subsidiary or other firm affiliated with or related to the Consultant is found by the responsible enforcement officer, courts, or the County to be in violation of the act or the resolution, such violation shall render this Agreement terminable in accordance with the Sub-Article 13.05 hereof. This Agreement shall be void if the Consultant submits a false certification pursuant to this resolution or the Consultant violated the act or the resolution during the term of this Agreement, even if the Consultant was not in violation at the time it submitted its affidavit.

5.04 BREACH OF NONDISCRIMINATION COVENANT

In the event it has been determined that the Consultant has breached any enforceable nondiscrimination covenant contained in Sub-Article 5.03 above, pursuant to the complaint procedures contained in the applicable federal regulations, and the Consultant fails to comply with the sanctions and/or remedies which have been prescribed, the County shall have the right to terminate this Agreement pursuant to the Sub-Article 13.05 hereof.

The issuance of any Service Order under this Agreement is contingent upon the receipt of the insurance documents, as required, within twenty (20) calendar days from the effective date of the Agreement. If the insurance certificate is received within the specified time frame, but not in the manner prescribed in this Contract, the Consultant shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the Miami-Dade Aviation Department. A breach of this warranty makes this Agreement voidable by the County without liability to the Consultant for any reason whatsoever.

14.03 CONFLICT OF INTEREST

The Consultant agrees to adhere to and be governed by the Miami-Dade County Conflict of Interest and Code of Ethics Ordinance (Section 2-11.1 of the Code). Notwithstanding the provisions of any federal, state or County law governing the activities of the hereunder, commencing as of the effective date of this Agreement and continuing for the term hereof, the Consultant shall not knowingly enter into any Agreement or other financial arrangement with any person, corporation, municipality, authority, county, state or country or any Consultant or airline at the Airport, which would constitute a conflict of interests of the County hereunder or with the services provided by the Consultant to the County hereunder. The Miami-Dade County Ethics Commission shall make determination(s), binding upon the parties, as to whether conflicts exist or will exist and if such will be serious enough to constitute a conflict hereunder.

The Consultant represents that no officer, director, employee, agent, or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Agreement.

The Consultant also represents that, to the best of its actual knowledge:

This Agreement is entered into by the Consultant without any connection with any other entity or person making a proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other Consultant of the County, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or a member of the immediate family or household of any of the aforesaid:
 - i) is interested on behalf of or through the Consultant directly or indirectly in any manner whatsoever in the execution or the performance of the Contract, or in the Services, supplies or Work, to which this Agreement relates or in any portion of the revenues; or
 - ii) is an employee, agent, advisor, or Consultant to the Consultant or to the best of the Consultant's knowledge any subcontractor or supplier to the Consultant.
- (b) Neither the Consultant nor any officer, director, employee, agency, parent, subsidiary, or affiliate of the Consultant shall have an interest which is in conflict with the Consultant's faithful performance of its obligation under the Contract; provided however, that the County, in its sole discretion, may consent in writing to such a relationship, provided the Consultant provides the County with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the County's best interest to consent to such relationship.
- (c) The provisions of this Sub-Article are supplemental to, not in lieu of, all applicable laws with respect to conflicts of interest. In the event there is a difference between the standards applicable under this Agreement and those provided by statute, the stricter standard shall apply.
- (d) In the event the Consultant has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, the Consultant shall promptly bring such information to the attention of the Project Manager. Consultant shall thereafter cooperate with the County's review and investigation of such information, and comply with the instructions the Consultant receives from the Project Manager in regard to remedying the situation.

14.08 RIGHTS RESERVED TO COUNTY

All rights not specifically granted to the Consultant by this Agreement are reserved to the County.

14.09 RIGHT TO REGULATE

Nothing in this Agreement shall be construed to waive or limit the governmental authority of the County, as a political subdivision of the State of Florida, to regulate the Consultant or its operations. The County shall be released and held harmless by Consultant from any liability, responsibility, claims, consequential damages or other damages, or losses resulting from the denial or withholding of such requests; provided, however, that this provision shall not preclude any appeal from County action wherein the sole remedy sought is reversal of the County's action or injunctive relief.

14.10 AUTHORIZED USES ONLY

Notwithstanding anything to the contrary herein, the Consultant shall not use or permit the use of the Airport for any illegal or unauthorized purpose or for any purpose, which would invalidate any insurance policies of the County, or any policies of insurance written on behalf of the Consultant under this Agreement.

14.11 SURVIVAL

Any obligations of the Consultant and the County, which by their terms would continue beyond the termination, cancellation or expiration of this Agreement or any Service Order shall survive with such termination, cancellation or expiration.

14.14 MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEWS

INDEPENDENT PRIVATE SECTOR INSPECTOR GENERAL REVIEW

Pursuant to Miami-Dade County Administrative Order No. 3-20 and in connection with any award, the Department has the right to retain the services of an Independent Private Sector Inspector General ("IPSIG"), whenever the Department deems it appropriate to do so. Upon written notice from the Department, the Consultant shall make available, to the IPSIG retained by the Department, all requested records and documentation pertaining to this Agreement or any subsequent award, for inspection and copying. The terms of this provision herein, apply to the Consultant, its officers, agents, employees and assignees. Nothing contained in this provision shall impair any independent right of the Department to conduct, audit or investigate the operations, activities and performance of the Consultant in connection with this Agreement. MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEW: According to Section 2-1076 of the Code of Miami-Dade County, Miami-Dade County has established the Office of the Inspector General ("IG") which may, on a random basis, perform audits on all Department contracts, throughout the duration of said contracts, except as otherwise provided below. The cost of the audit of any contract will be one quarter of one percent (0.25%) of the total contract amount. An IG Audit Account will be established within this Agreement to pay for Inspector General services, (see Sub-Article 14.16). The audit cost shall also be included in all change orders and all contract renewals and extensions.

Exception: The above application of one quarter of one percent (0.25%) fee assessment shall not apply to the following contracts: (a) IPSIG contracts; (b) contracts for legal services; (c) contracts for financial advisory services; (d) auditing contracts; (e) facility rentals and lease agreements; (f) concessions and other rental agreements; (g) insurance contracts; (h) revenue-generating contracts; (i) contracts where an IPSIG is assigned at the time the contract is approved by the Board; (j) professional service agreements under \$1,000; (k) management agreements; (l) small purchase orders as defined in Miami-Dade County Administrative Order No. 3-38; (m) federal, state and local government-funded grants; and (n) interlocal agreements. ***Notwithstanding the foregoing, the Miami-Dade County Board of County Commissioners may authorize the inclusion of the fee assessment of one quarter of one percent (0.25%) in any exempted contract at the time of award.***

Nothing contained above shall in any way limit the powers of the Inspector

General to perform audits on all Department contracts including, but not limited to, those contracts specifically exempted above.

14.15 MISCELLANEOUS AUDIT PROVISIONS

Nothing herein shall limit the right of the Consultant to contest any action by the Inspector General on any legal or equitable ground. Nothing in this Agreement shall impair any independent right of the County to conduct audit or investigative activities. The provisions of this Sub-Article are neither intended nor shall they be construed to impose any liability on the County by the Consultant or third parties.

The County shall be responsible for the payment of the Inspector General services and for the payment of costs of Consultant related to actions by the Office of the Inspector General for clerical staff time for obtaining and copying the documentation, and any documents, provided however, the Consultant shall pay for all audit-related expenses where the audit findings aggregate to greater than or equal to three percent (3%) of the correct amount the County should have paid or been invoiced. The three percent (3%) audit-related expense threshold only applies to the amount(s) audited, and not all of the Consultant's billings. Any overpayment amount(s) discovered by audit shall be reimbursed to the County within fifteen (15) day of notice of the audit results to the Consultant. Nothing contained in this provision shall impair any independent right of the County to conduct an audit or to review the operations, activities and performance of the Consultant as and to the extent as provided under this Agreement.

An Audit Account is hereby established to pay for mandatory random audits by the County's Inspector General. The Owner retains all rights to these funds, may expend these funds at its sole discretion, and any funds not expended from these audit accounts remain the property of the County.

Such permission, when granted, shall be evidenced by a nonexclusive license executed by the Consultant and the Department, on behalf of the County, granting the Consultant the right, license and privilege to use a specific patent, copyright, trademark, trade name, logo, computer software or other intellectual property without requiring payment of fees therefore. Failure of the parties to execute a formal license agreement shall not vest title or interest in such patent, copyright, trademark, trade name, logo, computer software or intellectual property in the Consultant.

No delay or failure to exercise a right under the ensuing Agreement shall impair such right or shall be construed to be a waiver thereof. Any waiver shall be limited to the particular right so waived and shall not be deemed a waiver of the same right at a later time, or of any other right under this Agreement.

14.24 INDEPENDENT CONTRACTOR

The Consultant shall perform all services described herein as an independent contractor and not as an officer, agent, servant, or employee of the County. Street, 19th Floor, Miami, Florida 33128 or by telephone at (305) 375-3111, facsimile (305) 375-3160, online at www.miamidade.gov/dbd.

C. CERTIFICATION

1. In order to participate as an SBE on this contract, an SBE must have a valid certification at the time of bid submittal, bid award, and throughout the duration of the contract.
2. Bidders shall use the most recent Certification List available prior to bid submission. Certification List may be obtained by contacting DBD at telephone number (305) 375-3111 during normal business hours or online www.miamidade.gov/dbd.
3. The SBE firms on the Certification List will be identified by commodity code. An SBE must be certified in a commodity code and/or service area in order to be eligible to participate as an SBE on contracts in such commodity code and service area. In order to be eligible to participate as an SBE subcontractor, the SBE must be certified in the commodity code or service area in which they are to perform the work.

However, where DBD concludes that an SBE brings only its certification as contribution to the joint venture relationship DBD will not approve the joint venture. The small business member of the joint venture must be certified as an SBE before the joint venture can be approved.

D. APPLIED CONTRACT MEASURES

1. Set-asides
 - a. Set-asides are for bidding solely among SBEs. AN SBE awarded a set-aside contract shall not transfer to a non-SBE through subcontracting or otherwise, any part of the actual work of the contract unless the bid documents expressly and specifically require and/or permit such transfer as consistent with normal industry practice, or the SBE requests and receives prior to bid award an approval letter from DBD.

- b. If the SBE is using subcontractors to meet a portion of the set-aside on a contract, an Agreement is required and is subject to the requirements for the submittal of Agreements of Section D.2.c.
- c. An SBE may perform 100% of the set-aside with its own workforce.
- d. Bids that contain a defective Agreement shall be allowed up to 48 hours from bid submission to cure correctable defects. Correctable defects may include, but are not limited to: SBE percentage not indicated, prime or subcontractor failed to sign the Agreement, or calculation errors.
- e. Bidders that fail to correct defects in the Agreement within 48 hours after bid submission shall be non-responsive.

2. Subcontractor goals

- a. Bid documents to which a subcontractor goal is applied shall require bidders to submit a signed Agreement at the time of bid submission identifying all SBEs to be utilized to meet the subcontractor goal. Each Agreement shall specify the scope of work and commodity code the SBE will perform. The Agreement constitutes a written representation by the bidder that to the best of the bidders' knowledge the SBEs listed are available and have agreed to perform as specified, or that the Bidder will demonstrate unavailability. Bidders/proposers shall be allowed up to 48-hours from bid submission to cure correctable defects in the Agreement. Correctable defects may include, but are not limited to: SBE percentage not indicated, prime or subcontractor failed to sign the Agreement, or calculation errors. Failure to submit an Agreement and SBE joint venture agreement, if applicable, may deem a bid non-responsive.

Attached.
Page 133.

- b. The Agreement shall incorporate;
 - i. The scope of work to be performed by the SBE; and
 - ii. The percentage of services the SBE will provide; and
 - iii. The prompt payment obligation; and
 - iv. The SBE joint venture Agreement; if applicable
- c. A bidder that is an SBE may meet up to 100% of the subcontractor goal with its own workforce.
- d. A bidder challenging or protesting the subcontractor goal must submit to the office or person to whom the bid is submitted, no later than the time of bid submission, written reasons for such challenge or protest. Challenges

or protests to an SBE subcontractor goal by bidders after the time of bid submission, or challenges based on reasons not previously provided in writing prior to bid submission, shall not be heard by the County Commission.

e. After a bid is advertised with a subcontractor goal, it may be reduced only with the approval of the County Commission.

f. Expenditures to subcontracting SBEs shall be counted toward meeting specified goals as follows:

i. One hundred percent (100%) of the expenditures to SBEs, that perform a commercially useful function in the supply of goods or services required for fulfillment of the contract;

ii. One hundred percent (100%) of the expenditures to SBEs that subcontract work further to non-SBEs only if bid documents expressly and specifically permit such subcontracting as consistent with normal industry practice, or the bidder or SBE requests and receives prior to bid award an approval letter from DBD.

iii. One hundred percent (100%) of the expenditures to SBEs who are vendors, working as subcontractors, that perform actual work with their own force;

iv. None of the expenditures to SBEs that act essentially as a conduit to transfer funds to a non-SBE unless bid documents expressly and specifically permit such transfers as consistent with normal industry practice or the bidder or SBE requests and receives prior to bid award an approval letter.

g. To prove lack of availability, at time of bid submission, bidders must submit the following:

i. Certificate of Unavailability (Form No. DBD 502) either completed and signed by the SBEs or completed and signed by the bidder explaining the contacts with the SBE's statement or actions of the SBEs showing unavailability, and the reason(s) why the SBE's signature could not be obtained; and

ii. A listing of any bids received from SBEs, the scope of work and price of each bid, and the bidder's reasons for rejecting each bid; and

iii. A statement of the bidder's contacts with DBD for assistance in determining available SBEs; and

- iv. A complete description of the bidder's process for soliciting and evaluating bids from SBEs; and
- v. Bidders may establish an SBE as unavailable if the bidder provides evidence proving the SBE's bid is not reasonably competitive with comparable bids of non-SBEs, for the same scope of work.

E. PRE-AWARD COMPLIANCE

1. The Compliance Monitor reviews bids for compliance with these Provisions on every contract on which an SBE set-aside and/or subcontractor goal has been applied.
2. When there is non-compliance with these Provisions, the Compliance Monitor notifies the bidder in writing, stating the facts and the reasons on which the non-compliance is based. Upon notification from DBD, the bidder may request a meeting in writing within two business days from the date of the notification of non-compliance. If requested, the bidder shall supply further relevant information as required by the Compliance Monitor. However, no new or altered agreement will be accepted.
3. Upon completion of its compliance review, the Compliance Monitor shall issue a written recommendation to the Contracting Officer that includes facts and reasons for the bidder's compliance or non-compliance.
4. The Contracting Officer, in conjunction with the Compliance Monitor, may conduct an informal meeting with the respondent. Other parties may be invited to offer information relevant to the issue of the respondent's non-compliance.
5. The Contracting Officer shall in writing determine whether the bidder complies with the requirements of these Provisions and whether to recommend to the County Manager that the contract be awarded to the bidder. Such recommendation shall not restrict the Board of County Commissioners from rejecting the bid for any reason or to take such action at the recommendation of the Contracting Officer as the Board deems appropriate.

F. PROMPT PAYMENT

1. All firms, including SBEs and Micro Enterprises providing goods and services to the County, shall receive payments promptly in order to maintain sufficient cash flow.

2. Invoices from SBE prime vendors shall be promptly reviewed and payment made by the County or Public Health Trust, where applicable, on those amounts not in dispute within 30 calendar days of invoices.
3. A prime vendor on a contract with SBE measures shall include in its invoices to the County or Public Health Trust, where applicable, copies of undisputed invoices from SBE subcontractors within 14 calendar days of receipt of such invoices, or by the next scheduled invoice, whichever comes first. The prime vendor shall pay those amounts not in dispute to subcontracting SBEs within 2 days of receipt of payment from the County. If the prime vendor fails to submit undisputed invoices from an SBE to the County as specified herein or chooses not to submit any invoice to the County pursuant to the invoice schedule, the prime vendor must pay the full amount of the received SBE invoice by the next invoice cycle or 40 calendar days from receipt, whichever is less.
4. The County or prime vendor in direct privity with an SBE on a contract with SBE measures must notify the SBE and DBD, in writing, of those amounts billed by the SBE which are in dispute, and the specific reasons why they are in dispute, within fourteen (14) calendar days of submittal of such invoice, or by the next scheduled invoice whichever comes first. Failure of the County or prime vendor to comply with the applicable requirements of this subsection shall result in the forfeiture of the right to use the dispute as justification for not paying the SBE and payment shall be forthcoming from the County or prime vendor as appropriate by the next invoice date or 40 calendar days from receipt of invoice date, whichever is less.
5. An SBE may invoice the County or prime vendor, as appropriate, 1% interest per month for any undisputed amount that is not promptly paid.

G. POST AWARD COMPLIANCE AND MONITORING

1. DBD shall monitor and enforce the compliance of the vendor with the requirements of the Administrative Order, and any related program requirements during the duration of the contract and may monitor for up to one year after notice of completion of the work or full payment of contract obligations, whichever comes last.
2. Successful Bidders and SBEs/Micro Enterprises shall permit the County to have access during normal business hours to all books and records relating to the compliance with the contract measure applied to the contract or relating to compliance with certification requirements. This right of access shall be granted for one year after completion of the work or full payment of contract obligations, whichever comes last, or for one year after the expiration of SBE certification.

3. Successful Bidders and SBEs/Micro Enterprises shall permit the County to have access to employees performing work during normal business hours in order to conduct visual inspections and interviews that may be conducted privately when necessitated by County staff.
4. Successful Bidders and SBEs/Micro Enterprises shall comply with all reporting requirements established by DBD. Failure to comply with the reporting requirements may result in the imposition of contractual sanctions or administrative penalties by the County.
5. In the event that during the performance of a contract containing an SBE subcontractor goal, an SBE is not able to provide the services specified in the Agreement submitted at the time of bid, the Successful Bidder must locate an SBE to substitute. The Successful Bidder must receive approval for substitution from DBD. A Successful Bidder that cannot secure a substitute SBE must provide a written statement to the Compliance Monitor.
6. The Compliance Monitor shall be responsible for monitoring the performance of the Successful Bidder regarding compliance with a contract measure applied to the contract. The Compliance Monitor may, at his or her discretion, investigate deviations in the utilization of SBEs from that required by the contract and make recommendations regarding compliance to the Contracting Officer. The Contracting Officer shall not make a final determination without a recommendation regarding compliance from the Compliance Monitor. Deviations from the contract measure stated in the contract that shall be monitored include, but are not limited to:
 - a. Termination of an SBE's Agreement;
 - b. Reduction in the scope of work to be performed by an SBE
 - c. Modifications to the terms of payment or price to be paid to an SBE
 - d. Failure to enter into a contract with an SBE being utilized to meet a contract measure.
7. If, after execution of an agreement, the Successful Bidder submits a written request to the Contracting Officer and demonstrates to the satisfaction of the Contracting Officer that, as a result of a change in circumstances beyond his/her control of which he/she was not aware and could not reasonably have been aware, until subsequent to the date of execution of such subcontract, an SBE, who entered into such subcontract has committed a material breach of the agreement, the Successful Bidder shall be entitled to exercise such rights as may be available to him/her to terminate the Agreement.
8. County's Determination of Bidder's Excuse or Termination.

If the Successful Bidder at any time submits a written request to the Contracting Officer under the prior two paragraphs, the Contracting Officer as

soon as practicable, shall determine whether the Successful Bidder has made the requisite demonstration, and shall not determine that such a demonstration has not been made without first providing the Successful Bidder, upon notice, an opportunity to present pertinent information and arguments.

9. Alternative Subcontracts

If the Successful Bidder is excused from entering into a subcontract or rightfully terminates a subcontract under the Administrative Order and without such subcontract the Successful Bidder will not achieve the level of SBE participation upon which the contract was awarded, the Successful Bidder shall make every reasonable effort to propose and enter into an alternative subcontract or subcontracts for the same work to be performed by another available SBE as appropriate, for a subcontract price or prices totaling not less than the subcontract price under the excused or terminated subcontract, less all amounts previously paid there under. The Successful Bidder must submit to the Compliance Officer an Agreement with the new SBE and, provide all documentation required by the County. A successful bidder that cannot secure a substitute SBE must provide all supporting documentation required by the County as detailed previously in this document (Section D.2.g).

- a. The Compliance Monitor may require the Successful Bidder to produce such information, as the Compliance Monitor deems appropriate and may obtain further information from other sources. The Compliance Monitor shall make his/her recommendation under this paragraph to the Contracting Officer and forward a copy to the bidder.
- b. The Contracting Officer will consider objections to the Compliance Monitor's recommendation only if such written objections are received by the Contracting Officer within five business days from the Successful Bidder's receipt of the Compliance Monitor's recommendation. H. CONTRACTUAL SANCTIONS

1. Bid and contract documents shall provide that, notwithstanding any other penalties or sanctions provided by law, a bidder's violation of or failure to comply with the Small Business Enterprise Program Ordinance and

Administrative Order may result in the imposition of one or more of the following sanctions:

- a. The suspension of any payment or part thereof until such time as the issues concerning compliance are resolved;
 - b. Work stoppage;
 - c. Termination, suspension, or cancellation of the contract in whole or part;
 - d. Loss of SBE certification.

In addition, and as a further sanction, the County may impose any of the above-stated sanctions on any other contracts and subcontracts the bidder or SBE has on other County projects. In each instance, the bidder or SBE shall be responsible for all direct and indirect costs associated with such termination or cancellation including attorney's fees and costs.  3. The foregoing notwithstanding, the County Manager shall include language in all prospective projects containing an SBE goal which provides that, in addition to any other sanction for failure to fulfill the SBE goal requirements for such contract, the contractor's eligibility to receive any future County contract shall be conditioned upon the contractor making up the deficit in SBE participation in such future contract by having SBEs perform work equal to double the dollar value of the deficiency in the SBE goal in the prior contract.
 4. The foregoing obligation shall be in addition to any SBE goal otherwise applicable to the future contract. The procedures for making up the SBE deficit shall follow DBD policy.
 5. Some of the contractual violations that may result in the imposition of sanctions listed in the administrative order include, but are not limited to, the following:
 - a. An SBE serving as a conduit for SBE work awarded to a firm as an SBE, but which is being performed by a non-SBE firm;

- g. Deviations from the SBE agreement without prior approval from DBD;
- h. Termination of the SBE's agreement without prior approval from DBD;
