Memorandum

Date: December 2, 2008

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess 
County Manager

Subject: Ordinance amending Sec. 2-8.2.11 of the Code relating to contract authority for
specific water and sewer projects

The ordinance amending Sec. 2-8.2.11 of the Code relating to contract authority for specific water and sewer projects will not have a fiscal impact to Miami-Dade County. The amendment allows the Miami-Dade Water and Sewer Department to move forward on actions involving waiving liquidated damages as a result of rescheduling contract activities or internal milestones provided that neither involves a change in the total contract time or total contract amount. Therefore, saving the time for preparing and acting upon individual ratification items for consideration by the Board as currently required.
