

**Date:** October 21, 2008

**To:** Honorable Chairman Bruno A. Barreiro  
And Members, Board of County Commissioners

Agenda Item No. 8(N)(1)(D)

**From:** George M. Burgess  
County Manager

**Resolution No. R-1122-08**

**Subject:** Historic Preservation Ad Valorem Tax Exemption for 1400 Coral Way, Coral Gables

---

**Recommendation**

It is recommended that pursuant to the provisions of Florida Statute Section 196.1997 and 196.1998 and Dade County Ordinance 16A-18 that the Board approve the resolution for the Ad Valorem Tax Exemption for the following property: 1400 Coral Way, Coral Gables, Florida.

**Scope**

Impact of the agenda item is countywide and does not have a separate impact upon one or more commission districts.

**Fiscal Impact/Funding Source**

Annual taxes to be foregone if this Historic Preservation Exemption application is granted is estimated at \$318 (see attached "Revenue Implications Report").

**Track Record/Monitor**

County Historic Preservation staff or the Preservation Officer of the municipality in which the property is located will conduct periodic reviews of the property to insure that the improvements are maintained for the duration of the tax abatement.

**Background**

In 1993, the State legislature approved Tax Exemptions for historic properties thereby providing local option property tax exemption for historic properties. Miami-Dade County adopted an ordinance allowing tax exemption in March 1993. The purpose of this legislation is to encourage historic preservation by removing from the assessment the incremental value added by the authorized improvements. This exemption does not apply to assessed land value, only to the value of the "improvements." This exemption applies only to Miami-Dade County's portion of the taxes. Under the rules set forth by the Florida Department of State, Division of Historical Resources, certain criteria must be met for a tax exemption to be allowed:

1. Certification that the property is a historic property.
2. Certification that the property qualifies for the improvement.
3. Determination that the planned improvements are consistent with the Secretary of the Interior's Standards for Rehabilitation.

The tax exemption takes effect on January 1 following substantial completion of the improvement and extends for a ten-year period. Miami-Dade Historic Preservation staff or the Preservation Officer of the municipality in which the property is located will conduct periodic reviews of the property to insure that the improvements are consistent with the Secretary of the Interior's Standards for Rehabilitation. Failure by the owners to adhere to these standards would result in revocation of the exemption. The following property has met the criteria established for the Ad Valorem Tax Exemption:

1. The property located at 1400 Coral Way, Coral Gables, Florida, meets the criteria set forth by the State of Florida. The City of Coral Gables Historic Preservation Board and the Miami-Dade County Historic Preservation Board approved the application for the tax exemption which certifies that the property does qualify for the exemption and that improvements are consistent with the Secretary of the Interior's Standards for Rehabilitation. 1400 Coral Way was designated a local historic landmark by the Coral Gables Historic Preservation Board in 2004. The residence was designed by prominent architect Carl H. Blohm. It is considered an excellent example of the types of homes being built in Coral Gables during the transitional period of Coral Gables' earlier building boom. The improvement project involved restoration and rehabilitation work to the historic structure as well as limited new construction.
2. The total revenue foregone for the current fiscal year if the exemption applied for is granted is estimated at \$318.00 by the County's Property Appraiser (see attached "Revenue Implications" report).
