

**OFFICIAL FILE COPY
CLERK OF THE BOARD
OF COUNTY COMMISSIONERS
MIAMI-DADE COUNTY, FLORIDA**

MEMORANDUM

Date: October 7, 2008

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Agenda Item No. 8(P)(1)(A)

Resolution R-1033-08

Subject: Contract Award Recommendation in the Amount of \$4,564,380.01 between Horsepower Electric, Inc. and Miami-Dade County for the People's Transportation Plan (PTP) Advanced Traffic Management System's Reversible Lane Control Signal System (ATMS – RLCS) Refurbishment Project along NW 199 Street, from NW 2 Avenue to NW 27 Avenue - Project No: 20070587 (Formerly 20060314); Contract No: 20070587

Recommendation

This Award Recommendation for Construction Contract No: 20070587 has been prepared by the Public Works Department (PWD) and is recommended for approval. Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund this project, therefore, approval by the Board of County Commissioners (BCC) and the Citizen's Independent Transportation Trust (CITT) is required.

Delegation of Authority - The authority of the County Manager or his designee to execute and implement this contract is consistent with those authorities granted under the Code of Miami-Dade County. Additional delegation of authorities requested for this contract are as follows:

No additional authority is being requested within the body of this contract.

Scope

PROJECT NAME: PTP Advanced Traffic Management System's Reversible Lane Control Signal System Refurbishment Project along NW 199 Street, from NW 2 Avenue to NW 27 Avenue

PROJECT NO: 20070587 PTP (Formerly 20060314)

CONTRACT NO: 20070587

PROJECT DESCRIPTION: This project is being implemented in conjunction with the ATMS project and consists of furnishing all labor, required materials, equipment, tools, transportation, supplies, integration, testing, documentation, and training required to complete the work in accordance with the plans, specifications and technical provisions.

This work entails the removal and replacement of the existing RLCS signals, signs, wiring, and control equipment at each gantry. The installation of new LED lane control signals and new "blank-out" message signs, including the installation of new controller assemblies which are compatible with the County's new ATMS, with County-specified firmware and new central control equipment which is also compatible with the ATMS and with County-specified software. The Contractor shall configure, integrate, and test the equipment to assure that the refurbished RLCS is fully functional under the ATMS umbrella.

PROJECT LOCATION: NW 199 Street, from NW 2 Avenue to NW 27 Avenue

PROJECT SITES:	<u>LOCATION</u>	<u>DIST</u>	<u>ESTIMATE</u>	<u>T-S-R</u>

Track Record / Monitor

SBD HISTORY OF VIOLATIONS:

Yes, Report Attached. A total of four (4) violations: one (1) open and three (3) closed.

EXPLANATION:

This project was previously advertised under Project No.'s 20060042 and 20060314. For a more detailed explanation on bids received see the project's Request to Advertise herein attached.

On October 24, 2007, two (2) engineering firms proffered bids for the referenced project. The lowest bidder, Horsepower Electric, Inc., submitted a bid of \$4,049,017.86 and Trans Tech Electric, Inc. submitted a bid of \$4,392,341.91.

Horsepower Electric, Inc. and Affiliates were debarred and excluded from contracting with Miami-Dade County (i.e., bidding and being awarded any contract) for a period of eighteen (18) months from June 15, 2005 through December 31, 2006. The named affiliates are Hector P. Ortiz, Hector M. Ortiz and Pios and Sons Enterprises, Inc. The debarment expired on December 31, 2006 which makes this firm eligible to bid on and receive awards unless some other issue is identified which impacts the determination of being a responsible bidder.

During the review process it was noted that Horsepower Electric, Inc. appeared on the Department of Small Business Development (SBD) goal deficit report. PWD sent the contractor a letter dated November 26, 2007, to contact SBD and submit them a make-up plan in order to be eligible for an award recommendation. This plan was reviewed and approved by SBD. The plan will allow Horsepower Electric, Inc. to make-up the goal (\$39,583.38) on a Miami-Dade Transit RPQ No. MDT 74603 - CICC 7360-0/07 project entitled South Miami-Dade Busway (Phase 1) Safety Improvements awarded on February 13, 2008.

Therefore, PWD recommends that Horsepower Electric, Inc., the lowest responsive, responsible bidder, be awarded the subject contract for the sum of \$4,564,380.01.

The contractor, Horsepower Electric, Inc., is currently performing work for PWD at a satisfactory level as reported by the Project Manager. Additionally, the Office of Capital Improvement (OCI) database lists 14 awarded construction contracts all for PWD. The referenced database also lists a total of ten (10) contractor performance evaluations with an overall performance rating of satisfactory (3.1) out of a possible superior performance (4) rating. Evaluations for the remaining projects have not been submitted at this time since the projects have not been completed yet.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled.

Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Oscar Rubio, for day-to-day responsibilities.

BID OPEN DATE: 10/24/2007

Background

BACKGROUND: The existing RLCS has been serving inbound and outbound stadium traffic for approximately 25 years. It has been controlled by the County's 33-year old Traffic Control System (TCS) which will be phased out of existence in the next 2 years. Like the TCS, the RLCS is at the end of its useful life, is becoming impossible to maintain, and is incompatible with the County's new ATMS.

The existing RLCS consists of 22 gantries spaced 600 feet apart. Therefore, for safety purposes a motorist driving along this 2.5 mile arterial is reminded every 600 feet of which lanes are open and which lanes are closed. If one gantry temporarily fails, motorists are not shown the proper lanes to be used for 1200 feet. This increases the chance that a motorist will change into a lane that is not open for his/her direction of travel, possibly ending up in a lane that is open for travel in the opposite direction, and risking a head-on collision.

Currently, 4 of the existing RLCS's 22 gantries have permanently failed. Due to the age of the equipment, replacement parts cannot be procured. Two of the failed gantries are adjacent to each other causing a gap between functional gantries of 1800 feet. Although consideration has been given to cannibalizing the equipment from a gantry in an area where all gantries are working in order to make one of the two adjacent gantries functional, our Field Technicians feel that tampering with the functional equipment may damage it beyond reusability due to its age and fragility.

Refurbishing the RLCS with state-of-the-art hardware and software that is compatible with the County's new ATMS is therefore critical to the safety of the public and to their ability to continue to efficiently access events at Dolphin Stadium.

RESOLUTION NO R-1033-08

RESOLUTION APPROVING A CONTRACT AWARD RECOMMENDATION IN THE AMOUNT OF \$4,564,380.01 BETWEEN HORSEPOWER ELECTRIC, INC. AND MIAMI-DADE COUNTY FOR THE PEOPLE'S TRANSPORTATION PLAN (PTP) PROJECT ENTITLED ADVANCED TRAFFIC MANAGEMENT SYSTEM'S REVERSIBLE LANE CONTROL SIGNAL SYSTEM (ATMS – RLCS) REFURBISHMENT PROJECT ALONG NW 199 STREET, FROM NW 2 AVENUE TO NW 27 AVENUE (PROJECT – NO. 20070587)

WHEREAS, this Board desires to accomplish the purposes outlined in the accompanying memorandum, a copy of which is incorporated herein by reference,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board approves the Contract Award Recommendation in the amount of \$4,564,380.01 between Horsepower Electric, Inc. and Miami-Dade County for the People's Transportation Plan (PTP) Project Entitled Advanced Traffic Management System's Reversible Lane Control Signal System (ATMS – RLCS) Refurbishment Project along NW 199 Street, from NW 2 Avenue to NW 27 Avenue in substantially the form attached hereto and made a part hereof.

The foregoing resolution was offered by Commissioner **Joe A. Martinez**,
 who moved its adoption. The motion was seconded by Commissione **Carlos A. Gimenez**
 and upon being put to a vote, the vote was as follows:

	Bruno A. Barreiro, Chairman	aye	
	Barbara J. Jordan, Vice-Chairwoman	aye	
Jose "Pepe" Diaz	aye	Audrey M. Edmonson	aye
Carlos A. Gimenez	aye	Sally A. Heyman	aye
Joe A. Martinez	aye	Dennis C. Moss	absent
Dorrrin D. Rolle	aye	Natacha Seijas	aye
Katy Sorenson	absent	Rebeca Sosa	aye
Sen. Javier D. Souto	absent		

The Chairperson thereupon declared the resolution duly passed and adopted this 7th day of October, 2008. This resolution shall become effective as follows: (1) ten (10) days after the date of its adoption unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override by this Board, and (2) either i) the Citizens' Independent Transportation Trust (CITT) has approved same, or ii) in response to the CITT's disapproval, the County Commission reaffirms its award by two-thirds (2/3) vote of the Commission's membership and such reaffirmation becomes final.

Re: Community Small Business Enterprise Make-up Plan on Contract No. CICC
7360-0-08, RPQ No. MDT 74063, Busway Safety Improvements, Phase 1

Dear Mr. Ortiz:

On February 14, 2008, the Department of Small Business Development (SBD) received a request from Horsepower Electric, Inc. (Horsepower) to make-up the \$39,583.38 Community Small Business Enterprise (CSBE) deficit from Project No. 671030A on Miami Dade Transit Contract No. CICC 7360-0-08, RPQ No. MDT 74063. Horsepower submitted a Schedule of Intent Affidavit (SOI) committing to utilize CSBE All Quality Electrical Services, Inc. (All Quality) to perform 10% or \$74,000.00 of the contract amount through the installation of mast arms drill shafts and signals. This work is separate from the work being performed by Raydan Electric to fulfill the applicable Disadvantaged Business Enterprise goal applicable to the project. Based on this SOI and discussions with the staff at Miami Dade Transit, the make-up plan is hereby **approved**.

Once this plan is achieved, the make-up requirement will be removed from Horsepower's record.

Pursuant to the Code, the CSBE certification of All Quality must be valid at time of bid submittal, bid award and throughout the term of the contract. Subcontracting CSBEs must perform a commercially useful function in the supply of services required for the fulfillment of the contract and cannot subcontract work further. In the event All Quality is not able to perform the scope of work intended, Horsepower must take immediate action to request a substitution of All Quality with another certified CSBE to perform the work and receive approval from SBD. In order to review the subject project, a Monthly Utilization Report (MUR) is required to be submitted by the tenth of each month for the duration of the project.

11

Mr. Hector Ortiz
February 28, 2008
Page 2 of 2

The form should be completed indicating the current utilization of all firms listed on the SOI. In addition, please provide a copy of the subcontract agreement between Horsepower and All Quality for the referenced project.

Should you have any questions regarding our determination, please contact Alice Hidalgo-Gato, Division Director of Contract Review and Compliance, at (305) 375-3153.

Sincerely,

Penelope Townsley
Director

Re: **Request for Extension of Bid Prices and Bid Bond**
Project No. 20070587
People's Transportation Plan (PTP)
Reversible Lane Control Signal System Improvement Project along
N.W. 199th Street, from N.W. 2nd Avenue to N.W. 27th Avenue

Dear Mr. Ortiz:

Be advised Public Works Department (PWD) is in the final stages of the Recommendation on the subject project. However, we require additional time to finalize our process. Therefore, your firm if wishing to remain in consideration for the award concurs to extend the bid prices an additional one hundred (100) calendar days honoring the unit prices and other terms and conditions as originally submitted on October 24, 2007, for the referenced project.

Please acknowledge your concurrence by signing in the space provided below no later than the close of business day on June 11, 2008. Should your concurrence not be received by the stated deadline, it will be an affirmation that your firm does not wish to be considered beyond the June 21, 2008, expiration. Should you have any questions please contact me at 305-375-2930.

Sincerely,

Michael Moore
Manager, Contracts
Public Works Department

The firm listed below by committing your signature below hereby extends the unit prices an additional 100 calendar days from June 21, 2008, to September 30, 2008, and hereby commit to furnish a revised bid bond in 14 calendar days from the date this letter is returned.

Delivered to: **Public Works Department, Contracts and Specifications Section 15th Floor,**
or Facsimile (305) 375-2931, followed by original document, Attn: Michael Moore.

Concurrence - Horsepower Electric, Inc.

c: Esther L. Calas, P.E., PWD, Johnny Martinez, O.C., Antonio Cotarelo, P.E., Clerk of the Board,

PROJECT TITLE: PTP Reversible Lane Control Signal System Improvement

PROJECT NO: 20070587

IF THIS PROPOSAL IS ACCEPTED, THE UNDERSIGNED AGREES TO COMPLETE ALL WORK UNDER THIS CONTRACT WITHIN TWO HUNDRED SEVENTY (270) CALENDAR DAYS AFTER THE EFFECTIVE DATE ESTABLISHED IN THE "NOTICE TO PROCEED WITH CONTRACT WORK".

Grand Total: 4,049,017.86

The bidder understands and agrees that the above grand total is inclusive of all work necessary to complete the job as described in the plans and specifications.

Quantities are established and are included only for the purpose of facilitating the uniform comparison of bids submitted. The County shall not be held responsible if the quantities are not accurate and all computations for compensation shall be based upon the actual work performed, whether greater or less than estimated quantities.

Tax Identification Number: 592502221

D.C. Certificate of competency No: 17071/EC0001153

Bidder's Name: Horsepower Electric, Inc

Bidder's telephone Number: 3058194060

AGENDA REVIEW FORM

Please process the attached agenda item for the Committee and BCC agendas as indicated below:

To: Dianne C. Davis
Agenda Coordinator

20070587

Requester/Department:

Gilda Nuñez-Hervis (786) 315-2835/Public Works Depart.

Assigned Committee(s) and Date(s):

TC April 11, 2007 May 16, 2007

Preferred BCC Agenda Date:

May 8, 2007 ~~May 22, 2007~~ June 5, 2007

Requires Municipal Notification:

No

Preferred Public Hearing Date:

If the item being submitted is an ordinance for first reading, please indicate the date you would like to schedule the public hearing.

N/A

Public Hearing Required:

If the item being submitted is not an ordinance for first reading, please provide proof that the public hearing will be appropriately advertised.

N/A

Commission Auditor:

If this item requires any action by the Commission Auditor's Office, please forward a copy to their office.

Consent Agenda:

N/A

Must Pass List:

If yes, please provide a justification explaining why the item should be placed on the Must Pass List.

N/A

List Attachment(s):

Manager's Memorandum

Contract

Resolution

Additional Comments:

MOBILIZATION : \$71,000.00 0.00%

55

TOTAL DEDICATED ALLOWANCE: \$153,580.00
COST ESTIMATE: \$3,072,000.00

EXPLANATION: No bids were received on the previous contract Project No. 20060042 for RLCS. This is the Department's second attempt in advertising this project. In order to establish participation PWD scheduled an industry meeting held on September 29, 2006 to gather input. One of the major issues was the disparity in what the consultant believed to be the estimate and what was indicated by the industry. From the meeting it became clear that this specialized work was much more costly than what was originally estimated. Therefore, PWD is requesting approval of this RTA in order to solicit new bids.
