Re: The Foreign Trade Advisors of France Symposium in Miami, November 15-16, 2007

Dear Chairman Barreiro:

As you recall, during our June 16-23, 2007 Mission to France, we met with several members of the Council of French Foreign Trade Advisory Board (Corps des Conseillers du Commerce Extérieur de la France- CCEF), including its President Mr. Bruno Duriex. They will have their Western Hemisphere Symposium of the Americas here in Miami-Dade County, on November 15 and 16, 2007 (Information enclosed). This meeting will include over 250 French Trade Advisors and government officials, and, most importantly, 100 selected French companies interested in developing business operations in Florida.

As part of Miami-Dade County's support to this important event, the organizers have respectfully requested your consideration of waiving the Vizcaya Palace's rental and preparation fees for a Gala Dinner they plan to hold on Thursday, November 15, 2007. Additionally, they will require transportation for about 350 people (approximately 8 buses) for the dinner from the Miami Beach Resort and Spa Hotel to Vizcaya and from Vizcaya to the Miami Beach Resort and Spa Hotel.

We look forward to working closely with you to host this important delegation in Miami-Dade County.

Sincerely,

Frank R. Nero

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in the section indicated above.

Unless specifically excepted, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) for each employee to whom you pay \$100 or more during a calendar year. And, unless excepted, you are also liable for tax under the Federal Unemployment Tax Act for each employee to whom you pay \$50 or more during a calendar quarter if, during the current or preceding calendar year, you had one or more employees at any time in each of 20 calendar weeks or you paid wages of \$1,500 or more in any calendar quarter. If you have any questions about excise, employment, or other Federal taxes, please address them to this office.

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for

Letter 948 (DO/CG)

ASSOCIATION DES CONSEILLERS DU

the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

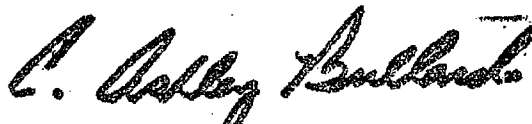

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

District Director

Subject: Countywide In-Kind Request Recommendation

The Office of Strategic Business Management (OSBM) has reviewed the attached in-kind request and recommends for the item to move forward to the Board of County Commissioners for consideration. The countywide in-kind reserve balance allows for the funding of this request.

Background

A retroactive waiver for in-kind services has been requested by a not-for-profit organization the Association Des Conseillers du Commerce Extérieur de la France scheduled for the Gala Dinner of the Western Hemisphere Symposium of the Americas held on November 15-16, 2007.

In-kind services have been requested in an amount not to exceed \$4,098 from the Miami-Dade Transit Agency for transportation services. This event will be funded from the countywide in-kind reserve fund.

In addition, Association Des Conseillers du Commerce Extérieur de la France requested an in-kind fee waiver for the use of Vizcaya Museum and Gardens for \$16,870 for the same event.

In FY 2007-08, the Association Des Conseillers du Commerce Extérieur de la France has received no County funding for this event.
