Memorandum

MIAMI-DADE COUNTY

Date: June 3,2008

Agenda Item No. 8(P)(1)(G)

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Resolution No. R-662-08

Subject: Contract Award Recommendation in the Amount of $800,000.00 Between Kailas Corp. and Miami-Dade County for the People's Transportation Plan (PTP) Project Entitled Intersection Improvement Contract - Countywide **(Project – CICC 7040-0/07 Request for Price Quotation (RPQ) No. 20070728)**

Recommendation

The attached Contract Award Recommendation for an Intersection Improvement Contract – Countywide (Project – CICC 7040-0/07 RPQ No. 20070728), in the amount of $800,000.00, between Kailas Corp. and Miami-Dade County has been prepared by the Public Works Department (PWD) and is recommended for approval. Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund this project, therefore, approval by the Board of County Commissioners (BCC) and Citizens' Independent Transportation Trust (CITT) is required.

Scope

The work to be performed under the life of this contract includes intersection improvement at various locations in Miami-Dade County.

Fiscal Impact/Funding Source

The fiscal impact will be approximately $800,000.00 and will be funded from the Surtax. The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for this project will be allocated from the respective Commission District PTP yearly allocations. The base contract amount is $705,455.00, but the total allocated amount is $800,000.00, which is inclusive of the contingency and dedicated allowances.

Delegation of Authority

No additional authority is being requested within the body of this contract.

Track Record/Monitor

The Office of Capital Improvement (OCI) database lists 15 awarded construction contracts and are listed as follows: one (1) from the Department of Corrections and Rehabilitation (CR), two (2) from the Department of Environmental Resources Management (DERM), 2 from the Fire Rescue Department, eight (8) from the Parks & Recreation Department (PRD), 1 from PWD and 1 from the Seaport Department (SP). The referenced database also lists a total of six (6) contractor performance evaluations and are listed as follows: 2 from DERM, three (3) from PRD and 1 from CR with an overall performance rating of satisfactory (3.8) out of a possible superior performance (4) rating. There are no contractor performance evaluations from PWD since this is the first contract between the contractor and the Department. In addition, the Department of Small Business Development's (SBD) History of Violation's report lists no violations for this contractor.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Jesus Gonzalez, Project Manager, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, Kailas Corp., Company Principal is: Jorge Paz and the Company's address is listed as: 12101 NW 98 Avenue, Bay #6, Hialeah Gardens, Florida 33018.

Background

In an effort to accelerate the continued success of the PTP Neighborhood Improvements initiative, PWD is taking advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting process available under the Office of Capital Improvements (OCI) contract CICC 7040-0/07. Through this process, PWD forwards the Request for Price Quotation (RPQ), by way of facsimile transmission and US-mail, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the subject trade. Interested contractors prepare their bids according to the Job Order Contracting (JOC) process, whereby the County establishes unit prices for the pay items in accordance with industry averages. The contractors submit their bid as an overall percentage factor of the pricing established by the County. The project award evaluation is based upon the lowest percentage submitted by the responsive, responsible bidder for the project.

In the event that the lowest JOC percentage submitted by a responsive and responsible firm results in a tie (equal percentage), such firms shall have the opportunity to submit a best and final bid equal to or lower than the percentage factor previously submitted. If a tie still exists, the County will award the contract based on local preference, CSBE certification and the least amount of dollars paid on County contracts over the last three (3) years.

PWD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels 1, 2, and 3) designation. Therefore, on February 12, 2008, PWD forwarded an RPQ for a PTP Intersection Improvement Contract - Countywide, utilizing the OCI contract CICC 7040-0/07, to a list of 85 qualified firms. Nine (9) firms purchased contract documents and six (6) firms proffered a bid. The lowest bidder, Kailas Corp., proffered a bid of 0.95, the second lowest bidder, JVA Engineering Contractors, Inc., proffered a bid of 1.17 and Florida Construction & Engineering, Inc., proffered a bid of 1.18. As a result, on March 25, 2008, PWD issued a recommendation of award for RPQ 20070728 with a percentage factor of 0.95 to Kailas Corp. with the stipulation that approval of this project must be obtained from the BCC and the CITT due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, tools and performing all operations necessary for intersection improvements. This work includes construction of asphaltic concrete road base and surface, pavement removal, milling and markings, signage, sidewalks, concrete curb and gutters and traffic calming devices.

Manager, Contracts
Public Works Department

Subject: Recommendation of Award for:
RPQ No. 20070728 - CICC 7040-0/07
PTP – Intersection Improvement Contract - Countywide
(Contractor – **Kailas Corp.**)

The attached PTP contract is being recommended for award. The Office of Capital Improvement (OCI) database lists 15 awarded construction contracts and are listed as follows: one (1) from the Department of Corrections and Rehabilitation, two (2) from the Department of Environmental Resources Management (DERM), 2 from the Fire Rescue Department, eight (8) from the Parks & Recreation Department, 1 from PWD and 1 from the Seaport Department (SP). The referenced database also lists a total of six (6) contractor performance evaluations with an overall performance rating of satisfactory (3.8) out of a possible superior performance (4) rating. Since the contractor is new to the department, there are no listed contractor performance evaluations on file, since the contract is still in the preliminary stages. In addition, the Department of Small Business Development's (SBD) History of Violation's report lists no violation for this contractor.

The Project Manager for the aforementioned project will be Mr. Jesus Gonzalez.

Therefore, please take the necessary action to obtain approval to award the contract, from the Citizens Independent Transportation Trust.

Memorandum

MIAMI-DADE COUNTY

Date: March 18, 2008

To: Department Directors

From: Penelope Townsley, Director
Department of Small Business Development

Subject: Goal Deficit Make-up Report

The Department of Small Business Development (SBD) is responsible for monitoring awarded contracts for compliance with the following programs: Community Small Business Enterprise (CSBE), §10-33.02 Code of Miami-Dade County; Community Business Enterprise (CBE), § 2-10.4 Code of Miami-Dade County; and the Small Business Enterprise (SBE), §2-221 through §2-228 Code of Miami-Dade County. Pursuant to these programs, contractors who fail to achieve the CSBE, CBE or SBE measure on contracts must make up any deficits in these goals on future County work. The makeup amount is equal to double the dollar value of the deficit amount. Further, the aforementioned programs require that a make-up be made a condition of any new award.

Attached, is a summary of those firms that have a pending goal deficit make up. Please contact SBD prior to awarding a contract to any of these firms so that we can ensure that the make up requirements are met prior to award. Should you have any questions, please contact Alecia Anderson, Compliance Officer 2, Contract Review and Compliance Division, at (305) 375-3157.
