Memorandum

and Members, Board of County Commissioners

Agenda Item No. 10(A)(1)

From: George M. Burgess
County Manager

Resolution No. R-1412-08

Subject: Resolution approving and ratifying the collective bargaining agreement between Miami-Dade County, The Public Health Trust and the Health Care Professionals, SEIU, Local 1991

The attached item is being placed on the Board of County Commissioner's agenda at the request of Mr. Ernesto A. de la Fe, Chairman of the Public Health Trust (the Trust).

In Chairman de la Fe's Trust memorandum, a waiver of Resolution No. R-130-06 which requires that any contracts between the County and third parties be executed and finalized prior to placement on a committee agenda is requested as being in the best interest of the County. The item was accepted by the Executive Committee of the Trust on December 4, 2008 pursuant to the Executive Committee's powers to act during the Board's December hiatus. Chapter 25A-4(c)(4), however, does not permit the Trust to enter into a contract with any labor union without first having obtained the approval of the Board of County Commissioners. I recommend a waiver of the requirements of R-130-06.

Re: Collective Bargaining Agreements

On December 4, 2008, the Executive Committee of the Public Health Trust Board of Trustees voted to approve the 2008 – 2011 Collective Bargaining Agreements with SEIU, Local 1991. In light of the current economic situation facing Miami-Dade County and the State of Florida, we respectfully encourage the Board of County Commissioners to consider these economic issues when determining the Cost of Living Adjustments and Merit Increases for unions throughout the county. As stewards of Miami-Dade County, the Public Health Trust Board of Trustees takes their fiduciary responsibilities extremely seriously. We are concerned with the future of the organization, particularly given the economic conditions that exist nationwide.

Given our strained finances, we have not budgeted for a wage increase in our 2008-2009 operating plan. A 1% Cost of Living Adjustment increase would increase operating losses by approximately \$10 million. Annual step/merit increases are expected to cost the PHT over \$25 million during the next year.

The PHT highly values its employees and fully appreciates their contribution to our recent successes. However, we are very concerned about the long term financial viability of the organization. You may recall that at our last combined PHT/BCC meeting, we informed you that we would attempt to close our operating plan budget for 2008-2009 by improving our operations by \$200 million. In fact, over the last four years, we have had a combined operating improvement plan of more than \$400 million. Given all the improvements we have made we do not expect that we will be able to balance the 2009-2010 budget, and we reported this to you at our combined meeting. Clearly any new expenses will only worsen our current financial status, and likely will lead to reductions in service and staffing. The slowing economy will decrease tax flows to the Trust and increase the number of uninsured we treat, thus further deteriorating our financial status. Only through extreme budgetary austerity will we be able to maintain our services and balance our budget over the next two years.

Thank you for your steadfast commitment to the Trust and we stand ready to assist in any way possible.

of the 2008-2011
Collective Bargaining
Agreement Between

Professionals,
SEIU, Local 1991

RECOMMENDATION

It is recommended that the attached 2008-2011 Collective Bargaining Agreement between Miami-Dade County, the Public Health Trust and the Health Care Professionals, SEIU, Local 1991 be approved by the Board of County Commissioners.

The requirements of Resolution No. R-130-06 requiring that any contracts between the County with third parties be executed and finalized prior to their placement on a committee agenda may be waived by the Board of County Commissioners where the County Manager recommends that it is in the best interests of the County. Chapter 25A-4(c)(4) prohibits the Trust from entering into a contract with any labor union without first having obtained the approval of the Board of County Commissioners. Therefore, it is respectfully recommended that these requirements be waived for this collective bargaining agreement based on the provisions of Chapter 25A-4(c)(4) and the accompanying resolution that requires the Board to first approve and ratify this agreement prior to it being executed by the County and the Trust. Accordingly, this contract will be executed by the parties subsequent to its approval and ratification by the Board.

Section 3. Released Time

- A. With prior approval from the employee's supervisor, time off with pay shall be allowed to the Union representatives assigned to regular shifts to allow for participation in activities described in Articles IV, V, VI, VII, VIII, IX, XVII, XVIII, XIX, and XX of this Agreement. Approval will not be unreasonably withheld.
- B. No employee shall be paid for such time unless regularly scheduled to work at a time when such activities are going on; nor shall schedules be changed to allow paid time for such activities. In unusual circumstances, request for schedule changes may be submitted by Unit representatives for approval by their supervisor or schedule changes may be made by the Employer. However, in order to encourage participation of night-shift employees in the activities detailed in Section A, night-shift employees who spend two (2) hours or more in any day attending such activities shall be given a maximum of two (2) hours off their regular shift with pay.
- C. Up to ten (10) bargaining unit members will be allowed time off with pay for contract negotiations. Up to an additional five (5) bargaining unit members will be allowed time off without pay for contract negotiations. Approval will not be unreasonably withheld. The Union will make every effort to elect employees from various hospital centers.

Section 4. Adjustment of Grievance

It is agreed and understood by both parties that unit representatives designated by the Union may, without loss of pay, process grievances during working hours. An employee representative, before leaving the work area to transact appropriate Union-Employer business during working hours, shall first obtain permission from the appropriate supervisor. When it is necessary to contact an employee in another area, the representative will contact the appropriate supervisor to arrange an appointment with the concerned employee(s). Permission will be granted by either supervisor as a matter of discretion but shall not be unreasonably withheld. The parties recognize that time spent in such activities shall not interfere with patient needs and, if necessary, shall be conducted on the employees' own time.

Every effort will be made by the Employer to allow unit representatives to investigate grievances as rapidly as possible, preferably on the same date as the grievance becomes known, and when possible at least within twenty-four (24) hours.

ARTICLE VII - GRIEVANCE PROCEDURE

Section 1. Resolution of Grievances

In a mutual effort to provide harmonious working relationships between the parties to this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances arising between the parties as to the interpretation or application of the provisions of this Agreement.

It is agreed that every effort will be made by the Union and the Employer to resolve disagreements or disputes informally and promptly prior to the initiation of the formal grievance procedure and at the first step. An employee may be assisted or represented by a representative of the Union at each step of the grievance procedure. Unless the employee requests Union representation, nothing in this section shall prevent the Employer from discussing any incident or circumstance related to any employee without the presence of a Union representative. However, the Employer agrees not to deny representation if it is requested.

Section 2. Definition

A grievance shall be defined as any dispute arising from the interpretation or application of this Agreement, or arising from conditions of employment. A class grievance shall be defined as any dispute which concerns two (2) or more employees within the bargaining unit. Class grievances should name all employees and/or classifications covered in the grievance. Each written grievance, when filed, shall contain a brief statement of the facts of the violation claimed, together with the article of the contract violated and the remedy sought. All grievances shall be processed in accordance with the grievance procedure as set forth in this article.

Section 3. Procedure

A. Step 1

The employee shall file a grievance, in writing, with the individual who possesses the authority to either modify the disciplinary action or to correct the contract violation within ten (10) calendar days of the occurrence or knowledge giving rise to the grievance. This person, or designee, shall meet with the grievant and the Union Representative and shall reply in writing within ten (10) calendar days after receipt of the written grievance.

B. Step 2

If the Union is not satisfied with the reply in Step 1 within ten (10) calendar days thereafter the written grievance shall be presented to this individual's Supervisor. This person, or designee, shall meet with the grievant and the Union Representative and shall reply in writing within ten (10) calendar days after receipt of the written grievance.

C. Step 3

If the Union is not satisfied with the reply in Step 2, within ten (10) calendar days thereafter the written grievance shall be presented to the Senior Vice President of Patient Care Services. This person, or designee, shall meet with the grievant and the Union

Representative and shall reply in writing within ten (10) calendar days after receipt of the written grievance.

- D. Whenever possible, appropriate and unique to one division, the Union will attempt to discuss Union grievances, except those concerning disciplinary action, health and safety or Union rights, with the Division Director or designee before submitting the grievance directly at Step 3 of the grievance procedure.

Section 4. Amended Procedure for Certain Grievances

Grievances concerning disciplinary action, health and safety or Union rights, together with all class grievances, shall be submitted in writing directly at Step 3 of the grievance procedure.

Section 5. Class Grievances

In order to minimize the disruption to patient care in the case of class grievances, no more than two (2) employees per shift, per unit, plus a Union Representative, shall be released from work for grievance meetings.

Section 6. Time Limits

Failure to observe the time limits for submission of any grievance at any step will automatically result in the grievance being considered abandoned. Failure to meet or to respond to a grievance within the prescribed time limit will automatically move the grievance to the next step.

Extensions of time limits shall only be by mutual agreement in writing between the parties to this agreement, except that either party shall be permitted one (1) extension of time per grievance as a matter of right not to exceed fifteen (15) days, providing that the other party is notified in writing of the extension prior to the expiration of the original period.

Section 7. Employee Obligation

The parties acknowledge that, as a principle of interpretation, employees are obligated to work as directed while grievances are pending, except as set forth in Article XXI of this Agreement.

Section 8. Employer Responses

All responses required in Steps 1, 2 and 3, above, as applicable, shall be directed to the aggrieved employee with a copy furnished to the Union. In class grievances, copies will be directed to the Union only. A rejection of a grievance at any step of the procedure must contain a statement of the reasons for the rejection.

Section 9. Exclusions

Any subjects excluded from the arbitration procedure (Article VIII) shall also be excluded from the grievance procedure with the sole exception of reprimands, which shall be grievable but not arbitrable as provided under Article IX, Disciplinary Action, Section 3, Reprimands.

ARTICLE VIII - ARBITRATION

If the Union is not satisfied with the reply in Step 3 of the grievance procedure, the Union shall have ten (10) calendar days after receipt thereof to notify the Employer of intent to submit the grievance to arbitration. Within thirty (30) days following notification to the Employer, the Union

must file a request for arbitration. If the parties cannot agree upon an impartial arbitrator within five (5) days, the parties shall request a list of seven (7) arbitrators from FMCS or AAA. The parties shall each strike from said list, alternately, three (3) names, after determining the first strike by lot, and the remaining name shall be the arbitrator. The arbitrator shall promptly conduct the hearing on the grievance at which both parties shall be permitted to present their evidence and arguments. The decision of the arbitrator shall be rendered in writing no later than thirty (30) days after the conclusion of the hearing, and such decision shall be final and binding.

Each party will pay its own expenses and will share equally in expenses incurred mutually in arbitration.

Employees required to testify will be made available without loss of pay; however, whenever possible, they shall be placed on call to minimize time lost from work and, unless directly required to assist the principal Union Representative in the presentation of the case, they shall return to work upon completion of their testimony. The intent of the parties is to minimize time lost from work and disruption of patient care.

The arbitrator shall limit his opinion to the interpretation or application of this Agreement and shall have no power to amend, modify, nullify, ignore or add to the provisions of this Agreement.

Grievances, as defined, may be submitted regarding the matters contained in the Agreement or arising from conditions of employment.

Reprimands and determinations under Article XIV (Employment Practices), Section 4 (Classification Appeal), and Section 15, B, C, D (Job Specification Language) are not arbitrable.

ARTICLE IX - DISCIPLINARY ACTION

Section 1. Just Cause

Any employee shall not be discharged, disciplined or demoted except for just cause. The Employer will follow progressive disciplinary procedures, whenever appropriate, and in all instances will have the burden of proving just cause for disciplinary action taken.

Section 2. Procedure

- A. Whenever it is alleged that an employee has violated any law, rule, regulation, or policy, that employee shall be notified in accordance with Section 2. E. of this article, and informed of the law, rule, regulation, or policy allegedly violated. The Employer shall initiate an investigation prior to notification to the employee of a pending disciplinary action. The Employer shall conduct the necessary investigation to include full consideration of any documentation submitted by the employee prior to making a final decision. In specifying charges, the Employer will be guided, in part, by the Code of Ethics for the affected job classification.
- B. The Employer agrees to inform the employee and the Union of their right to representation in the disciplinary process. The Employer will give the employee at least 48 hours written notice providing date, time and place that a disciplinary/counseling session is scheduled. This notice will include the law, rule, regulation, or policy allegedly violated and nature of the alleged violation.
- C. Final disciplinary action determinations will not be rendered until the completion of the presentation and rebuttal meetings where the Employer and the employee together with the

Representative, through use of evidence, documents and witnesses, have the opportunity to present their respective cases. Rebuttal meetings must be scheduled within fourteen (14) calendar days unless mutually agreed between the parties. The Employer shall have fourteen (14) calendar days to render a decision following the rebuttal presentation unless time is extended by mutual Agreement. The Union and the employee shall receive a copy of the rebuttal response.

- D. The Employer agrees that all disciplinary actions (dismissals, suspensions, demotions) except reprimands will be appealable by the employee to a hearing examiner as provided in the Miami-Dade County Code and the Personnel Rules of the PHT or, at the option of the Union and the employee, to the Grievance and Arbitration procedures provided in Articles VII and VIII of this Agreement. The employee shall be notified in writing of both appeal procedures by name and contract article.
- E. Notices of disciplinary action, Records of Counselings and documented verbal counseling shall be given on a timely basis and insofar as practicable within twenty-one (21) days after the Employer discovers the facts requiring the notice, except where good cause for delay is shown. Forty-eight (48) hour written notice is not required for documented verbal counseling. Good cause shall include, but not limited to, the pendency of outside criminal, administrative or other proceedings.
- F. Any disciplinary action currently in an employee file, which is overturned, shall be stamped invalid.

Section 3. Reprimands

Reprimands shall be appealable by the employee to the grievance procedure up to and including Step 3, but shall not be further appealable to either an Arbitrator or to a County Hearing Examiner Officer. Within thirty (30) days of the receipt of the Employer's reply to such a grievance at any step of the grievance procedure, the employee and/or the Union shall have the right to file a written response to the Written Reprimand and have said response inserted in the employee's personnel folder.

Written Reprimands and Records of Counseling, together with any reference to such reprimands or Records of Counselings excluding performance evaluations, shall cease to be of any force or effect after a two (2) year period from receipt of the Record of Counseling or Written Reprimand in which the employee has received no further disciplinary actions or Records of Counseling. At the employee's specific written request, these shall be promptly stamped in the employee's personnel file as no longer in effect.

Section 4. Hearing Pursuant to the Hearing Examiner System

- A. The employee subjected to the disciplinary process shall be informed in writing of the charges. The employee or the employee's representative shall have the right to confront and question all witnesses under oath. The right of discovery and procedural rights in accordance with the Florida Rules of Civil Procedure shall be provided to the employee.
- B. All disciplinary actions including demotions, suspensions, and dismissals of permanent employees, but excluding reprimands shall be appealable to a hearing examiner, in accordance with the applicable section(s) of the Miami-Dade County Code (Section 2-47). This section shall not apply to the termination of a nonpermanent or probationary employee or to the demotion of permanent employees who fail to complete the promotional probationary period to the satisfaction of the department for other than disciplinary reasons.

- C. The decision of a hearing examiner shall include a finding of facts, conclusions to sustain the decision and may include recommendations, a copy of which shall be immediately provided to the employee and to the Union.
- D. The above referenced Code provisions providing for a disciplinary appeal process are to be read to include the following procedural guarantees:
 - 1. The Employer shall continue to abide by the previously agreed to and published Hearing Examiner Procedure Manual.
 - 2. The PHT Labor Relations Manager shall be responsible for initiating the selection of the hearing examiner on each appeal and setting the date, time and place for the hearing upon consultation with the parties involved. There shall be no ex parte communication between the participants of the hearing and the examiner.
 - 3. The parties to the hearing shall not initiate ex parte communications with the President of the PHT for the purpose of influencing the final appeal decision. This decision shall be based solely on the hearing record.

Section 5. Grievance Procedure

- A. The Union will have the option on behalf of a permanent status bargaining unit employee, to appeal disciplinary actions resulting in dismissals, suspensions or demotions of permanent employees through the grievance and arbitration procedure contained in Article VII and VIII of this Agreement. The Union shall notify the Office of Labor Relations in writing no later than fourteen (14) calendar days from the employee's receipt of the final disciplinary action determination of its decision on whether to exercise the option of appealing through the grievance and arbitration procedure or request an appeal in accordance with Section 2-47 of the Code of Miami-Dade County. The Union's choice between the grievance and arbitration procedure or the Code provision under Section 2-47, once made, shall not be subject to change.
- B. In the case where the Union chooses not to select the grievance and arbitration procedure for disciplinary actions resulting in dismissals, suspensions or demotions of permanent employees, then the disciplinary appeal provisions under Section 2-47 of the Code of Miami-Dade County shall prevail and be utilized if a timely appeal is requested. In the event the Union selects the option to appeal disciplinary actions resulting in dismissals, suspensions or demotions of permanent employees under the grievance and arbitration procedure then the provisions of Section 2-47 of the Code will not be applicable.

ARTICLE X - HOURS OF WORK AND OVERTIME

Section 1. Hourly Employees

The standard work week shall consist of forty (40) hours. Each standard work day shall be eight and one-half (8½) hours and contain an unpaid one-half (½) hour break for meal time, which under normal circumstances will be uninterrupted.

Employees who are assigned to work ten and one-half (10½) hour shifts shall be paid overtime based on a forty (40) hour week. One (1) unpaid meal break of one-half (½) hour will be part of each shift. Every effort will be made to provide two fifteen (15) minute paid rest periods within each scheduled shift.

Employees who are assigned to work twelve and a half (12 ½) hour shifts shall be paid overtime based on a forty (40) hour week. Two (2) unpaid meal breaks of one-half (½) hour each will be part of each shift. Every effort will be made to provide three fifteen (15) minute paid rest periods within each scheduled shift. No individual working twelve and one-half (12½) hour shifts will normally be scheduled for more than three (3) consecutive days on duty or more than seven (7) days on duty within a period of fourteen (14) consecutive days.

Section 2. Overtime

- A. It shall not be the general policy of the Employer to require employees to work frequent or consistent overtime. However, when non-job basis employees are required to work approved overtime, in addition to their regular hours, they shall be compensated.
- B. In any situation requiring overtime, volunteers (in the same job classification as the overtime assigned) will be sought before the overtime is offered to other employees. In the event that sufficient volunteers are not obtained, overtime will be assigned on a rotational basis, beginning with the least senior. The Employer shall make every effort to avoid the assignment of mandatory overtime and shall only do so when necessary to meet the immediate needs of the unit. Recurring short staffing shall not be considered as grounds for mandatory overtime.
- C. The rate of time and one-half the normal rate of pay shall be paid for all work authorized to be performed in excess of the normal workday. All work authorized to be performed in excess of the normal work week shall be paid at the rate of time and one-half of the normal rate of pay provided that overtime hours worked shall not be included in determining the normal work week.
- D. For purposes of interpretation, all hours in pay status shall be considered hours worked except for unplanned absences. However, employees covered by the bargaining unit may receive overtime payment for hours worked in excess of any forty (40) hour work week which includes one (1) planned absence taken within any week (the exception being Thanksgiving week when two (2) planned absences may be taken).
- E. An employee shall not have the regular work schedule changed solely to avoid payment of overtime. This Article is intended to be construed only on the basis of overtime and shall not be construed as a guarantee of work per day or per week.
- F. Except when demonstrated to be more expensive, overtime will be offered before any agency or pool employees are utilized.

Section 3. Work Week

The work week shall begin on a Sunday and end on a Saturday.

Section 4. Time Schedules

Every effort shall be made to post time schedules four (4) weeks immediately preceding their effective date. Established schedules may be amended at any time by mutual agreement of the employees involved with the consent of the appropriate supervisor.

Section 5. Hours of Work and Overtime

- A. Employees working five (5) days per week schedule will not be scheduled for more than six (6) consecutive days without prior consent of the employee. Employees working

compressed schedules will not be scheduled for more than three (3) consecutive days without prior consent of the employee.

- B. The Employer will make every possible effort to provide employees with one or more years of employment every other or two weekends off per time sheet schedule. Weekends are defined as Saturdays and Sundays for day and evening shift and as Friday and Saturday nights for night shift employees. To meet this provision and to cover weekends normally worked during vacations, periods of illness, other unavoidable absences and to cover unfilled positions, the Employer will make every effort to utilize flexible alternatives, such as: seek volunteers for overtime, utilize modified weekend schedule, utilize combination shifts (e.g. 2-8's, 2-12's), part-time, per diem and pool employees. If staffing standards cannot be met through the use of volunteers, the Employer may assign extra weekend work on a rotating basis. If any employee does not desire every other weekend off or desires set days each week, the employee should make this request in writing to the person responsible for the time schedule. While every possible effort will be made to adhere to paragraphs A and B, it is understood and agreed that patient care needs will be the paramount consideration in work scheduling.
- C. No employee shall be denied vacation because such time begins, ends or includes a weekend(s) on which he/she is scheduled to work.
- D. No employee shall be required to make up a weekend, which occurred during an approved vacation or leave.

Section 6. Job Basis Employees

All "job basis" positions shall be as currently designated in the PHT Pay Plan. Employees serving in these positions are required to work such hours as may be necessary to accomplish the required work as determined by the Department.

The normal number of work hours will be forty (40) per week; however, if more than forty (40) hours of work in a week is required, overtime compensation provisions shall not apply.

Job basis employees who are directed to and work in excess of their normal work schedule will be granted Administrative Leave by the Department, in accordance with provisions of the Leave Manual.

It is the PHT policy to allow Department managers to grant appropriate Administrative Leave to job basis employees in recognition of extraordinary work efforts or extended work hours in accordance with the provisions of the County and PHT Leave Manuals. Department managers are encouraged to ensure the equitable award of Administrative Leave to job basis employees whenever warranted and in conjunction with PHT policy on working hours for job basis employees.

The Trust and Union will continue to discuss this provision in applicable Department Labor Management Committees.

Section 7. Alternative Schedules

At the request of the employees, units will have flexibility to adopt different work schedules according to their needs and demands with the approval of the Director/Administrator in consultation with Employee/Labor Relations and notification to the Union as provided under Article V, Section 2.

Any employee who has researched different systems of scheduling should present the system to the Employee Management Consultation Committee.

If an alternative scheduling system has been in effect on a unit in excess of twelve (12) months, the Employer will notify the Union of any pending change as provided under Article V, Section 2.

No change will be instituted to the alternate schedule for at least six (6) weeks unless an emergency situation exists.

Section 8. Rotating Shifts

Where rotating shifts are required, those responsible for making work schedules will assign shift rotation on an equitable basis. Individual requests for evening and night shift assignment may continue to be approved.

Every effort will be made to refrain from rotating employees to evening or night shift immediately preceding their weekend off.

Section 9. Consecutive Shifts

No employee will be scheduled for more than two (2) different shifts in any one (1) work week unless the employee gives consent.

Employees will not be required to work consecutive shifts except in emergency conditions. There will normally be at least a minimum of an eleven and one-half (11½) hour break between work shifts except in emergency circumstances. For purposes of this section only, staffing deficiencies which cannot be reasonably anticipated by the Employer shall be considered as emergency circumstances.

Section 10. Flexible Hours for Higher Degree Education

The Employer will make every effort to schedule employees working toward a higher degree in accordance with requests made in order for the employee to attend classes. Requests for leave will be granted based on the date of request.

Section 11. Public Holidays

Employees assigned to services/departments that are closed on public holidays shall have the option either to take the day of the holiday off, or to work in their own/other areas of the bargaining unit if such work is available and/or needed to be completed, as approved by the supervisor.

ARTICLE XI - SALARIES

The Employer shall make a good faith effort to include relevant data such as: accrued leave time and itemized deductions on each pay statement.

- A. Pay day shall be every other Friday. Paychecks may be picked up in division offices as soon as available. Every effort will be made to make such checks available to those employees on the 3:00 p.m. - 11:30 p.m. and 11:00 p.m. - 7:30 a.m. shifts after 9:30 p.m. on Thursday and prior to the end of their shift.

Advancement to the first longevity step shall be made immediately upon completion of five (5) years service at the maximum rate of the salary range. Such advancement will be moved to the first pay step beyond the maximum step of the range.

Advancement to the second longevity step shall be made immediately upon completion of five (5) years at the first longevity step of the salary range. Such advancement will be the next step beyond the first longevity pay step.

- B. Employees in this Unit are also eligible for the "Special Recognition Increase" program under the provisions established by the Employer for such a program.
- C. Part-time employees are eligible for step increases based on 2080 hours worked and satisfactory performance evaluations (that is, evaluations which meet standards).
- D. A change in classification status does not alter an employee's anniversary date for purpose of accrual of leave benefits. An employee who is promoted will have his/her anniversary date changed to the date of promotion for purposes of receiving annual step increases in the new classification, except that an employee who is promoted within thirty (30) days of his/her step increase anniversary date will receive both his/her step increase and then promotional increase.

Section 5. Shift Differential

The Employer agrees to pay a shift differential on the night shift (11:00 p.m. - 7:30 a.m.) and on the evening shift (3:00 p.m. - 11:30 p.m.). The Union shall receive a copy of the current job specification and the proposed job specification.
- C. Upon notification, the Union may request to meet and negotiate over the impact of such changes on unit employees as provided in Article V, Section 2.
- D. Proposed changes shall be publicized among employees.

It is understood by the parties that the duties enumerated in job specifications are not always specifically described and are to be construed liberally.

It is understood by the parties that the duties to be added in the proposed change in the job specification shall bear a reasonable relationship to the duties and responsibilities currently contained therein. Changes proposed by the Employer other than the addition of new duties, shall be reasonable under the circumstances. The Union may make proposals to the director of Human Resources. The decision of the director of Human Resources shall be final, subject to review by the President of the PHT.

Section 16. Rubella and Hepatitis-B Vaccine

Rubella and Hepatitis-B vaccine will be offered to all employees as part of pre-employment physical as well as to those employees currently employed. Appropriate titers will be drawn as necessary.

Section 17. Injuries, Rehabilitation and Reorientation

- A. Consistent with PHT and County policies, if an employee is injured while on duty, the Employer will make every effort to assist the employee in making application for worker's compensation. In the event the injury is of a nature which will inhibit his/her ability to perform his/her duties, the Employer will make every effort to rehabilitate and reorient the employee to perform duties of a different nature.
- B. Eligible bargaining unit employees shall be entitled to eighty percent (80%) short term disability leave benefits in accordance with coverage provided under the Miami-Dade County Code (Section 2-56.27.1).

Section 18. Child Care/Elderly Care

The parties agree that the provisions of quality, non-profit care facilities on site can have a beneficial impact on employee morale, absenteeism and turnover. Therefore, it is agreed that, if either party requests it during the six months prior to the expiration of this Agreement, the parties

shall establish a joint Care Committee to study the feasibility of on-site care centers, including their costs and the degree of employee interest. The Committee shall present its findings and any recommendations to both parties at least sixty (60) days prior to the expiration of this Agreement.

Section 19. Scope of Practice

It is agreed that, except in emergency situations, employees will not be expected to routinely perform duties outside the general scope of their clinical practice. Consistent short staffing, whether of Professionals or of support personnel, shall not be considered as emergency situations. The Employer agrees to make a good faith effort to minimize non-clinical duties and to identify and reduce such duties.

Section 20. Clinical Social Worker Licensure Exam

Effective upon ratification, the PHT agrees to pay the cost of the Clinical Social Worker Licensure Exam and pre-exam registration upon successfully passing the exam.

ARTICLE XV- VACANCIES, TRANSFERS, REASSIGNMENTS, UNIT MERGERS AND FILLING VACANCIES

Section 1. Shift Transfers, Posting and Filling of Vacancies and Reassignments.

- A. Shift Transfers. Recognizing that access to preferred shifts by employees can make an important contribution to employee morale and retention, the parties agree that all available shifts shall be made available to employees within the unit by unit seniority.
- B. Posting of Vacancies. All unit available vacancies shall be posted in the unit and concurrently throughout all PHT facilities. If employees under paragraph A do not express interest in the vacancy within the first fourteen (14) days of posting, the vacancy shall continue to be posted on bulletin boards located throughout PHT facilities until a job offer is made by recruitment services. With written notice to the Union, the Employer may offer employment to an employee prior to the end of the fourteen (14) day posting period, provided that:
 - 1. More than one (1) vacancy exists in the unit.
 - 2. Priority for shift selection under A above is maintained.

Recruitment Services is responsible for posting all vacancies for which a personnel requisition has been submitted.

- C. Filling of Vacancies. During this posting period, current employees with the necessary qualifications will be given preference over outside applicants. When skill, competency and ability are considered substantially equal in the judgment of the Employer, seniority shall be the deciding consideration in filling vacancies. All employees who apply for a posted vacancy shall be advised of the vacancy status as soon as practical. An employee's current salary will not be a determining factor when considering employees for transfer.
- D. There will be no less than two (2) nor more than three (3) weeks notice to the department from which an employee is transferred. In the event that the position being vacated is critical to the operation of the unit, the employee may be retained until such time as the employee is replaced, but for no more than sixty (60) days. However, for pay purposes, transfers will be effective at the beginning of the pay period following acceptance.

- E. An employee returning to a previous permanent-status classification within one (1) month will be transferred to the employee's previous position and department unless the position has been abolished or has been filled by another employee with permanent status in the classification for that position. In the event the former position is not available, the returning employee will be offered a vacant position in that classification or will replace a probationary/trial employee in that classification.
- F. If it becomes necessary to reduce FTE's in a unit, the hospital will first seek volunteers in a unit. If there is an insufficient number of volunteers, affected employees will be reassigned in inverse order of hospital-wide seniority in the classification, consistent with the reassignment procedure in Appendix D, Reassignment Procedure.

Section 2. Unit Mergers

When one or more units are merged, the following procedure will be utilized:

- (A) The unit seniority of all affected employees shall be maintained and merged into one new unit seniority list. Any shift selections or vacation scheduling in accordance with the Collective Bargaining Agreement will be based upon this merged seniority.
- (B) In the event that a unit merger necessitates the elimination of any positions, the reassignment procedure will be followed and, unless there are volunteers, the employee with the least hospital-wide seniority in the affected classification of the new merged unit will be reassigned and/or offered the opportunity to voluntarily demote.

ARTICLE XVI - ORIENTATION AND CROSS-TRAINING

For purposes of administering the parties' orientation and cross-training programs, the term "new employee orientation" shall mean the instruction provided to new employees upon hiring, "incumbent orientation" shall mean an instruction program of twenty-four (24) hours or less, and the term "cross-training" shall mean an instruction program of more than twenty-four (24) hours.

Section 1. Orientation

- A. The Employer agrees to continue the new employee orientation program for employees upon initial hire. An employee shall not be expected to work in an area of practice to which the employee has not been oriented/cross-trained except in emergency circumstances.
- B. An employee who is new to a unit but not to the Hospital will receive orientation to that unit and to the employee's job responsibilities within it. If an employee is expected to work in more than one unit, the employee will be appropriately oriented to each unit.
- C. An incumbent employee's orientation for a new unit may be extended up to thirty-six (36) hours if the employee has not yet completed instruction on all of the items on an orientation checklist.
- D. No employee shall be required to take more than two (2) "incumbent orientations" during any twelve (12) month period without entering a formal cross-training program.

- E. Orientation shall be offered and floating distributed on a non-discriminatory basis.

Section 2. Cross-training

- A. When an employee is cross-trained, an initial assessment of competence will be done and an organized, documented training program, using tools such as checklists, will be provided in order to ensure the safe delivery of quality patient care. The employee and the person responsible for the cross-training shall mutually acknowledge in writing when the cross-training has been successfully completed. Attainment and maintenance of necessary skills and competency needed to practice in the intended unit will be documented.
- B. When cross-training programs are available or necessary, the employer will first seek volunteers. Selection from volunteers shall be made by seniority. If there are insufficient volunteers to meet departmental needs, employees shall be assigned in inverse order of seniority. Volunteers must meet licensure requirements of the position. The Employer agrees to make cross-training programs and opportunities available to employees in the same classification and same department on an equitable basis.

ARTICLE XVII - LAYOFFS, RECALL AND REEMPLOYMENT RIGHTS

Section 1. Procedure

- A. Layoff, defined, is the separation of an employee for lack of work or funds as determined by the Employer; or due to the reductions in or the contracting out of services, without fault or delinquency on the employee's part.

In the event of a layoff, employees will be laid-off and recalled in accordance with the procedures established herein.

- B. The procedure will apply to full and regular part-time bargaining unit employees in the statuses of permanent, substitute, and probationary. Exempt employees shall be covered by this procedure. Seniority points will be calculated for each affected employee. In calculating seniority points one (1) point will be assigned for each month of full-time service, one-half (0.5) point will be assigned for each month of part-time service. Points for months of service are simply totaled with the final number being the retention score.

All time spent on military leave of absence will be included in calculating seniority points. Seniority credit will be given to an employee who has volunteered for military service during peacetime (not eligible for military leave of absence), provided the employee is re-employed within ninety days of release from military service. Seniority credit will be given for the service time prior to and during the military service.

Qualified veterans will receive veterans' preference points equal to 5% of the highest seniority score. These points are added to the veteran's seniority score.

- C. The Employer will make every effort to give sixty (60) days notice to the Union of any decision to layoff unit members. No less than 21 days written notice will be given to bargaining unit members who were laid off or demoted. A copy of such notice will be simultaneously sent to the Union.

- D. Layoffs will be done in inverse order of seniority by classification. Employees in the statuses of temporary relief and on-call pool will be terminated prior to any full-time or regular part-time employee in the bargaining unit being impacted by lay-off.
- E. Full-time employees will automatically bump into any classification in which they previously held permanent status. Employees in grant funded positions will only be eligible to bump in their same area of discipline within their same grant area. However, this does not affect the right of an employee to otherwise bump into any position and/or classification in which they held permanent status.
- F. During the twenty-one (21) day notice period, employees who have been bumped shall be given five (5) calendar days to select by hospital-wide seniority a reassignment to a vacant position in their discipline. The Union will be responsible for facilitating this process.
- G. Part-time employees can only bump within their classification within their specific discipline. It is understood that in a layoff, part-time employees may be required to move to full-time status in order to exercise bumping rights. Reasonable efforts will be made to ensure that part-time employees may continue in part-time status. Full-time employees shall not be required to accept part-time positions.
- H. All time served in the higher classification will be credited as time served in lower classifications within their specific discipline. Bargaining unit employees who previously held permanent status in classifications outside of this bargaining unit will be subject to the applicable layoff procedures of the classification to which they are displaced.
- I. For purposes of layoff only:
 - 1. Time served as a I will count towards time as a II in the specific discipline. Time served in these classifications in pool status will not be considered.
 - 2. No bargaining unit employee shall be laid-off in lieu of maintaining a full-time equivalent traveler, agency or pool employee in the specific discipline. Following a lay-off, pool and agency employees may be used during the necessary transition time specifically to cover for orientation and cross-training that may be required as a result of lay-off.
- J. Employees who have been displaced will be given priority consideration for other opportunities in their specific discipline.
- K. The County and PHT agree that County employees cannot bump bargaining unit employees working for the PHT nor can PHT Bargaining Unit employees bump County Bargaining Unit employees.

Section 2.

Recall

- A. Employees will be recalled in inverse order of layoff. Employees that have been laid-off will have recall rights to vacancies in their previously held position for a period of two (2) years from the date of layoff.
- B. The Union will be notified of all employees on recall lists and vacancies, as offered and accepted.

ARTICLE XVIII - CONTRACTING OUT

If the PHT solicits bids or proposals from the public to contract out services currently being performed by members of the bargaining unit, the PHT will notify the union. Notice of the solicitation will be provided as soon as practicable but in no event later than members of the general public are notified. If the County Commission solicits bids or proposals from the public to contract out services currently being performed by members of the bargaining unit, the PHT will provide the Union with notice as soon as it receives notice of the County Commission's solicitation.

Upon request by the Union, the PHT shall make available for inspection any and all documents publicly available relating to the services contemplated for contracting out, prior to action being taken by the Employer to accomplish the contracting out.

ARTICLE XIX - GROUP INSURANCE

- A. The County's and PHT's contribution for group health insurance shall not exceed the amount it contributes toward single employee coverage and no contribution shall be made for dependent coverage.
- B. The parties agree that bargaining unit employees will be offered the opportunity to become members of a qualified Health Maintenance Organization pursuant to law and in accordance with all rules, regulations, and procedures pertaining thereto prescribed by the Employer and the qualified Health Maintenance Organization.
- C. The parties agree that bargaining unit employees will be offered the opportunity to participate pursuant to law and in accordance with all rules, regulations, and procedures pertaining thereto prescribed by the Employer and the Internal Revenue Code.
 - 1. The PHT will provide a \$10.00 biweekly contribution to the Flexible Benefits Plan to employees enrolled in the JMH Health Plan HMO.
 - 2. The County/PHT will continue to provide an annual \$1,000 contribution to the Flexible Benefits Plan paid in biweekly increments for County/PHT employees eligible for group health insurance or the Flexible Benefits Plan.
 - 3. All employees enrolled in the County/PHT's Point of Service/Managed Health Care Group Insurance Plan shall be required to pay three percent (3%) of the cost of single coverage of this plan.
- D. The Union will have the option, in accordance with the specific terms and conditions contained in Appendix C which is attached hereto and made a part hereof by reference, to offer bargaining unit employees a Union-sponsored health insurance plan.

ARTICLE XX - EMPLOYEE REPRESENTATION ON COMMITTEES

- A. The parties are jointly committed to the principle of employee participation in all standing and special committees which discuss and recommend action which affects delivery of quality care or the conditions under which employees work.
- B. To this end, bargaining unit employees will be included as full members of all such committees. The number of employees irregardless of the bargaining unit of the employee included on any particular committee, where not separately specified elsewhere in this Agreement, shall be my mutual agreement between the parties.

C. The selection of the individual employees to serve on each committee shall in all cases be at the discretion of the Union, which shall inform the Employer in writing of the names selected. Whenever more than one (1) employee is to be included on a committee and the committee composition is not separately specified elsewhere in this Agreement, the Union will endeavor to select committee employees who are interested in the work of the Committee from different areas, shifts, etc. of the bargaining unit.

If an employee believes a task or area is hazardous or unsafe she will inform her immediate supervisor. If the employee and supervisor do not agree, the employee will have direct access to the Management personnel on that shift who has been designated by the Employer to resolve possible imminent danger hazards. The decision of this designated Management personnel shall be final. Every reasonable effort will be made to remedy such conditions as soon as possible.

The Employer and the Union recognize that employee substance and alcohol abuse can have an adverse impact on Miami-Dade County government, the PHT's operations, the image of employees and the general health, welfare and safety of the employees, and the general public.

The Employer shall have authority to require employees to submit to toxicology and alcohol testing designed to detect the presence of any controlled substance, narcotic drug, or alcohol. The Trust agrees that requiring employees to submit to testing of this nature shall be limited to circumstances that indicate reasonable grounds to suspect that the employee is under the influence of such substances, suffers from substances or alcohol abuse, or is in violation of the Personnel Rules or Departmental Rules and Regulations regarding the use of such substances. Employees reasonably believed to suffer from substance abuse may be referred, at the department's discretion, to the Employee Assistance Program. An employee who voluntarily seeks assistance for substance abuse may not be disciplined for seeking assistance. However, voluntary participation in a substance abuse program shall not preclude discipline for the employee should job performance or employee conduct issues arise.

It is further understood by the parties that the aforementioned authority to require that employees submit to such testing be approved by a division director, or higher authority within the department to ensure proper compliance with the terms of this article. An employee, who is to be tested in accordance with the provisions of this article, will be permitted to make a phone call to the Union. This phone call shall not prevent, inhibit, or unreasonably delay the testing of such employee.

The results of such test or the employees' refusal to submit to toxicology or alcohol testing as provided for in this article, can result in appropriate disciplinary action in accordance with the applicable provision of the County Code, the Personnel Rules, Departmental Rules and Regulations and this Collective Bargaining Agreement.

The parties agree that toxicology and alcohol testing are an acceptable part of regularly scheduled Employer required physical examinations.

ARTICLE XXIV - PHYSICAL AND PSYCHOLOGICAL IMPAIRMENTS

A department director or their authorized representative(s) shall have the authority to require employees that have been determined, through reasonable suspicion, by the Department to possibly suffer from a physical, psychological or psychiatric impairment which may prevent the employee from satisfactorily performing the complete duties and responsibilities of his/her position, to submit to a physical, medical, psychological, or psychiatric examination deemed necessary for purposes of determining the employee's fitness to perform the complete duties and responsibilities of his/her position.

Such examinations will be performed by a physician approved and appointed by the Employer. The results of such examination(s) shall be promptly furnished to the concerned department director or their authorized representative. The results of the applicable information submitted by the examining physician to the Employer should be limited to information that is pertinent to the issues of the employee's ability to perform the duties and responsibilities of his/her position.

Based upon the results of such examinations, and other relevant information, the department director may place the employee on either paid or unpaid compulsory leave in accordance with the provision of the Leave Manual until such time as the department is satisfied that the employee can return to work. The department may require the employee or attending physician to furnish additional pertinent medical reports or information deemed necessary while the employee is on compulsory leave. The period of compulsory leave shall not exceed one (1) year. Should the condition be corrected and so certified by the attending physician or psychologist, the employee may petition the Department for reinstatement. If the employee's petition for reinstatement is denied by the department, disciplinary action must be initiated by the department in accordance with the Personnel Rules. Nothing in the provision of this article shall prevent the concerned department from administering appropriate disciplinary action in accordance with the Personnel Rules and this Collective Bargaining Agreement.

ARTICLE XXV - ASSIGNABILITY OF CONTRACT

The provisions of this Agreement shall be binding upon the parties hereto and upon their successors and assigns for the full term of this Agreement. The parties agree that the terms and obligations herein contained shall not be affected, modified, altered or changed in any respect by the transfer or assignment by the Employer of any or all of its property, control, ownership or management or by any change in the legal status of the Employer or any part thereof.

ARTICLE XXVI - MISCELLANEOUS

Should any part of this Agreement or any portion herein contained be rendered illegal, legally invalid or unenforceable by a Court of competent jurisdiction, or by the decision of any authorized governmental agency, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portion thereof. In the event of such occurrence, the parties agree to meet immediately, and, if possible, to negotiate substitute provisions for such parts or portions

rendered or declared illegal or invalid. The remaining parts and provisions of this agreement shall remain in full force and effect.

ARTICLE XXVII - STRIKES AND LOCKOUTS

There will be no strikes, work stoppages, picket lines, slowdowns or concerted failure or refusal to perform assigned work by the employees or the Union and there will be no lockouts by the Employer for the duration of this Agreement. The Union guarantees to support the Employer fully in maintaining operations in every way.

Any employee who participates in or promotes a strike, work stoppage, picket line, slowdown, or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the Employer.

It is recognized by the parties that the Employer and the Union are responsible for and engaged in activities which are the basis of the health and welfare of our citizens and that any violation of this section would give rise to irreparable damage to the Employer and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this section the Employer shall be entitled to seek and obtain immediate injunctive relief. However, it is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this section if it can show that the Union did not instigate, authorize, condone, sanction or ratify such action, and further, that the Union has used every reasonable means to prevent or terminate such action.

ARTICLE XXVIII TERM OF AGREEMENT

- A. The collective bargaining agreement between the PHT, Miami Dade County and Local 1991, Service Employees International Union, shall be effective October 1, 2008 and continue to September 30, 2011.

The purpose of this reopener is to be able to address changes in the business processes used to perform certain personnel and payroll transactions, in order to adapt to the functional requirements of the new HR system.

SEIU has the right to reopen this Agreement to discuss issues related to personal leave/vacation cashout, Article XII, Section 1H upon implementation of information technology changes.

Such reopener shall be subject to mechanisms of Chapter 447, including impasse procedures.

APPENDIX B

REASSIGNMENT PROCEDURE

If it becomes necessary to reduce the FTE's in a unit, the hospital will first seek volunteers in the unit. If there is an insufficient number of volunteers, affected employees will be reassigned in inverse order of hospital-wide seniority in the classification, consistent with the reassignment procedure identified below:

- 1) Meeting dates will be scheduled with the Sr. Vice President, Patient Care Services, the Department Director, Labor Relations and the Union to discuss the reassignment.
- 2) Appropriate available positions on the affected list will be frozen.
- 3) The Employer will notify the Union, in writing, of the affected unit(s); the affected employees by name, hospital-wide seniority date by classification; the appropriate available positions in the affected classification and, the effective date of reassignment.
- 4) The number of volunteers, in the affected classification(s), accepted from each affected unit(s) will not exceed the number of FTE's being reassigned from that unit. Volunteers from the affected unit(s) will be accepted on a hospital-wide seniority basis in the classification(s), providing licensure requirements for the position are met.

APPENDIX C

UNION-SPONSORED INSURANCE PLAN

Local 1991, Service Employees International Union (SEIU), hereinafter referred to as the Union, the Public Health Trust herein after referred to as the Employer, agree that the Union shall have the right to offer employees in the SEIU bargaining unit an optional alternative health insurance plan beginning in January, under the following conditions:

1. Schedule

The offering of any Union-sponsored plan will be made in accordance with the following schedule:

The Employer will provide to the Union a statement specifying the Employer's average cost for health insurance for employees in the bargaining unit, based on the formula:

- $$\frac{\text{Total Projected Cost of Insurance Paid by the Employer on Behalf of Unit Members for}}{\text{Total Number of Participating Employees in the Unit}}$$

The Union will provide to the Employer, in writing, a statement as to whether it plans to make available a Union-sponsored insurance plan.

The Union will provide to the County a written description of its plan design and the rates it expects to charge employees. This date may be extended up to fifteen (15) days by mutual agreement. If the required information is not supplied by this date or the parties have not mutually agreed to extend the date, it will be assumed that the Union has decided not to offer a Union-sponsored plan, and employees will not be offered such an option.

The Union will provide the Employer with sufficient copies of plan descriptions to distribute to employees. The Employer will make such copies available to unit members in the same manner as copies of plan descriptions for the Employer's own plans are made available. The same date will be used in subsequent years.

The Employer will provide the Union with a reconciled calculation of the rate it will contribute to the Union-sponsored plan based on actual enrollment in the plan, calculated in accordance with the following paragraph.

2. At the beginning of the last pay period immediately prior to the effective date of open enrollment, the Employer will advance to the Union the Employer's portion of the insurance premium attributable to Union Plan enrollment for the first pay period, as calculated below.

3. Calculation of Employer Contribution Rate

(a) The parties understand that this agreement to provide for a Union-sponsored insurance plan is based on the Union's assistance that whatever insurance plan it offers, it will not result in an increase in the amount the Employer spends on insurance for members of this bargaining unit.

(b) To effectuate this purpose, the parties agree that:

1) The Employer's contribution to the Union-sponsored plan will be calculated as follows:

E/es Former Plan (1)	# of Participating E/es Electing Union E/e in (2)	Projected Cost of Plan Per Plan	Projected Cost To Assuming No
	N1	C1	N1 * C1
AvMed	N2	C2	N2 * C2
	N3	C3	N3 * C3
JMH	N4	C4	N4 * C4
Total Participating E/es Electing Union Plan			Total Projected Cost for Participating E/es Electing Union Plan
Reconciled Cost Per Participating Employee = (Weighted Average)			Total Projected Cost for Participating E/es Electing Union Plan
			Total Participating E/es Participating in Union Plan

1. The insurers are those currently being used by the Employer and are subject to change. The list of insurers is intended to serve as an example of how contributions are to be calculated, not to restrict the Employer's selection of insurers.
2. Cost of plan shall include the Employer contribution for the single member premium plus any amount paid to the employee as an incentive to join the plan, as specified in Article XIX, Group Health Insurance, of the Collective Bargaining Agreement.

3 (b) (1) Continued.

The Employer contribution to the Union-sponsored plan on behalf of each employee electing the Union plan will be equal to the Reconciled Cost Per Employee, paid on a bi-weekly basis and on the same terms as such contributions are made to Employer health insurance plans; provided, however, that the first bi-weekly payment after the advance payment referred to in Paragraph 2 above, shall be equal to the difference, if any, between the amount already paid and any amount still due for that pay period.

- (2) Employer's contribution to the Union-sponsored plan on behalf of each employee electing the Union plan will be the Reconciled Cost Per Employee plus an adjustment for inflation in the Employer's cost of health insurance, if any. The inflation adjustment shall be the rate increase in the Employer's insurance cost per employee, but in no event shall the Employer's contribution per employee to the Union-sponsored plan exceed the Employer's contribution to its POS plan per employee.

The Employer's rate increase per employee shall be calculated as follows:

<u>Plan</u>	# of Participating E/es in Bargaining Unit in Plan as of 1999 Open Enrollment		<u>\$ Increase Per E/e</u>	<u>\$ Increase to County</u>
POS	P1	I1	P1 * I1	
AvMed	P2	I2	P2 * I2	
	P3	I3	P3 * I3	
JMH	P4	I4	P4 * I4	
<hr/> Total Participating E/es in Bargaining Unit County				<hr/> Total In- crease to

County Increase per Ee = $\frac{\text{Total Increase}}{\text{Total Participating E/es in Bargaining Unit}}$

(3) The Union shall have the right to decide whether it will offer dental/vision insurance and life insurance in addition to medical insurance. Should the Union decide to offer such insurance, it will notify the Employer of its intent to do so by July 1, of the year preceding the year in which the Union intends to offer such insurance. For example, if the Union wishes to offer life insurance, it will notify the Employer of its intent by July 1, _____.

In calculating the Employer's contribution to the Union-sponsored plan for dental insurance, the same rate formula as for health insurance will be applied. The Employer's contribution to Union-sponsored life insurance plan shall be the same as its per employee contribution to the County's own plan. If the Union offers a dental or life insurance plan, employees electing the Union-sponsored medical plan will automatically be placed in the Union's dental and life insurance plan.

4. Employees will be allowed to switch to a different plan only during open enrollment.
5. The Union will have its plan independently audited annually in a professionally acceptable manner and provide copies of the audit to the Employer on request. The audit shall include complete paid claim information, including Diagnostic Related Groups, separated by total employees and dependents.
6. An employee shall become eligible to begin receiving Employer contributions to the Union-sponsored plan on his or her behalf at the same time and on the same conditions as the employee would be eligible to receive contributions to an Employer-sponsored plan.
7. The parties understand that nothing in this Exhibit prohibits the Union from establishing or participating in a Health Trust Fund which may include two or more local bargaining units. In the event the Association does decide to establish or participate in such a Trust Fund, it will assume all responsibility for ensuring that the Trust is established and operated in accordance with all applicable federal, state, and local laws and regulations.
