

Memorandum

Date: March 18, 2008

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Agenda Item No. 14(A)(12)

From: George M. Burgess
County Manager

Resolution No. R-308-08

Subject: Resolution Authorizing MDHA Development Corporation to assign all of its interests in Surtax Allocation for the Postmaster Affordable Housing Development; Correcting Scrivener's Error

This item was amended at the March 12, 2008 Economic Development and Human Services Committee to clarify in the Resolution that the Board authorizes the consolidation of the \$2 million loan and the \$3 million loan allocated through R-494-02 and R-641-07, respectively to be used by Postmaster Associates, Ltd.

RECOMMENDATION

It is recommended that the Board of County Commissioners (BCC) approve the attached Resolution authorizing MDHA Development Corporation to assign its interests in any unexpended funds and/or assets associated with the previously allocated Surtax awards to the District 10 Postmaster affordable housing development to Postmaster Associates, Ltd.; and authorizes the consolidation of the \$2 million loan and \$3 million loan through R-494-02 and R-641-07, respectively to be used by Postmaster Associates, Ltd. It is also recommended that the BCC authorize the correction of a scrivener's error associated with Resolution R-641-07.

SCOPE

Postmaster Apartments is located at 8800 SW 8 Street in Commission District 10. This project will consist of 55 set-aside units for the elderly and the construction ground breaking is anticipated for April 2008.

FISCAL IMPACT

This item does not create a negative fiscal impact to the County and secures the funding under one consolidated loan closing, note and mortgage.

MONITORING/TRACK RECORD

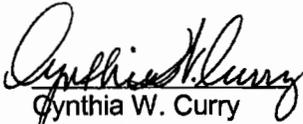

As part of the proposed Transitional Agreement between Miami-Dade County and the MDHADC, which is on this same agenda, the Postmaster Apartments project will continue to be developed under the review of the new board of directors of the MDHADC. However, this item consolidates all contracts, loan documents, and funding under the new development team, Postmaster Associated, Ltd.

Because this development is also a recipient of the Florida Housing Finance Corporation (FHFC) tax credit allocations, it is subject to its compliance reviews including, but not limited to, thorough underwriting review, review of all construction contract and working drawings, and regular site visits and construction management review.

BACKGROUND

On May 21, 2002, the BCC authorized the transfer of \$6 million in Surtax funds to the MDHADC through Resolution R-494-02. The intended use of these funds was to pay for any predevelopment and development activities, including the location and purchase of land, necessary to develop and operate elderly housing developments and to establish subsidiaries and/or affiliated entities necessary for the financing and management of the facilities. The \$6 million was divided evenly across Commission Districts 5, 6, and 10 (\$2 million per Commission District). Land was located and purchased by the MDHADC in March 2005 from the U.S. Postal Service, thereby identifying the project development as "The Postmaster Project." However, that original \$2 million transfer of funds to MDHADC was never secured by loan documents.

In addition, on June 5, 2007, the BCC approved Resolution R-641-07 which allocated \$3 million of gap funding under the 2007 Surtax Mid-Year Cycle Request for Application (RFA) process to Pinnacle Housing Group for the Postmaster Apartments. The recipient of this allocation should have been listed as Postmaster Associates, Ltd.
