SBD HISTORY OF VIOLATIONS: Yes-Report Attached. All violations have been closed.

EXPLANATION: On November 28, 2007, ten (10) engineering firms proffered bids for the referenced project. The three (3) lowest bids were as follows: the lowest bidder, Horizon Contractors, Inc., proffered a bid of $5,423,112.90, 14% below the County's cost estimate, the second lowest bidder, Trans Florida Development Corp., proffered a bid of $5,852,317.41, 8% over the lowest bidder, the third lowest bidder, Acosta Tractors, Inc., proffered a bid of $5,884,939.00, 1% over the second lowest bidder.

Due to recent market conditions, contractors have been providing increasingly competitive prices in order to secure work with the County. For this reason, the bidders participating on this contract provided lower prices as compared to the Engineer's estimate.

Therefore, PWD recommends that Horizon Contractors, Inc., the lowest responsive, responsible bidder be awarded the subject contract for the sum of $6,139,886.44.

The contractor, Horizon Contractors, Inc., is currently performing work for PWD at a satisfactory level as reported by the Project Manager. PWD has reviewed the Office of Capital Improvements (OCI) database and found nine (9) awarded contracts. The referenced database also lists 3 contractor performance evaluations with an overall performance rating of satisfactory (3.1).

	Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Juan Paan, P.E., Construction Coordinator, for day to day responsibilities.
