and Members, Board of County Commissioners

County Manager

Subject: Resolution Authorizing Issuance of General Obligation Bonds (Building Better Communities Bond Program) Series 2008

Agenda Item No. 8(E)(1)(C)

Resolution No: R-395-08

This item was amended at the March 11, 2008 Budget and Finance Committee to reflect that proceeds of the Series 2008A Bonds shall not be used to pay administrative expenses without the prior approval of the Board.

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the attached Series Resolution (Series 2008 Resolution) authorizing the issuance and public sale of General Obligation Bonds in an aggregate principal amount not to exceed \$107,000,000 (Series 2008 Bonds).

Scope

The proceeds from the Series 2008 Bonds will go towards the planning, design, permitting and construction of the Port Tunnel to improve access to the Port of Miami. While the tunnel will be located in Commission District 5, the impact of this project funded with the proceeds of the Series 2008 Bonds is countywide.

Fiscal Impact/Funding Source

The principal and interest on the Series 2008 Bonds are general obligations of the County and the debt service is payable from unlimited ad valorem taxes on all taxable real and personal property within the County (subject to certain exemptions provided by applicable law).

The funding to make the necessary debt service payments has been authorized in the FY 2007-2008 Adopted Budget. Based on current market conditions and a 30-year maturity, the estimated average annual debt service payments resulting from issuance of the Series 2008 Bonds is \$7.07 million annually.

The Series 2008 Bonds consist of \$100 million for the Port Tunnel project and the remaining \$7 million for the cost of issuance. To the extent that not all \$7 million are needed for issuance, the total amount issued will be reduced at the time of pricing.

Background

The Board adopted eight resolutions (Authorizing Resolutions) on July 20, 2004 that approved a special bond election for the Building Better Communities Bond Program. All eight questions were approved by the electorate on November 2, 2004. As a result, on March 1, 2005, the Board enacted Ordinance 05-47 (Ordinance) that authorized the issuance of \$2,925,750,000 in general obligation bonds pursuant to the Authorizing Resolutions. On May 17, 2005 the Board adopted Resolution R-576-05 (Master Resolution) as supplemented, under which the County has issued \$250,000,000 Miami-Dade County, Florida General Obligation Bonds (Building Better Communities Bond Program), Series 2005 all of which are currently outstanding.

Pursuant to Resolution R-914-04, adopted on July 20, 2004 (Infrastructure Authorizing Resolution) the Board authorized and the citizens by special election approved, the issuance of general obligation bonds in

amount not to exceed \$352,182,000 of general obligation bonds of the County to construct and improve bridges, public infrastructure and neighborhood improvements (Infrastructure Projects), including projects designed to increase access to the Port of Miami through tunnels and related improvements as more particularly described in Exhibit A (Port Tunnel Project) attached to this Series 2008 Resolution.

The Series 2008 Bonds are the second series of general obligation bonds to be issued pursuant to the \$2,925,750,000 Building Better Communities Bond Program approved by the voters on November 2, 2004 (Building Better Communities Bond Program).

In addition to authorizing the issuance and public sale of the Series 2008 Bonds, the Series 2008 Resolution provides for other related authorizations and approvals required to complete a competitive bond transaction, including certain authorizations to the Finance Director, as the Mayor's designee, in connection with the issuance of the Series 2008 Bonds.

The proceeds of the Series 2008 Bonds will be used to finance a partial contribution of the County's obligation to pay a portion of the cost of the Port Tunnel Project, or if not so utilized, then to pay a portion of other bridges, public infrastructure and neighborhood improvements as designated from time to time by the Board. Proceeds of the Series 2008A Bonds shall not be used to pay administrative expenses without the prior approval of the Board.

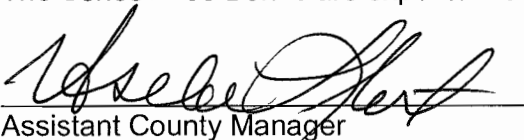

The Series 2008 Resolution approves, authorizes and provides for:

- The issuance of the Series 2008 Bonds for the purpose of financing the second component of the Building Better Communities Bond Program listed in Exhibit "A" and for the public sale of such Bonds by competitive bid or bids, which sale may be conducted by an internet bidding process;
- The form and distribution of an Official Notice of Sale and Preliminary Official Statement in the form attached as Exhibit "B" and "D" respectively, to this Series 2008 Resolution;
- The delivery of the Official Statement;
- Continuing Disclosure Commitment, as required under the provisions of Rule 15c2-12, as amended, of the Securities and Exchange Commission;
- The establishment of a book-entry only system of registration for the Series 2008 Bonds;
- The execution and delivery of the Series 2008 Bonds; and
- The appropriate officials of the County to take all actions necessary in connection with the issuance of the Series 2008 Bonds and the closing of this transaction.

The Series 2008 Resolution delegates to the Finance Director, as the Mayor's designee, within limitations to:

- Accept the bid or bids, providing the true lowest interest cost to the County, which bid or bids shall not exceed a 5.50 percent true interest cost ("TIC") for the Series 2008 Bonds, in accordance with the Official Notice of Sale;
- Enter into any negotiations for bond insurance, if deemed necessary and advisable after consultation with the Financial Advisors, and to execute and deliver any agreements that may be required by the bond insurer providing such bond insurance;
- Award the Series 2008 Bonds to the lowest responsive bidder or bidders;
- Select and appoint a Paying Agent and Bond Registrar for the Series 2008 Bonds; and
- Cause publication, once in The Miami Herald and once in The Bond Buyer, of the Summary Notice of Sale, substantially in the form attached as Exhibit "C" to the Series 2008 Resolution.

The Series 2008 Bonds are expected to be issued in April 2008.

(e) The County anticipates that it will meet the Municipal Component requirements contained in Section 12 of the Infrastructure Authorizing Resolution as of the date all Bonds authorized under the Ordinance and the Master Resolution for such projects have been issued.

Section 4. Authorization and Purpose of the Series 2008A Bonds. Subject and pursuant to the provisions of this Series 2008A Resolution, the Series 2008A Bonds to be designated “Miami-Dade County, Florida, General Obligation Bonds (Building Better Communities Program), Series 2008A,” are authorized to be issued in the aggregate principal amount not to exceed One Hundred Seven Million Dollars (\$107,000,000), for the purposes of: (i) financing a portion of the cost of the Port Tunnel Project or other Infrastructure Projects as designed from time to time by the Board, and (ii) paying the cost of issuance with respect to such Series 2008A Bonds.

Section 5. Terms of Bonds; Delegations to Finance Director. The Board delegates to the Finance Director, as the Mayor’s designee, the authority to determine the terms and provisions of the Series 2008A Bonds, not inconsistent with the Master Resolution and the delegation parameters set forth below, and to determine the terms and conditions upon which the Series 2008A Bonds shall be issued and sold, subject to the limitations contained in the Ordinance, the Master Resolution and in this Series 2008A Resolution, as follows:

(a) The text of the Series 2008A Bonds and the form of assignment thereof shall be substantially in the form attached as Appendix I to this Series 2008A Resolution, with such changes and omissions, insertions and variations as may be approved by the Finance Director after consultation with the County Attorney and Bond Counsel, the execution of such Bonds by the Mayor being conclusive evidence of such approval.

(b) The Series 2008A Bonds shall have a maturity of not more than forty (40) years from their dated date, shall be dated as of their date of delivery, shall bear interest from such date, payable semiannually on the first day of January and the first day of July of each year commencing July 1, 2008, shall have principal payments and Amortization Installments, if any, payable on the first day of July, shall consist of either serial bonds or term bonds or any combination of both serial bonds and term bonds, shall have such serial maturities and Amortization Installments, and shall be subject to redemption prior to maturity on such dates and at such prices, all as shall be determined by the Finance Director, based upon the recommendations of Public Financial Management, Inc. (the "Financial Advisor") and as set forth in an omnibus certificate of the County to be delivered concurrently with the delivery of the Series 2008A Bonds (the "Omnibus Certificate").

(c) If, after consultation with the Financial Advisor, the Finance Director determines that it is beneficial for the County to obtain bond insurance, the Finance Director is authorized and directed to enter into negotiations and to execute and deliver any agreements that may be required by the bond insurer providing such bond insurance as a condition to the issuance of its bond insurance policy, with such terms, covenants, provisions and agreements as may be deemed necessary and approved by the Finance Director upon the advice of the Financial Advisor and approval of the County Attorney and Bond Counsel. The execution of such agreement or agreements for and on behalf of the County by the Finance Director shall be conclusive evidence of the Board's approval of each.

(d) The final terms of the Series 2008A Bonds and the winning bid or bids shall be set out in the Omnibus Certificate.

(e) If the Finance Director so elects, as set forth in the Official Notice of Sale (as defined below), the Series 2008A Bonds will be subject to redemption prior to maturity, at the option of the County, in whole or in part on such dates and in such order of maturity as the County shall select and by lot within any maturity, all as shall be more specifically set forth in the Omnibus Certificate.

Section 6. Sale by Bid; Approval of Official Notice and Summary Notice of Sale.

The Series 2008A Bonds shall be publicly sold by competitive bids in the manner provided in, and in accordance with the requirements of, Section 218.385, Florida Statutes. The Finance Director is authorized and directed to provide for such public sale of the Series 2008A Bonds at the time deemed most advantageous at an aggregate purchase price of not less than 98.5% of the aggregate principal amount of the Series 2008A Bonds to be issued and to award the Series 2008A Bonds to the responsive bidder or bidders offering to purchase the Series 2008A Bonds at the lowest annual interest cost computed on a true interest cost basis ("TIC"), all as provided in the Official Notice of Sale; provided, however, that in the event that all bids received result in a TIC in excess of 5.50%, the Finance Director shall reject all bids.

The form of Official Notice of Sale attached as Exhibit B to this Series 2008A Resolution (the "Official Notice of Sale") is approved, with such variations, omissions and insertions as approved by the Finance Director after consultation with the Financial Advisor, the County Attorney and Bond Counsel and which are not inconsistent with the provisions of this Series 2008A Resolution. If all bids are rejected, the Series 2008A Bonds may subsequently again be offered to public sale by competitive bid in accordance with the provisions of this Series 2008A Resolution.

The public sale by competitive bids of the Series 2008A Bonds shall be conducted through an internet bidding process (the "Internet Bidding Process") selected and approved by the Finance Director; provided, however, that the Finance Director may determine, after consultation with the Financial Advisor, County Attorney and Bond Counsel, not to utilize the Internet Bidding Process, in which case such public sale of the Series 2008A Bonds shall be conducted through the physical delivery (which may be by facsimile) of bids utilizing an official bid form customarily used by the County, as shall be approved by the County Attorney and Bond Counsel.

The Finance Director is further authorized to cause publication, once in The Miami Herald, a daily newspaper of general circulation and published in Miami-Dade County, Florida, and once in The Bond Buyer, a financial journal published in New York, New York, and devoted primarily to municipal bonds, not less than ten (10) days prior to the date of sale, of the Summary Notice of Sale with respect to the Series 2008A Bonds, substantially in the form attached as Exhibit C to this Series 2008A Resolution, with such variations, omissions and insertions as approved by the Finance Director after consultation with the Financial Advisor, the County Attorney and Bond Counsel and which are not inconsistent with this Series 2008A Resolution.

Concurrently with their submission of bids, each bidder shall be required to provide to the County a "truth-in-bonding" statement in accordance with Section 218.385, Florida Statutes, as set forth in the Official Notice of Sale. Prior to the issuance of the Series 2008A Bonds, the successful bidder shall be required to provide to the County a disclosure statement containing the information required by Section 218.38(1)(b)2, Florida Statutes. The execution and delivery of

the Omnibus Certificate shall be conclusive evidence of the award of the Series 2008A Bonds to the successful bidder (the “Underwriter”).

Section 7. Bond Registrar; Paying Agent; Trustee. The Board authorizes and directs the Finance Director (a) to select a Registrar and Paying Agent to act in such capacities for the Series 2008A Bonds and (b) if deemed necessary, to select a bank or trust company to serve as depository for the administration of the Community Project Fund under the Master Resolution, all pursuant to applicable County policies and procedures.

Section 8. Registered Bonds; Book-Entry-Only System. The Series 2008A Bonds shall initially be issued as fully registered bonds in denominations of \$5,000 or integral multiples of \$5,000 through a book-entry-only system to be maintained by The Depository Trust Company, New York, New York, which book-entry-only system the County elects to establish in accordance with the provisions of Section 4.04 of the Master Resolution.

Section 9. Form, Execution and Delivery of Series 2008A Bonds. The Series 2008A Bonds shall be substantially in the form set forth in Appendix I to this Series 2008A Resolution and shall be executed as provided in the Master Resolution. Each Series 2008A Bond shall be alike in form, except as to maturity dates, CUSIP numbers, interest rates and numbers. The Finance Director is authorized and directed to deliver the Series 2008A Bonds to, or for the account of, the Underwriter upon receipt of payment of the purchase price for the Series 2008A Bonds.

Section 10. Preliminary Official Statement and Final Official Statement. The Board approves the use and distribution of a Preliminary Official Statement with respect to the Series 2008A Bonds, in substantially the form attached as Exhibit D to this Series 2008A Resolution

(the "Preliminary Official Statement") with such changes, deletions, insertions and omissions as may be deemed necessary and approved by the Finance Director upon consultation with the Financial Advisor, the County Attorney and Edwards Angell Palmer & Dodge LLP and Rasco, Reininger, Perez, Esquenazi & Vigil, PL (collectively, "Disclosure Counsel"). The Board also approves the delivery and distribution of a final Official Statement with respect to the Series 2008A Bonds (the "Official Statement"), in the form of the Preliminary Official Statement, subject to such changes, insertions and deletions as may be deemed necessary and approved by the Finance Director upon consultation with the Financial Advisor, the County Attorney and Disclosure Counsel, and the Finance Director is authorized to deliver the Official Statement on behalf of the County. The Board authorizes the use and distribution of the Official Statement in connection with the public offering and sale of the Series 2008A Bonds.

If so requested by the Underwriter, the Finance Director, after consultation with the Financial Advisor, the County Attorney and Disclosure Counsel, is authorized to make any necessary certifications to the Underwriter with respect to the Preliminary Official Statement and the Official Statement, required under the provisions of Rule 15c2-12, as amended, of the Securities and Exchange Commission, to the effect that the Preliminary Official Statement, with such changes as may be approved by the officer executing the certificate is, except for Permitted Omissions, "final" as of its date, and that the information therein is accurate and complete except for the Permitted Omissions.

As used herein, "***Permitted Omissions***" shall mean the offering price(s), interest rate(s), selling compensation, ratings and other terms of the Series 2008A Bonds and any underlying

obligations depending on such matters, all with respect to each of the Series 2008A Bonds and any underlying obligations.

Section 11. Application of Proceeds.

(a) Proceeds from the sale of the Series 2008A Bonds shall be disposed of as follows:

(i) An amount equal to the costs of issuance of the Series 2008A Bonds shall be deposited in the Cost of Issuance Account in the Community Project Fund and used to pay the other costs of issuance of the Series 2008A Bonds.

(ii) [RESERVED]

(iii) The balance of such proceeds shall be deposited in the Tunnel Subaccount in the Public Infrastructure and Neighborhood Improvement Projects Account in the Community Project Fund, as described in Section 12 of this Series 2008A Resolution, and used to pay or to reimburse the County for the payment of the Cost of the Port Tunnel Project or other Infrastructure Projects designated by the Board.

(b) Notwithstanding the provisions of Section 11(a) above, the Finance Director, in consultation with the Financial Advisor and the County Attorney, is authorized to supplement and amend the application of proceeds of the Series of 2008A Bonds provided in Section 11(a) above, as set forth in the Omnibus Certificate, in a manner consistent with the objectives of this Series 2008A Resolution and not inconsistent with the Master Resolution, the Ordinance and the Authorizing Resolutions.

Section 12. Deposits to Public Infrastructure and Neighborhood Improvement Projects Account; Subaccount Authorized.

(a) The Board directs that the Finance Director shall create a subaccount within the Public Infrastructure and Neighborhood Improvement Projects Account, created pursuant to Section 6.03(iii) of the Master Resolution, to be funded with proceeds of the Series 2008A Bonds for the Port Tunnel Project or other Infrastructure Projects as authorized in this Series 2008A Resolution.

(b) A special account in the Debt Service Fund created pursuant to Section 8.01 of the Master Resolution to be known as the “Series 2008A Debt Service Fund Subaccount” is created and established for the benefit of the Series 2008A Bonds. The Finance Director is authorized to create or cause to be created such additional subaccounts as shall be necessary or advisable in connection with the issuance of the Series 2008A Bonds. Amounts held in any such subaccounts are to be held solely for the benefit of the Series 2008A Bonds.

Section 13. Tax Exemption. In accordance with the provisions of Section 9.03 of the Master Resolution, the County covenants to comply with the requirements of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Series 2008A Bonds from gross income for federal income tax purposes.

Section 14. Continuing Disclosure.

(a) The County agrees, in accordance with the provisions of, and to the degree necessary to comply with, the secondary disclosure requirements of Rule 15c2-12 (the “Rule”) promulgated by the Securities and Exchange Commission (“SEC”), to provide or cause to be provided for the benefit of the owners of the Series 2008A Bonds to each nationally recognized municipal securities information repository (“NRMSIR”), and to the appropriate state information depository (“SID”), if any, designated by the State of Florida, the following annual

financial information (the "Annual Information"), commencing with the Fiscal Year ending September 30, 2008:

(i) Information relating to assessed values, ad valorem tax collections and exemptions from ad valorem taxes within the County in a form which is generally consistent with the presentation of such information in the Official Statement for the Series 2008A Bonds.

(ii) The County's Comprehensive Annual Financial Report utilizing generally accepted accounting principles applicable to local governments.

The information in paragraphs (i) and (ii) above will be available on or before June 1 of each year for the preceding Fiscal Year (the "Reporting Date") and will be made available, in addition to each NRMSIR and the SID, to each registered owner and each beneficial owner of the Bonds who requests such information. The County's Comprehensive Annual Financial Report referred to in paragraph (ii) above is expected to be available separately from the information in paragraph (i) above and will be provided by the County as soon as practical after acceptance of such statements from the auditors by the County. The County's Comprehensive Annual Financial Report is generally available within eight (8) months from the end of the Fiscal Year.

(b) The County agrees to provide or cause to be provided, in a timely manner, to (i) each NRMSIR or to the Municipal Securities Rulemaking Board ("MSRB"), and (ii) the SID, notice of occurrence of any of the following events with respect to the Series 2008A Bonds, if such event is material:

(1) principal and interest payment delinquencies;

(2) non-payment related defaults;

(3) unscheduled draws on debt service reserves reflecting financial difficulties;

(4) unscheduled draws on credit enhancements reflecting financial difficulties;

(5) substitution of credit or liquidity providers, or their failure to perform;

(6) adverse tax opinions or events affecting the tax-exempt status of the Series 2008A Bonds;

(7) modifications to rights of holders of the Series 2008A Bonds;

(8) bond calls;

(9) defeasance;

(10) release, substitution or sale of any property securing repayment of the Series 2008A Bonds (the Series 2008A Bonds are secured solely by ad valorem taxes levied on property within the County); and

(11) rating changes.

(c) The County agrees to provide or cause to be provided, in a timely manner, to (i) each NRMSIR or to the MSRB, and (ii) the SID, notice of its failure to provide the Annual Information with respect to itself on or prior to the Reporting Date.

(d) The obligations of the County under this Section shall remain in effect only so long as the Series 2008A Bonds are Outstanding. The County reserves the right to terminate its obligations to provide the Annual Information and notices of material events, as set forth above,

if and when the County no longer remains an “obligated person” with respect to the Series 2008A Bonds within the meaning of the Rule.

(e) The County agrees that its undertaking pursuant to the Rule set forth in this Section is intended to be for the benefit of the beneficial owners of the Series 2008A Bonds and shall be enforceable by such beneficial owners if the County fails to cure a breach within a reasonable time after receipt of written notice from a beneficial owner that a breach exists; provided that any such beneficial owner's right to obtain specific performance of the County's obligations under this Section in a Federal or State court located within the County and any failure by the County to comply with the provisions of this undertaking shall not be a default with respect to the Series 2008A Bonds.

(f) Notwithstanding the foregoing, each NRMSIR to which information shall be provided shall include each NRMSIR approved by the SEC prior to the issuance of the Series 2008A Bonds. In the event that the SEC approves any additional NRMSIRs after the date of issuance of the Series 2008A Bonds, the County shall, if the County is notified of such additional NRMSIRs, provide such information to the additional NRMSIRs. Failure to provide information to any new NRMSIR whose status as a NRMSIR is unknown to the County shall not constitute a violation of this Section.

(g) As of the date of issuance of the Series 2008A Bonds, there are no SIDS in the State. Notwithstanding the foregoing, the County shall be in compliance with the filing requirements of this Section if the required information is provided to the “Central Post Office” or any other entity serving a similar purpose which complies with the requirements of the Rule or which has been approved by the SEC to serve the same function as the “Central Post Office”

who shall then be responsible for forwarding the filing information to any NRMSIR or SID. The Central Post Office is the internet-based electronic filing system operated by the Texas Municipal Advisory Council under the name of "Disclosure USA" at the following internet address: www.disclosureusa.org. Information provided to the Central Post Office or any alternate internet-based filing system which has been approved by the SEC shall not have to also be filed with any NRMSIR or SID.

(h) Additionally, the requirements of subsection (a) above do not necessitate the preparation of any separate annual report addressing only the Series 2008A Bonds. The requirements of subsection (a) may be met by the filing of an annual information statement or the County's Comprehensive Annual Financial Report, provided such report includes all of the required annual information and is available by the Reporting Date. Additionally, the County may incorporate any information in any prior filing with each NRMSIR and the SID or included in any official statement of the County, provided such official statement is filed with the MSRB.

(i) The County reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County agrees that any such modification will be done in a manner consistent with the Rule.

Except to cure any ambiguity, inconsistency or formal defect or omission in the provisions of this Section, the County agreements as to secondary disclosure (the "Agreements") may only be amended if:

(i) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity,

nature or status of the County or type of business conducted; the Agreements, as amended, would have complied with the requirements of the Rule at the time of award of Series 2008A Bonds, after taking into account any amendments or change in circumstances; and the amendment does not materially impair the interests of the beneficial owners, as determined by Board, counsel or other independent counsel knowledgeable in the area of Federal securities laws and regulations; or

(ii) all or any part of the Rule, as interpreted by the staff of the SEC at the date of the adoption of this Series 2008A Resolution, ceases to be in effect for any reason, and the County elects that the Agreements shall be deemed amended accordingly.

Any assertion of beneficial ownership must be filed, with full documentary support, as part of the written request described above.

The Board further authorizes and directs the Finance Director to cause all other agreements to be made or action to be taken as required in connection with meeting the County's obligations as to the Agreements. Miami-Dade County, Florida (the "County"), for value received, hereby promises to pay, to the extent and from the sources herein described, to the registered owner identified above, or to registered assigns or legal representatives, on the Maturity Date identified above (or earlier as hereinafter provided), the Principal Amount identified above, upon presentation and surrender hereof at the designated corporate trust office of [_____] as the Paying Agent for the Bonds, or any successor Paying Agent appointed by the County pursuant to the Resolution referred to below (the "Paying Agent"), and to pay interest on the principal sum from the date hereof, or from the most recent Interest Payment Date to which interest has been paid, at the Interest Rate per annum identified above, until payment of the Principal Amount, or until provision for the payment thereof has been duly provided for, such interest being payable semiannually on the first day of January and the first day of July of each year, commencing on July 1, 2008.

Interest shall be payable by check or draft mailed to the registered owner hereof to the address as it appears on the registration books of the County maintained by [_____], as the Registrar for the Bonds, or any successor Registrar appointed by the County pursuant to the Resolution referred to below (the "Registrar"), at the close of business on the fifteenth (15th) day (whether or not a business day) of the month next preceding the Interest Payment Date (the "Record Date"), irrespective of any transfer or exchange of such Bond subsequent to such Record Date and prior to such Interest Payment Date, unless the County shall be in default in payment of interest due on such Interest Payment Date; provided, however, that (i) so long as ownership of such Bonds is maintained in a book-entry only system by a securities depository, such payment may be made by automatic funds transfer ("wire") to such securities depository or its nominee or (ii) if such Bonds are not maintained in a book-entry only system by a securities depository, upon written request of the registered owner of

If and to the extent, however, the County fails to make payment or provision for payment on any Interest Payment Date of interest on any Bond, such defaulted interest shall be payable to the persons in whose names such Bonds are registered at the close of business on a special record date for the payment of such defaulted interest as established by notice deposited in the U.S. mails, first class and postage prepaid, by the Paying Agent to the registered owners of the Bonds not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth day (whether or not a business day) preceding the date of mailing.

The principal of and interest on the Bonds shall be payable in any currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts. The registered owner of any Bond shall be deemed and regarded as the absolute owner of the Bonds for all purposes. Payment of or on account of the debt service on any Bond shall be made only to or upon the order of that registered owner or such registered owner's attorney-in-fact duly authorized in writing in the manner permitted by law, and neither the County nor the Paying Agent shall be affected by notice to the contrary.

This Bond is one of an authorized issue of bonds in the aggregate principal amount of \$ _____ (the "Bonds") of like date, tenor and effect, except as to number, maturity and interest rate, issued to pay the costs of a portion of the Port Tunnel Project (as defined in the Series 2008 Resolution described below) and costs of issuance of such Bonds, pursuant to the authority of and in full compliance with the Constitution and laws of the State of Florida, including Chapters 125 and 166, Florida Statutes, as amended, the Home Rule Amendment and Charter of Miami-Dade County, Florida, as amended, Ordinance No. 05-47 enacted by the Board of County Commissioners of Miami-Dade County, Florida (the "Board") on March 1, 2005 (the "Ordinance"), Resolution No. R-576-05 adopted by the Board on May 17, 2005 (the "Master Resolution"), as supplemented, and particularly as supplemented by Resolution No. R-_____, adopted by the Board on _____, 2008 (the "Series 2008 Resolution," and collectively with the Master Resolution, the "Resolution"), and other applicable provisions of law. This Bond is subject to all the terms and conditions of the Ordinance and the Resolution and capitalized terms not otherwise defined herein shall have the same meanings ascribed to them in the Ordinance and the Resolution. The Series 2008 Bonds are one of a Series of Bonds issued or to be issued pursuant to the Ordinance and the Master Resolution and pursuant to referenda described therein with an aggregate principal amount of \$2,925,750,000.

The full faith, credit and taxing power of the County are pledged to the punctual payment of the principal of and interest on the Bonds, as the same shall become due and payable. Reference is made to the Ordinance and the Resolution for the provisions, among others, relating

to the terms and security for the Bonds, the custody and application of the proceeds of the Bonds, the rights and remedies of the registered owners of the Bonds, and the extent of and limitations on the County's rights, duties and obligations, provisions permitting the issuance of Additional Bonds, and provisions authorizing any insurer of Bonds to take certain actions and grant consents on behalf of the owners of Bonds insured by it, to all of which provisions the registered owner hereof assents by acceptance hereof.

The Bonds of this Series shall be subject to optional redemption prior to maturity by the County, in whole or in part on any date on or after July 1, [____], in such order of maturity as the County shall select and by lot within a maturity, at a redemption price equal to 100% of the principal amount of the such Bonds to be redeemed plus accrued interest to the date of redemption and without premium.

The Bonds of this Series maturing on July 1, [____] are subject to mandatory sinking fund redemption prior to maturity, in part by lot, and will be redeemed on July 1, in the years set forth below, at a redemption price equal to the principal amount of such Bonds called for redemption plus interest accrued to the redemption date:

*

*Maturity

Notice of call for redemption is to be given by mailing a copy of the redemption notice by U.S. mail at least thirty (30) but not more than sixty (60) days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books maintained by the Registrar. Failure to mail any such notice to a registered owner of a Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption of any Bond or portion thereof with respect to which no such failure or defect occurred. Any notice mailed as provided in the Resolution shall be conclusively presumed to have been duly given, whether or not the owner of such Bond receives such notice. Provided moneys are on deposit with the Paying Agent, interest on the Bonds or portions of the Bonds called for redemption shall cease to accrue, such Bonds or portions of Bonds shall cease to be entitled to any lien, benefit or security under the Ordinance and the Resolution and shall be deemed paid and the registered owners of such Bonds or portions of Bonds shall have no further rights except to receive payment of the redemption price and to receive Bonds for any unredeemed portions of the Bonds as provided in the Ordinance and the Resolution.

Any Bond may be transferred upon the registration books maintained by the Registrar upon its delivery to the designated corporate trust office of the Registrar accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Registrar, duly executed by the registered owner thereof or his attorney-in-fact or legal

In all cases of a transfer of a Bond, the Registrar shall at the earliest practical time in accordance with the terms of the Ordinance and the Resolution enter the transfer of ownership in the registration books and shall deliver in the name of the new transferee or transferees, a new fully registered Bond or Bonds of the same maturity and of authorized denomination or denominations, for the same aggregate principal amount and payable from the same source of funds. Bonds may be exchanged at the office of the Registrar for a like aggregate principal amount of Bonds, of other authorized denominations of the same series and maturity. The County and the Registrar may charge the registered owner for the registration of every transfer or exchange of a Bond an amount sufficient to reimburse them for any tax, fee or any other governmental charge required (other than by the County) to be paid with respect to the registration of such transfer or exchange, and may require that such amounts be paid before any such new Bond shall be delivered. The County and the Registrar shall not be required to transfer or exchange any Bond during the fifteen (15) days next preceding an Interest Payment Date on the Bonds, or in the case of any proposed redemption of Bonds, after the mailing of a notice of redemption during the period of fifteen (15) days next preceding mailing of a notice of redemption.

If the date for payment of the principal of or interest on this Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the county where the designated corporate trust office of the Paying Agent is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the scheduled date of payment.

It is hereby certified and recited that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Florida; that all acts, conditions and things required to exist, to happen, and to be performed precedent to the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable hereto; that the issuance of the Bonds of this issue does not violate any constitutional or statutory limitation or provision; that due provision has been made for the levy and collection of an annual tax, without limitation as to rate or amount, upon all taxable property within the corporate limits of the County (excluding exemptions as provided by applicable law), in addition to all other taxes, sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable, which tax shall be assessed, levied and collected at the same time and in the same manner as other taxes are assessed, levied and collected within the corporate limits of the County, and that the full faith, credit and taxing power of the County are pledged to the punctual payment of the principal of and interest on the Bonds, as the same shall become due and payable.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Ordinance and the Resolution until the Certificate of Authentication endorsed hereon shall have been duly executed by the Registrar.

IN WITNESS WHEREOF, Miami-Dade County, Florida has issued this Bond and has caused the same to be signed by its Mayor and attested by its Clerk, either manually or with their facsimile signatures, and its seal to be affixed to this Bond or a facsimile of its seal to be reproduced on this Bond.

* Preliminary, subject to change.

The Series 2008 Bonds will be dated the date of their original issuance and delivery and bear interest from such date, payable commencing on _____, and on each January 1 and July 1 thereafter until maturity or prior redemption, at the rate or rates specified in the proposal of the successful bidder. The schedule of maturities and principal amounts to be paid are as follows:

INITIAL MATURITY SCHEDULE
SERIES 2008 BONDS

Maturity* (July 1)	Principal Amount*	Maturity* (July 1)	Principal Amount*
	\$		\$

(NOTE: The County reserves the right to modify the initial maturity schedule shown above (the "Initial Maturity Schedule"). See "BOND DETAILS – Adjustment of Principal Amounts" and "TERMS OF BID.AND BASIS OF AWARD" below).

Term Bond Option – Bidders may designate the principal amounts of the Series 2008 Bonds set forth in the Initial Maturity Schedule for any two (2) or more consecutive years as a single term maturity which will mature in the latest of the years designated, and will have a stated maturity amount equal to the sum of the annual principal amounts designated as a part of such term maturity. Bidders may designate no more than four (4) term maturities in such manner, and only one term maturity may be subject to mandatory sinking fund redemption in any year. Upon such designation, the Series 2008 Bonds of such term maturity shall be subject to mandatory sinking fund redemption in part by lot on July 1, in the principal amounts which would otherwise have matured in such designated years, at the price of par plus accrued interest to the redemption date, without premium.

In addition, if after the final computation of the bids the County determines, in its sole discretion, that the principal amount of any of the maturities in the Initial Maturity Schedule or the Revised Maturity Schedule needs to be adjusted, the County reserves the right either to increase or decrease, by no more than ten percent (10%), the principal amount of each maturity of the Series 2008 Bonds (to be rounded to the nearest \$5,000). In the event of any such adjustment, no rebidding or recalculation of the bids submitted will be required or permitted and the Series 2008 Bonds of each maturity, as adjusted, will bear interest at the same rate and must have the same initial reoffering yield as specified in the proposal of the successful bidder.

AUTHORIZATION

The County will issue the Series 2008 Bonds under the authority of, and in full compliance with the Constitution and laws of the State of Florida, including Chapters 125 and 166, Florida Statutes, as amended, the Home Rule Amendment and Charter of Miami-Dade County, Florida, as amended, the Code of Miami-Dade County, Florida, as amended, Resolution No. R-914-04 adopted by the Board of County Commissioners of Miami-Dade County, Florida (the “Board”) on July 20, 2004 (the “Infrastructure Authorizing Resolution”), Ordinance No. 05-47 enacted by the Board on March 1, 2005, Resolution No. R-576-05 adopted by the Board on May 17, 2005 and Resolution No. R-____-08 adopted by the Board on _____, 2008 (the “Series 2008 Resolution”). The Series 2008 Bonds are the second series of bonds to be issued pursuant to a voted authorization of \$2,925,750,000 of general obligation bonds approved at a special election of the County held on November 2, 2004.

PURPOSE

The Series 2008 Bonds are being issued to pay or provide reimbursement to the County for the payment of a portion of the County’s obligation to pay a portion of the cost of constructing and improving tunnels and related improvements designed to increase access to the Port of Miami, or if not so utilized, then to pay a portion of the cost of other public infrastructure, bridges and neighborhood improvements approved in the Infrastructure Authorizing Resolution, all as more specifically described in the Preliminary Official Statement dated _____, 2008 relating to the Series 2008 Bonds (the “Preliminary Official Statement”).

SECURITY FOR BONDS

The Series 2008 Bonds will be general obligations of the County and are payable from unlimited ad valorem taxes on all taxable real and personal property within the County (excluding exempt property as required by Florida law) without limitation as to rate or amount, as described in the Preliminary Official Statement under the caption "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2008 BONDS."

BOND INSURANCE OPTION

Bidders may, at their option, obtain a policy of municipal bond insurance guaranteeing payment of the principal of and interest on all or any designated maturities of the Series 2008 Bonds. The responsibility for obtaining such policy and payment of the premium for such policy shall rest with the successful bidder and the County will not be obligated to enter into any covenants or agreements with the insurer. Each bidder should indicate whether municipal bond insurance has been purchased and provide the name of the insurer.

The County will provide information to municipal bond insurance companies, if such companies wish to consider the qualification of the Series 2008 Bonds for bond insurance. Announcements regarding the availability of such municipal bond insurance may be made by the applicable insurer on the PFMAuction website (located at "www.PFMAuction.com") prior to the sale date or bidders may contact individual bond insurers to ascertain the availability and cost of such insurance. However, the County does not guarantee the availability of such insurance or the delivery or receipt of such information. Any failure in the availability of such insurance or the delivery or receipt of such information will not be regarded as a basis for contesting the award of the Series 2008 Bonds to the successful bidder. If the Series 2008 Bonds are delivered on an insured basis, reference to such policy shall appear on the Series 2008 Bonds and in the final Official Statement for the Series 2008 Bonds (the "Official Statement").

If the Series 2008 Bonds are delivered on an insured basis, at the time the County delivers the Series 2008 Bonds, the successful bidder shall furnish to the County a certificate acceptable to Holland & Knight LLP, Miami, Florida, and the Law Offices of Steve E. Bullock, P.A., Miami, Florida, Bond Counsel to the County ("Bond Counsel"), verifying information as to the premium paid for the municipal bond insurance policy and the present value of the interest reasonably expected to be saved as a result of the issuance of such policy. Such certificate shall be substantially in the form of Exhibit A to this Official Notice of Sale.

RATINGS

Moody's Investors Service, Inc. and Standard & Poor's Ratings Services have assigned municipal bond ratings to the Series 2008 Bonds of "____" and "____," respectively, without regard to whether a municipal bond insurance policy is obtained for the Series 2008 Bonds. Such ratings reflect the views of the respective rating agencies and an explanation of the significance of such ratings may be obtained only from the rating agencies. There is no assurance that such ratings will be in effect for any given period of time or that they will not be revised downward or withdrawn entirely by the rating agencies if, in the judgment of the rating agencies, circumstances so warrant. Any such downward revision or withdrawal may have an adverse effect upon the market price of the Series 2008 Bonds.

CONTINUING DISCLOSURE

In the Series 2008 Resolution, the County has committed to provide certain annual information and notices of material events, as required by Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission ("SEC") and as described in the Preliminary Official Statement under the caption "CONTINUING DISCLOSURE."

PURCHASER'S CERTIFICATION REGARDING INITIAL OFFERING PRICE

At the time the County delivers the Series 2008 Bonds, the successful bidder shall furnish to the County a certificate acceptable to Bond Counsel verifying information as to the bona fide initial offering price to the public and sale of each maturity of the Series 2008 Bonds. Such certificate shall be substantially in the form of Exhibit B to this Official Notice of Sale. If any maturity of the Series 2008 Bonds was also offered to institutional or other investors at a discount from the price at which such maturity was offered to the general public, the successful bidder may be asked for additional certifications as to actual and expected sales of the Series 2008 Bonds at such discounted price.

If a Financial Surety Bond is used, it must be from an insurance company licensed to issue such a bond in the State of Florida and approved by the County (as of the date of this Official Notice of Sale, only Financial Security Assurance Inc. is qualified for this purpose) and must be received by the County's Finance Director at 111 N.W. First Street, Suite 2550, Miami Florida 33128-1995 by 11:30 A.M., Eastern Daylight Time, on the date bids are due. The Financial Surety Bond must identify each bidder whose Good Faith Deposit is guaranteed by such Financial Surety Bond. **If the Series 2008 Bonds are awarded to a bidder utilizing a Financial Surety Bond, that bidder is required to submit to the County (i) a certified or cashier's check drawn upon a bank or trust company in immediately available funds, dated on or before the business day immediately following the day bids for the Series 2008 Bonds are received, or (ii) a wire transfer of immediately available funds in the amount of the Good Faith Deposit requirement.** Such payment of the Good Faith Deposit shall be considered due on the day the Series 2008 Bonds are awarded and shall be considered delinquent if not received by 12:00 Noon, Eastern Daylight Time, on the next business day following award of the Series 2008 Bonds. If such certified or cashier's check or wire transfer is not received by that time, the Financial Surety Bond may be drawn down by the County to satisfy the Good Faith Deposit requirement.

Alternatively, the Good Faith Deposit may be provided in the form of a certified or cashier's check drawn upon a bank or trust company in immediately available funds, dated on or before the date of the bid, (the "Good Faith Check"). The Good Faith Check must be received by the County's Finance Director, at 111 N.W. First Street, Suite 2550, Miami Florida 33128-1995, by 11:30 A.M., Eastern Daylight Time, on the date bids are due and must be payable unconditionally to the order

of the "Board of County Commissioners of Miami-Dade County, Florida." Award or rejection of bid(s) will be made on the date the bid(s) are received. The Good Faith Checks of unsuccessful bidders will be returned immediately after the award is made. If the successful bidder submitted a Good Faith Check, the Good Faith Check of the successful bidder will be cashed by the County after the award is made.

The proceeds of the Good Faith Deposit of the successful bidder shall be held as security for the performance of the successful bidder's obligation to comply with the terms of its bid. At the time of the delivery of and payment for the Series 2008 Bonds, the amount of the Good Faith Deposit shall be credited against the purchase price due from the successful bidder for the Series 2008 Bonds. In the event the successful bidder should fail to comply with the terms of its bid, the proceeds of the Good Faith Deposit shall be retained by the County. The retention of such proceeds by the County will constitute full liquidated damages and the successful bidder shall have no further liability. If the Series 2008 Bonds are not issued for any reason other than the successful bidder failing to comply with its bid, the County shall promptly deliver the proceeds of the Good Faith Deposit to the successful bidder, in immediately available funds, and the County shall have no further liability to the successful bidder. No interest shall be paid or credited to the successful bidder on the proceeds of the Good Faith Deposit.

REGISTRATION AND ADMISSION TO BID

To bid, bidders must first visit the PFMAuction website at "www.PFMAuction.com" where, if they have never registered with either PFMAuction or any municipal debt auction website powered by Grant Street Group, they can register and then request admission to bid in the all-or-none auction for the Series 2008 Bonds. Bidders will be notified prior to the scheduled bidding time of their eligibility to bid. Only NASD registered broker-dealers and dealer banks with DTC clearing arrangements will be eligible to bid. The County will determine whether any request for admission is granted.

BIDDING PROCEDURES

All bids must be submitted electronically on the PFMAuction website at "www.PFMAuction.com." **No telephone, telefax, telegraph or personal delivery bids will be accepted.** Bidders may change and submit bids as many times as they wish during the auction; provided, however, that each bid submitted subsequent to a bidder's initial bid must result in a lower true interest cost on the Series 2008 Bonds ("TIC"), when compared to the immediately preceding bid of such bidder. The last bid submitted by a bidder before the end of the auction (as the same may be extended, as described below) will be compared to all other final bids submitted by others to determine the winning bidder or bidders. During the bidding, no bidder will see any other bidder's bid, but each bidder will be able to see its ranking (i.e., "Leader," "Cover," "3rd," etc.).

If any bid becomes a leading bid two (2) minutes prior to the end of the auction, then the auction will be automatically extended by two (2) minutes from the time such new leading bid was received by PFMAuction. The auction end time will continue to be extended, indefinitely, until a single leading bid remains the leading bid for at least two (2) minutes.

Bidders should verify the accuracy of their final bids and compare them to the winning bids reported on the PFMAuction Observation Page immediately after the auction.

The use of PFMAuction shall be at the bidder's risk, and none of the County, Bond Counsel, Disclosure Counsel or the County's Financial Advisor, shall be responsible for, and each bidder expressly assumes the risk of, any incomplete, inaccurate or untimely bid submitted by such bidder, including, without limitation, incomplete, inaccurate or untimely bids caused by reason of garbled transmissions, mechanical failure, slow or engaged telephone or telecommunications lines or any other cause. All costs and expenses incurred by prospective bidders in connection with their submission of bids through PFMAuction are the sole responsibility of the bidders and the County is not responsible for any of such costs or expenses.

RULES OF PFMAUCTION

The Rules of PFMAuction can be viewed on the PFMAuction website at "www.PFMAuction.com" and are incorporated by this reference into this Official Notice of Sale. Bidders must comply with the Rules of PFMAuction in addition to the requirements of this Official Notice of Sale. In the event the Rules of PFMAuction conflict with this Official Notice of Sale, this Official Notice of Sale shall prevail.

TERMS OF BID AND BASIS OF AWARD

Bids must be unconditional and for the purchase of all, but not less than all, of the Series 2008 Bonds. **THE PURCHASE PRICE FOR THE SERIES 2008 BONDS SHALL BE NO LESS THAN 98.5% OF THE PAR AMOUNT OF THE SERIES 2008 BONDS.** In addition, the reoffering price of any individual maturity of the Series 2008 Bonds may not be less than ___% nor more than ___% of the par amount of that maturity (calculated to the date of delivery of the Series 2008 Bonds). **BIDDERS MUST INCLUDE IN THEIR BIDS A LIST OF THE MEMBERS OF THEIR SYNDICATE.**

The Series 2008 Bonds shall bear interest expressed in multiples of one-eighth (1/8) or one-twentieth (1/20) of one per centum. No bid offering a difference greater than 250 basis points between the highest coupon rate bid for any single maturity and the lowest coupon rate bid for any other maturity will be considered. All Series 2008 Bonds maturing on the same date shall bear the same rate of interest.

The Series 2008 Bonds will be awarded to the bidder offering to purchase the Series 2008 Bonds at the lowest annual interest cost computed on a TIC basis, but not exceeding 5.50%. The annual TIC will be determined by doubling the semi-annual interest rate (compounded semi-annually) necessary to discount the debt service payments on the Series 2008 Bonds from the payment dates to the date of the Series 2008 Bonds and to the price bid. For purposes of this Official Notice of Sale, sinking fund installments for any Series 2008 Term Bonds shall be considered as serial maturities. The TIC must be calculated to six (6) decimal places. In the case of a tie, the winning bid will be the first bid received by PFMAuction (any change to a submitted bid constitutes a new bid).

EACH BIDDER MUST SPECIFY IN ITS BID THE INTEREST RATE FOR THE SERIES 2008 BONDS OF EACH MATURITY AND ALL SERIES 2008 BONDS MATURING ON THE SAME DATE MUST BEAR INTEREST AT THE SAME RATE. NO BIDS FOR LESS THAN ALL OF THE SERIES 2008 BONDS OFFERED WILL BE ENTERTAINED. THE COUNTY RESERVES THE RIGHT TO REJECT ALL BIDS OR ANY BID NOT CONFORMING TO THIS OFFICIAL NOTICE OF SALE. THE COUNTY ALSO RESERVES THE RIGHT TO WAIVE, IF PERMITTED BY LAW, ANY IRREGULARITY OR INFORMALITY IN ANY PROPOSAL. THE COUNTY SHALL NOT REJECT ANY CONFORMING BID UNLESS ALL CONFORMING BIDS ARE REJECTED.

COMPLIANCE WITH SEC AND MSRB RULES

The successful bidder agrees to take any and all other actions necessary to comply with applicable SEC and Municipal Securities Rulemaking Board (the "MSRB") rules governing the offering, sale and delivery of the Series 2008 Bonds, including, without limitation, the payment of any fees or charges required to be paid by the MSRB or the Bond Market Association in connection with the purchase or sale of the Series 2008 Bonds.

SMALL BUSINESS ENTERPRISE PARTICIPATION

It is the County's policy to foster participation by African-American firms, Hispanic firms, women-owned firms, and disadvantaged business enterprises (collectively, the "Small Business Enterprise Firms") in each of its bond issues. The County strongly encourages each bidder to support that policy by including Small Business Enterprise Firms in its syndicate. No bid, however, will be considered non-responsive on the basis of non-compliance with the County's request that the syndicate include Small Business Enterprise Firms. **To assist the County, each bidder shall identify any Small Business Enterprise Firms that are part of the syndicate.**

CONFLICT OF INTEREST

Prospective bidders are advised to take notice of the Conflict of Interest provision contained in Section 2-11.1 of the Code of Miami-Dade County, Florida, as amended, particularly with respect to contracts with members of the Board and certain employees of the County and their immediate families and restrictions relating to lobbying activities.

SETTLEMENT OF BONDS

It is expected that closing for the Series 2008 Bonds will occur in Miami, Florida on or about _____, 2008 (the "Closing Date"), or such other date as shall be appropriate to ensure compliance with the Rule. On the Closing Date, the Series 2008 Bonds will be delivered to DTC, as securities depository, and registered in the name of Cede & Co., as nominee of DTC. The successful bidder shall timely obtain CUSIP identification numbers and pay CUSIP Service Bureau charges for assignment of the numbers. **The successful bidder shall advise the County within two (2) business days after notice of award of the CUSIP identification numbers for the Series 2008 Bonds.** The successful bidder shall also advise the underwriting department of DTC, not less than four (4) business days prior to the Closing Date; of the interest rates borne by the Series 2008 Bonds,

the CUSIP identification numbers and the Closing Date. Any delay, error or omission with respect to the CUSIP numbers shall not constitute a cause for failure or refusal by the successful bidder to accept delivery of, and pay for, the Series 2008 Bonds in accordance with the terms of this Official Notice of Sale.

FULL PAYMENT OF THE PURCHASE PRICE (MINUS THE AMOUNT OF THE GOOD FAITH DEPOSIT) MUST BE MADE TO THE COUNTY BY 11:00 A.M. EASTERN DAYLIGHT TIME ON THE CLOSING DATE BY THE SUCCESSFUL BIDDER IN FEDERAL RESERVE FUNDS OR IMMEDIATELY AVAILABLE FUNDS, WITHOUT COST TO THE COUNTY.

BLUE SKY LAWS

The successful bidder will be responsible for the clearance or exemption with respect to the status of the Series 2008 Bonds for sale under the securities or "Blue Sky" laws of the several states and the preparation of any surveys or memoranda in connection with such sale. The County shall have no responsibility for such clearance, exemption or preparation.

CLOSING DOCUMENTS

In addition to the opinions of Bond Counsel and Disclosure Counsel referred to above, at the time of payment for and delivery of the Series 2008 Bonds, the County will furnish the successful bidder with the following documents, all to be dated as of the date of delivery:

1. *No Litigation Opinion* – An opinion of the Office of the Miami-Dade County Attorney to the effect that, except as described in the Official Statement, there is no litigation pending or, to its knowledge, threatened which, if determined adversely, would materially adversely affect the validity of the Series 2008 Bonds.
2. *General Certificate* – A certificate or certificates of the appropriate officers of the County to the effect that (1) to the best of such officer's knowledge and belief, and after reasonable investigation, (a) neither the Official Statement nor any amendment or supplement to it contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (b) since the date of the Official Statement, no materially adverse change has occurred in the financial position or results of operation of the County, except as set forth in or contemplated by the Official Statement; (2) the Series 2008 Bonds have been executed by the manual or facsimile signature of the appropriate County officials who were duly authorized to execute the same; and (3) on the basis of the facts, estimates and circumstances relied upon at the time of delivery of the Series 2008 Bonds, it is not expected that the proceeds of the Series 2008 Bonds will be used in a manner that will cause the Series 2008 Bonds to be arbitrage bonds.
3. *Finance Director's Receipt* – The receipt of the Finance Director showing that the purchase price of the Series 2008 Bonds has been received and deposited in the appropriate funds and accounts.

The successful bidder will also be required to execute certain closing documents required by Florida law or by Bond Counsel in connection with the delivery of the Series 2008 Bonds or the delivery of the opinions of Bond Counsel described in this Official Notice of Sale.

PRELIMINARY OFFICIAL STATEMENT; FINAL OFFICIAL STATEMENT

The County has authorized the distribution of the Preliminary Official Statement, which it deemed final (except for permitted omissions) for purposes of the Rule. Upon the sale of the Series 2008 Bonds, the County will deliver a final Official Statement substantially in the same form as the Preliminary Official Statement, subject to such amendments as are necessary, to the successful bidder within the earlier of seven (7) business days following the sale of the Series 2008 Bonds or to accompany the successful bidder's confirmation that requests payment for the Series 2008 Bonds. Up to five hundred (500) copies of the Official Statement (and any supplement to the Official Statement) will be made available to the successful bidder at the expense of the County. Additional copies may be obtained at the expense of the successful bidder.

MANDATORY STATE FILING

Section 218.38(1)(b)1, Florida Statutes, as amended, requires that the County file, within one hundred twenty (120) days after the delivery of the Series 2008 Bonds, an information statement with the Division of Bond Finance of the Board of Administration of the State of Florida (the "Division of Bond Finance") containing the following information: (a) the name and address of the managing underwriter, if any, connected with the bond issue; (b) the name and address of any attorney or financial consultant who advised the County with respect to the bond issue; (c) any fee, bonus, or gratuity paid by any underwriter or financial consultant, in connection with the bond issue, to any person not regularly employed or engaged by such underwriter or consultant; and (d) any other fee paid by the County with respect to the bond issue, including any fee paid to attorneys or financial consultants. UNDERWRITERS' CERTIFICATE REGARDING BOND INSURANCE

The undersigned duly authorized officer of _____, senior managing underwriter, as representative of the syndicate (collectively, the "Underwriters") listed in the response submitted in the successful bid for the \$ _____ Miami-Dade County, Florida General Obligation Bonds (Building Better Communities Program), Series 2008 (the "Series 2008 Bonds"), HEREBY CERTIFIES that:

1. The Series 2008 Bonds will be secured by a municipal bond insurance policy (the "Policy") provided by _____ ("_____"), for which _____ will be paid a premium by the Underwriters of \$ _____ on the date of issuance of the Series 2008 Bonds.

2. In connection with the sale of the Series 2008 Bonds, we compared the debt service on the Series 2008 Bonds secured by the Policy with the debt service on the Series 2008 Bonds that would have existed if the Series 2008 Bonds had not been insured by _____, as estimated by us based on similar issues marketed at the same time and on our marketing experience in connection with the marketing of similar municipal bonds.

3. We then calculated the present value of the interest reasonably expected to be saved as a result of the Policy on the issuance of the Series 2008 Bonds. In determining the present value of the interest savings, we used the yield on the Series 2008 Bonds (determined with regard to the premium paid to _____), as the discount rate. As used in this Certificate, the term "yield" means the discount rate that, as of the date of issuance of the Series 2008 Bonds, produces a present value of all the unconditionally payable payments of principal and interest equal to the initial offering price of the Series 2008 Bonds to the public, as reflected on the inside cover page of the Official Statement for the Series 2008 Bonds, treating the premium paid to _____ for the Policy as additional interest paid on the Series 2008 Bonds on the date of issuance of the Series 2008 Bonds.

4. As shown on the schedules attached to this Certificate as Exhibit "A," the present value of the premium payable to _____ is less than the present value of the interest reasonably expected to be saved as a result of the issuance of the Policy, using the yield on the Series 2008 Bonds as the discount rate in computing such present value.

5. Based on our experience with similar transactions, the premium paid to _____ does not exceed a reasonable arm's-length charge for the transfer of credit risk to _____ resulting from the issuance by _____ of the Policy securing the Series 2008 Bonds.

IN WITNESS WHEREOF, the undersigned has caused this Certificate to be executed in its name, on its behalf and on behalf of the Underwriters, by its duly authorized officer this _____ day of _____, 2008.

UNDERWRITERS' CERTIFICATE REGARDING ISSUE PRICE

The undersigned duly authorized officer of _____, senior managing underwriter, as representative of the syndicate (collectively, the "Underwriters") listed in the response submitted in the successful bid for the \$ _____ Miami-Dade County, Florida General Obligation Bonds (Building Better Communities Program), Series 2008 (the "Series 2008 Bonds"), HEREBY CERTIFIES that:

1. As of the date of this Certificate, pursuant to its bid submitted in response to an Official Notice of Sale dated _____, 2008 (the "Official Notice of Sale") relating to the Series 2008 Bonds, the Underwriters have agreed to purchase the Series 2008 Bonds on the terms and conditions described in the Official Notice of Sale and the final Official Statement dated _____, 2008 (the "Official Statement") relating to the Series 2008 Bonds.

2. All of the Series 2008 Bonds have been the subject of a bona fide initial offering to the public, excluding bondhouses, brokers or similar persons or organizations acting in the capacity of underwriters and wholesalers (the "Public"), made pursuant to the Official Statement.

3. As of the date of this Certificate, none of the Series 2008 Bonds have been sold in exchange for property (other than cash or other legal tender) and none of the Series 2008 Bonds remaining to be sold as of the date of this Certificate are expected to be exchanged for property.

4. All of the Series 2008 Bonds have been initially offered at prices no higher than, or yields no lower than, the respective prices or yields shown on the inside cover page of the Official Statement (the "Official Statement Prices").

5. To the best of our knowledge, based on our records and other information available to us which we believe to be correct after reasonable investigation, as of _____, 2008, the date of the sale of the Series 2008 Bonds to the Underwriters (the "Sale Date"), individual Series 2008 Bonds aggregating not less than ten percent (10%) of the total principal amount of each maturity of the Series 2008 Bonds were sold by the Underwriters to the Public at initial offering prices equal to the Official Statement Prices, and no Series 2008 Bonds were sold to the Public at a price greater than (or a yield less than) the Official Statement Prices. As of the Sale Date, based upon our assessment of the then prevailing market conditions, we had no reason to believe any of the Series 2008 Bonds would be initially sold to the Public at prices or yields different from the Official Statement Prices.

In the opinion of Bond Counsel, assuming compliance with certain arbitrage rebate and other tax requirements referred to in this Official Statement, under existing law, interest on the Series 2008 Bonds is excludable from gross income for federal income tax purposes and will not be treated as an item of tax preference in computing the alternative minimum tax. Interest on the Series 2008 Bonds will, however, be taken into account in computing an adjustment made in determining a corporate Bondholder's alternative minimum tax based on such Bondholder's adjusted current earnings and Bondholders could be subject to the consequences of other provisions of the Internal Revenue Code of 1986, as amended, as further described in this Official Statement. General Obligation Bonds
(Building Better Communities Program)
Series 2008**

INTRODUCTION

The purpose of this Official Statement of Miami-Dade County, Florida (the "County"), which includes the inside cover page and Appendices, is to furnish information about the County and its Miami-Dade County, Florida General Obligation Bonds (Building Better Communities Program), Series 2008, to be issued in the principal amount of \$107,000,000* (the "Series 2008 Bonds"). The Series 2008 Bonds are authorized to be issued by Resolution No. R-914-04 adopted by the Board of County Commissioners of Miami-Dade County (the "Board") on July 20, 2004 (the "Infrastructure Authorizing Resolution"), Ordinance No. 05-47 (the "Ordinance") enacted by the Board on March 1, 2005, as supplemented, Resolution No. R-576-05 adopted by the Board on May 17, 2005 (the "Master Resolution") and Resolution No. _____ adopted by the Board on _____, 2008 (the "Series 2008 Resolution" and together with the Infrastructure Authorizing Resolution, the Ordinance, and the Master Resolution, the "Bond Documents").

The Series 2008 Bonds are the second Series of Bonds to be issued pursuant to a voted authorization of \$2,925,750,000 in County general obligation bonds (the "BBC Program Bonds") authorized by the Ordinance and approved by the voters at a special election of the County held on November 2, 2004 to fund the Building Better Communities Program (the "BBC Program" described herein). The initial General Obligation Bonds (Building Better Communities Program) Series 2005 were issued for the funding of certain capital projects. The Series 2008 Bonds are being issued to pay a portion of the cost to construct tunnels and related improvements designed to increase access to the Port of Miami (the "Port Tunnel Project"). The proceeds of the Series 2008 Bonds will be used to finance a partial contribution of the County's obligation to pay a portion of the cost of the Port Tunnel Project, or if not so utilized, then to pay a portion of the cost of other bridges, public infrastructure and neighborhood improvements approved in the Infrastructure Authorizing Resolution.

This Official Statement contains descriptions of, among other things, the Series 2008 Bonds, the Bond Documents and the County. Such descriptions and information do not purport to be comprehensive or definitive. Certain information in this Official Statement has been provided by The Depository Trust Company, New York, New York ("DTC"). The County has not provided information in this Official Statement with respect to DTC and does not certify as to the accuracy or sufficiency of the disclosure policies of or content provided by DTC and is not responsible for the information provided by DTC. All references in this Official Statement to the Bond Documents and related documents are qualified by reference to such documents, and references to the Series 2008 Bonds are qualified in their entirety by reference to the form of such bonds included in the Bond Documents. All capitalized terms in this Official Statement shall have the meanings assigned to such terms in the Bond Documents unless another meaning is ascribed to any of such terms in this Official Statement.

57

DESCRIPTION OF THE SERIES 2008 BONDS

General

The Series 2008 Bonds shall bear interest at such rates and will mature on the dates and in the principal amounts set forth on the inside cover page of this Official Statement. [Bank] will act as Registrar and Paying Agent for the Series 2008 Bonds (the "Registrar" or "Paying Agent").

The Series 2008 Bonds will be issued initially as fully registered bonds in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Series 2008 Bonds. Purchases of the Series 2008 Bonds will be made through a book-entry only system maintained by DTC, in denominations of \$5,000 or any integral multiple of \$5,000, and purchasers of the Series 2008 Bonds (the "Beneficial Owners") will not receive physical delivery of bond certificates. As long as DTC or its nominee is the registered owner of the Series 2008 Bonds, the principal and interest payments will be made to DTC or its nominee, which will in turn remit such principal and interest payments to DTC's Participants (as defined below under "Book-Entry Only System") for subsequent disbursement to the Beneficial Owners. See "Book-Entry Only System" below.

Redemption of Series 2008 Bonds

The Series 2008 Bonds shall be subject to optional redemption prior to maturity by the County, in whole or in part on any date on or after [____], in such order of maturities as the County shall select and by lot within a maturity, at a redemption price equal to 100% of the principal amount of the Series 2008 Bonds to be redeemed plus accrued interest to the date of redemption and without premium.

Notice and Effect of Redemption. In the event any Series 2008 Bonds are called for redemption, the Registrar shall give notice in the name of the County of the redemption of such Series 2008 Bonds by a redemption notice in the manner described in the Bond Documents. Notice of redemption shall be given by the Registrar in the name of the County by mailing a copy of the redemption notice to Cede & Co., as nominee of DTC, as registered owner of the Series 2008 Bonds, or, if DTC is no longer the registered owner of the Series 2008 Bonds, then to the then registered owners of the Series 2008 Bonds at least thirty (30) days, but not more than sixty (60) days, prior to the date fixed for redemption, by first class mail and postage prepaid at their addresses appearing on the bond registration books of the County maintained by the Registrar, and if

58

applicable, to the securities depository. Notices of redemption may be conditioned upon the occurrence or non-occurrence of events specified by the County and may be subject to rescission by the County if expressly set forth in such notice.

Any Series 2008 Bonds which have been duly selected for redemption, as well as any Series 2008 Bonds which are deemed to have been paid in accordance with the redemption provisions of the Bond Documents, shall cease to bear interest on the specified redemption date. The failure to mail a notice of redemption (or any defect in the notice) as required in the Bond Documents shall not affect the validity of the proceedings for such redemption with respect to registered owners of Series 2008 Bonds to which notice was duly given. Any notice mailed as provided in this section shall be conclusively presumed to have been duly given, whether or not the owner of such Bond receives such notice.

Book-Entry Only System

The following description of the procedures and record keeping with respect to beneficial ownership interests in the Series 2008 Bonds, payment of interest and principal on the Series 2008 Bonds to DTC Participants or Beneficial Owners of the Series 2008 Bonds, confirmation and transfer of beneficial ownership interest in the Series 2008 Bonds and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners of the Series 2008 Bonds is based solely on information furnished by DTC on its website for inclusion in this Official Statement. Accordingly, the County does not make any representations concerning these matters.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2008 Bonds. The Series 2008 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2008 Bond certificate will be issued for each maturity of the Series 2008 Bonds as set forth on the cover page of this Official Statement, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfer and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation, and Emerging Markets Clearing Corporation (NSCC, FICC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Series 2008 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2008 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2008 Bond ("Beneficial Owner") is in turn to be recorded on

the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2008 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2008 Bonds, except in the event that use of the book-entry system for the Series 2008 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2008 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2008 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2008 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2008 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2008 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2008 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Series 2008 Bonds may wish to ascertain that the nominee holding the Series 2008 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2008 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2008 Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2008 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and interest payments on the Series 2008 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or the Paying Agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by DTC Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such DTC Participant and not DTC nor its nominee, the Paying Agent, or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and interest, as applicable, to Cede & Co., (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

NEITHER THE COUNTY NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DTC PARTICIPANT OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE SERIES 2008 BONDS IN RESPECT OF THE ACCURACY OF ANY

RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT, THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT IN RESPECT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2008 BONDS, ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO BONDHOLDERS UNDER THE BOND DOCUMENTS, THE SELECTION BY DTC OR ANY DTC PARTICIPANT OR ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE SERIES 2008 BONDS, OR ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER, SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2008 BONDS, AS NOMINEE OF DTC, REFERENCES IN THIS OFFICIAL STATEMENT TO THE BONDHOLDERS OR REGISTERED OWNERS OF THE SERIES 2008 BONDS SHALL MEAN CEDE & CO., AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2008 BONDS.

Discontinuance of Book-Entry Only System

In the event the County decides to obtain Series 2008 Bond certificates, the County may notify DTC and the Registrar, whereupon DTC will notify the DTC Participants, of the availability through DTC of Series 2008 Bond certificates. In such event, the County shall prepare and execute, and the Registrar shall authenticate, transfer and exchange, Series 2008 Bond certificates as requested by DTC in appropriate amounts and within the guidelines set forth in the Series 2008 Resolution. DTC may also determine to discontinue providing its services with respect to the Series 2008 Bonds at any time by giving written notice to the County and the Registrar and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the County and the Registrar shall be obligated to deliver Series 2008 Bond certificates as described herein. In the event Series 2008 Bond certificates are issued, the provisions of the Bond Documents shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such certificates. Whenever DTC requests the County and the Registrar to do so, the County will direct the Registrar to cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Series 2008 Bonds to any DTC Participant having Series 2008 Bonds credited to its DTC account; or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2008 Bonds.

Registration, Transfer and Exchange

If the book-entry only system is discontinued, the Beneficial Owners shall receive certificated Series 2008 Bonds which will be subject to registration of transfer or exchange as set forth below. Transfer of any Series 2008 Bond may be registered upon the registration books maintained by the Registrar upon surrender of such Series 2008 Bond to the Registrar together with a proper written instrument of transfer in form and with guaranty of signature satisfactory to the Registrar. Upon surrender to the Registrar, a new fully registered Series 2008 Bond of the same maturity, in the same aggregate principal amount and bearing the same rate of interest will be issued to and in the name of the transferee. The County and the Registrar may charge the registered owners of the Series 2008 Bonds an amount sufficient to pay any tax, fee or other governmental charge required with respect to the registration of such transfer before any such certificated Series 2008 Bonds are delivered. The Registrar shall not be required to transfer or exchange any Series 2008 Bond during the 15 days next preceding any interest payment date or, in the case of a proposed redemption after the mailing of a notice of redemption, during the period of 15 days next preceding the mailing of a notice of redemption.

The County, the Registrar and the Paying Agent shall deem and treat the registered owner of any Series 2008 Bond as the absolute owner of such Series 2008 Bond for all purposes, including for the purpose of receiving payment of the principal of and interest on the Series 2008 Bonds.

Defeasance of the Series 2008 Bonds

Under the Master Resolution, Bonds that have matured or been called for redemption and for which sufficient moneys or direct obligations of, or obligations the timely payment of the principal of and interest on which are unconditionally guaranteed by, the United States of America ("Defeasance Securities"), shall have been deposited with the Paying Agent, an escrow agent appointed for such purpose, or a combination thereof, all to the extent provided in the Master Resolution, shall cease to be entitled to any lien, benefit or security under the

Master Resolution and shall no longer be deemed to be Outstanding. The registered owners of such Bonds shall have no rights except to receive payment of the principal of and interest on such Series 2008 Bonds from the funds held for that purpose. Defeasance Securities shall be considered sufficient under the Master Resolution if the maturing principal and interest thereon, and other available cash balances, will be sufficient to pay the interest, and principal when due on such Series 2008 Bonds or the date upon which such Series 2008 Bond or Bonds are to be called for redemption prior to maturity.

Modifications or Amendments to Master Resolution

No modification or amendment of the Master Resolution that, in the opinion of the County, would materially adversely affect the rights or security of the registered owners of the Series 2008 Bonds, may be made without the written consent, given in accordance with the Master Resolution, of the registered owners of not less than a majority in aggregate principal amount of the Outstanding Bonds issued pursuant to the Master Resolution. However, without the consent of the registered owners of all of the Outstanding Bonds issued pursuant to the Master Resolution, no supplemental resolution may be approved or adopted which shall permit or require: (i) an extension of the maturity of the principal of or the interest on any Bond issued pursuant to the Master Resolution; (ii) a reduction in the principal amount of or redemption premium or interest rate on any Bond issued pursuant to the Master Resolution; (iii) the creation of a lien upon or pledge of any funds or accounts established under or pursuant to the Master Resolution other than as expressly permitted in the Master Resolution; (iv) a preference or priority of any Bond or Bonds over any other Bond or Bonds issued pursuant to the Master Resolution; or (v) a reduction in the aggregate principal amount of the Bonds whose owners are required for consent to such supplemental resolution. If the Series 2008 Bonds are secured by a bond insurance policy (a "Bond Insurance Policy"), the issuer of such Bond Insurance Policy shall be authorized to provide (or withhold) the consent on behalf of the registered owners of the Series 2008 Bonds insured by such Bond Insurance Policy.

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2008 BONDS

General Obligation

The Series 2008 Bonds are general obligations of the County and are payable from unlimited ad valorem taxes on all taxable real and tangible personal property within the County (subject to certain exemptions provided by applicable law). The full faith, credit and taxing power of the County are irrevocably pledged to the prompt payment of both principal of, and interest on, the Series 2008 Bonds as the same become due and payable. There is no limitation as to rate or amount of ad valorem taxes levied for the purpose of paying general obligation bonds such as the Series 2008 Bonds.

Ad Valorem Taxation

General. The laws of the State of Florida (the "State") provide for a uniform procedure to be followed by all counties, municipalities, school districts and special districts for the levy and collection of ad valorem taxes on real and personal property. Pursuant to such laws, the County's property appraiser (the "Property Appraiser") prepares an annual assessment roll for all taxing units within the County and levies such millage, subject to constitutional limitations, as determined by each taxing unit, and the County's tax collector (the "Tax Collector") collects all ad valorem taxes for all taxing units in the same manner as County taxes are collected. Since the taxes of all taxing units are billed together by the Tax Collector, each property owner is required to pay all such taxes without preference.

Property Assessment. Real and personal property valuations are determined each year as of January 1 by the Property Appraiser's office. The Property Appraiser is required to physically inspect the real property every three (3) years. There is a limitation of the lesser of 3% or the increase in the consumer price index during the relevant year on the annual increase in assessed valuation of homestead property, except in the event of a sale of such property during such year, and except as to improvements to such property during that year. State law requires, with certain exceptions, that property be assessed at fair market value; however, \$25,000 of the assessed valuation of a homestead is exempt from taxation for a residence occupied by the owner on a permanent basis where such owner has filed for and received a homestead exemption ("Homestead Property" or "Homestead").

There have been recent changes to the State's Homestead exemption. See PROPERTY TAX REFORM (below). In addition, as of the date of this Official Statement, persons 65 years or older whose household income does not exceed \$22,693 are allowed an additional \$25,000 exemption.

The Property Appraiser's office prepares the assessment roll and gives notice to each property owner of the proposed taxes. The property owner then has the right to file an appeal with the Value Adjustment Board, which considers petitions relating to assessments and exemptions. The Value Adjustment Board may make adjustments to the assessment roll to reflect any reduction in the assessed value of property upon the completion of the appeals. The assessment roll is then certified by the Value Adjustment Board as complete and the Property Appraiser uses the final assessment roll to levy the millage for each taxing unit in the County.

The County has the authority to increase its millage levy for debt supported by unlimited ad valorem taxes, including the Series 2008 Bonds, and the limitations, exemptions or adjustments described above and any others provided in State law do not affect the ability of the County to levy and collect ad valorem taxes in amounts sufficient to pay principal of, and interest on, the Series 2008 Bonds.

Property Tax Reform. In June 2007 the Florida Legislature concluded a Special Session during which it enacted into law Chapter 2007-321, Laws of Florida (2007) (the "Rollback Law"). The Rollback Law took effect immediately and affected budgets prepared for fiscal year 2007-2008. The Rollback Law requires all cities, counties and special districts to "roll back" their Fiscal Year 2007 tax rates so that they collect the same revenue in Fiscal Year 2007 that they collected in Fiscal Year 2006, and it required a further 0% to 9% tax cut from Fiscal Year 2006 figures, depending on individual county, municipality, or special district tax increases since Fiscal Year 2001. Using the formula set forth in the Rollback Law, the County cut its revenue collections for Fiscal Year 2007 9% from its Fiscal Year 2006 collections. After 2009, property tax rate growth cannot exceed growth of new construction and per capita personal income. The Board can exceed the new statutory cap by up to 10% following a two-thirds majority vote. In addition, the Board can exceed the Rollback Law's cap further following a three-fourths majority vote, or the County's electors can vote to exceed the cap via referendum.

It should be noted that the Rollback Law does not apply to ad valorem revenues pledged to repay general obligation debt. The County's ability to levy taxes in order to repay the Series 2008 Bonds will not be impacted.

Effective January 1, 2008, changes to Florida's property tax laws create a new formula for calculating assessed value of Homestead Property. "Assessed value" is the official value upon which properties may be taxed in Florida. Under the new formula, if an owner of a Florida Homestead purchases a new Homestead Property for greater value, the assessed value of the new Homestead would equal the purchase price of the new Homestead minus the difference between the purchase price of the previous Homestead and the assessed value of the previous Homestead, or \$500,000, whichever is less. For Florida Homestead owners already receiving a property tax exemption of \$25,000 on the assessed value of their homes, the new law creates an additional \$25,000 exemption on the assessed value of Homestead Property greater than \$50,000 for all property tax levies except school taxes. Also effective January 1, 2008, the first \$25,000 of tangible personal property will be exempt from taxation.

Additionally, effective January 1, 2009 increases in annual assessments on certain non-Homestead property will be capped at 10% annually for all property tax levies except school taxes.

NOTE: Property in the County is reassessed each year. Property is assessed at actual market value. Tax rates are per \$1,000 of assessed value.

- a) Exemptions for real property include: \$25,000 homestead exemption; widows/widowers exemption; disability/blind exemption; age 65 and older exemption; governmental exemption; institutional exemption; economic development exemption; and other exemptions as allowed by law.
- b) Amendment 10 was an amendment to the Florida Constitution in 1992 which capped the assessed value of properties with homestead exemption to increases of 3% per year or the Consumer Price Index, whichever is less (193.155, F.S.).

Tax Levies and Tax Collections. The County has levied certified millages for the Fiscal Year 2008 beginning October 1, 2007, consisting of 4.5796 mills for general operations, 0.285 mills for Countywide debt service, 0.042 mills for Fire Rescue District voted debt, 0.3842 mills for libraries, 2.2067 mills for fire protection and 2.0416 mills for municipal services in the County's unincorporated areas. The Florida Constitution establishes a maximum millage, exclusive of voted millages, of 10.0 mills each for general operations for counties and municipalities. The millages levied by the County for debt service (unlimited millage) and for municipal services (separate 10.0 mill cap) in the County's unincorporated areas, are excluded from the 10.0 mill cap on millages levied for the County's general operations.

The Board expressed in Section 3 of the Ordinance its intent "to limit the amount of Bonds issued under the BBC Program so the aggregate countywide debt service millage required to be levied in any one year for all County general obligation bonds outstanding as of September 30, 2005 and the Bonds will not exceed 0.390 mills." In the event the 0.390 mills is insufficient for any reason, this self-imposed restriction will not affect the ability of the County to levy and collect ad valorem taxes in amounts sufficient to pay principal of, and interest on, the Series 2008 Bonds.

The County also collects taxes on behalf of other taxing authorities within the County. Section 197.383, Florida Statutes, requires the Tax Collector to distribute to each taxing authority taxes collected on its behalf at the rate of four times per month during the first two months after the tax roll comes into his possession and once per month thereafter, unless the County determines a different schedule. Upon receipt, the moneys representing debt service millage are deposited to the credit of the Miami-Dade County Interest and Sinking Fund, a special fund

64

created and maintained pursuant to the requirements of Chapter 129, Florida Statutes.

All ad valorem taxes become due and payable on November 1, and become delinquent on the following April 1, at which time they bear interest at not more than 18% per annum until a tax certificate is sold with respect to real property taxes and until paid with respect to personal property taxes. Discounts are allowed for early payment of 4% if paid in November, 3% if paid in December, 2% if paid in January, and 1% if paid in February. All taxes collected are distributed by the Tax Collector to the applicable taxing units. It is the tax collector's duty on or before June 1 of each year to advertise and sell tax certificates on real property tax delinquencies extending from the previous April 1. Delinquent taxes may be paid by the property owner prior to sale of tax certificates upon payment of all costs, delinquent taxes and interest at the rate of not more than 18% per annum. The tax certificates must be for an amount not less than the taxes due, plus interest from April 1 to the date of sale at not more than 18% per annum, together with the cost of advertising and expense of the sale. Each tax certificate is awarded to the bidder paying the above amounts who accepts the lowest interest to be borne by the tax certificate after its sale. If there are no bidders, the County must hold, but not pay for, such tax certificates. Thereafter, the County may sell such tax certificates to the public at any time at the principal amount thereof plus interest at not more than 18% per annum and a fee. With respect to personal property tax delinquencies, such delinquent taxes must be advertised within 45 days after delinquency and, after May 1, the property is subject to warrant, levy, seizure and sale. The proceeds of the sale of the tax certificates are distributed to the respective taxing agencies.

Tax certificates held by persons other than the County may be redeemed and cancelled by any person prior to the time a tax deed is issued upon payment of the face amount of the tax certificate plus interest, costs and other charges. Holders of tax certificates, other than the County, which have not been redeemed may, at any time after two years but prior to seven years from date of issuance, file an application for a tax deed with the Tax Collector upon payment of all other outstanding tax certificates on such property plus interest, any omitted taxes plus interest, and delinquent taxes plus interest covering the real property. Thereafter, the property is advertised for public sale at auction to the highest bidder, subject to certain minimum bids. If there are no other bidders, the holder of the tax certificate receives title to the land. If the tax certificate is held by the County and the County has not succeeded in selling it within two years, the County applies for a tax deed upon payment of all applicable costs and fees but not any amount to redeem the tax certificate. Such property is then also advertised for public sale to the highest bidder, subject to certain minimum bids. If there are no other bidders, the County may purchase the land for the minimum bid. In the case of unsold lands, after seven years the County will take title to such lands.

THE COUNTY

Set forth below is certain general information concerning County government and certain governmental services provided by the County.

History

Miami-Dade County, Florida (the "County") is the largest county in the southeastern United States in terms of population. The County currently covers 2,209 square miles, located in the southeastern corner of the State of Florida (the "State"), and includes, among other municipalities, the cities of Miami, Miami Beach, Coral Gables and Hialeah. In 2007, the population of the County was estimated to have been 2,462,000 (preliminary).

The County was created on January 18, 1836 under the Territorial Act of the United States. It included the land area now forming Palm Beach and Broward Counties, together with the land area of the present County. In 1909, Palm Beach County was established from the northern portion of what was then created Dade County. In 1915, Palm Beach County and the County contributed nearly equal portions of land to create what is now Broward County. There have been no significant boundary changes to the County since 1915.

County Government

The State Legislature in 1955 approved and submitted to a general election a constitutional amendment designed to give a new form of government to the County. The amendment was approved in a statewide general election in November 1956. A Dade County Charter Board was constituted and, in April 1957, completed a draft charter for the County. The proposed charter (the "Charter") was adopted in a countywide election in May 1957 and became effective on July 20, 1957. The electors of the County were granted power to revise and amend the Charter from time to time by countywide vote. The most recent amendment was in January 2008. The County has home rule powers, subject only to the limitations of the Constitution and general laws of the State. The County, in effect, is both (1) a county government with certain powers effective throughout the entire County, including 35 municipalities, and (2) a municipal government for the unincorporated area of the County. The County has not displaced or replaced the cities, but supplements them. The County can take over particular activities of a city's operations if the services fall below minimum standards set by the Board of County Commissioners of Miami-Dade County (the "Board"), or with the consent of the governing body of a particular city.

On January 23, 2007, the electors of Miami-Dade approved an amendment to the Home Rule Charter which established a "strong mayor" form of government. This amendment expands the Mayor's power over administrative matters. The County Manager, who previously was chief administrator, now reports directly to the Mayor, who has the authority to hire, fire and set the salary of the County Manager. Under this new system, the Mayor also appoints all department heads.

The County has assumed responsibility on a countywide basis for an increasing number of functions and services, including the following:

(a) Countywide police services, complementing the municipal police services within the cities and providing full-service police protection for the unincorporated areas of the County, with direct access to the National Crime Information Center in Washington, D.C. and the Florida Crime Information Center.

(b) Uniform system of fire protection, complementing the municipal fire protection services within five municipalities and providing full-service fire protection for the Miami-Dade Fire and Rescue Service District, which includes the unincorporated area of the County and the 29 municipalities which have consolidated their fire departments within the Miami-Dade Fire and Rescue Department. The Miami-Dade Fire and Rescue Department also provides emergency medical services by responding to and providing on-site treatment to the seriously sick and injured.

70

(c) Certain expenses of the State's consolidated two-tier court system (pursuant to Florida Statutes 29.008), are the responsibility of the County. The two-tier court system consists of the higher Circuit Court and the lower County Court. The Circuit Court handles domestic relations, felonies, probate, civil cases where the amount in dispute is \$15,000 or more, juvenile cases, and appeals from the County Court. The County Court handles violations of municipal ordinances, misdemeanors and civil cases where the amount in dispute is less than \$15,000.

(d) Countywide water and sewer system operated by the Water and Sewer Department.

(e) Jackson Memorial Hospital ("JMH") which is operated, maintained and governed by an independent governing body called the Public Health Trust (the "Trust"). Based on the number of admissions to a single facility, JMH is one of the nation's busiest medical center. The Board appoints members of the Board of Trustees for the Trust and also approves the budget of the Trust. The County continues to subsidize treatment of indigent patients on a contractual basis with the Trust.

(f) Unified transit system, consisting of various surface public transportation systems. In May, 1985, the 20.5 miles Phase I of the County's rapid rail transit system was completed and placed into operation. An extension opened in May 2003 expanding the rail service along the north section from the Okeechobee station to the Palmetto station, making the system 22.4 miles long. In April 1986, the Metromover component of the rapid rail transit system commenced operation, with 1.9 miles of an elevated double-loop system. Two extensions were subsequently constructed extending the service 1.4 miles south to the Brickell Avenue area and 1.1 miles north to the area known as Omni, for a total of 4.4 miles of service. These extensions were placed in service in May 1994.

(g) Combined public library system consisting of the Main Library, 41 branches and 4 mobile libraries offering educational, informational and recreational programs and materials. Four newly constructed libraries will open in 2008. On an annual basis, more than 6 million people visit the libraries, and check out more than 7.5 million items such as books, DVDs, books on tape, CDs and other library materials, while reference librarians answer over 6.4 million questions. The Library system is the largest free Internet provider in South Florida, registering more than 2 million Internet sessions. Its web page offers an extensive digital library of more than 1500 downloadable e-books, videos and music that is available 24/7.

(h) Property appraisal services are performed by the County's Property Appraiser's office. Tax collection services are performed by the Miami-Dade Tax Collector. All collected taxes are distributed directly to each governmental entity, according to its respective tax levy. The municipalities, the Board of Public Instruction and several State agencies use data furnished to them by the Miami-Dade Tax Collector for the purpose of budget preparations and for their governmental operations.

(i) Minimum standards, enforceable throughout the County, in areas such as environmental resources management, building and zoning, consumer protection, health, housing and welfare.

(j) Garbage and trash collection, and disposal services, consisting of garbage and trash collection services to an average of 319,000 households during Fiscal Year 2007 within the unincorporated area and certain municipalities of the County, and disposal services to public and private haulers countywide.

(k) The Dante B. Fascell Port of Miami (the "Port") is owned and operated by the County through the Seaport Department. The Port is the world's largest multi-day cruise port in terms of cruise passengers, handling over 3,787,410 passengers in Fiscal Year 2007. As of September 2007, the Port had the largest container cargo port in the State, and is within the top ten in the United States in total number of containers held.

(l) The following airport facilities: (i) the Miami International Airport the principal commercial airport serving South Florida; (ii) the Opa-locka Airport, a 1,810 acre facility; (iii) the Opa-locka West Airport, a 420 acre facility, (iv) the Kendall-Tamiami Executive Airport, a 1,380-acre facility, (v) the Homestead Airport, a 960-acre facility; and (vi) the Training and Transition Airport, a facility of approximately 24,300 acres located in Collier and Miami-Dade Counties. All of these facilities are County-owned and operated by the Miami-Dade

Aviation Department.

- (m) Several miscellaneous services, including mosquito and animal control.

Bond Indebtedness, General Fund Summary, and Ten Largest Taxpayers

The following tables detail the County's general obligation bonds, special obligation bonds, certificates and notes, principal and interest requirements of general obligation and special obligation debt, comparative ratios of debt to population and to the County's tax base, the County's five-year summary of operations and financial position and approved budget for the fiscal year ending September 30, 2007, and the County's ten largest taxpayers.

In addition to the County's general obligation bonds described in this Official Statement, on November 4, 1986, the voters of the County approved the issuance of general obligation bonds of the County in the principal amounts of \$131,474,000 for financing capital improvements to the County's water and sewer system and for refunding previously issued water and sewer system bonds, \$153,513,500 for financing capital improvements to the Port of Miami, which is owned and operated by the County, and for refunding previously issued bonds for the Port of Miami, and \$247,500,000 for financing capital improvements to the County's airports and for refunding previously issued bonds for the airports. Said general obligation bonds are to be payable first from revenues of the County's water and sewer system, the Port of Miami and the County's airports, respectively, and, to the extent such revenues are insufficient, from unlimited ad valorem taxes. Of the amount approved by the voters, only the general obligation bonds for the Port of Miami have been issued to date.

INVESTMENT POLICY

Pursuant to Florida Statutes, Section 218.45, which requires a written investment policy by the Board, the County adopted an investment policy (the "Investment Policy") which applies to all funds held by or for the benefit of the Board in excess of those required to meet short-term expenses, except for proceeds of bond issues (including the Series 2008 Bonds) which are specifically exempted by Board ordinance or resolution.

The primary objectives of the Investment Policy, listed in order of importance are:

1. the safety of principal;
2. the liquidity of funds; and
3. the maximization of investment income.

The Investment Policy limits the securities eligible for inclusion in the County's portfolio to a maximum maturity of five (5) years. The Investment Policy allows investments in repurchase agreements with a maximum length to maturity of 14 days from the date of purchase; the collateral shall be "marked to market" as needed.

To enhance safety, the Investment Policy requires the diversification of the portfolio to control the risk of loss resulting from over-concentration of assets in a specific maturity, issuer, instrument, dealer, or bank through which the instruments are bought and sold. The Investment Policy also requires the monthly performance reports to be presented to the County Clerk and to the County's Finance Director, quarterly performance reports to be submitted to the Investment Advisory Committee and an annual report to be presented to the Board within 120 days of the end of the Fiscal Year.

The Investment Policy may be modified by the Board as it deems appropriate to meet the needs

of the County.

LITIGATION

There is no litigation pending or, to the knowledge of the County, threatened, seeking to restrain or enjoin the issuance or delivery of the Series 2008 Bonds or questioning or affecting the validity of the Series 2008 Bonds or the proceedings and authority under which they are to be issued. Neither the creation, organization or existence of the Board, nor the title of the present members or other officers of the Board to their respective offices is being contested.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2008 Bonds upon an Event of Default under the Bond Documents are in many respects dependent upon regulatory and judicial actions that are often subject to discretion and delay. Under existing laws and judicial decisions, the remedies provided for under the Bond Documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2008 Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Series 2008 Bonds is subject to various limitations including those imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the enforcement of creditors' rights generally and by equitable remedies and proceedings generally.

INCOME TAX EFFECTS

In the opinion of Bond Counsel under existing law, interest on the Series 2008 Bonds is excludable from gross income for federal income tax purposes.

The Internal Revenue Code of 1986, as amended (the "Code") and the regulations promulgated thereunder contain a number of requirements that must be satisfied subsequent to the issuance of the Series 2008 Bonds in order for the interest thereon to be and remain excludable from gross income for federal income tax purposes. Examples include: the requirement that, unless an exception applies, the County rebate certain excess earnings on proceeds and amounts treated as proceeds of the Series 2008 Bonds to the United States Treasury; restrictions on the investment of such proceeds and other amounts; and certain restrictions on the ownership and use of the facilities financed or refinanced with the proceeds of the Series 2008 Bonds. The foregoing is not intended to be an exhaustive listing of the post-issuance tax compliance requirements of the Code, but is illustrative of the requirements that must be satisfied subsequent to the issuance of the Series 2008 Bonds to maintain the exclusion of interest on the Series 2008 Bonds from gross income for federal income tax purposes. Failure to comply with such requirements may result in loss of the exclusion of interest from gross income of the owners of the Series 2008 Bonds for federal income tax purposes, retroactive to the date of issuance of the Series 2008 Bonds. The County has covenanted to comply with each such requirement of the Code that must be satisfied subsequent to the issuance of the Series 2008 Bonds in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The opinion of Bond Counsel is subject to the condition that the County comply with all such requirements. Bond Counsel has not been retained to monitor compliance with the described post-issuance tax requirements subsequent to the issuance of the Series 2008 Bonds.

Reference is made to the proposed form of the opinion of Bond Counsel attached hereto as "APPENDIX C – Proposed Form of Opinion of Bond Counsel" for the complete text thereof. See also "LEGAL MATTERS" herein.

Alternative Minimum Tax

An alternative minimum tax is imposed by the Code on both corporations and on taxpayers other than corporations. Interest on the Series 2008 Bonds will not be treated as an item of tax preference for purposes of the alternative minimum tax. Interest on the Series 2008 Bonds will therefore not be included

in the alternative minimum taxable income of taxpayers other than corporations. Interest on the Series 2008 Bonds received by a corporate Series 2008 Bondholder will, however, be included in such Series 2008 Bondholder's adjusted current earnings. A corporation's alternative minimum taxable income will be increased by seventy-five percent (75%) of the corporation's adjusted current earnings not otherwise included in its alternative minimum taxable income. The rate of the alternative minimum tax imposed on corporations is twenty percent (20%).

Original Issue Premium

The Series 2008 Bonds maturing on July 1 in the years ____ through ____, inclusive (collectively, the "Premium Bonds"), have been sold to the public at a premium. Section 171(a) of the Code provides rules under which a bond premium may be amortized and a deduction allowed for the amount of the amortizable bond premium for a taxable year. Under Section 171(a)(2) of the Code, however, no deduction is allowable for the amortizable bond premium in the case of bonds, like the Premium Bonds, the interest on which is excludable from gross income. Under Section 1016(a)(5) of the Code, the purchaser's basis in a Premium Bond will be reduced by the amount of the amortizable bond premium disallowable as a deduction under Section 171(2) of the Code. Proceeds received from the sale, exchange, redemption or payment of a Premium Bond in excess of the owner's adjusted basis (as reduced pursuant to Section 1016(a)(5) of the Code) will be treated as a gain from the sale or exchange of such Premium Bond and not as interest.

Original Issue Discount

The Series 2008 Bonds maturing on July 1 in the years ____ through ____, inclusive (collectively, the "Discount Bonds"), have been sold to the public at an original issue discount. The original issue discount is the excess of the stated redemption price at maturity of such Discount Bond over the initial offering price to the public (excluding underwriters and other intermediaries) at which price a substantial amount of that maturity of the Discount Bonds was sold. Under existing law, an appropriate portion of any original issue discount, depending in part on the period a Discount Bond is held by the purchaser thereof, will be treated for federal income tax purposes as interest that is excludable from gross income rather than as taxable gain.

Under Section 1288 of the Code, original issue discount on tax-exempt bonds accrues on a compounded basis. The amount of the original issue discount that accrues to an owner of a Discount Bond, who acquires the Discount Bond in this initial offering, during any accrual period generally equals (i) the issue price of such Discount Bond plus the amount of original issue discount accrued in all prior accrual periods multiplied by (ii) the yield to maturity of such Discount Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), less (iii) any interest payable on such Discount Bond during such accrual period. The amount of original issue discount so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excluded from gross income for federal income tax purposes and will increase the owner's basis in such Discount Bond. Proceeds received from the sale, exchange, redemption or payment of a Discount Bond in excess of the owner's adjusted basis (as increased by the amount of original issue discount that has accrued and has been treated as tax-exempt interest in such owner's hands), will be treated as gain from the sale or exchange of such Discount Bond and not as interest.

The federal income tax consequences from the purchase, ownership and redemption, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of Discount Bonds should consult their own tax advisors with respect to the consequences of owning Discount Bonds, including the effect of such ownership under applicable state and local laws.

Other Tax Consequences

Prospective purchasers of the Series 2008 Bonds should be aware that ownership of the Series 2008 Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income," foreign corporations subject to the branch profits tax and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry the Series 2008 Bonds. Prospective purchasers of the Series 2008 Bonds should also be aware that ownership of the Series 2008 Bonds may result in adverse tax consequences under the laws of various states. Bond Counsel has not expressed an opinion regarding the collateral federal income tax consequences that may arise with respect to the Series 2008 Bonds. Further, Bond Counsel has expressed no opinion regarding the state tax consequences that may arise with respect to the Series 2008 Bonds. Prospective purchasers of the Series 2008 Bonds should consult their tax advisors as to the collateral federal income tax and state tax consequences to them of owning the Series 2008 Bonds.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2008 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2008 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2008 Bonds, under certain circumstances, to "backup withholding" at (i) the fourth lowest rate of tax applicable under Section 1(c) of the Code (i.e., a rate applicable to unmarried individuals) for taxable years beginning on or before December 31, 2010; and (ii) the rate of 31% for taxable years beginning after December 31, 2010, with respect to payments on the Series 2008 Bonds and proceeds from the sale of Series 2008 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2008 Bonds. This withholding generally applies if the owner of Series 2008 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2008 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

RATINGS

Standard & Poor's Rating Services, a division of The McGraw Hill Companies, Inc. ("S&P"), and Moody's Investors Service, Inc. ("Moody's" and together with S&P, the "Rating Agencies") have assigned the rating of "_____" and "_____" respectively, to the Series 2008 Bonds.

The ratings reflect only the view of the Rating Agencies. Any desired explanation of the significance of such ratings should be obtained from the Rating Agency furnishing the same. Generally, the Rating Agencies base their ratings on the information and materials furnished to them and on investigations, studies and assumptions by them. There is no assurance that the ratings will continue for any given period of time or that the same will not be revised downward or withdrawn entirely by the Rating Agency furnishing the same if, in its judgment circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the market price of the Series 2008 Bonds. Except as described below, under the caption "CONTINUING DISCLOSURE," the County has not undertaken any responsibility either to bring to the attention of the owners of the Series 2008 Bonds any proposed revisions, suspension or withdrawal of any such rating or to oppose any such revision, suspension or withdrawal.

CONTINUING DISCLOSURE

The County has agreed, in accordance with the provisions of, and to the degree necessary to comply with, the secondary disclosure requirements of Rule 15c2-12 (the "Rule") of the Securities and Exchange Commission ("SEC"), to provide or cause to be provided for the benefit of the Beneficial Owners of the Series 2008 Bonds to each nationally recognized municipal securities information repository ("NRMSIR"), and to the appropriate State Information Depository ("SID"), if any, designated by the State of Florida, the following annual financial information (the "Annual Information"), commencing with the Fiscal Year ending September 30, 2008:

- (1) Information relating to assessed values, ad valorem tax collections and exemptions from ad valorem taxes within the County in a form which is generally consistent with the

presentation of such information in this Official Statement.

- (2) The County's Comprehensive Annual Financial Report utilizing generally accepted accounting principles applicable to local governments.

The information in subparagraphs (1) and (2) above will be available on or before June 1 of each year for the preceding fiscal year commencing June 1, 2009 and will be made available, in addition, to each NRMSIR, the SID, and to each Beneficial Owner of the Series 2008 Bonds who requests such information. The County's Comprehensive Annual Financial Report referred to in subparagraph (2) above is expected to be available separately from the information in subparagraph (1) above and will be provided by the County as soon as practical after the acceptance of such statements from the auditors by the County. The County's Comprehensive Annual Financial Report is generally available within eight (8) months from the end of the Fiscal Year.

The County has agreed to provide or cause to be provided, in a timely manner, to (i) each NRMSIR or the Municipal Securities Rulemaking Board ("MSRB") and (ii) the SID, notice of the occurrence of any of the following events with respect to the Series 2008 Bonds, if such event is material:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit or liquidity providers, or their failure to perform;

- (7) modifications to rights of holders of the Series 2008 Bonds;
- (8) bond calls;
- (9) defeasance;
- (10) release, substitution, or sale of any property securing repayment of the Series 2008 Bonds (the Series 2008 Bonds are secured solely by ad valorem taxes levied on property within the County); and
- (11) rating changes.

The County has agreed to provide or cause to be provided, in a timely manner, to (i) each NRMSIR or to the MSRB and (ii) the SID, notice of its failure to provide the Annual Information with respect to itself on or prior to the Reporting Date.

The foregoing obligation of the County shall remain in effect only so long as the Series 2008 Bonds are Outstanding. The County has reserved the right to terminate its obligation to provide the Annual Information and notices of material events, as set forth above, if and when the County no longer remains an "obligated person" with respect to the Series 2008 Bonds within the meaning of the Rule.

The County has agreed that its undertaking pursuant to the Rule set forth in this Official Statement is intended to be for the benefit of the Beneficial Owners of the Series 2008 Bonds and shall be enforceable by such Beneficial Owners if the County fails to cure a breach within a reasonable time after receipt of written notice from a Beneficial Owner that a breach exists; provided that any such Beneficial Owner's right to enforce the provisions of this undertaking shall be limited to a right to obtain specific performance of the County's obligations in a Federal or State court located within the County and any failure by the County to comply with the provisions of this undertaking shall not be a default with respect to the Series 2008 Bonds.

Each NRMSIR to which information must be provided shall include each NRMSIR approved by the SEC prior to the issuance of the Series 2008 Bonds. In the event that the SEC approves any additional NRMSIRs after the date of issuance of the Series 2008 Bonds, the County will, if the County is notified of such additional NRMSIRs, provide such information to the additional NRMSIRs. Any failure on the

part of the County to provide information to any new NRMSIR whose status as a NRMSIR is unknown to the County will not constitute noncompliance with the County's continuing disclosure undertakings with respect to the Series 2008 Bonds. As of the date of this Official Statement, there are no SIDs in the State of Florida.

Under the Bond Documents, the County will be in compliance with the filing requirements of its continuing disclosure undertakings with respect to the Series 2008 Bonds if the required disclosure information is provided to the "Central Post Office" or any other entity serving a similar purpose which complies with the requirements of the Rule or which has been approved by the SEC to serve the same function as the "Central Post Office" who shall then be responsible for forwarding the filing information to any NRMSIR or SID. The "Central Post Office" is the internet-based electronic filing system operated by the Texas Municipal Advisory Council under the name of "Disclosure USA" at the following internet address: www.disclosureusa.org. Information provided to the Central Post Office or any alternate internet-based filing system which has been approved by the SEC shall not have to also be filed with any NRMSIR or SID.

Additionally, the requirements of filing the Annual Information do not necessitate the preparation of any separate annual report addressing only the Series 2008 Bonds. The requirements may be met by the filing of an annual information statement or the County's Comprehensive Annual Financial Report, provided such report includes all of the required annual information and is available by the Reporting Date. Additionally, the County may incorporate any information in any prior filing with each NRMSIR and the SID or included in any official statement of the County, provided such official statement is filed with the MSRB.

The County has reserved the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County has agreed that any modification will be done in a manner consistent with the Rule.

Except to cure any ambiguity, inconsistency or formal defect or omission in the relevant provisions of the Series 2008 Resolution The County covenants as to secondary disclosure (the "Covenants") may only be amended if:

- (A) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the County or type of business conducted; the Covenants, as amended, would have complied with the requirements of the Rule at the time of award of the Series 2008 Bonds, after taking into account any amendments or change in circumstances; and the amendment does not materially impair the interests of the Beneficial Owners, as determined by the Board, counsel or other independent counsel knowledgeable in the area of Federal Securities laws and regulations; or
- (B) all or any part of the Rule, as interpreted by the staff of the SEC at the date of the adoption of the Series 2008 Resolution ceases to be in effect for any reason, and the County elects that the Covenants shall be deemed amended accordingly.

Any assertion of beneficial ownership must be filed, with full documentary support, as part of the written request described above.

The Board has delegated authority to the Finance Director in the Series 2008 Resolution to cause all other agreements to be made or action to be taken as required in connection with meeting the County's obligations as to the Covenants. The Finance Director is authorized to make such additions, deletions and modifications to the Covenants as she shall deem necessary or desirable in consultation with the County Attorney, Bond Counsel, and Disclosure Counsel. The distribution of the final Official Statement containing any such additions, deletions and modifications for and on behalf of the County shall be conclusive evidence of the Board's approval of any such additions, deletions and modifications. The

County is presently in compliance with its prior continuing disclosure undertakings pursuant to the Rule.

LEGAL MATTERS

Certain legal matters incident to the authorization, issuance and sale of the Series 2008 Bonds, including their legality and enforceability and the exclusion of interest on the Series 2008 Bonds from gross income for federal income tax purposes, are subject to the approval of Holland & Knight LLP, Miami, Florida, and the Law Offices of Steve E. Bullock, P.A., Miami, Florida, Bond Counsel, copies of whose legal opinions will be delivered with the Series 2008 Bonds. Certain other legal matters will be passed upon for the County by the Office of the Miami-Dade County Attorney. Certain legal matters relating to disclosure will be passed upon for the County by Edwards Angell Palmer & Dodge LLP, West Palm Beach, Florida, and Rasco, Reininger, Perez, Esquenazi & Vigil, PL, Coral Gables, Florida, Disclosure Counsel.

The proposed text of the legal opinion of Bond Counsel is set forth as APPENDIX C to this Official Statement. The proposed text of the legal opinion to be delivered to the Underwriters by Disclosure Counsel is set forth as APPENDIX D to this Official Statement. The actual legal opinions to be delivered may vary from the text of APPENDIX C or APPENDIX D, as the case may be, if necessary, to reflect facts and law on the date of delivery of the Series 2008 Bonds.

The legal opinions of Bond Counsel, Disclosure Counsel and the Office of the Miami-Dade County Attorney are based on existing law, which is subject to change. Such legal opinions are further based on factual representations made to Bond Counsel, Disclosure Counsel and the Office of the Miami-Dade County Attorney as of the date thereof. Bond Counsel, Disclosure Counsel and the Office of the Miami-Dade County Attorney assume no duty to update or supplement their respective opinions to reflect any facts or circumstances, including changes in law, that may thereafter occur or become effective.

The legal opinions to be delivered concurrently with the delivery of the Series 2008 Bonds express the professional judgment of the attorneys rendering the opinions regarding the legal issues expressly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of the result indicated by that expression of professional judgment, of the transaction on which the opinion is rendered, or of the future performance of parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Florida law requires the County to make a full and fair disclosure of any bonds or other debt obligations which it has issued or guaranteed and which are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served as a conduit issuer). Florida law further provides, however, that if the County in good faith believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The County is not and has not been in default as to principal and interest on bonds or other debt obligations which it has issued as the principal obligor or guarantor.

There are several special purpose governmental authorities of the County that serve as conduit issuers of private activity bonds for purposes such as housing, industrial development and health care. Defaults have occurred in connection with some of those private activity bonds; however, such defaults affect only the defaulted issues and have no effect on the payment of the Series 2008 Bonds. The County has no obligation to pay such bonds and the conduit issuers had only a limited obligation to pay such bonds from the payments made by the underlying obligors with respect to such issues. Therefore, the County in good faith believes that defaults relating to conduit issuers are not material with regard to the Series 2008 Bonds and any disclosure concerning any defaults of conduit financings is not necessary.

CERTIFICATE CONCERNING THE OFFICIAL STATEMENT

Concurrently with the delivery of the Series 2008 Bonds, the County will furnish its certificate, executed by the County's Finance Director to the effect that, to the best of her knowledge, this Official Statement, as of its date and as of the date of delivery of the Series 2008 Bonds, does not contain any untrue statement of material fact and does not omit any material fact that should be included herein for the purpose for which the Official Statement is to be used, or which is necessary to make the statements contained herein, in light of the circumstances under which they were made, not misleading.

MISCELLANEOUS

References to the Bond Documents and certain other contracts, agreements and other materials not purporting to be quoted in full are brief outlines of certain provisions and do not purport to summarize or describe all the provisions of such documents. Reference is hereby made to such documents and other materials for the complete provisions, copies of which will be furnished by the County upon written request.

Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representations of fact. Statements in this Official Statement, while not guaranteed, are based upon information which the County believes to be reliable.

The delivery of this Official Statement by the County has been duly authorized by the Board.

APPENDIX A

GENERAL INFORMATION RELATIVE TO MIAMI-DADE COUNTY, FLORIDA

Economy

The County's economy has transitioned from mixed service and industrial in the 1970s to a service economy. The shift to services is led by expansion of international trade, the tourism industry, and health services. Wholesale and retail trade have become stronger economic forces in the local economy, and are projected to continue. This reflects the County's position as a wholesale center in Southeast Florida, serving a large international market. The tourism industry remains one of the largest sectors of the local economy.

In an effort to further strengthen and diversify the County's economic base, the County commissioned a private consulting firm in 1984 to identify goals and objectives for various public and private entities. The Beacon Council was established as a public private partnership to promote these goals and objectives.

International Commerce

The Greater Miami Area is the center for international commerce for the southeastern United States. Its proximity to the Caribbean, Mexico, Central and South America makes it a natural center for trade to and from North America. Approximately, 1,200 multinational corporations are established in South Florida. In addition, the international background of many of its residents is an important labor force characteristic for multinational companies which operate across language and cultural differences.

Trade with Latin America, Europe and Caribbean countries has generated substantial growth in the number of financial institutions conducting business in the County. The large Spanish-speaking labor force and the County's proximity to Latin America have also contributed to the growth of the banking industry in the County. According to the Federal Reserve Bank of Atlanta, as of September 30, 2007, there were 12 Edge Act Banks throughout the United States; five of those institutions were located in the County with over \$10.8 billion on deposit. Edge Act Banks are federally chartered organizations offering a wide range of banking services, but limited to international transactions only. These banking institutions are: American Express Bank International; Bancafe International; Banco Itau Europa International, Banco Santander International; and HSBC Private Bank International.

The County had the highest concentration of international bank agencies on the east coast south of New York City, with a total of 31 foreign chartered banks and over \$14.9 billion on deposit as of September 30, 2007, according to the Florida Department of Financial Services, Office of Financial Regulations.

Corporate Expansion

The favorable geographic location of the County, a well-trained labor force and the favorable transportation infrastructure have allowed the economic base of the County to expand by attracting many national and international firms doing business with Latin America, the Caribbean, the United States and the rest of the world. Among these corporations are: Carnival Cruise Lines, Elizabeth Arden, Federal Express Corporation, Kraft Foods International, Parfums Christian Dior, Porsche Latin America, Telefonica, AIG, and Caterpillar.

Significant strides have been made in attracting knowledge-based companies to the County. Some of the national firms with established international operations located in the County are: ASTAR Air Cargo, Burger King, Ryder System, Lennar, Oracle Corporation, The Gap, Starboard Cruise Services and the William

Morris Agency.

Industrial Development

The role of the Miami-Dade County Industrial Development Authority (the "IDA") is the development and management of the tax-exempt industrial development revenue bond program which serves as a financial incentive to support private sector business and industry expansion and location. Programs developed are consistent with the IDA's legal status and compatible with the economic development goals established by the Board and other economic development organizations operating in the County.

Between 1979 and the creation of the Beacon Council in 1986, the IDA provided expansion and location assistance to 195 private sector businesses, accounting for a capital investment of \$695 million and the creation of over 11,286 new jobs.

The IDA's principal program, the Tax-Exempt Industrial Development Revenue Bond Program, has generated 424 applications through December 2007. From 1986 to January 2008, bonds for 211 company projects have been issued in an aggregate principal amount in excess of \$1.4 billion. Approximately 9,357 new jobs have been generated by these projects. The IDA continues to manage approximately 54 outstanding Industrial Development Revenue Bond Issues, approximating \$775 million in capital investment.

Other Developmental Activities

In October 1979, the Miami-Dade County Health Facilities Authority (the "Health Authority") was formed to assist local not-for-profit health care corporations to acquire, construct, improve or refinance health care projects located in the County through the issuance of tax-exempt bonds or notes. Since its inception, the Health Authority has issued 24 series of revenue bonds for 17 projects and 17 refundings. As of September 2007, the total amount of revenue bonds issued by the Health Authority is over \$1.9 billion.

In October 1969, the Board created the Miami-Dade County Educational Facilities Authority (the "EFA") to assist institutions of higher learning within the County to have an additional means to finance facilities and structures needed to maintain and expand learning opportunities and intellectual development. As of September 2007, the EFA had issued 39 series of revenue bonds for 27 projects and 24 refundings, totaling over \$1.4 billion.

In December 1978, the Housing Finance Authority of Miami-Dade County (Florida) (the "HFA") was formed to issue bonds to provide the HFA with moneys to purchase mortgage loans secured by mortgages on single family residential real property owned by low and moderate income persons residing in the County.

As of September 2007, under the HFA's Multi-Family Mortgage Revenue Bond Program, revenue bonds aggregating approximately \$917 million had been issued for new construction or rehabilitation of 16,752 units.

The bonds issued by the foregoing authorities and the IDA are not debts or obligations of the County or the State or any political subdivision thereof, but are payable solely from the revenues provided by the respective private activity borrower as security therefor.

Film Industry

Miami-Dade County's film and entertainment industry experienced a strong surge in 2007, with location filming revenues up 20% over the previous year to more than \$153 million. Television remains the strongest production sector, with USA Networks' "Burn Notice" filming its 13 episodes season entirely in South Florida, added to recurring production from "CSI: Miami", numerous reality series like "Hogan Knows Best"

and "Miami Ink" and the very active Spanish language television business. Spanish language telenovelas and other formats contributed more than \$50 million to the total industry economic impact in 2007. In addition, Spanish language commercial productions were heavily represented among the more than 180 commercials shot in Miami-Dade County last year, contributing another \$23 million to the bottom line. In all, nearly 2,000 productions shot on location in Miami-Dade County in 2007.

Surface Transportation

The County owns and operates through its Transit Agency (a County department), a unified multi-modal public transportation system. Operating in a fully integrated configuration, the County's Transit Agency provides public transportation services through: (i) Metrorail - a 22.4-mile, 22-station elevated electric rail line connecting South Miami-Dade and the City of Hialeah with the Downtown and Civic Center areas, providing 17.5 million passenger trips annually; (ii) Metromover - a fully automated, driverless, 4.4-mile elevated electric double-loop people-mover system interfaced with Metrorail and completing approximately 8.6 million passenger trips annually throughout 20 stations in the central business district and south to the Brickell international banking area and north to the Omni area; and (iii) Metrobus, including both directly operated and contracted conventional urban bus service, operating over 35.6 million miles per year, interconnecting with all Metrorail stations and key Metromover stations, and providing over 111 million passenger trips annually.

The County also provides para-transit service to qualified elderly and handicapped riders through its Special Transportation Service, which supplies over 1.6 million passenger trips per year in a demand-response environment.

Additionally, the County's Transit Agency is operating the Bus Rapid Transit (BRT) on the South Miami-Dade Busway, a dedicated-use BRT corridor that runs parallel to US1/South Dixie Highway. Service commenced in 1997 and was extended from North Kendall Drive/SW 88th Street to SW 264th Street. A final segment is currently under construction. Upon completion, the South Miami-Dade Busway will traverse over twenty miles, connecting Florida City (SW 344th Street) with the Metrorail system, with connection to downtown Miami.

Airport

The County owns and operates the Miami International Airport (the "Airport"), the principal commercial airport serving Southeast Florida. The Airport has also the third highest international passenger traffic in the U.S. It is currently handling approximately 33,278,000 passengers and 2,099,000 tons of air freight annually and is classified by the Federal Aviation Administration as a large hub airport, the highest classification given by that organization. The Airport is also one of the principal maintenance and overhaul bases, as well as a principal training center, for the airline industry in the United States, Central and South America, and the Caribbean.

A five year summary of the passengers served and cargo handled by the Airport is shown below.

Seaport

The Port is an island port, which covers 640 acres of land, operated by the Seaport Department. It is the world's largest multi-day cruise port. Embarkations and debarkations on cruise ships totaled over 3.7 million passengers for Fiscal Year 2007. With the increase in activity from the Far-East markets and South and Central America, cargo tonnage transiting the Port amounted to approximately 7.8 million tons for Fiscal Year 2007.

The following table sets forth a five-year summary of both cruise passengers served and cargo handled:

Tourism

The Greater Miami Area is a leading center for tourism in the State. Miami was the primary destination for domestic air travelers after Orlando according to the Florida Division of Tourism of the Department of Commerce. It is also the principal port of entry in the State for international air travelers. During 2006, approximately 85% of international air travelers (excluding travelers from Canada) entering the State arrived through the Airport. The Airport has the third highest international passenger traffic behind New York's John F. Kennedy International and Los Angeles International Airports.

The visitors market in the County is shifting away from the traditional tourist market to a "convention group market." This is reflected in the expansion and renovation of lodging facilities as well as in the marketing efforts of South Florida hoteliers. The City of Miami Beach, with the assistance of the County, is

expanding and remodeling the Miami Beach Convention Center, the largest existing convention center in the County, from 250,000 to 500,000 square feet of exhibition space. The convention group market is generally less sensitive to fluctuations in disposable personal income.

The following is a five-year schedule of domestic and international visitors, including a further breakdown of international visitors by region of origin, and the estimated economic impact produced by those visitors:

PROPOSED FORM OF BOND COUNSEL OPINION

On the date of issuance of the Series 2008 Bonds in definitive form, Holland & Knight LLP, and The Law Offices of Steve E. Bullock, P.A., Bond Counsel, propose to render their opinion in substantially the following form:

_____, 2008

Board of County Commissioners of
Miami-Dade County, Florida
111 N.W. 1st St., Suite 2550
Miami, Florida 33128

Re: \$ _____ Miami-Dade County, Florida, General Obligation Bonds (Building Better Communities Program), Series 2008

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance and sale by Miami-Dade County, Florida (the "County"), of its \$ _____ General Obligation Bonds (Building Better Communities Program), Series 2008 (the "Bonds"). The Bonds are issued pursuant to Ordinance No. 05-47, enacted by the Board of County Commissioners (the "Board") of the County on March 1, 2005, as supplemented, Resolution No. R-576-05 adopted by the Board on May 17, 2005 and Resolution No. R-_____ adopted by the Board on _____, 2008 (collectively, the "Bond Documents"). All terms used herein in capitalized form and not otherwise defined herein shall have the same meaning as ascribed to them in the Bond Documents.

The Bonds are dated _____, 2008, have been issued in fully registered form and bear interest from the date thereof at the rates provided in the Bond Documents. The Bonds finally mature on July 1, _____. The Bonds are subject to optional and mandatory redemption prior to maturity in the manner and upon the terms and conditions set forth in the Bond Documents and the Official Notice of Sale.

The Bonds have been issued under the Bond Documents for the purpose of: (i) constructing and improving bridges, public infrastructure and neighborhood improvements located within the County, as described in the Bond Documents, and (ii) paying the cost of issuance with respect to the Bonds.

Pursuant to the Bond Documents, the Bonds are general obligations of the County and are payable from ad valorem taxes on all taxable property within the County (excluding exempt property as required by Florida law), and the full faith, credit and taxing power of the County are pledged to the payment of principal of and interest on the Bonds.

The description of the Bonds in this opinion and other statements concerning the terms and conditions of the issuance of the Bonds do not purport to set forth all of the terms and conditions of the Bonds or of any other document relating to the issuance of the Bonds, but are intended only to

identify the Bonds and to describe briefly certain features thereof. This opinion shall not be deemed or treated as an offering circular, prospectus or official statement, and is not intended in any way to be a disclosure document used in connection with the sale or delivery of the Bonds.

In rendering the opinions set forth below, we have examined a certified copy of the Bond Documents, and are relying on the covenants and agreements of the County contained therein, including, without limitation, the covenant of the County to comply with the applicable requirements contained in Section 103 and Part IV of Subchapter B of Chapter 1 of Subtitle A of the Internal Revenue Code of 1986, as amended, and the applicable regulations thereunder (the "Code"), to the extent necessary to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes.

We have also examined certified copies of the proceedings of the County, and other information submitted to us relative to the issuance and sale by the County of the Bonds. In addition, we have examined and relied upon the opinion of the Office of Miami-Dade County Attorney as to the due organization and valid existence of the County, the validity of the election held on November 2, 2004 and the results thereof related to the issuance of general obligation bonds of the County to fund the Community Projects, the due enactment or adoption, as applicable, of the Bond Documents, and all documents associated with the issuance thereof and the compliance of the County with all conditions precedent to the issuance of the Bonds. We have relied on such other agreements, certificates, documents and opinions, including certificates and representations of public officials and other officers and representatives of the various parties participating in this transaction, as we have deemed relevant and necessary in connection with the opinions expressed below. We have not undertaken an independent audit, examination, investigation or inspection of the matters described or contained in such agreements, documents, certificates, representations and opinions, and have relied solely on the facts, estimates and circumstances described and set forth therein.

In our examination of the foregoing, we have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

The opinions set forth below are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the federal income tax laws of the United States of America.

Based upon and subject to the foregoing, we are of the opinion that:

(i) The Bond Documents constitute the valid and binding obligations of the County, enforceable against the County in accordance with their terms.

(ii) The Bonds are valid and legally binding general obligations of the County, for the payment of which the full faith, credit and taxing power of the County are irrevocably pledged.

(iii) Under existing law, the interest on the Bonds (including any original issue discount properly allocable to the holder thereof) is excludable from gross income for federal income tax purposes. Moreover, such interest will not be treated as an item of tax preference for purposes of the federal alternative minimum tax imposed by the Code. It should be noted, however, that with respect to certain corporations (as defined for federal income tax purposes), interest on the Bonds will be taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax.

The opinions expressed in this paragraph (iii) are conditioned upon compliance by

the County with its covenants relating to certain arbitrage rebate and other tax requirements contained in Section 103 and Part IV of Subchapter B of Chapter 1 of Subtitle A of the Code (including, without limitation, its covenants not to use any proceeds of the Bonds or any facility financed therewith in a manner that would cause any of the Bonds to be classified as private activity bonds under Section 141(b) of the Code and to comply with the requirements contained in Section 148 of the Code), to the extent necessary to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes. Failure of the County to comply with such requirements could cause the interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds. Other provisions of the Code may give rise to adverse federal income tax consequences to particular holders of the Bonds. The scope of the foregoing opinions is limited to matters addressed above and no opinion is expressed hereby regarding other federal tax consequences that may arise due to ownership of the Bonds.

(iv) Under existing law, the Bonds are exempt from all present intangible personal property taxes imposed by the State of Florida. We express no opinion regarding any other state tax consequences of acquiring, carrying, owning, or disposing of the Bonds. Owners of the Bonds should consult their tax advisors regarding the applicability of any other state tax consequences of owning the Bonds.

Our opinions expressed herein are predicated upon present laws and interpretations thereof. We assume no affirmative obligation with respect to any change of circumstances or law or interpretations thereof after the date of this opinion that may adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes.

All opinions as to legal obligations of the County set forth above are subject to and limited by (a) bankruptcy, insolvency, reorganization, moratorium or similar laws, in each case relating to or affecting the enforcement of creditors' rights, (b) applicable laws or equitable principles that may affect the provisional remedies or injunctive or other equitable relief, and (c) judicial discretion which may be exercised in applicable cases to adversely affect the enforcement of certain rights or remedies.

The scope of our engagement in relation to the issuance of the Bonds has been limited solely to the examination of facts and law incident to rendering the opinions expressed herein. We have not been engaged or undertaken to review, confirm or verify and therefore express no opinion as to the accuracy, completeness, fairness or sufficiency of any statements in the Official Statement or any exhibits or appendices thereto or any other offering material relating to the Bonds. In addition, we have not been engaged to and therefore express no opinion regarding the perfection or priority of the lien on the proceeds of the ad valorem tax assessed, levied and collected pursuant to the Bond Documents or as to the compliance by the County or the underwriter with any federal or state statute, regulation or ruling with respect to the sale or distribution of the Bonds.

APPENDIX D

PROPOSED FORM OF DISCLOSURE COUNSEL OPINION

On the date of issuance of the Series 2008 Bonds in definitive form, Edwards Angell Palmer & Dodge LLP, and Rasco, Reininger, Perez, Esquenazi & Vigil, PL, Disclosure Counsel, propose to render their approving opinion in substantially the following form:

_____, 2008

Board of County Commissioners
of Miami-Dade County, Florida
Miami, Florida

\$107,000,000
MIAMI-DADE COUNTY, FLORIDA
General Obligation Bonds
(Building Better Communities Program)
Series 2008

Ladies and Gentlemen:

We have served as disclosure counsel to Miami-Dade County, Florida (the "County") in connection with the issuance by the County of its \$107,000,000 Miami-Dade County, Florida General Obligation Bonds (Building Better Communities Program), Series 2008 (the "Series 2008 Bonds").

In connection with the issuance and delivery of this opinion, we have considered such matters of law and fact and have relied upon such certificates and other information furnished to us as we deemed appropriate. We are not expressing any opinion or views herein on the authorization, issuance, delivery or validity of the Series 2008 Bonds and we have assumed, but not independently verified, that the signatures on all documents and certificates that we have examined are genuine.

To the extent that the opinions expressed herein relate to or are dependent upon the determination that the proceedings and actions related to the authorization, issuance and sale of the Series 2008 Bonds are lawful and valid under the laws of the State of Florida, or that the Bonds are valid and binding obligations of the County enforceable in accordance with their respective terms, or that the interest on the Bonds is excluded from gross income of the owners of the Bonds for federal income tax purposes, we understand that you are relying upon the opinions delivered on the date hereof of Holland & Knight LLP and The Law Offices of Steve E. Bullock, P.A., Co-Bond Counsel, and no opinion is expressed herein as to such matters.

The scope of our engagement with respect to the issuance of the Series 2008 Bonds was not to establish factual matters and because of the wholly or partially non-legal character of many of the determinations involved in the preparation of the Official Statement, dated _____, 2008 (the "Official Statement"), we are not passing on and do not assume any responsibility for, except as set forth in the next paragraph, the accuracy or completeness of the contents of the Official Statement (including,

without limitation, any appendices, schedules, and exhibits thereto) and we make no representation that we have independently verified the accuracy, completeness or fairness of such statements. As your counsel, we have participated in the preparation of the Official Statement and in discussions and conferences with representatives of the County from the Finance Department and the County Attorney's Office, Public Financial Management, Inc., Financial Advisor to the County, Holland & Knight LLP and The Law Offices of Steve E. Bullock, P.A., Co-Bond Counsel, representatives of _____, (the "Underwriters") named in the Bond Purchase Agreement dated _____, 2008, between the Underwriters and the County, and _____, counsel to the Underwriters, in which the contents of the Official Statement and related matters were discussed.

Based solely on the basis of our participation in the preparation of the Official Statement, our examination of certificates, documents, instruments and records and the above-mentioned discussions, nothing has come to our attention which would lead us to believe that the Official Statement (except for the financial and statistical data in the Official Statement, including, without limitation, the appendices thereto, and the matters set forth therein under the captions "DESCRIPTION OF THE SERIES 2008 BONDS - Book-Entry-Only System," and in APPENDICES A, B, and C, as to which no opinion is expressed) is not a fair and accurate summary of the matters purported to be summarized therein or that the Official Statement contained as of its date or as of the date hereof, any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. We are also of the opinion that the continuing disclosure undertaking set forth in the Series 2008 Resolution and in the Omnibus Certificate of the County delivered at the closing satisfy the requirements set forth in Rule 15c2-12(b)(5)(i) of the Securities Exchange Act of 1934, as amended.

In reaching the conclusions expressed herein, we have with your concurrence, assumed and relied on the genuineness and authenticity of all signatures not witnessed by us; the authenticity of all documents, records, instruments, items and letters submitted to us as originals; the conformity with originals of all items submitted to us as certified or photostatic copies and examined by us; the legal capacity and authority of the persons who executed the documents; the accuracy of all warranties, representations and statements of fact contained in the documents and instruments submitted to us in connection with the purchase and sale of the Series 2008 Bonds; that neither you nor the Underwriters have any actual knowledge or any reason to believe that any portion of the Official Statement is not accurate; and the continuing accuracy on this date of any certificates supplied to us regarding the matters addressed herein, which assumptions we have not verified. As to questions of fact material to our opinions, we have relied upon and assumed the correctness of the public records and certificates by and representations of public officials and other officers and representatives of various parties to this transaction. We have no actual knowledge of any factual information that would lead us to form a legal opinion that the public records or the certificates which we have relied upon contain any untrue statement of a material fact.

We are further of the opinion that, assuming the Bonds are the legal, valid and binding obligations of the County, the Series 2008 Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Trust Agreement is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended.

The opinions set forth herein are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the United States of America. The only opinions rendered hereby shall be those expressly stated herein, and no opinion shall be implied or inferred as a result of anything contained herein or omitted herefrom.

This opinion may be relied upon solely by the County and only in connection with the transaction

to which reference is made above and may not be used or relied upon by any other person for any purposes whatsoever without our prior written consent.

Respectfully submitted,
