Agenda Item No. 8(D)(1)(C)

To: Honorable Chairman Bruno A. Barreiro and Members,
Board of County Commissioners

R-1007-08

From: George M. Burgess
County Manager

Subject: Resolution Authorizing the Disbursement of Funds from the Biscayne Bay Environmental Enhancement Trust Fund for BAYNANZA 2009 and Authorizing the Execution of a Related Agreement between Miami-Dade County and the Florida Inland Navigation District

Recommendation

It is recommended that the Board authorize the disbursement of \$82,000 from the Biscayne Bay Environmental Enhancement Trust Fund (BBEETF) for BAYNANZA 2009 and authorize the execution of a related agreement with the Florida Inland Navigation District (FIND). Under this agreement, FIND will provide up to \$10,000 toward BAYNANZA 2009 expenses.

Scope

The BAYNANZA 2009 events will benefit coastal areas of County Commission Districts 3, 4, 5, 7, 8 and 9.

Fiscal Impact/Funding Source

Funding of \$82,000 from the BBEETF is being requested for costs related to the various educational, public awareness and enhancement activities of BAYNANZA 2009 (see Attachment A). The FIND Agreement (Attachment B) will provide up to \$10,000 toward the BAYNANZA t-shirts. DERM will seek additional funds and services through sponsorships from private organizations. Depending on the success of the sponsorship effort, total funds generated may offset the amount of this BBEETF request. Pursuant to Section 7-22.1 of the Miami-Dade County Code, funds generated by local boat registration fees and deposited into the BBEETF may be used for water body maintenance and enhancement activities such as BAYNANZA 2009. Expenses incurred during BAYNANZA 2009 include posters, banners, registration forms, postage, educational resource materials, recycled content t-shirts, portable restrooms, water for volunteers, temporary staff, garbage bags, garbage removal and related costs. Also, for the 27th Annual Bay Cleanup Day, a special celebration is planned for the VIP site.

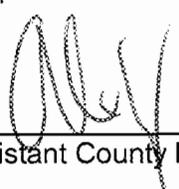

Track Record / Monitor

The Director of DERM will monitor the activities conducted with all funds for these events.

Background

BAYNANZA is part of the County's long-standing commitment to enhance public awareness of Biscayne Bay as a recreational, aesthetic, economic, historic, scientific and environmental resource. The various events of BAYNANZA 2009 (more than 30 BAYNANZA events in 2008) are scheduled for March and April 2009. The main event, Bay Cleanup Day, includes shoreline cleanups at 28 sites along Biscayne Bay and will be held in April 2009. Other major BAYNANZA 2009 events include Earth Day celebrations, a teacher's workshop, photography contests, nature walks and similar activities. In accordance with Chapter 24-40 of the Miami Dade County Code, the Director of the Department of Environmental Resources Management (DERM) has made recommendations for this disbursement to my attention.

BAYNANZA is a cooperative effort among DERM, other County departments, environmental groups in Miami-Dade County and the community at large. Over 7,500 volunteers participated in the 2008 Bay Cleanup Day and each received a recycled-content BAYNANZA t-shirt as a token of appreciation for their hard work. The t-shirts are part of DERM's educational message.
