**Subject:** Resolution Authorizing Execution of a Memorandum of Agreement with the Florida Department of Corrections to Participate in the Victim Notification Service Network for the Provision of Automated Offender Information and Notification Services to Victims of Crime

Agenda Item No. 9(A)(4)

**Resolution No. R-920-08**

## Recommendation

It is recommended that the Board of County Commissioners approve the attached resolution authorizing the execution of a Memorandum of Agreement with the Florida Department of Corrections for the Miami-Dade Corrections and Rehabilitation Department (MDCR) to participate in the Victim Notification Service Network. This automated program notifies crime victims of information regarding an inmate's escape, release, or death.

## Scope

The agreement with the Florida Department of Corrections is countywide in nature and has impact on all Commission Districts.

## Fiscal Impact/Funding Source

Through annual appropriation by the Florida Legislature, the Florida Department of Corrections will assume responsibility for paying license and annual maintenance fees to the provider, Appriss, Inc. Should the Legislature cease funding, the MDCR will be required to request funding through the annual resource allocation process to meet this statutory requirement.

## Track Record/Monitor

This contract will be monitored by Jackie Berry, Executive Assistant to the Director.

## Background

The statewide automated victim notification and information service is intended to streamline and enhance the victim notification process throughout the State of Florida. The service links, on a statewide basis, contain data on offenders within the custody of the Department of Corrections, the Department of Juvenile Justice and local Sheriffs/County Jails. The information is accessed by victims and the general public to provide the current status on offenders and provides notification to registered individuals if an offender's status changes (escape, release, or death). The service is accessible through the telephone with a confidential Personal Identification Number (PIN). The service integrates offender data and victim information maintained by the participating entities to the vendor-provided call center, through computers and telephone lines. Crime victims and other members of the general public use a toll-free telephone number to register with a PIN in order to receive notification of an offender status change and other state specific statutory notification and service referral requirements.

In 1996, the Miami-Dade State Attorney's office (SAO) entered into a contract with Appriss, Inc. for the provision of a victim information and notification system, in compliance with requirements of Florida Statute 944.605, Inmate Release; Notification. Appriss provided the Victim Information and Notification Everyday (VINE) program. The monthly payments to Appriss were made by the SAO from 1996 through July, 2002. In May 2002, Appriss notified the MDCR that the SAO would no longer pay the monthly VINE fee associated with custody related information and notification services; the costs would have to be assumed by the MDCR. The MDCR began direct payments to Appriss in 2002, at a cost of \$6,000 per month (\$72,000 annually), and continued until August, 2007 at which time the MDCR completed an interface project that allowed participation with the Florida Department of Corrections system.

**PARTIES TO THIS MEMORANDUM OF AGREEMENT**

**THIS MEMORANDUM OF AGREEMENT** is between the Miami-Dade County Corrections and Rehabilitation (hereinafter referred to as "Participating Entity") and the Florida Department of Corrections ("Department"), which are parties hereto.

**WITNESSETH**

WHEREAS, the Florida Legislature, in the 2007 Legislative Session required the Department to continue the statewide victim notification and information service in an effort to provide automated offender information and notification to all victims of crime when an offender is released or escapes;

WHEREAS, the Department entered into Contract #C2427 with APPRISS, INC. ("Service Provider") effective October 1, 2007 pursuant to Single Source #SS-06-DC-042 authorized in accordance with Section 287.057(5)(c), Florida Statutes, to develop, implement and support a statewide victim notification and information service (hereinafter referred to as the "Service"). WHEREAS, the Participating Entity is a member of the State of Florida Criminal Justice System and, as such, desires to participate in the Service; and

WHEREAS, this Memorandum of Agreement is entered into to establish the respective roles and responsibilities of Participating Entity with the Department in the Service.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual terms and conditions set forth below, the parties agree as follows:

**I. TERM OF AGREEMENT**

This Memorandum of Agreement shall begin on the date of last signature by the parties and shall be co-terminus with the October 1, 2007 Contract, #C2427, between the Department and the Service Provider unless terminated earlier under the provisions of this Memorandum of Agreement.

**II. EFFECT OF OTHER AGREEMENTS**

Contract #C2427 is incorporated herein as if fully stated and all terms and conditions thereof where applicable, shall apply to this Memorandum of Agreement.

**III. LICENSE FEES**

- A. Pursuant to the authority granted to the Department in Contract #C2427, the Service Provider shall grant a non-exclusive, non-transferable license to the Department which will grant permission to Participating Entity to use VINEWATCH software for the duration of this Agreement. The Participating Entity's participation shall be governed by the terms of Contract #C2427.
- B. The Participating Entity understands and agrees that license fees payable to the Service Provider for services rendered to the Department and Participating Entity are under Contract #C2427. The fees consist of start-up costs, if applicable, for a Participating Entity, and annual maintenance fees. The fees will be paid by the Department from the effective date of this Memorandum of Agreement through the date of expiration of the term of this Memorandum of Agreement as described in Section I herein, or as specified in Section III., C.
- C. The Department reserves the right to request payment of maintenance fees from the Participating Entity should the Department not receive annual appropriation by the Legislature. - C. If the Participating Entity installs a new, or changes an existing, booking system after the initial interface has been implemented, if applicable, additional programming charges may apply for work required by the Service Provider to program and test the new interface and will be the responsibility of the Participating Entity. These charges are in addition to any charges that may be applied by the Participating Entity's MIS staff or third party vendor responsible for the new booking system.
- D. The Service Provider will install a computer or provide another form of connectivity (hereinafter referred to as "VINE Gateway") at the Participating Entity where it is needed for the interface. The purpose of the VINE Gateway is to obtain offender information from the site and transmit it to the National Operations Center.
  - 1) The VINE Gateway should not be used for any other purposes by the site's staff. Other usage of the computer by staff beyond the indicated purpose may cause loss of data or interfere with data collection. In such cases, the Participating Entity will be responsible for any anomaly in the data or the interruption in the Service.
  - 2) Any damage to a VINE Gateway resulting from Participating Entity usage for purposes other
