RESOLUTION NO. **R-712-08**

RESOLUTION URGING THE FLORIDA PUBLIC SERVICE
COMMISSION NOT TO APPROVE A 16 TO 19 PERCENT
RATE INCREASE FOR ELECTRICITY PROPOSED BY FPL

WHEREAS, Florida Power & Light, Inc. (FPL) recently announced that on July 1, 2008 it would ask the Florida Public Service Commission (PSC) to approve a fuel adjustment that will result in a 16 percent rate increase for residential electricity and a 19 percent increase for electricity for non-residential customers starting in August and continuing through the end of calendar year 2008; and

WHEREAS, FPL is requesting these increases because of a 32 percent increase in the past year in the price of natural gas and a 54 percent increase in the cost of fuel oil; and

WHEREAS, during these difficult economic times, a 16 to 19 percent increase in electric rates will present significant challenges for individuals, small businesses, schools, and local governments; and

WHEREAS, individuals and small businesses have faced an economic downturn and increased unemployment; and

WHEREAS, gasoline prices have roughly doubled in the last five years increasing travel and commuting costs and eroding the money that consumers have to spend; and

WHEREAS, declines in property values and reductions in state revenues have necessitated budget cuts for schools and local governments; and

WHEREAS, a 16 to 19 percent increase in electric bills could further exacerbate the economic downturn by taking still more disposable income away from individuals and small businesses; and

WHEREAS, a 16 to 19 percent increase in electric bills could also necessitate deeper budget cuts for local governments and schools; and

WHEREAS, the PSC should decline to allow FPL a rate hike at this time,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:

Section 1. Urges the Florida Public Service Commission not to approve a fuel adjustment on July 1, 2008 as proposed by FPL that will result in a 16 percent rate increase for residential electricity and a 19 percent rate increase for commercial and industrial electricity.

Section 2. Directs the Clerk of the Board to transmit a certified copy of this resolution to the Chair and Members of the Public Service Commission, with copies to the Governor, Senate President, House Speaker, the Chair and Members of the Miami-Dade County State Legislative Delegation.
