Subject: Resolution Amending R-742-08 to Correct Scrivener's Errors and Approving Miami-Dade Housing Agency's Fiscal Year 2008-2009 Public Housing Agency Plan

Agenda Item No. 8(G)(1)(B)

Resolution No. R-910-08

Attached is the corrected FY 2008-2009 Public Housing Agency Plan (PHA Plan) being resubmitted for consideration by the Board of County Commissioners (BCC) to amend Resolution R-742-08 as requested by the US Department of Housing and Urban Development (US HUD) Oversight Administrator in charge of Miami-Dade Housing Agency (MDHA).

On October 26, 2007, US HUD executed a Settlement Agreement (Agreement) with Miami-Dade County, which authorized US HUD to take temporary possession of MDHA for a period of nine months. The FY 2008-2009 PHA Plan reflects changes authorized by the US HUD Oversight Administrator, during the time of US HUD's temporary possession.

On July 1, 2008, the BCC adopted Resolution R-742-08 which approved the MDHA's PHA Plan. However, subsequent to the BCC's approval, certain scrivener's errors were identified. The County Attorney opined that these scrivener's errors could not be corrected administratively, and require that the BCC approve the changes. Therefore, this item amends R-742-08 with the attached PHA Plan that includes the following corrections:

1. Victory Homes is reflected as vacant land (and sits within a 142-unit public housing site) on typed-written page 3 of the attached 5-Year Plan;
2. Victory Homes is to be reflected as a disposition and not a demolition for only part of the development on type-written page 32 of the attached 5-Year Plan; and
3. Lincoln Gardens is to be reflected as both a disposition and demolition on type-written page 33 of the attached 5-Year Plan.

All of the other information contained in this cover memorandum and attached 5-Year Plan is the same as approved through R-742-08.

Scope

The PHA Plan, which has a countywide impact, includes MDHA's plans for managing the federally subsidized Public Housing and Section 8 programs. However, the MDHA PHA Plan does not account for the activities of other housing jurisdictions within Miami-Dade County, such as the Hialeah Housing Authority, Housing Authority of the City of Miami Beach, and Homestead Housing Authority, which must submit their own plans for their housing programs to US HUD.

Fiscal Impact

The PHA Plan includes the planned sources and uses of financial resources for the support of federal public housing and Section 8 programs, totaling \$259.59 million for both operating and capital.

However, the allocation of funds is formula-based by US HUD and award of funding may not equate with the amount requested. Capital funds will be used for public housing operations, to include preparation of vacant units for occupancy, roof repairs, routine maintenance, and management improvements.

Background

The Quality Housing and Work Responsibility Act (QHWRA) enacted on October 21, 1998, and related regulations implemented by US HUD, require any local, regional, or State housing agency receiving federal funds and operating federal public housing or Section 8 programs to submit an annual PHA Plan.

The PHA Plan includes MDHA's mission and the long-range goals and objectives to achieve its mission over a five-year period, as well as MDHA's operations, programs, capital spending plan, and its approach for meeting the needs of the local community regarding public housing and Section 8, for the upcoming fiscal year.

The BCC approved MDHA's first PHA Plan on July 25, 2000, and all annual subsequent PHA Plan updates. Last year's PHA Plan was approved by the BCC through Resolution R-801-07 adopted on July 10, 2007. The 2008-2009 PHA Plan for BCC consideration includes the update of the 2005-2009 Five-Year Plan and the Annual Plan for fiscal year starting October 1, 2008 through September 30, 2009.

The highlights of this year's PHA Plan are as follows:

1. Reorganization of the Private Rental Housing Division, including opening of the new Section 8 Customer Service Center to provide services to Section 8 landlords and tenants.
2. Reopening of the waiting lists during Fiscal Year 2007-2008.
3. Increased goals for public housing occupancy rate and rent collection from 95 to 97 percent.
4. Continued promotion of full occupancy of Helen Sawyer and Ward Towers Assisted Living Facilities.
5. Continued redevelopment of Scott/Carver sites under the HOPE VI initiative, which includes public housing and homeownership projects.
6. Continued expansion of homeownership opportunities for public housing residents, including those that will be available through the redevelopment of Scott/Carver and Heritage Village I.
7. Continued implementation of the Section 8 Homeownership program, in partnership with the Office of Community and Economic Development (OCED).
8. Continued implementation of successful methods of accelerated move-in procedures for public housing applicants.
9. Subject to funding availability, continued implementation of the Voluntary Compliance Agreement (VCA) executed between US HUD and the County to make accessibility modifications to MDHA's public housing stock and non-housing programs to accommodate persons with disabilities.
10. Ensuring that persons with disabilities are provided with equal opportunity in housing and non-housing programs through the Reasonable Accommodation and Effective Communication policies that were established through the VCA.
11. Continued maintenance of programs to ensure the agency's integrity by investigating fraud and criminal activities allegations from tenants, staff, or entities doing business with MDHA.

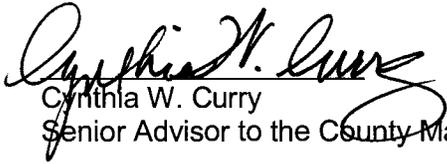

Upon commencing the FY 2008-2009 PHA Plan process, MDHA held meetings with each of the Resident Advisory Boards (RAB) to present the proposed plan. For Public Housing, three regional meetings were held from January 14 through January 16, 2008. For Section 8, the meeting was held on February 27, 2008.

The proposed FY 2008-2009 PHA Plan was made available for public review and comments during the 45-day comment period from March 17, 2008 through April 30, 2008. It was distributed to MDHA's Public Housing Site Offices, Administration and Compliance Office, Section 8 Customer Service Center, and Miami-Dade Team Metro's Regional Offices across the County. Also, it was mailed to the Public Housing RAB, consisting of the Overall Tenant Advisory Council (OTAC), and Section 8 RAB members. The proposed FY 2008-2009 PHA Plan is also posted on MDHA's website. The public hearing was held on May 1, 2008.

During the comment period, comments were received from the Section 8 RAB, and after US HUD management consideration, changes were made to the PHA Plan to increase the initial term of the Section 8 voucher from 60 to 120 days. Comments were received from Legal Services of Greater Miami and County staff, and after further US HUD management consideration, appropriate changes were made to the PHA Plan that included some but not all of the County's suggestions. Those not included, which are not considered substantive, were not issues that cause the County to request further review by US HUD.

The US HUD Oversight Administrator submitted the corrected version of the PHA Plan because it was due to HUD no later than July 18, 2008. This item retroactively authorizes the Oversight Administrator's submission of the corrected PHA Plan on behalf of Miami-Dade County.

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Executive Summary

The Quality Housing and Work Responsibility Act (QHWRA), enacted by Congress on October 21, 1998, is the single most significant piece of housing legislation since the U.S. Housing Act of 1937. The subsequent statute and implementing regulations promulgated by the U.S. Department of Housing and Urban Development (USHUD) require each housing authority (HA) to submit an Annual Plan and a five (5) year management plan.

Miami-Dade Housing Agency (MDHA), which is the housing department of Miami-Dade County, views the Annual Plan as an opportunity to show that the housing agency's dedicated and enthusiastic staff, together with the support of the parties involved, can and will achieve the goals and objectives that have been set during this planning process.

This year's Annual Plan covers the period October 1, 2008 through September 30, 2009. The planning process incorporates input and comments from MDHA staff, resident advisory boards, housing program participants, business partners and the public.

USHUD executed a Settlement Agreement (Agreement) with Miami-Dade County on October 26, 2007. This Agreement authorized USHUD to take temporary possession of MDHA for a period specified in the Agreement, as may be amended. This PHA Plan reflects changes as a result of this federal action, during the time of USHUD possession.

The highlights of this year's plan include the following:

1. Reorganization of the Private Rental Housing Division, including opening of the new Section 8 Customer Service Center, to provide services to Section 8 landlords and tenants.
2. Reopening of the waiting lists during Fiscal Year 2007-2008.
3. Increase goals for public housing occupancy rate and rent collection from 95% to 97%.
4. Continue promoting full occupancy of Helen Sawyer and Ward Towers Assisted Living Facilities.
5. Continue redevelopment of Scott/Carver sites under the HOPE VI initiative, which includes public housing and homeownership projects.
6. Continue expanding homeownership opportunities for public housing residents, including those that will be available through the redevelopment of Scott/Carver.
7. Continue implementing the Section 8 Homeownership program in partnership with the Office of Community and Economic Development (OCED).
8. Continue implementing successful methods of accelerated move-in procedures for public housing applicants.
9. Subject to funding availability, continue implementing the Voluntary Compliance Agreement (VCA) to make accessibility modifications to MDHA's public housing stock and non-housing programs to accommodate persons with disabilities.
10. Continue providing persons with disabilities equal opportunity in housing and non-housing programs through the Reasonable Accommodation and Effective Communication policies, as revised under the VCA.
11. Continue maintaining anti-fraud programs to ensure the agency's integrity by investigating fraud and criminal activity allegations from tenants, staff, or entities doing business with MDHA.
12. Effective February 1, 2008, the County-owned Section 8 New Construction Developments, Miami Gardens, Wynwood, Singer Plaza, Little Havana I, Riverside, Gibson Plaza, Coconut Grove, Goulds and Perrine Rainbow, have been transferred to the Office of Community and Economic Development (OCED). MDHA's Applicant and Leasing Center will continue managing the waiting list and certifying eligible families until the expiration of the Adker Consent Decree on August 2, 2009.

1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through Section 8 replacement housing resources
- Maintain or increase Section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction, taking into consideration USHUD funding levels.
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase Section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration.
- Maintain or increase Section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program.
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)
 - Participate in the Continuum of Care process in the development of permanent housing for homeless individuals and families.
 - MDHA may make discretionary policy revisions allowed by regulations to its Section 8 program to cover any shortfall in federal funding, including but not limited to, limiting moves, increasing minimum rent, reducing payment standards, implementing revised occupancy standards, limiting rent increases to landlords, and termination of assistance only where necessary.
 - Participating in Miami-Dade County's General Obligation Bond (GOB) program as described in MDHA's Five-Year Plan to preserve and/or expand affordable housing in Miami-Dade County.

- Insufficient budget authority from HUD and Miami-Dade County necessitating the need to either alter, reduce, or terminate any specific program activity.

A Significant Amendment or Modification to the Annual Plan is a change in policy pertaining to the operation of the MDHA. The MDHA will consider the following actions as a Significant Amendment or Modification to the Five-Year Plan and Annual Plan:

MIAMI-DADE HOUSING AGENCY

Statement of Revised Policy on Deconcentration of Poverty and Promoting Mixed Income

Miami-Dade Housing Agency's (MDHA) Deconcentration Policy incorporates the provisions in the final rule on the *Deconcentration of Poverty and Promoting Mixed Incomes* in public housing. The deconcentration policy applies only to applicants for public housing and to residents seeking voluntary transfers within "covered" public housing developments (general occupancy family public housing developments). The deconcentration requirements apply only to developments with average incomes above or below the Established Income Range (EIR), which is 85 to 115 percent of the average family income for all covered developments, or 30 percent of the Area Median Income, whichever is greater. Developments exempt from the deconcentration rule are developments that house only elderly persons, persons with disabilities or both, developments with HUD-approved mixed-finance plans using HOPE VI or public housing funds, public housing developments approved for demolition or for conversion to tenant-based assistance.

The policy for deconcentration of income requires an annual analysis of the concentration of income in covered public housing developments, which is to be included as a supporting documentation of the PHA Plan. At each analysis, the average income of each covered development is calculated. Any covered development having an average income outside (above or below) the EIR requires an explanation or justification of that income profile that is consistent with: a) the deconcentration of poverty and income mixing, and b) the local goals and strategies contained in the PHA Plan.

MDHA performs an annual income analysis of its 60 covered public housing developments. The income profile of covered developments falling above or below the EIR is justified according to the deconcentration rule for the following reasons: Adker Consent Decree, self sufficiency strategies and programs, homeownership and scattered sites. Although the income profile of the covered developments falling outside the EIR for the income analysis can be justified, MDHA's deconcentration policy includes, but is not limited to: 1) capital improvements toward developments with an average income below the EIR to encourage applicant families whose income is above the EIR to accept units in those developments; 2) providing incentives which encourages families with incomes below the EIR to accept units in developments with incomes above the EIR; and 3) providing any other strategies allowed by statutes and determined by MDHA in consultation with residents and community via the PHA planning process.

SECTION 8 RESIDENTS ADVISORY BOARD

2008/2009 Recommendations for the Proposed 2008-2009 PHA Plan

The following recommendations were presented by the advisory board in the meeting held on February 28, 2008 between the members of the members of MDHA staff and the sections 8 residents advisory board:

1. We need the homeownership program back, because it helps many of our families by providing more peace of mind, since they won't have the worry of being asked to vacate the property because the landlord decides to sale the property, or, like in many of the cases today, they won't get evicted because the landlord did not pay the mortgage and the property is now in the foreclosure process. The homeownership program also helps the residence in accomplishing the so much desired, American dream.
2. More programs need to be created to either, provide loans for residents to establish there own business; or to have more information accessible in order to link them to the authorities that could help with the process of obtaining fund. This way we will have more recipients become totally self sufficient.
3. The board would like to obtain the addresses for the SRO.
4. **The 60-30-30 time frame for new dwelling search needs to be extended, since some times due to transpiration, health and other circumstances, it gets hard to find a dwelling in such a short period of time. Remember that, we have many handicapped and ill individuals among the residents.**
5. **The first payment and the first inspection processing needs to process faster, it is just terrible, and it is an agonizing process and everywhere we go, people say that these situations is occurs Miami Dade only.**
6. **We need to minimize the visits of the recipients to the office, since we have so many of us that like to earn a living by working, and sometimes we loose our jobs in the process, because a lot of the employers, don't believe in having a tenant absent so many times.**
7. **The phones need to be operating, the workers need all the support they could get from the customer service, and the recipients need to have access to someone on the phone.**
8. (1)The advisory board needs an office space, probably we could share an office space over at 1401 NW 7th Street; we are willing to share the office with the HUD Advisory Board. But would be best if we could obtain our own little space anywhere possible.

(2)The board wants to get more involve and assist in the process of the updates and changes information being sent to owners and tenants. We want the community to come to us and share the concerns to us, so that we could be that breach between the administration and the residents, which is the whole purpose of a board. The board wants to be a functional board.
9. We are requesting a meeting with the all the HUD administrative staff, in order to see what we can workout, to serve our community better.

MIAMI-DADE HOUSING AGENCY
Community Service and Self-Sufficiency Policy

BACKGROUND

The Quality Housing and Work Responsibility Act of 1998 requires that all **Non-Exempt** (see definitions) public housing residents 18 years of age or older contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes or other activities (described below) that help an individual toward self sufficiency and economic independence (United States Department of Urban Development regulation 24 CFR 960.600-609). **Exempt** (see definitions) public housing residents 18 years of age or older verified by Miami-Dade Housing Agency (MDHA) are not subject to the community service and/or self-sufficiency requirement.

The community service and self-sufficiency requirement is incorporated in the Public Housing Lease under Article IX, *Resident's Obligations*.

DEFINITIONS

Community Service: volunteer work that is of a public benefit and that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community. Community service can take place at non-profit organizations or public institutions. Community Service does not include political activities.

The types of volunteer work activities for this purpose include, but are not limited to:

- ✓ Working through a resident organization to help other residents with problems, serving as an officer on the Overall Tenant Advisory Council, and/or an incorporated public housing resident council organization;
- ✓ Working at a local school, before or after-school care program, or child care program;
- ✓ Working with a local non-profit educational, recreational, or food or clothing distribution program that serves youth, adult, elderly or other special needs population; or with a local non-profit social service, or health care or nursing home facility;
- ✓ Working at the Miami-Dade Housing Agency to help improve physical conditions, upon availability;
- ✓ Helping neighborhood groups with special projects.

Self-Sufficiency Activities: activities designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants.

These activities may include, but are not limited to:

- ✓ Miami-Dade Housing Agency's (MDHA) Family Self-Sufficiency (FSS) Program; or
- ✓ Other self-sufficiency programs, including but not limited to: job training and job readiness programs, full-time student status at any school, college or vocational school, General Equivalency Diploma (GED) classes, apprenticeships, substance abuse or mental health counseling, English proficiency or literacy (reading) classes, English as a second language classes, budgeting and credit counseling class or any kind of class or program that helps a person toward economic independence, and carrying out any welfare reform activity required by the Department of Children and Families.

Exempt Adult: An adult member (18 or older) of the family who:

- Is 62 years of age or older;
- Has a disability that prevents him/her from being gainfully employed;
- Is the caretaker of a disabled person;
- Is employed for at least 20 hours per week;
- Is participating, and is in compliance with a State of Florida welfare program, such as the Temporary Assistance for Needy Families (TANF), including a welfare to work program;
- Meets the requirements from being exempted from work or work activities under a State of Florida welfare program;
- Is engaged in work-related activities for a minimum 20 hours per week. Work-related activities include: vocational educational training (not to exceed 12 months with respect to any individual), on-the-job training, job-skills training directly related to employment, job-search and job-readiness assistance, community service programs, satisfactory attendance at a secondary school or GED classes, education directly related to employment, and provision of childcare services to an individual who is participating in a community service program.

Non-Exempt Adult: An adult member (18 or older) who:

- Does not meet one of the above exemptions requiring contribution of at least eight (8) hours per month of community service and/or participation in self-sufficiency activities.

Requirements of the Community Service and/or Self-Sufficiency Activities for Non-Exempt Residents:

1. The eight (8) hours per month may be either volunteer work or self sufficiency program activity, or a combination of the two.
2. At least eight (8) hours of activity must be performed each month. An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. MDHA will make the determination of whether to allow or disallow a deviation from the schedule.
3. Activities must be performed within the community and not outside the jurisdictional area of Miami-Dade County.

Family Obligations for all Adult Residents (Exempt and Non-Exempt):

- At lease execution or reexamination, all adult members (18 or older) of a public housing resident family must:
 - a) provide documentation that they are exempt from Community Service requirement, if they qualify for an exemption, and
 - b) sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service and/or Self-Sufficiency requirement will result in nonrenewal of their lease.
- Every month, non-exempt family members must present a completed Third Party Verification form to the site manager, documenting the activities performed during that month. This form will include the signature of supervisors, instructors or counselors verifying the number of hours contributed.
- If a family member is found to be noncompliant at re-examination, he/she and the Head of Household will sign an agreement with MDHA to make up the deficient hours over the next twelve (12) month period.

Requirements for change in family status:

- If, during the twelve (12) month period, a non-exempt person becomes exempt, it is his/her responsibility to report this to the MDHA site manager within ten (10) days and provide documentation of such.
- If, during the twelve (12) month period, an exempt person becomes non-exempt, it is her/his responsibility to report this to the MDHA site manager within ten (10) days. The site manager will provide the person with the Certification and Third Party Verification forms and a list of agencies in the community that may provide volunteer and/or training opportunities.

MDHA Obligations

1. To the greatest extent possible and practicable, MDHA will:
 - Provide names and contacts of agencies that may provide opportunities for residents, including disabled, to fulfill their Community Service obligations. *(According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service Requirement).*
 - Provide in-house opportunities for volunteer work or self sufficiency programs, such as MDHA's Family Self-sufficiency Program, helping neighborhood groups with special projects, etc.
2. MDHA will provide the family with the necessary documentation, such as the certification form, Third Party Verification form, and a copy of this policy at initial application and at lease execution.
3. MDHA will make the final determination as to whether or not a family member is exempt from the Community Service and/or Self-sufficiency requirement. MDHA may verify with the welfare agency resident's participation and compliance with the welfare program.
4. Residents may use MDHA's Grievance Procedure if they disagree with MDHA's determination.
5. Noncompliance of family member:
 - At the time of the reexamination interview, or at least thirty (30) days prior to annual reexamination and/or lease expiration, MDHA will begin reviewing the exempt or non-exempt status and compliance of family members. MDHA will notify the family of such non compliance.
 - If MDHA finds a family member to be noncompliant, MDHA will enter into an agreement with the non compliant member and the Head of Household to make up the deficient hours over the next twelve (12) month period;
 - If, at the next annual reexamination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit;
 - The family may use MDHA's Grievance Procedure and any available judicial remedy to seek timely redress to protest the lease termination.

If you have any questions about this policy, please contact your MDHA site manager.

PET OWNERSHIP AND ASSISTIVE ANIMAL POLICIES

THE PET OWNERSHIP AND ASSISTIVE ANIMAL POLICIES FOR THIS COMMUNITY ARE AS FOLLOWS:

PET OWNERSHIP POLICY

- A. **PET OWNERSHIP IS PERMITTED** to residents of public housing subject to compliance under this Policy. A pet may be disallowed to a pet owner for failure to comply with the Pet Policy.
- B. **A RESIDENT OR PROSPECTIVE RESIDENT MUST OBTAIN WRITTEN PERMISSION** from the site manager before keeping any pet on or about the premises. The prospective pet owner may only obtain written permission for a pet by meeting all the applicable Lease Agreement and Pet Policy requirements and by participating in the mandatory pet registration. The pet owner must register his or her pet according to all requirements of the Policy before bringing the pet onto the project premises. Pet owners must comply with all terms of the Lease Agreement and the Policy.
- C. **THE ONLY ANIMALS ALLOWED AS PETS** are common household pets. MDHA will not register an animal that is not a common household pet. The definition of a common household pet is "A domesticated animal, such as a dog, cat, bird, rodent (including a rabbit), fish, or turtle, that is traditionally kept in the home for pleasure rather than for commercial purposes." This definition does not include any reptiles other than turtles. The list of animals not allowed as pets also includes (but is not limited to) raccoons, snakes, monkeys and pigeons. Any animals that are determined to constitute a nuisance or a threat to the health or safety of other residents, visitors, Department employees and/or any other persons on or about the premises are prohibited.
- D. All owners of a dog or cat shall pay an additional \$100 pet deposit to cover possible damages that the pet might cause in the development. The resident shall receive a refund of the unused portion of the pet deposit when the resident no longer owns a pet, or when he/she vacates the unit. MDHA may offer residents a payment plan for the pet deposit of \$50.00 up front and \$50 payable the following month.
- E. Pet ownership may be revoked at any time subject to the MDHA grievance procedure, if the animal becomes destructive, a nuisance or safety hazard to other residents, or if the resident/owner fails to comply with the following rules:
 - 1. The number of four legged, warm-blooded pets are limited to one such pet in each dwelling unit.
 - 2. The weight of any pet is not to exceed twenty (20) pounds at the age of maturity.
 - 3. The designated area for walking pets and waste elimination will be determined at each site individually.
 - 4. Every resident owning a pet must abide by Miami-Dade County Animal Control ordinances pertaining to inoculations, licenses, and leash laws. Proof of such

compliance must be shown when the pet is first registered and at annual re-examinations.

5. All cats and dogs must be spayed or neutered. Certification of the applicable operation must be submitted during initial registration.
6. Animals that are exotic, unusual or different from normal household pets, such as monkeys, raccoons, snakes, pigeons, etc., or which are determined to constitute a nuisance to the health or safety of other residents and/or Department employees, are prohibited.
7. No pet may be kept in violation of state humane or health laws, or local ordinances. (Pit bulls are not permitted as pets unless in compliance with Miami-Dade County ordinance).
8. Dogs and cats shall remain inside the resident's unit unless they are on a leash and directly controlled by the owner. Birds, rabbits, and/or guinea pigs, etc. must be confined to a cage at all times.
9. Residents are responsible for cleaning up after their pets. All animals must be fed on the resident's property or in the apartment.
10. Residents shall take adequate precautions to eliminate any pet odors within or around their unit and maintain the unit in a sanitary condition at all times. Residents are to provide for proper pet maintenance and disposal of waste.
11. The resident shall not permit any disturbance by his/her pet which would interfere with the peaceful enjoyment of other residents, whether by loud barking, howling, biting, scratching, chirping, or any other such activities.
12. Dogs and cats shall not interfere with the delivery of management, maintenance, postal, utility or resident services.
13. If pets are left unattended for twenty-four (24) hours or more, MDHA may enter to remove the pet and transfer it to the proper authorities. MDHA accepts no responsibility for the pet under such circumstances. Residents are to identify an alternative custodian for their pet in the event of illness or other absence from the unit.
14. Residents are responsible for all damages, including costs of fumigation, caused by their pets. Owners are also responsible for any personal injuries attributable to the pet. Owners of dogs and cats will be assessed a maintenance charge for each occasion that the maintenance staff needs to clean up after the pet.

F. All residents who own pets will abide by the above stipulated guidelines and will sign a copy of the provision governing ownership and care of pets. Residents who violate these rules are subject to:

1. Being required to get rid of the pet within seven (7) days notice by MDHA, unless the pet creates an immediate threat to health and safety of the general public, in which case the pet must be immediately removed by the resident or proper local authorities.
2. Eviction.

ASSISTIVE ANIMAL POLICY

A. **ASSISTIVE ANIMALS ARE NOT CONSIDERED PETS.** They are to be used to give assistance to persons with disabilities (a physical or mental impairment that substantially limits one or more major life activities, a record of such impairment, or being regarded as

having such impairment) and are necessary as a reasonable accommodation. Assistive animals are also referred to as service animals, support animals or therapeutic animals. An assistive animal may be disallowed to an assistive animal owner for failure to comply with the assistive animal policy.

- B. A RESIDENT, OR PROSPECTIVE RESIDENT, MUST OBTAIN WRITTEN PERMISSION** from the site manager before keeping any assistive animal on or about the premises. Written permission shall not be unreasonably denied. The assistive animal owner must register his or her assistive animal according to all requirements of the Policy before bringing the assistive animal onto the project premises. Assistive animal owners must comply with all terms of the Lease Agreement and the Policy.
- C. Owners of assistive animals are not required to pay a pet deposit described herein. Notwithstanding this exception from having to pay a deposit does not exclude the assistive animal owner from liability for any damages caused to the premises by such assistive animal.
- D. Any assistive animals that are determined to constitute a nuisance or a threat to the health or safety of other persons on or about the premises are prohibited.
- E. MDHA will only allow a resident's or prospective resident's assistive animal to reside in the resident's unit if:
- a) A qualified health professional certifies in writing that the resident or a member of his or her family is a person with a disability;
 - b) a qualified, health care professional certifies in writing that the animal is needed to assist with the disability;
 - c) the requested animal actually assists the person with a disability;
 - d) the resident or prospective resident delivers true and accurate copies of the certifications referred to in Sections E(a) and E(b) to the site manager; and
 - e) the site manager provides written approval to the resident or prospective resident indicating that the requested animal is acceptable as an assistive animal according to the rules set forth in this section.
- F. Assistive animal ownership may be revoked at any time subject to the MDHA grievance procedure, if the assistive animal becomes destructive, a nuisance or safety hazard to other residents, or if the resident/owner fails to comply with the following rules:
1. The assistive animal owner must use the designated area for walking assistive animals and waste elimination that is determined at each site individually.
 2. Every resident owning an assistive animal must abide by Miami-Dade County Animal Control ordinances pertaining to inoculations, licenses and leash laws. Proof of such compliance must be shown when the animal is first registered and at annual re-examinations.
 3. No assistive animal may be kept in violation of state humane or health laws, or local ordinances. Pit bulls are not permitted as assistive animals unless in compliance with Miami-Dade County Ordinance.
 4. Dogs and cats that are assistive animals shall remain inside the resident's unit unless they are on a leash and directly controlled by the animal's owner. Birds, rabbits, and/or guinea pigs, etc. must be confined to a cage at all times.

5. Residents are responsible for cleaning up after their assistive animals. All assistive animals must be fed on the resident's property or in the apartment.
 6. Owners of assistive animals must care for their animals in such a way as to ensure that their premises are maintained in a clean and sanitary condition.
 7. Owners of assistive animals must control their animals in such a way as to ensure that their animals do not interfere with their neighbors' rights to enjoy their premises in a safe and peaceful manner. The assistive animals must not be a nuisance or threat to the safety of other residents, visitors, MDHA employees and/or any other persons on or about the premises are prohibited.
 8. Assistive animals shall not interfere with the delivery of management, maintenance, postal, utility or resident services.
 9. If an assistive animal is left unattended for twenty-four (24) hours or more, MDHA may enter to remove the animal and transfer it to the proper authorities. MDHA accepts no responsibility for the animal under such circumstances. Residents are to identify an alternative custodian for their assistive animals in the event of illness or other absence from the unit.
- G. MDHA will consider a waiver to any of the provisions of the Assistive Animals section of this Policy regarding assistive animals on a case-by-case basis, should any of the provisions of the Policy conflict with a resident's bona fide right to an assistive animal where such animal is necessary to a resident as a reasonable accommodation.
- H. All residents who own assistive animals will abide by the above-mentioned guidelines and will sign a copy of the provision governing ownership and care of the assistive animal. Residents who violate these rules are subject to:
1. Being required to get rid of the assistive animal within seven (7) days notice by MDHA, unless the assistive animal creates an immediate threat to health and safety of the general public, in which case the assistive animal must be immediately removed by the resident or proper local authorities.
 2. Eviction.

MIAMI-DADE HOUSING AGENCY

Statement of Progress in Meeting the 2005-2009 Five-Year Plan Mission and Goals

Goal: Increase the availability of decent, safe, and affordable housing:

- MDHA has met its 95% occupancy rate goal.
- The Tenant-based and Project-based waiting lists were opened during a two-week application period held April 18-29, 2005. MDHA received approximately 44,000 applications of which 41,500 were accepted and 3,500 rejected for incomplete information.

Goal: Improve community quality of life and economic vitality.

- MDHA designed a prototype "Wellness Center" as a component of its Aging in Place initiative for the prevention of premature institutionalization of elderly and disabled residents.
- MDHA finalized the construction of the Ward Towers Assisted Living Facility.
- USHUD approved MDHA's Designated Housing Plan, designating 2,598 units for occupancy by elderly families only.
- ALC assisted a total of 89 families that were affected by Hurricane Wilma to find assisted housing.
- Continue partnership with Team Metro to provide Government on the Go Bus at all public housing developments.
- MDHA has entered into a collaborative partnership with Miami Dade Weed & Seed Program funded by the US Department of Justice, for a technology learning center at Liberty Square.
- MDHA will continue developing partnerships with the City of Miami, The Trust for Public Lands and other community organizations and faith based programs.

Goal: Ensure equal opportunity in housing and affirmatively further fair housing.

- Since June 1999, when Housing Choice vouchers were made available to class members of the Adker Consent Decree, the success rate by class members in making desegregated moves has been about 53 percent. As of December 31, 2007, approximately 1,633 class members, who received mobility counseling from the Dewey W. Knight/Ann-Marie Adker Fair Housing Center, have been able to lease a unit in the private market. Of these moves, 845 were desegregative, that is, the leased unit was located in a census tract where the race of the class member did not predominate.
- Conducted Reasonable Accommodation Policy and Procedure training to MDHA staff from May through July 2005.
- Developed a more comprehensive section serving the special needs population on the April 2005 Housing Application form.
- Major activities undertaken under the Voluntary Compliance Agreement (VCA):
 1. In 2005, commenced modifications to make MDHA Administrative Offices accessible to individuals with disabilities. In 2006, completed repairs to all cited deficiencies other than those for which MDHA has requested alternate means of compliance.
 2. Adopted and fully implemented the major reasonable accommodation provisions included in the Reasonable Accommodation Policy and Procedures (Appendix IV of the amended ACOP) by training the regional and site managers.
 3. Since 2005 commenced distribution of the Reasonable Accommodation Policy and Procedures to applicants at lease signing, and to residents at the annual reexamination.

Statement of Progress in Meeting the 2005-2009 Five-Year Plan Mission and Goals

4. Trained site managers to maintain logs indicating the date/time reasonable accommodation requests are received and the date/time the requests are sent to the ADA Coordinator.
5. Selected a contractor to conduct an assessment and prepare UFAS-accessible unit plan on MDHA units and non-housing programs. The kick-off meeting was on March 6, 2007.
6. Selected a contractor to review and certify the UFAS modifications made pursuant to the VCA. The kick-off meeting was on June 8, 2007.
7. On January 23, 2007, USHUD approved the Educational Program for current and new employees regarding MDHA's duties, responsibilities and procedures under the VCA.
8. Hired a VCA Administrator. By December 31, 2007, 546 current employees had been trained.
9. Submitted a draft Section 504 Needs Assessment to USHUD for approval.
10. In 2006, distributed notices regarding Section 504, ADA and/or Fair Housing Act requirements to MDHA employees, and on January 2007, began the distribution to residents.
11. Reviewed emergency procedures to ensure that the needs of persons with disabilities are addressed.
12. Modifications to make 55 units interiors accessible were undertaken in 2007.

Goal: Improve the quality of assisted housing.

- Ongoing Quality Assurance Review (QAR) program of residents' files to reduce rent and income calculation errors to achieve standardization, consistency and enhance operations as USHUD requirements become more precise.
- Revised the Section 8 New Construction dwelling lease for the eight (8) publicly owned Section 8 New Construction developments managed by the Public Housing Division, effective October 1, 2005, trained staff, distributed it to the Resident Council Presidents and translated it into Spanish and Creole.
- The Department of Human Services (DHS) provides community and supportive Services to MDHA's residents on behalf of the agency. These services include the meals and supportive services at three elderly/disabled sites; self-sufficiency case management; and vacancy reduction assistance for new housing clients.
- Revised the Admission and Continued Occupancy Policy (ACOP) and Section 8 Administrative, effective July 20, 2007, and distributed it to the Resident Council Presidents.

Scott/Carver HOPE VI updates:

- MDHA is in the process of procuring through a Request for Qualifications (RFQ) the services of a developer team for Phase 2.
- Relocation Program: The relocation of families out of the Scott/Carver site was completed on July 3, 2005. Tracking of the families is ongoing through a cooperative arrangement with the Department of Human Services (DHS), and MDHA's newsletters and requests for residents to report changes of address.
- Monthly HOPE VI meetings are held the third Thursday of each month.

MIAMI-DADE HOUSING AGENCY

Statement of Progress in Meeting the 2005-2009 Five-Year Plan Mission and Goals

- Demolition: Demolition of Sector I was completed in August 2004, demolition of Sector IV and Carver Homes were completed in April 2005, and demolition of Sectors II and III was completed on December 2006. Four of the 850 units still remain. Demolition or rehabilitation of these units may occur within the next year, as MDHA continues assessing the best utilization of these units.

Goal: Expand the supply of assisted housing.

- MDHA received funding for 450 Housing Choice Vouchers to assist with relocation of the Scott Homes and Carver Homes families as part of the HOPE VI revitalization plan. MDHA used approximately 261 of its own vouchers for a total of 711 Section 8 vouchers to relocate Scott/Carver residents.
- MDHA received \$2 million in new funding and \$4 million in renewal funding to provide housing for homeless individuals and families with disabilities.
- MDHA has entered into a contract to assist 50 units under the Project-Based Voucher program.
- MDHA entered into a Housing Assistance Payment (HAP) contract for two (2) additional Section 8 Moderate Rehabilitation Single Room Occupancy (SRO) projects for the homeless, for a total of six (6) SRO projects.

Goal: Promote self-sufficiency and asset development for assisted households

- Public Housing Residents purchased 7 homes and Section 8 residents purchased 17 homes throughout MDHA Homeownership programs during Fiscal Year 2006-2007.
- MDHA will continue to identify an entity to establish a Public Housing Resident Orientation program.
- MDHA will continue providing Section 3 business applications on-line, promoting its Section 3 training employment and contracting opportunities and increasing the number of Section 3 employed persons.

Goal: Promote full occupancy of MDHA's Assisted Living Facilities.

- There are 101 units at the Helen Sawyer Assisted Living Facility (ALF), 81 zero bedrooms and 20 one bedrooms. Currently Helen Sawyer ALF is 91% occupied.
- As of April 2006, ALC has screened and determined eligibility for over 97 elderly persons and transferred three (3) existing residents to the Ward Towers ALF. The development is presently 100% occupied.

Goal: Maintain the Family Self-Sufficiency (FSS) program.

- Public Housing FSS Program size had a decrease from 134 to 113 program participants. Twenty-one (21) residents exited the FSS program for completion of the Contract of Participation or non-compliance.
- Section 8 FSS Program size decreased from 290 to 257 program participants.
- As of October 2007, there were approximately 51 Public Housing and 80 Section 8 program participants with an escrow balance.

MIAMI-DADE HOUSING AGENCY

Statement of Progress in Meeting the 2005-2009 Five-Year Plan Mission and Goals

- To improve distribution of the information about the FSS program in an effort to encourage and increase program participation by increasing outreach activities such as: Job Fair, Education Fair and Assistance with resume and interview techniques.
- MDHA requires FSS program participants to communicate with FSS Coordinator's office every quarter.

MIAMI-DADE HOUSING AGENCY**Capacity Statement - Section 8 Homeownership Program**

Miami-Dade Housing Agency (MDHA) possesses the capacity, experience and expertise to successfully formulate and implement a Section 8 Homeownership Program to enable Section 8 participants to purchase a home. MDHA's Section 8 Homeownership Program was approved by the Miami-Dade Board of County Commissioners (BCC) in December 2001 and is currently being administered jointly by the Private Rental Housing Division and the Office of Community and Economic Development (OCED). More than 140 families have purchased homes since the inception of the program.

MDHA has operated Section 8 housing for Miami-Dade County since 1975, administering one of the largest Section 8 programs in the nation. The Section 8 program is comprised of more than 14,000 Housing Choice Vouchers, 2,500 Moderate Rehabilitation project based units, and nearly 1,300 Section 8 Substantial Rehabilitation and New Construction units. Additionally, MDHA administers programs targeted for populations with special needs. The agency administers over 900 units under the Single Room Occupancy (SRO) Section 8 Moderate Rehabilitation Program and Stewart B. McKinney Act Shelter Plus Care Program, targeting assistance to disabled homeless individuals with mental illness, substance abuse, and/or HIV/AIDS.

MIAMI-DADE HOUSING AGENCY**Capacity Statement - Section 8 Project-Based Voucher Program**

During 2002 Miami-Dade Housing Agency (MDHA) accepted proposals for existing developments to participate in the Section 8 Project-Based Program. For family projects, no more than 25% of the development's units will be Project-Based. These units must meet federal housing quality standards (HQS). MDHA estimates that it will make available no more than 20% of its Section 8 allocation for Project-Based assistance.

During fiscal year 2004, MDHA entered into a 10-year housing assistance payment (HAP) contract to provide project-based assistance to 50 units. Additional units may be placed under HAP contract as vouchers become available.

- b. Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

MIAMI-DADE HOUSING AGENCY**Statement of Exemption – Resident Membership of the PHA Governing Board**

Miami-Dade Housing Agency (MDHA) is a department of Miami-Dade County, a unit of general government operating under a home rule charter and governed by a Board of County Commissioners, and is the housing agency in the jurisdiction. MDHA is not a housing authority with a board of directors or similar governing body as contemplated by the federal regulations. See 24 C.F.R. 964.410(b).

MDHA is a housing agency without an appointed governing board and, therefore, qualifies for the *Required Resident Membership on Board of Directors or Similar Governing Body* Final Regulation, based on a legal opinion issued by the County Attorney's office on September 27, 1999.

Component 10 (B): Voluntary Conversion Initial Assessments

- a. How many of the PHA's developments are subject to the Required Initial Assessments? 64
- b. How many of the PHA's developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)? 41
- c. How many Assessments were conducted for the PHA's covered developments? One.
- d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments: None

In 2004 MDHA completed a review of each covered development's operations as public housing, and considered the implications of converting the public housing to tenant-based assistance. The initial review indicated that the Voluntary Conversion of public housing to tenant-based assistance is inappropriate, for the following reasons:

- 1. Conversion would be more expensive than continuing to operate the developments as public housing;
 - 2. Removal of developments would not principally benefit resident of public housing developments; and
 - 3. It would adversely affect the availability of affordable housing in the community
- e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments:

RE: Agency Plan Comments

Dear Mr. LaVoy:

I would like to take this time to share the County's comments on the PHA Plan ("Plan") for Miami-Dade Housing Agency ("MDHA"). They are as follows:

- On page 1 of the Plan, MDHA indicates that it will apply for additional Section 8 Housing Choice Vouchers. Currently, the Agency is under-leased and could see a loss of administrative fees. Adding new units without a plan may place the Agency in a more precarious situation. What is the plan to address this issue?
- On page 2 of the Plan, it reads 'MDHA regulations', perhaps it should state *policies*, as opposed to regulations.
- On page 15 of the Plan, "Statement of Financial Resources", it shows a \$7.5 million deficit in low rent. Please provide the basis of this statement. It appears that the resources listed are fiscal year 2007-08, not fiscal year 2008-09. According to the County's Office of Strategic Business Management (OSBM), they do not have back-up to substantiate the deficit and need further clarification on all resources listed. However, it should be noted that we observed the following changes to the Capital line items:
 - o Operations line item reduced by \$30,000
 - o Management Improvement line item reduced by \$1.220 million
 - o Dwelling Structures line item has been increased by \$2.03 million.

Although we noticed an increase in expenditures on dwelling structures, it is unclear whether or not the Agency is addressing the Voluntary Compliance Agreement (VCA), which requires that five percent of the public housing units meet the Uniform Federal Accessibility Standards (UFAS). Changes in capital expenses show a reduction in resources that could be used for operations and administrative costs. The trade-off is increasing the capital investment in the dwelling units as well as the sites. This is a policy question since the deficit has to be covered and the County is facing a tremendous shortfall County-wide and can not absorb this deficit. With the deficit along with the reduced capital and potential reductions in subsidy, how is the agency factoring in the high level positions at the central office cost center?

- On page 18 of the Plan, where it addresses Admissions Preference, it suggests that the agency will allow transferees, due to under- and over-housed, to have preference over new admissions. It may not be the best management or community relations policy. Perhaps there could be some ratio, such as four new move-in's to one transfer that needs right sizing or something similar.

Page 2

- On page 28 of the Plan, listed are housing programs at the Agency including Section 8 New Construction. These programs have been moved to Miami-Dade County's Office of Community and Economic Development (OCED) and should not be included in the Plan.
- The Plan does not list Victory Homes as a potential demolition/disposition site. It was the County's understanding that this site was considered for GOB funding and development.
- The Table of Organization seems to show the budgeted number of employees for FY 2007-08, which is not the same number that has been proposed for FY 2008-09. This needs to be clarified.
- Attachment **f1005g01** Community Service and Self-Sufficiency has Mark Brown listed as a contact. However, Mr. Brown has not been with the MDHA for at least three years.
- Attachment **f1005j01** Section 8 Homeownership Capacity the first paragraph states that S8 Homeownership is being administered jointly by Private Rental Housing; doesn't say who other partners, i.e. OCED using the Surtax program.
- It is not clear that the Plan will be submitted to the Miami-Dade Board of County Commissioners ("Board") for their review. Although the U.S. Department of Housing and Urban Development ("HUD") may be in temporary possession of MDHA, we strongly believe that some of the policy changes that are being recommended will impact the constituents of the County Commission. Therefore, prior to submitting the Plan to HUD, we recommend that the Plan should be presented to the Board for their consideration and approval.

This represents the collective comments of the County and we request that they be seriously considered and incorporated into the Plan. Also, I request that you continue to keep the County's Executive Office and the County Attorney's Office apprised of any additional changes to the Plan.

Thank you for your consideration in these matters.

Sincerely,

Cynthia W. Curry
Senior Advisor to the County Manager

Re: Comments to PHA Plan for Fiscal Year 2008-2009

To Whom It May Concern:

Legal Services of Greater Miami, Inc. is a private non-profit law firm representing many residents and participants throughout Miami-Dade Housing Agency's various housing programs. We are submitting the following comments based upon our experiences representing our clients who are residents and participants in the Section 8 program and public housing operated by the Miami-Dade Housing Agency.

Section 8 Customer Service

The most serious problem currently facing the Miami-Dade Housing Agency are the problems in the Section 8 Voucher Program. The MDHA Section 8 Voucher Program is currently facing a crisis and the 2008-2009 Annual Plan fails to identify or address the crucial problems.

The Executive Summary of the Plan explains that MDHA has reorganized its Private Rental Housing Division and opened the new Section 8 Customer Service Center. MDHA claims that the Customer Service Center provides services to Section 8 landlords and tenants. Since MDHA abruptly shut down the Section 8 office at Coral Way and opened the Customer Service Center in December 2007, customer service for Section 8 participants and landlords has declined significantly. This is a clear departure from the Goals listed in MDHA's Five Year Plan.

The Customer Service Center is a walk-in office which is open 4 days a week. MDHA directs all Section 8 participants and landlords to "log questions, complaints, and other inquiries" at the Customer Service Center. If Section 8 participants have a problem, they can no longer call the Section 8 office, but rather must visit the Customer Service Center in person. This causes a problem for Section 8 participants with jobs, who are forced to take off work and lose income in order to have a question answered, those participants with young children, and those participants that live far from the Customer Service Center.

These concerns were also raised by the Section 8 Resident Advisory Board in its 2008/20089 Recommendations for the Proposed 2008-2009 PHA Plan (Comments #6 and 7).

Most troubling is the impact the Customer Service Center is having on disabled and elderly voucher holders. Requiring disabled and elderly voucher holders to travel to the Customer Service Center for assistance and failing to provide a reasonable accommodation for the disabled is highly problematic and discriminatory. The Customer Service Center press release issued by MDHA on December 14, 2007, provides no explanation how disabled individuals could obtain "customer service." Requiring Section 8 participants to visit the Customer Service Center to receive assistance likely violates the Voluntary Compliance Agreement between MDHA and US HUD which requires MDHA to provide accessibility for disabled individuals.

Once a voucher holder contacts the Customer Service Center, MDHA employees do not provide any resolution to the participant's problem; instead, the problem is merely documented by the Customer Service Center employee. All Section 8 files are kept in a different location, so the Customer Service Center employee usually does not have the information necessary to provide an answer. Clients frequently tell us that they have visited the Service Center on multiple occasions and are constantly told that an MDHA representative will contact them. Most clients advise us that they never receive a response. Landlords have also complained to our office about similar responses when they visit the Service Center.

Since the opening of the Customer Service Center, Section 8 participants have complained that MDHA has failed to process paperwork once it is left at the Customer Service Center. This includes both rent adjustments and requests for tenancy approval (RFTA). The federal regulations state that the RFTA should be approved within a reasonable time and, to the extent practicable, within fifteen days. See 24 C.F.R. §982.306(b)(2). Unfortunately, MDHA regularly takes 3 or more months to approve a unit, and in some of our cases, MDHA has taken over one year to approve a unit. (See RAB Comment #5). MDHA's failure to timely process paperwork prevents participants from moving into new units or paying too much for rent. MDHA's failure to process paperwork timely leads to evictions and homelessness for Section 8 participants.

Recently, payments to landlords have become a serious problem. Since November 2007, many Section 8 landlords and participants have complained that MDHA has stopped making the Housing Assistance Payments (HAP). This problem is particularly bad for the initial HAP payment after a participant moves into an approved unit. (See RAB Comment #5) While some landlords have been patient and understand MDHA is responsible for the payment problem, many landlords have filed evictions against the innocent Section 8 tenants. The payment problems have been well-documented in the media. Attached is a Miami Herald article from January 2, 2008, and a March 26, 2008, column from the Miami Herald's Action Line which includes four letters from landlords complaining about MDHA's failure to pay the HAP. MDHA's failure to make HAP payments adversely impacts the states goals in the 5 Year Plan to increase customer satisfaction and attract new landlords to the Section 8 program.

MDHA should have identified each of these serious problems in its Annual Plan and MDHA should also address how each of these problems will be resolved. Unfortunately, the Annual Plan makes no

123

Page -3-

reference to the problems that impact Section 8 participants on a daily basis. Without solutions to these problems, MDHA will not meet its 5 Year Plan goals to expand the supply of assisted housing, to improve the quality of assisted housing, to improve voucher management, or increase customer satisfaction.

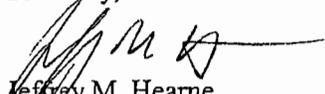

Waiting List

On Page 2 of the Plan, the Executive Summary states that the Miami-Dade Housing Agency's (MDHA) waiting lists will reopen during Fiscal Year 2007-2008. Although the Fiscal Year is not yet completed, as of April 30, 2008, the waiting lists have not yet reopened. The waiting list was last opened in 2005. At that time, our office had serious concerns about the waiting list application process and we encourage MDHA to make changes to the upcoming application process.

In the Statement of Progress in Meeting the 2005-2009 Five Year Plan Mission and Goals, MDHA states that during the 2005 application period, 3,500 applications were rejected for incomplete information. In 2005, MDHA required that housing applicants complete and bubble a form which would be scanned by a machine. Unfortunately, many of the applicants, including the elderly, disabled, and those with limited English skills, had their applications rejected and determined invalid because the areas to be scanned were not properly shaded. Unfortunately, MDHA did not allow the rejected applicants to request an informal review of MDHA's decision. This was improper and denied some applicants from challenging mistaken application denials. See 24 C.F.R, §982.554. For the upcoming application period, we urge MDHA to use a different application form (i.e. do not use an application which requires the applicant to bubble in responses) and to provide denied applicants for housing with an informal review as required by the federal regulations.
