Revised October 1, 2008

Re: Culmer Center Project

Dear Commissioner Edmonson,

It is with great pleasure that we submit to you this Application for conveyance of real property owned by Miami-Dade County, pursuant to Florida Statute Sec. 125.38. All of the items which you requested in your letter of May 30, 2008 are included herein.

We are very grateful for the opportunity to work with your department on the redevelopment of this parcel. This Application is substantially similar to the proposal we initially submitted to Miami-Dade Count in 2007.

We propose to develop a mixed-use, mixed-income community sponsored by Alonzo Mourning Charities, Inc., (“AMC”), Housing Trust Group (“HTG”), and South Florida LISC (“LISC”). The development is to be owned by affiliates of AMC, developed by HTG, and facilitated in both the short and long run by LISC.

In addition the narrative response on the following pages, please find attached the following materials:

- Chart that details each component of the development and answers most of your factual questions;
- Preliminary proforma for each component;
- Conceptual site layout.

If the County is in conceptual agreement with this Application, but requires an alternative way to implement it, we are willing to modify the Application to conform to the County’s requirements.

We look forward to your review of this Application and we will make ourselves available at your convenience to discuss it in the next several days.

Thank you very much for your consideration.

Sincerely,

Shawn Wilson

EXECUTIVE SUMMARY

Alonzo Mourning Charities, Inc. and Housing Trust Group, LLC, with support from LISC, propose to redevelop seven acres of land in the Overtown neighborhood for the benefit of the current and future residents of this area. This will be a mixed-use community with residences and access to governmental services. The site and improvements thereon are currently owned by Miami-Dade County. This is presently the site of the Culmer Neighborhood Center.

The proposed new uses of the site are:

- Approximately 95 safe, decent, affordable/workforce rental units for Families
- Approximately 95 safe, decent, affordable/workforce rental units for Families
- Preservation of the existing Miami-Dade County uses and buildings

The residential components will feature generous amenities such as a clubhouse, swimming pool, fitness center, after-school areas, safety, parking, energy efficient features, and outdoor recreation areas.

A unique focal point such as a plaza, fountain, or public work of art is contemplated at the corner of 17th Street and 3rd Avenue.

Green spaces will be incorporated throughout the site plan and existing mature trees will be preserved where possible.

Attractive architectural and design elements will showcase this development as a stellar example of site transformation.

The residences will comprise three components:

1. **A rental development of approximately 95 residences targeted to Families.**

This will consist primarily of 2-bedroom and 3-bedroom apartments. This will be a Tax Credit development. All units will be restricted to Households at or below 60% of the AMI.

2. **A rental development of approximately 95 residences targeted to Seniors.**

This will primarily consist of 1-bedroom apartments. This will be a Tax Credit development. All units will be restricted to Households at or below 60% of the AMI.

The buildings, which will feature a stimulating architectural style, will be a mix of heights, designed and laid out to achieve a balance of aesthetics, livability, safety, and efficiency. The specific architectural style and site planning philosophy are yet to be determined and are subject to physical constraints of the site, local codes, and neighborhood needs, along with numerous other factors

It is anticipated that stormwater retention will be accomplished without diminishing the usable land area.

This development will be geared to include to the extent possible disadvantaged business/contractor participation. Green features, balanced with financial feasibility, will be incorporated. The Joint Venture will strive to link with other community partners who will enable us to maximize local benefits, where feasible.

Discussion of the benefits to Miami-Dade County

- The primary benefit of this development to Miami-Dade County will be the provision of newly-constructed, high-quality rental homes in a neighborhood with great need.

Land Ownership Arrangement

This Application is for Miami-Dade County to enter into two (2) individual Ground Leases with Alonzo Mourning Charities, Inc., a 501(c)(3) corporation. AMC will in turn Sublease each Ground Lease to an entity in which AMC (or its wholly-owned affiliate) will serve as a General Partner. All three ultimate owners (including Miami-Dade County) will share certain common elements, such as parking. Shared maintenance obligations and access agreements will be recorded in the public record.

We contemplate each Ground Lease to be executed immediately, but not to become effective until such time as each component has secured all required financing, has completed relevant permitting processes, and is ready to commence construction.

Role of the Non-Profit

In general, the non-profit is intended to serve as the sponsor and controlling entity behind the entire Development.

Wholly-owned subsidiaries of AMC will serve as the General Partners of each component. AMC will participate fully in all major development decisions. After completion of Construction, the non-profit will continue to remain the owner and will retain all cash flow.

Also, most importantly, the Non Profit will maintain a permanent presence on site providing services, coordinating activities, and promoting the further development of the residents of this community.

Housing Trust Group, LLC, in close coordination with Alonzo Mourning Charities, Inc., will have primary responsibility for all aspects of development, including but not limited to design, all governmental approvals, permitting, financing, accounting, construction administration, and leasing/sales. LISC will provide technical assistance, financing, and overall community development support.

Financing Plan

Financing will be provided by the following sources:

- A. An allocation of Tax Credits from the Florida Housing Finance Corporation.
 - a. It is anticipated to apply for an allocation of Tax Credits from the State each year until funding is approved. The first application will be submitted in the 2009 Universal Cycle of the Florida Housing Finance Corporation.
 - b. If one phase is approved for Tax Credits per year, then construction would commence on phase one in the first quarter of 2010 and on phase two in the first quarter of 2011.
 - c. These phases can only move forward with an allocation of Tax Credits.
- B. A conventional first mortgage from a local lender(s).
- C. Gap funding from Miami-Dade County totaling approximately \$3,750,000 for both phases.
 - a. After each Rental phase obtained its allocation of Tax Credits, we will apply for the necessary amount of Surtax, HOME, or SHIP funds necessary for financial feasibility.

D. Predevelopment, bridge, construction financing, and equity from LISC.

ARTICLE II

PREMISES TO BE LEASED

2.1. The LESSOR, for and in consideration of the restrictions and covenants herein contained and pursuant to Florida Statutes Sections 125.38, hereby leases to the LESSEE, and the LESSEE hereby agrees to lease from the LESSOR a portion of the property located at 1600 NW 3rd Avenue, Miami, Florida, which is legally described in EXHIBIT "A", attached hereto and incorporated herein by reference, (the "DEMISED PREMISES").

ARTICLE III

TERM OF LEASE

3.1. The term of this LEASE shall become effective upon the date the last of the LESSOR and LESSEE executes this Lease (the "Effective Date"). LESSEE shall take no action to change the physical nature of or otherwise commence any substantial construction upon the

DEMISED PREMISES until the Commencement Date, as defined below. The term of the lease shall expire sixty-five (65) years and one (1) day after the Commencement Date (the "Term of the Lease"), unless this Lease is terminated earlier pursuant to the provisions contained herein. The "Commencement Date" shall be the date that the LESSEE closes on its construction financing and the syndication of federal low income housing tax credits for purposes of constructing affordable housing for rental to qualified persons under Section 42 of the Internal Revenue Code of 1986 and the regulations promulgated thereunder, as amended (the "Code") awarded to LESSEE by the Florida Housing Finance Corporation ("FHFC") (the "Housing Credits").

In the event that the LESSEE: i) has not received written notice by December 31, 2011 from FHFC that the Housing Credits have been allocated (the "Allocation Letter"), or ii) fails to close on the construction loan and syndication of the Housing Credits by December 31, 2012, or iii) fails to obtain a construction loan commitment as the basis for its Financial Plan, as set forth in section 21.2.7 below, this Lease shall terminate automatically. A copy of the Allocation Letter shall be delivered to LESSOR within thirty (30) days of its receipt by LESSEE. The Term of this LEASE may only be extended, as allowed by the terms of this LEASE.

3.2. LESSEE agrees to submit an application to the FHFC for each application cycle between the Effective Date of this LEASE and 2011. Prior to its submittal to the FHFC, LESSEE shall submit a copy of each of its applications for the Housing Credits to the COUNTY for the COUNTY's review.

3.3. LESSEE intends to apply to the COUNTY Office of Community and Economic Development ("OCED") for approximately \$300,000 in matching funds needed as part of its Housing Credits application. The PARTIES acknowledge and agree that the COUNTY's review and approval of the LESSEE's matching funds application shall fulfill the requirement for submitting the Housing Credits application to the COUNTY as set forth in section 3.2 above. Notwithstanding the foregoing, the LESSEE understands and agrees that there is no obligation of the COUNTY or OCED to fund either this \$300,000 in matching funds or any gap funding and that it is the obligation of the LESSEE to properly apply for said funds at the appropriate time.

ARTICLE IV

CONDITION AND USE OF DEMISED PREMISES

4.1. As of the Effective Date of this LEASE, the DEMISED PREMISES consists of land only. LESSEE has inspected the subject property and accepts the property in its "AS IS" condition as of the Effective Date of this LEASE. LESSOR makes no warranty as to soil and subsurface conditions. LESSEE will perform or caused performance of all test borings and subsurface engineering generally required at the site under sound and prudent engineering practices, and will correlate the results of the test borings and subsurface engineering and other available studies and its observations with the requirements of constructing the Development. LESSEE agrees to use the DEMISED PREMISES for the express purpose of constructing its project, as follows:

4.1.1. Approximately ninety five (95) affordable [family or elderly] residential housing units (the "Residential Units"), all of which shall be rented to households with incomes at or below sixty percent (60%) of Adjusted Median Income, together with common areas and amenities appurtenant thereto, to be leased or provided to persons qualifying under Sec. 42 of the Code and Miami-Dade County Surtax guidelines, and

4.1.2. A parking structure that will include such number of spaces as is required by the Approved Plans, defined herein (the "Parking Structure"), reserving to the LESSOR the exclusive use of a number of parking spaces in the Parking Structure, that, when added to the number of parking spaces reserved to the exclusive use of LESSOR in surface parking lots on the DEMISED PREMISES or on LESSEE'S adjacent property, totals no less than one hundred and seven (107) contiguous spaces, as selected by the LESSOR. The Residential Units, plus related amenities, together with other improvements, fixtures and structures and the Parking Structure, are hereinafter referred to as the "Development."

4.1.3. The Parking Structure is to be shared by and among: (i) LESSOR, as owner of facilities adjacent to the DEMISED PREMISES, including child day care and social services facilities (the "County Facilities") and (ii) LESSEE, for use by the tenants of the Residential Units. LESSOR agrees that, subsequent to the Effective Date of this Lease, LESSOR shall enter into a use sharing agreement with LESSEE establishing the rights and obligations of the PARTIES for the shared use and maintenance of the Parking Structure servicing the County Facilities and the Development (the "Shared Use Agreement"). The Shared Use Agreement shall not require LESSOR to pay for repair, maintenance or operation of the Parking Structure. Simultaneously with the execution of this Lease, LESSOR and LESSEE are entering into a separate lease whereby the COUNTY agrees to lease certain property to LESSEE for the development of another proposed [family or elderly] multi-family residential facility to be located adjacent to the DEMISED PREMISES (the "Adjacent Development"), which lease (the "Adjacent Development Lease") includes land for an additional parking structure (the "Additional Parking Structure"). LESSOR acknowledges that the reserved parking spaces as set forth in section 4.1.2 above may be allocated to LESSOR from either or both the Parking Structure and Additional Parking Structure, but in no event shall the total number of reserved spaces to the COUNTY exceed one hundred and seven (107) spaces.

4.1.4. LESSOR further agrees that, subsequent to the Effective Date of this Lease, LESSOR and LESSEE shall grant substantively to each other, all reasonable and customary pedestrian and vehicular access and utility easements, over, through and under LESSOR's and LESSEE's property, necessary or convenient for the construction, use and operation of the Development and for the use of the existing County facilities.

4.2. No material changes in the use described above are permitted without the express prior written approval of the Miami-Dade County Board of County Commissioners.

4.3. The Residential Units will be constructed on the DEMISED PREMISES in accordance with the general timeline as set forth in EXHIBIT "B", which is attached hereto and incorporated herein by reference.

4.4. LESSEE, in its use of the DEMISED PREMISES, shall comply with all applicable laws and regulations regarding waste and hazardous materials. In that regard, LESSEE shall not do or suffer to be done in, on or upon the DEMISED PREMISES or as may affect the DEMISED PREMISES, any act which may result in damage or depreciation of value to the DEMISED PREMISES or any part thereof due to the release of waste or hazardous materials on the DEMISED PREMISES.

4.5. LESSEE shall not do or suffer to be done in, on or upon the COUNTY's surrounding property, any act which may result in damage to or interference with, the COUNTY's use of its surrounding property, including interference with the current availability of persons to park in up to 107 parking spaces at the Culmer Center Neighborhood Service Center and LESSEE shall be liable to repair any damage it causes. If the playground equipment located on County property is moved or damaged due to construction of the Development, the LESSEE shall replace such equipment with new equipment similar in standard, which is acceptable to the County's Department of Human Services. If the playground equipment is moved, it shall be moved to a location chosen by the County on County property and subject to the direction of the County.

4.6. LESSEE shall not do or suffer to be done any act which may interfere with the County's plans to rehabilitate or demolish and reconstruct the Culmer Neighborhood Service Center buildings located on County owned property adjacent to the Demised Premises.

4.7 Notwithstanding the foregoing, the LESSEE agrees that:

(a) if LESSEE has not received an Allocation Letter for either the Development or the Adjacent Development by December 31, 2010; and,

(b) the COUNTY has provided LESSEE no less than thirty (30) days' notice in writing, that it has a use for a portion of the DEMISED PREMISES on either the Development or the Adjacent Development ; then

upon the expiration of the above notice period, that portion of the DEMISED PREMISES required by the COUNTY and described in its written notice to the LESSEE, shall be released and removed from this Lease as a portion of the DEMISED PREMISES, by amendment to the Lease, and this Lease, as amended, will remain in effect and otherwise unmodified.

(c) The Parties agree that the COUNTY may exercise its right to remove a portion of the DEMISED PREMISES from this Lease, as set forth above, for any use, except for the development of affordable housing. The Parties further agree that such removal will only affect and reduce the size of the DEMISED PREMISES of either the Development or the Adjacent Development, but not both.

ARTICLE V

RENT LEASE PAYMENTS

5.1. The annual base rent shall be One Dollar (\$1.00) per year (the "Base Rent"). LESSEE will pay LESSOR the base rent for the entire initial Term, on the Commencement Date.

The Base Rent will be paid at the address specified for LESSOR or such other address as LESSOR may direct from time to time by written notice.

ARTICLE VI

UTILITIES, INFRASTRUCTURE, TAXES AND ASSESSMENTS

6.1. All utilities shall be placed in the name of the LESSEE, and the cost of all utilities, including the cost of any infrastructure installed in connection with any utilities pertaining to the DEMISED PREMISES, shall be paid by the LESSEE. LESSEE shall also install or cause to be installed, at its sole cost or expense, all necessary connections between the buildings constructed by it on the Demised Premises, and the water, sanitary and storm drain mains and mechanical and electrical conduits and other utilities, whether or not owned by LESSOR. LESSOR hereby grants to LESSEE the non-exclusive right to construct utility infrastructure and connection and to tie-in to existing infrastructure and utility connections serving the Demised Premises, as may be set forth in the Approved Plans. LESSEE shall pay the cost of all utilities provided to the DEMISED PREMISES.

6.2. The LESSEE shall have the obligation to pay all taxes and assessments levied upon or relative to the DEMISED PREMISES incurred subsequent to the Commencement Date, unless LESSEE is granted an exemption therefrom by appropriate government bodies. LESSEE's obligation to make any payments pursuant to this paragraph shall survive the expiration or early termination of this LEASE. Notwithstanding anything set forth in this Article VI to the contrary, LESSEE shall only be liable for the taxes and assessments levied against, upon or relative to the DEMISED PREMISES arising, accruing or assessed during the Term of this LEASE.

6.3. Any off-site improvements required to be performed, paid for or contributed to as a result of the construction of the Development shall be paid for by the LESSEE or third-parties other than the LESSOR. As part of the off-site improvements, LESSEE shall also be required to incorporate into its development plan the façade improvements of the businesses along NW 3rd avenue, north of NW 16th street and south of NW 17th street, which abut the property. Such improvements will be done at the sole cost and expense of LESSEE and its affiliates and partners, in a time and manner acceptable to and approved by the LESSOR. The LESSEE agrees that with the first phase of its development it will contribute \$75,000 for the façade improvements mentioned above and \$50,000 with the second phase. The Mayor or his designee is authorized to execute or amend such Agreements as may be required, following approval by the County Attorney's Office, to enforce this requirement and LESSEE shall execute any such agreements LESSOR deems necessary to enforce LESSEE'S to make such improvements.

7.2. If the LESSEE fails to maintain the DEMISED PREMISES and effect repairs, the LESSOR shall notify the LESSEE of the deficiency. Failure of LESSOR to notify Lessee of the deficiency shall not relieve LESSEE of LESSEE's obligation to affect such repairs or maintain the DEMISED PREMIISES. If the LESSOR causes the repair, after no less than thirty (30) days prior notice, or immediately in case of an emergency, the LESSEE is responsible for payment for such repairs within thirty (30) days of presentation of an invoice. Failure to affect repairs or promptly reimburse LESSOR shall constitute an event of default under the LEASE and shall entitle the LESSOR to cancel the LEASE pursuant to the remedies set forth in Article XXI of this LEASE.

ARTICLE VIII

CONSTRUCTION

8.1. It is hereby agreed that the DEMISED PREMISES shall be left in its natural state insofar as possible and that said lands shall be utilized only for the purposes as are outlined above. However, the LESSEE, at its own expense, shall make such improvements, as provided herein, upon said land as shall be reasonably necessary to place the DEMISED PREMISES in such state or condition that they may be used for the purposes for which this LEASE is made and entered into. Such improvements are to be at the sole cost and expense of the LESSEE. All phases of construction required pursuant to this LEASE shall be completed by: (i) June 30, 2012 if LESSEE receives the Allocation Letter in 2009; or (ii) June 30, 2013 if LESSEE receives the Allocation Letter in 2010; or (iii) June 30, 2014 if LESSEE receives the Allocation Letter in 2011, unless a later date is approved in writing by the County Manager or his designee.

8.2. Development Plans.

8.2.1. COUNTY Approval of Plans. No clearing or excavation of any portion of the Demised Premises shall be commenced until the Plans (as defined below) for the Development planned thereon have been approved in writing by the COUNTY, as applicable, as

more particularly set forth in this Section 8.2. COUNTY shall designate the department, division, or office to perform all functions under this section 8.2 and shall notify LESSEE of such designation not later than June 30, 2009. The COUNTY may at any time, and in the COUNTY'S sole and absolute discretion, designate a different department or office to perform the functions under this section and shall give LESSEE notice of such change. No building, wall, structure or other improvement constituting the Development shall be commenced, erected or placed on any portion of the Project Site until the Plans for same have been approved in writing by the COUNTY, pursuant to this Section 8.2. Each building, wall, structure or other improvement constituting the Development shall be constructed by the LESSEE in substantial accordance with the Plans, all as approved by the COUNTY, in accordance with this Section 8.2 (the "Approved Plans"). The term "Plans" as used in this Agreement shall mean plans, drawings and outline specifications providing details as to: (i) the volume of all improvements to be constructed (including, without limitation, the height, setbacks, projecting elements, entries and access ways of all such improvements); (ii) roof-level design, (iii) elevations and facades of all improvements (including elements such as windows, spacing and size of fenestrations, balconies, canopies, cornices, moldings and ornamentation lines and exterior details); and (iv) exterior finishing materials, lighting plans and architectural treatment of machinery and equipment visible from the exterior of the Development. The Plans shall be substantially consistent with the LESSEE'S Application for the Leasehold, which was submitted and was the inducement for the passage of County Resolution No. R-_____. The COUNTY shall not unreasonably withhold its approval of the Plans. Under this Section 8.2, the COUNTY shall not be liable to the LESSEE or any third party as a result of its approval of any Plans; and the LESSEE shall indemnify and hold harmless the COUNTY, its officers, employees and agents from any and all claims arising out of or relating to the COUNTY'S approval of the Plan.

8.2.2. Plan Approval Process. The COUNTY shall have a period of thirty (30) days after receipt of two (2) counterpart copies of the Plans to advise the LESSEE in writing of their approval or disapproval of the same. The COUNTY shall notify the LESSEE on or before the thirtieth (30) day following receipt of the Plans of any disapproval of said Plans together with the specific reasons therefor and the steps necessary to correct the same. In the event of a disapproval of which the LESSEE is duly notified, the LESSEE shall, within thirty (30) days after the date they receive the notice of such disapproval, resubmit such Plans to the COUNTY altered to meet the grounds of disapproval. Any resubmission shall be subject to review and approval by the COUNTY pursuant to the Plan Approval Process (as defined below), until the same shall be finally approved by the COUNTY, provided, however, after resubmission of the Plans to the COUNTY, the COUNTY shall have a period of thirty (30) days after receipt of the Plans to advise the LESSEE in writing of their approval or disapproval of the same. After approval of any particular Plans by the COUNTY, the approval as to those Plans may not be subsequently withdrawn or rejected (the preceding approval process is defined herein as the "Plan Approval Process"). No approvals by the COUNTY of any Plans pursuant to this Section 8.2 shall release the LESSEE of any obligation they may have at law to file the Plans with any appropriate department of the COUNTY or any other governmental authority having jurisdiction thereover, or to obtain any building or other permit or approval required by law, regulation or ordinance. All Plans as finally approved by the COUNTY shall be initialed by an authorized representative of the COUNTY and the LESSEE, and shall be and are incorporated into this Agreement by this reference, and such Plans shall be deemed conclusive evidence that the COUNTY has accepted such Plans as being in conformity with the requirements of this

Agreement. The foregoing shall in no way be deemed to inhibit, restrict or require the exercise of the COUNTY's police power or actions of the COUNTY when acting in a quasi-judicial capacity.

8.2.3. Construction Plans. Prior to the commencement of construction of the Development on the Demised Premises, the LESSEE shall submit to the COUNTY final detailed working plans and specifications, including, without limitation, foundation, structural, electrical and mechanical drawings and specifications as required by COUNTY Code.

8.2.4. Notice of Commencement. LESSEE shall promptly provide a copy of the recorded Notice of Commencement to COUNTY.

8.2.5. Changes to Plans. The LESSEE shall not materially change or modify the Approved Plans without the COUNTY's prior written consent, which shall not be unreasonably withheld provided that the change is consistent with the approved Plans. Any such requested modification of the Approved Plans shall be submitted to the COUNTY for review in accordance with the Plan Approval Process, provided, however, that the time period for review shall be thirty (30) days. The COUNTY agrees that it shall approve any change which is in fact in substantial accordance with the approved Plans.

8.2.6. Conformity of Plans. All work by the LESSEE with respect to the Development shall be in substantial accordance with the Approved Plans, this Agreement and applicable governmental permits, laws, codes, ordinances and regulations.

8.2.7. Construction Contract(s). The LESSEE shall engage a general contractor(s) having experience commensurate with the size and scope of the Development and the financial ability to perform their obligations to complete the Development. The LESSEE shall provide the COUNTY with a copy of the proposed construction contract(s) for review. The COUNTY shall have the right to review the construction contract only to determine that the contract: (i) is fully one hundred percent (100%) bonded as to both payment and performance in favor of the COUNTY and the LESSEE (and/or any other affected party if required by applicable law), as co-obligees and as their interests may appear; (ii) is with a general contractor(s) meeting the requirements of this Section 8.2.7; (iii) contains a definition of "completion" or "substantial completion" which is the same or more stringent than the definition of Substantial Completion set forth in Section 8.2.9 below; (iv) requires construction of the Development in substantial accordance with the Approved Plans; (v) requires completion of the Development within the term of this Agreement; (vi) includes usual and customary liquidated damage clauses or incentives for timely completion; and (vii) includes a provision that neither the contractor thereunder, nor any subcontractor, shall lien the COUNTY's fee simple interest in that portion of the Demised Premises that is the subject matter of the contract. If the COUNTY reasonably determines that the construction contract(s) is not in accordance with the foregoing, then the COUNTY shall give notice of such to the LESSEE together with a written list of provisions in the construction contract(s) which it determines do not comply with clauses (i) through (vii) above, and accordingly require modification, within thirty (30) days of submission to the COUNTY.

8.2.7.1 The LESSEE shall cooperate with the Miami-Dade County Department of Business Development ("DBD") to identify and establish appropriate Community Small Business Enterprise ("CSBE") measures including goals and local workforce goals under the Community Workforce Program Provisions ("CWP") for the construction trade and labor work associated with the construction.

8.2.7.2 LESSEE and the general contractor(s) retained hereunder shall comply with all CSBE subcontractor and local workforce goals established by DBD and comply with all other requirements of CSBE participation provisions and Community Workforce Program Provisions.

8.2.7.3 Any general contractor(s) retained hereunder shall, and shall require all subcontractors to (i) comply with all periodic monitoring and other compliance documentation required by DBD in connection with the CSBE Participation provisions, the CWP and the Responsible Wages ordinance; (ii) grant to DBD all rights of access to records of the general contractor and subcontractors for monitoring and compliance with the foregoing; and (iii) comply with all enforcement actions and pay any sanctions imposed by DBD for non-compliance with the foregoing. The foregoing requirements shall be included in the general contractor's construction contract and subcontractor bid package and subcontract.

8.2.7.4 Any general contractor(s) retained hereunder shall have an affirmative action plan filed with and approved by the DBD which plan shall be in accordance with Miami-Dade County Ordinance No. 82-37 and shall be in effect for the entire term of its construction contract with the LESSEE.

8.2.8. COUNTY's Inspection. The LESSEE shall be responsible for inspecting the construction and work being performed by the general contractor(s) to determine if said construction and work are being performed in substantial accordance with the Approved Plans. Monthly reports of their inspections shall be included within the Progress Reports (as defined below). The COUNTY shall have the right to inspect the Development from time to time to verify the LESSEE's reports. The LESSEE shall cooperate (and shall cause their general contractor(s) and any other contractors, subcontractors, employees and agents to cooperate) fully with all such inspections and examinations. In making the foregoing inspections, the COUNTY will take care so as not to interfere with the progress of construction of the Development.

8.2.9. Acknowledgement(s) of Final Completion. Upon the "Substantial Completion" (as defined below) of the Development on any portion of the Demised Premises, the COUNTY shall furnish the LESSEE with an instrument acknowledging the completion of the Development and evidencing the COUNTY's acceptance of the Development (the "Acknowledgement of Final Completion"). For the purposes hereof, "Substantial Completion" or "Substantially Completed" shall mean such time as: (i) the Development have been completed in substantial accordance with the Approved Plans, except only for minor punch list items of detail and decoration; (ii) a temporary certificate of occupancy or unconditional certificate of occupancy (if required or applicable) has been issued by the appropriate governmental agency with respect to the Development; and (iii) the COUNTY has received a signed and sealed professional certification from an architectural or engineering firm reasonably acceptable to the COUNTY that the Development are completed in substantial accordance with the Approved

Plans, except only for minor punch list items of detail and decoration. The Acknowledgement of Final Completion shall only be issued upon a determination by the COUNTY (which shall not be unreasonably withheld, delayed or conditioned) that the Development have been Substantially Completed, and upon COUNTY's receipt from the LESSEE of the following:

8.2.9.1 two (2) sets of as-built final Plans for the Development; and

8.2.9.2 a final affidavit and release of lien from the LESSEE's general contractor(s) attesting to the receipt and payment of all obligations relating to construction and development of the Development and final releases of lien by all lienors, subject to final payment by the LESSEE under this Section 8.2.8.

If the COUNTY reasonably determines not to issue the Acknowledgement of Final Completion in accordance herewith, the COUNTY shall, within thirty (30) days after written request from the LESSEE, provide the LESSEE with a written statement indicating in what respects the LESSEE have failed to Substantially Complete the Development, and what measures and acts, the COUNTY reasonably believes are necessary for the LESSEE to take or perform in order to obtain such Acknowledgement of Final Completion pursuant to this Section 8.2.9. The issuance of the Acknowledgement of Final Completion shall be conclusive evidence of the full compliance by the LESSEE of all requirements of this Agreement as to the Development. After issuance of an Acknowledgement of Final Completion, such acknowledgement may not be revoked by the COUNTY.

8.2.10. Warranty. The LESSEE shall cause the COUNTY to be provided with a usual and customary one (1) year contractor warranty in connection with all Development constructed by the LESSEE on any portion of the Demised Premises.

8.2.11. Commencement of Construction. Subject to "Force Majeure" (as defined below) and the satisfaction of the conditions precedent set forth in this Lease, the LESSEE shall commence construction of the Development and, at all times, proceed diligently to Substantial Completion in substantial accordance with Exhibit B.

8.2.12. Progress of Construction. The LESSEE shall commence construction of the Development and at all times continuously proceed with said construction, subject to Force Majeure. The LESSEE shall keep the COUNTY advised of the progress of the Development through monthly progress reports (the "Progress Reports") in form and substance reasonably agreed to by the COUNTY and the LESSEE, delivered to the COUNTY on or before the fifteenth (15th) of each month containing information for the immediately preceding month. In the scheduling of construction work on the Project Site, the LESSEE shall take reasonable steps to minimize interference with the normal traffic flow and operations of the County facilities, in and around the Project Site in a system and manner reasonably acceptable to the COUNTY. The LESSEE shall perform all work in a good and professional manner and consistent with and substantially in accordance with the Approved Plans.

8.2.13. Compliance with Laws. The Development will be constructed by the LESSEE in accordance with applicable statutes, laws, ordinances, rules, regulations, and orders, including, without limitation, those regarding the storage, use, removal, disposal, handling and

transportation of Hazardous Substances (as defined below), provided that nothing herein shall limit the right of the LESSEE or contractor to contest the validity or enforceability of any such statute, law, ordinance, rule, regulation, or order with which the LESSEE may be required to comply. As used herein, the term "Hazardous Substances" mean any flammable explosives, radioactive materials, friable asbestos, electrical transformers, batteries and any paints, solvents, chemicals, or petroleum products, as well as any substance or material defined or designated as a hazardous or toxic waste material or substance, or other similar term by any federal, state, municipal or local environmental statute, regulation or ordinance presently or hereinafter in effect, as such statute, regulation or ordinance may be amended from time to time.

8.2.14. Force Majeure shall be defined as any event or condition beyond the control of LESSEE or the COUNTY, including, without limitation, strikes, labor disputes, acts of God (expressly including, but not limited to, tropical storms, hurricanes, earthquakes, and tsunamis), the elements, governmental restrictions, regulations or controls, enemy action, acts of terrorism, wars, riots, major upheaval, civil commotion, fire, casualty, or accidents, which causes delay.

ARTICLE IX

CONSTRUCTION RELATED LIENS

9.1. All persons, firms or corporations dealing with the LESSEE, if any, in respect to the furnishing of any labor, services or materials for any Development, are hereby placed on notice that no liens of any nature or character shall be imposed upon or enforced against LESSOR'S interest in the DEMISED PREMISES or Development, but the interest of the LESSEE in the DEMISED PREMISES only shall be relief for payment of the cost of such Development. The LESSEE shall include language to the effect of the foregoing sentence in all its agreements, if any.

9.2. The LESSEE agrees that it will not permit any mechanic, materialmen or other liens to stand against the DEMISED PREMISES for work or materials furnished to the LESSEE for the DEMISED PREMISES, it being provided, however, that the LESSEE shall have the right to contest the validity thereof. The LESSEE shall immediately pay any and all judgment decrees rendered against the LESSEE, following the conclusion of such legal processes (including all available appeals), with all proper costs and charges, and shall cause any such liens to be released of record without cost to the LESSOR.

9.3. This Section shall not apply to Leasehold Mortgages authorized by this LEASE.

ARTICLE X

TITLE TO DEVELOPMENT

10.1. Prior to the expiration, termination, or cancellation of this LEASE, title to all Development on the DEMISED PREMISES and all assets and personal property incorporated into such Development shall be vested in the LESSEE, provided, however, in the event the DEMISED PREMISES are subleased to SUBLESSEE (as defined below) pursuant to the provisions of Article XII and SUBLESSEE constructs the Development, such Development shall

be vested in SUBLESSEE, as long as the Development is used for public and community interest and welfare, and in accordance with and as authorized by this LEASE. However, the LESSEE agrees that it will not resell, lease, mortgage, or encumber or otherwise dispose of any part of the Development except in accordance with this LEASE. Upon expiration, termination, or cancellation of this LEASE, title to the Development on the DEMISED PREMISES and all assets and personal property incorporated into such Development, other than personalty which is not permanently affixed to the DEMISED PREMISES, shall thereafter be vested in the LESSOR without payment by the LESSOR to the LESSEE.

10.2. The LESSOR shall have no liability or obligation to the LESSEE's contractors, subcontractors, and materialmen performing work on or supplying materials for construction of the Development. The LESSEE warrants that no mortgage, liens, or other encumbrances whatsoever will be placed against the DEMISED PREMISES and the Development thereon by LESSEE. Notwithstanding anything contained herein to the contrary, any provision in this Article restricting or prohibiting the sale, leasing, mortgaging or other encumbrance of the Demised Premises (including the Development) shall not prohibit LESSEE from: (i) entering into the Leasehold Mortgages authorized by this LEASE (and any associated regulatory agreements or other restrictive covenants required by such Leasehold Mortgages), (ii) leasing the Residential Units, or (iii) entering into any extended low income housing agreement as may be required by the Florida Housing Finance Corporation in connection with the award of tax credits for the construction of the Development.

ARTICLE XI

DESTRUCTION OF PREMISES; CONDEMNATION

11.1. In the event that any improvements to the DEMISED PREMISES should be destroyed or so damaged by fire, windstorm, or other casualty to the extent that such improvements are rendered unfit for the LESSEE's purposes, LESSEE shall restore the Development to good condition as soon as practical thereafter as set forth below. If the insurance proceeds are insufficient to restore the DEMISED PREMISES as required by this paragraph, then LESSEE shall give prompt written notice to LESSOR after the occurrence of any fire, earthquake, act of God or other casualty to the Development or any portion thereof. Subject to Section 11.2 below, if during the Term, the Development shall be damaged or destroyed by casualty, LESSEE shall repair or restore the Development, so long as it is lawful to do so and there are adequate insurance proceeds available to LESSEE for that purpose. In the event that more than fifty percent (50%) of the value of the Development and/or the DEMISED PREMISES are damaged or destroyed, and LESSEE shall determine (or if SUBLESSEE shall so determine pursuant to the Sublease, as defined below) subject to the rights of the Leasehold Mortgagees and the obligations of the grantor under such Leasehold Mortgages, and shall notify LESSOR in writing within thirty (30) days after settlement of any claim with the insurer, that it is not economically practical to restore the DEMISED PREMISES to substantially the same condition in which they existed prior to the occurrence of such casualty, then LESSEE may terminate this LEASE as of a date that is not less than thirty (30) days after the date of such notice. If LESSEE terminates this Lease pursuant to this Section, LESSEE shall surrender possession of the Premises to LESSOR upon termination and assign to LESSOR all of its right,

title and interest in and to the proceeds from LESSEE's insurance and the proceeds of any insurance shall be disbursed as provided in Section 11.2 below.

11.2. In the event that this LEASE is terminated pursuant to Section 11.1 above, the insurance proceeds received as the result of such casualty shall be distributed as follows: (a) first, to the holders of the Leasehold Mortgages in their order of priority to the extent of any indebtedness then owed to the Leasehold Mortgagees; (b) second, LESSOR shall be paid an amount sufficient to remove any improvements not repaired and to return the DEMISED PREMISES to the level of the adjacent streets, (c) third, LESSEE shall be paid an amount equal to the then unamortized costs of construction of the Development (including any alterations or modifications thereto), provided, however, if LESSEE and SUBLESSEE have entered into the sublease and the Development are constructed and insured by SUBLESSEE, any amounts payable to LESSEE under this clause (c) shall be paid to SUBLESSEE, and (d) the balance, if any, of such insurance proceeds shall be assigned or paid over to LESSOR.

11.3. If, by exercise of the right of eminent domain or by conveyance made in response to the threat of the exercise of such right (in either case a "Taking"), all of the DEMISED PREMISES are taken, or if so much of the DEMISED PREMISES are taken that the DEMISED PREMISES cannot reasonably be used by LESSEE for the purposes for which they were used immediately before the Taking, then this LEASE shall, subject to the requirements of the Leasehold Mortgages, at LESSEE's sole option, terminate on the earlier of the vesting of title to the DEMISED PREMISES in the condemning authority, or the taking of possession of the DEMISED PREMISES by the condemning authority; provided, however, if LESSEE and SUBLESSEE have entered into the sublease, LESSEE may not elect to terminate this LEASE without the prior written consent of SUBLESSEE and all Leasehold Mortgagees and Investor Limited Partner, as defined below.

11.3.1. LESSOR and LESSEE agree that, in the event of a Taking that does not result in the termination of this LEASE pursuant to this Article, this LEASE shall continue in effect as to the remainder of the DEMISED PREMISES, and the net amounts owed or paid to the Parties or to which either of the Parties may be or become entitled by reason of any Taking or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any reasonable, unreimbursed costs and expenses incurred by the Parties in collecting such award or payment (the "Net Condemnation Award"), will be disbursed under applicable laws and regulations, and to the extent permitted by the foregoing, in accordance with subsection 11.3.3 below to LESSEE and/or any Leasehold Mortgagees, if the terms of the Leasehold Mortgage so require. Such Net Condemnation Award shall be used so as to make the Demised Premises and Development, including any necessary construction, complete, unified and efficient, as nearly as reasonably possible to the condition existing prior to the Taking, subject to any applicable requirements of any Leasehold Mortgage.

11.3.2. If there shall be a temporary Taking with respect to all or any part of the DEMISED PREMISES or of LESSEE's interest in this LEASE, then the term shall not be reduced and LESSEE shall continue to pay in full all rents, impositions and other charges required herein, without reduction or abatement thereof at the times herein specified; provided, however, that LESSEE shall not be required to perform such obligations that LESSEE is prevented from performing by reason of such temporary Taking.

11.3.3. If there is a Taking, whether whole or partial, LESSOR and LESSEE shall be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to their respective interests in any condemnation proceedings, or as may be otherwise agreed. If the DEMISED PREMISES shall be restored as is contemplated in subsection 11.3.1 above, LESSEE shall be entitled to recover the reasonable costs and expenses incurred in such restoration out of any Net Condemnation Award, as determined by such award. Thereafter, if the condemning authority does not make separate awards, the parties agree that any Net Condemnation Award will be allocated between them on a proportionate basis, taking into account factors including the value of the land, the value of the Development and the remaining term of this LEASE. If the parties are unable to agree as to the exact percentage of such allocation and the parties are unable to agree as to amounts that are to be allocated to the respective interests of each party, then each party shall select an independent M.A.I. real estate appraiser (an "Appraiser"). Each Appraiser shall separately determine the amount of the balance of the Net Condemnation Award that is to be allocated to each party. If the percentage allocated to LESSOR by one Appraiser is within ten percent (10%) of the percentage allocated to LESSOR by the other Appraiser, then the two percentage allocations shall be averaged and such average percentage shall be the percentage to be allocated to LESSOR, with the remaining percentage of the balance of the Net Condemnation Award to be allocated to LESSEE. If the percentage allocated to LESSOR by one Appraiser is not within ten percent (10%) of that allocated to LESSOR by the other Appraiser, then the two Appraisers shall select a third Appraiser, who shall independently determine the percentage of the balance of the Net Condemnation Award that should be allocated to each party; and the average of the percentages determined by the three Appraisers to be allocable to LESSOR shall be the percentage that is allocated to LESSOR, and the remaining percentage of the balance of the Net Condemnation Award shall be allocated to LESSEE. If necessary to engage a third Appraiser, such Appraiser shall be engaged jointly by LESSEE and LESSOR. The costs of all Appraisers engaged under this Section 11.3.3 shall, in the aggregate, be split equally by LESSEE and LESSOR. Nothing herein prohibits any party from seeking the determination of a court of competent jurisdiction as to the value of each party's interest in the Demised Premises.

11.3.4. If any Leasehold Mortgage exists, the Leasehold Mortgagee(s), to the extent permitted by law, shall be made a party to any Taking proceeding.

ARTICLE XII

ASSIGNMENT; SUBLEASE

12.1. The LESSEE shall not assign or transfer its interest in this LEASE without the written approval of the LESSOR. Notwithstanding the foregoing, LESSOR and LESSEE agree that LESSEE may assign this LEASE to a limited partnership of which the LESSEE, a not-for-profit affiliate of LESSEE, or a limited liability company affiliate of LESSEE, is a general partner.

12.2. Notwithstanding anything construed in this LEASE to the contrary, the LESSOR acknowledges and agrees that LESSEE intends to sublet the DEMISED PREMISES to AMC HTG 1, LTD., a Florida limited partnership, ("SUBLESSEE") pursuant to a sublease (the "Sublease") whereby SUBLESSEE will agree to construct and insure the Development, in

accordance with the provisions and subject to the requirements of this LEASE. For so long as the Sublease is effective, LESSOR agrees (i) to accept performance by SUBLESSEE of any and/or all of LESSEE 's obligations hereunder as if same had been performed by LESSEE, and (ii) LESSOR may enforce directly against SUBLESSEE any rights or remedies of LESSOR hereunder, as though SUBLESSEE and LESSOR were in direct contractual privity and as though this LEASE was between SUBLESSEE and LESSOR. Furthermore, LESSOR acknowledges that SUBLESSEE intends to finance construction of the Development and other improvements, in part, with an equity investment to be provided by third party investors (the "Investor Limited Partner"). The aforescribed Sublease shall be effective and valid without any further approvals or consents of LESSOR.

ARTICLE XIII

SIGNS

13.1. Signs will be of the design and form of lettering mutually agreed to by LESSOR and the LESSEE. The cost of design and painting is to be paid by the LESSEE. All signs shall be removed by the LESSEE at the termination of this LEASE and any damage or unsightly condition caused to the Demised Premises because of or due to said signs shall be satisfactorily corrected or repaired by the LESSEE. The LESSOR can disallow only signs which have not been previously approved.

ARTICLE XIV

NO LIABILITY

14.1. All personal property placed or moved onto the DEMISED PREMISES shall be at the risk of the LESSEE or the owner thereof. The LESSOR shall not be liable to the LESSEE for any damage to said personal property unless caused by or due to the negligence of the LESSOR, the LESSOR's agents or employees, subject to all limitations of Florida Statutes, Section 768.28.

ARTICLE XV

LESSOR'S RIGHT OF ENTRY

15.1. The LESSOR or any of its agents, shall have the right to enter onto the DEMISED PREMISES during all reasonable working hours, to examine the same or to make such additions, inspections, or alterations as may be deemed necessary for the safety, comfort, or preservation thereof of the DEMISED PREMISES and to determine if the DEMISED PREMISES are being maintained in good condition, provided that to do so shall not unreasonably interfere with LESSEE's activities. Such periodic inspections may also be made to determine whether the LESSEE is operating the DEMISED PREMISES in compliance with the terms and provisions of this LEASE.

ARTICLE XVI

INTENTIONALLY DELETED

ARTICLE XVII

LIABILITY FOR DAMAGE OR INJURY

17.1. The COUNTY shall not be liable for any damage or injury which may be sustained by any party or person on the DEMISED PREMISES other than damage or injury caused by the negligence of the COUNTY, its employees or agents, subject to all limitations of Florida Statutes, Section 768.28.

ARTICLE XVIII

PEACEFUL POSSESSION

18.1. Subject to the terms, conditions and covenants of this LEASE, the LESSOR agrees that the LESSEE shall and may peaceably have, hold and enjoy the DEMISED PREMISES, without hindrance or interruption by the LESSOR.

ARTICLE XIX

INDEMNIFICATION AND HOLD HARMLESS

19.1. The LESSEE shall protect, defend, using attorneys reasonably acceptable to the LESSOR and hold the LESSOR and its officers, agents, and employees completely harmless from and against any and all liabilities, losses, suits, claims, judgments, fines, or demands arising by reason of injury or death of any person or damage to any property, including all reasonable costs for investigation and defense thereof (including but not limited to reasonable attorneys' fees, court costs, and expert fees, in connection with administrative hearings and litigation through all levels of trial and appellate proceedings), of any nature whatsoever arising out of or incident to this LEASE and the use or occupancy of the DEMISED PREMISES or the acts or omissions of officers, agents, employees, contractors, subcontractors, licensees, or invitees of the LESSEE regardless of where the injury, death or damage may occur, unless such injury, death, or damage is caused by the negligence of the LESSOR, its employees or agents. The LESSOR shall give to the LESSEE reasonable notice of any such claims or actions. The provisions of this Article shall survive the expiration or early termination of this LEASE.

ARTICLE XX

SUCCESSORS INTEREST

20.1. It is hereby covenanted and agreed between the PARTIES that all covenants, conditions, agreements, and undertakings contained in this LEASE shall extend to and be binding on the respective successors and assigns of the respective PARTIES hereto, the same as if they were in every case named and expressed.

ARTICLE XXI

DEFAULT, REMEDIES, AND TERMINATION

21.1. If the LESSEE fails to pay when due amounts payable under this LEASE or to perform any of its other obligations under this LEASE, LESSOR, after thirty (30) days' prior written notice to LESSEE and without waiving any of its rights under this LEASE, may pay such amount or perform such obligations. All amounts so paid by LESSOR and all reasonable costs and expenses incurred by LESSOR in connection with the performance of any such obligations, will be payable by LESSEE to LESSOR within thirty (30) days of demand.

21.2. At the option of the LESSOR, the occurrence of any of the following events shall constitute an Event of Default by LESSEE:

21.2.1. Failure of the LESSEE to operate the DEMISED PREMISES substantially in accordance with its approved uses; material non-performance of any covenant of this LEASE by the LESSEE or any of its subcontractors, agents or licensees, including a failure to rent all of the residential units to households with income at or below sixty percent (60%) of adjusted median income as required by this Lease Agreement and such breach continues for a period of thirty (30) days after written notice by LESSOR to LESSEE; provided, however, if the LESSOR determines that the nature of the breach is such that it cannot be cured by LESSEE within the period of thirty (30) days, the LESSOR shall not declare the LESSEE to be in default of this LEASE, as long as LESSEE has commenced the curing of such default within such thirty (30) day period and prosecutes in good faith, as determined by the LESSOR, the curing of same continuously thereafter until the same is, in fact, cured.

21.2.2. Abandonment or vacation of the DEMISED PREMISES by the LESSEE before the end of the term of this LEASE, for ten (10) days or more.

21.2.3. The failure of the LESSEE to correct destruction of the DEMISED PREMISES, if required in writing by the LESSOR, pursuant to the provisions of Article XI.

21.2.4. Failure to obtain a Certificate of Occupancy in accordance with the schedule attached as EXHIBIT "B".

21.2.5. Failure to pay the annual rent when due or to reimburse the LESSOR, as required by this Article for more than thirty (30) days after written notice from LESSOR.

21.2.6. Failure to apply for Housing Credits, as required by this Lease Agreement or to use best efforts in its application for Housing Credits. At a minimum, best efforts shall require LESSEE to file a complete and timely application, to timely and in good faith respond to any and all requests for additional information, and to take all actions reasonably necessary to be awarded the Housing Credits.

21.2.7. Failure of the LESSEE to procure an allocation of Housing Credits from the FHFC in either 2009, 2010 or 2011, and alternatively, LESSEE has not, by January 5, 2012, provided to LESSOR, for LESSOR's approval, a feasible financial plan (the "Financial Plan") which, at the sole expense of LESSEE, substantially accomplishes the construction of the

Development, as determined by the Miami-Dade County Commission. If submitted, LESSOR shall, within one hundred and eighty (180) days of receipt of LESSEE's Financial Plan, provide LESSEE with LESSOR's acceptance or rejection of the Financial Plan. If rejected, this LEASE shall be immediately and automatically terminated and LESSEE shall surrender the DEMISED PREMISES back to LESSOR. If the Financial Plan is accepted by LESSOR, the Commencement Date of this LEASE shall be the date LESSEE closes on its construction loan pursuant to the Financial Plan.

21.3. If any one or more Events of Default set forth in this Article occur, then LESSOR may, at LESSOR's sole and exclusive remedy, at law or in equity, but subject in all respects to the rights of any holder of a Leasehold Mortgage and the Investor Limited Partner, as set forth herein, terminate this LEASE by written notice to LESSEE of its intention to terminate this LEASE on the date specified in such notice. On the date of termination, LESSEE's right to possession of the Premises and the Development will cease and the leasehold interest conveyed by this LEASE shall re-vest in LESSOR, subject to the cure provisions of Article XXX and elsewhere in this LEASE, providing such re-vesting of the estate and the reentry by LESSOR shall be subject to and limited by, and shall not defeat, render invalid or limit in any way the lien of any Leasehold Mortgage.

21.4. Notwithstanding any provision to the contrary contained in this LEASE, the LESSOR may, subject to the notice and cure periods set forth in Article XXX and elsewhere in this LEASE, terminate this AGREEMENT immediately upon the voluntary or involuntary assignment of this LEASE without written approval of the LESSOR, except as expressly permitted by this LEASE.

21.5. Notwithstanding any provision to the contrary contained in this LEASE, in the event the LESSEE violates this LEASE and such violation results in a physical defect in the subject property which poses a substantial risk to persons or property, the LESSOR may terminate this LEASE immediately, subject to the notice and cure periods set forth in Article XXX and elsewhere in this LEASE.

21.6. Notwithstanding any provision to the contrary contained in this LEASE, failure of the LESSEE to maintain all necessary zoning approvals and permits for the construction and operation of the Development.

21.7. Notwithstanding any provision to the contrary contained in this LEASE, failure, after the Commencement Date, of the LESSEE to secure and to maintain at all times required licensing, shall entitle the LESSOR, subject to the notice and cure periods set forth in Article XXX and elsewhere in this LEASE, to terminate this LEASE.

21.8. Notwithstanding any provision to the contrary contained in this LEASE, LESSEE acknowledges that a default under this LEASE after the expiration of all cure and grace periods, shall constitute a default under the Adjacent Development Lease and likewise, a default under the Adjacent Development Lease, after the expiration of all cure and grace periods, shall constitute a default under this LEASE. The cross-default provisions of this section 21.8 shall automatically expire, terminate and be of no further force and effect upon the first Commencement Date to occur of either this LEASE or the Adjacent Development Lease.

ARTICLE XXII

MISCELLANEOUS

22.1. Miami-Dade County's Rights as Sovereign. Notwithstanding any provision of this LEASE and Miami-Dade County's status as Lessor thereunder:

(a) Miami-Dade County retains all of its sovereign prerogatives and rights as a county under Florida laws (but not in regard to its status as Landlord and the performance of its contractual duties hereunder) and shall in no way be estopped from withholding or refusing to issue any approvals of applications and/or permits for building or zoning; from exercise its planning or regulatory duties and authority; and from requiring development under present or future laws and ordinances of whatever nature applicable to the design and construction of the Development; and

(b) Miami-Dade County shall not by virtue of this LEASE be obligated to grant to LESSEE, the DEMISED PREMISES or the Development or any portions thereof, any approvals of applications for building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the design and construction of the Development provided for in this LEASE, nor shall the County be obligated to provide funding to finance the costs connected with the Development Surrender of Demised Property. On the last day of the Term of the LEASE Agreement, or upon any earlier termination of this LEASE subject to compliance with the provisions of this LEASE regarding termination of the LEASE, LESSEE shall surrender and deliver up the DEMISED PREMISES to the possession and use of LESSOR the buildings and improvements in their then "as is" condition. The provisions of this paragraph shall survive any expiration of termination of this LEASE.

22.2. Removal of Personal Property or Fixtures. Where furnished by or at the expense of LESSEE, or secured by a lien held by a lender financing same, signs, furniture, furnishings, movable trade fixtures, business equipment and alterations and/or other similar items may be removed by LESSEE, or, by an approved Sublessee, or lien holder at, or prior to, the termination or expiration of this LEASE; provided however, that if the removal thereof will damage a building or necessitate changes in or repairs to a building which is a part of the Development, LESSEE shall repair or restore (or cause to be repaired or restored) the building to a condition substantially similar to its condition immediately preceding the removal of such furniture, furnishings, movable trade fixtures and business equipment, or pay or cause to be paid to LESSOR the reasonable cost of repairing any damage arising from such removal. The provisions of this paragraph shall survive any expiration of termination of this LEASE.

22.4 Rights to Personal Property After Termination or Surrender. Any personal property of LESSEE which shall remain in the DEMISED PREMISES after the fifteenth (15th) day following the termination or expiration of this LEASE and the removal of LESSEE from the DEMISED PREMISES, may, at the option of LESSOR, be deemed to have been abandoned by LESSEE and, unless any interest therein is claimed by a lender, said personal property may be retained by LESSOR as its property or be disposed of, without accountability, in such manner as LESSOR may see fit. The provisions of this paragraph shall survive any expiration of termination of this LEASE.

ARTICLE XXV

INTENTIONALLY DELETED

ARTICLE XXVI

28.1. The LESSEE shall comply with applicable provisions of applicable Federal, State and County laws, regulations and rules, including but not limited to OMB A-122, OMB A-110, OMB A-21, and OMB A-133; the Energy Policy and Conservations Act (Pub. Additionally, the Contractor shall comply with provisions of the County Code, if applicable, including Section 2-11.16 of the Code of Miami-Dade County which provides that leases which provide for privately funded construction, alteration or repair of buildings or improvements located on County-owned land whose estimated cost is greater than or equal to one million dollars (\$1,000,000) shall require laborers and mechanics performing such work be paid no less than overall hourly rates required on competitively bid County construction contracts, pursuant to the provisions of the Code and Section 2-1701 of the Code of Miami-Dade County which may require the application of a local workforce goal requiring that a minimum of 10% of the persons performing the construction trades and labor work under the contract be residents of Designated Target Areas, as set forth in the Code. If any provision of this LEASE conflicts with any applicable law or regulation, only the conflicting provision shall be deemed by the PARTIES hereto to be modified to be consistent with the law or regulation or to be deleted if modification is impossible. However, the obligations under this LEASE, as modified, shall continue and all other provisions of this LEASE shall remain in full force and effect.

28.2. The LESSEE shall comply with all applicable standards, orders, or regulations issues pursuant to Section 306 of the Clean Air Act of 1970 (42 U.S.C. 1857 h), as amended; the Federal Water Pollution Control Act (33 U.S.C. 1251), as amended; Section 508 of the Clean Water Act (33 U.S.C. 1368); Environmental Protection Agency regulations (40 CFR Part 15); and Executive Order 11738.

28.3. 28.4. Any permits or zoning changes which may be required shall be the responsibility of the LESSEE.

28.5. LESSEE agrees to execute any restrictive covenants required by the FHFC or the COUNTY, should COUNTY funding be utilized for the Development, to ensure compliance with the affordable housing requirements of the FHFC and the COUNTY. The restrictive covenant required by the COUNTY shall be in such form as approved by the Miami-Dade County Attorney's Office and shall, at a minimum, include a requirement that all of the residential units shall be rented to households with income at or below sixty percent (60%) of Adjusted Median Income for the term of the LEASE. This restrictive covenant shall not be

subordinated to the interest of any lender financing the construction of the Development without the prior consent of the Board of County Commissioners.

ARTICLE XXIX

INSPECTION BY THE LESSOR

29.1. The LESSOR may make periodic inspections of all of the DEMISED PREMISES and equipment to determine if such are being maintained in a reasonably neat and orderly condition. The LESSEE shall be required to make any improvements in cleaning or maintenance methods required by the LESSOR. Such periodic inspections may also be made to determine whether the LESSEE is operating in compliance with the terms and provisions of this LEASE.

ARTICLE XXX

LEASEHOLD FINANCING

30.1. Right to Mortgage. LESSEE and SUBLESSEE shall have the right to grant such mortgages of their respective interest in this LEASE or the Sublease, as applicable, as may be contemplated by the Housing Credits application and SAIL loan application filed by LESSEE or SUBLESSEE, (each, a "Leasehold Mortgage" and collectively, the "Leasehold Mortgages") to lenders and, in connection therewith, to collaterally assign this LEASE or the Sublease, as applicable, to such lenders; provided, however, that in no event shall LESSOR ever be required to execute any such mortgage, or any note secured thereby or any other obligation securing any such note, or to subordinate LESSOR'S fee interest in the DEMISED PREMISES or any portion thereof to the lien of any such mortgage. LESSEE shall deliver to LESSOR a written notification containing the name of the mortgagee (holder of each Leasehold Mortgage (each, a "Leasehold Mortgagee" and collectively the "Leasehold Mortgagees") and the address(es) to which notices to the Leasehold Mortgagees are to be sent, within five (5) business days after LESSEE'S grant of a Leasehold Mortgage. LESSOR hereby consents to the proposed Leasehold Mortgages and related regulatory agreements set forth on EXHIBIT "C" attached hereto. Notwithstanding any provision in this LEASE to the contrary, there shall be no subordination of the LESSOR'S fee simple interest in the Demised Premises to the lien of any Leasehold Mortgagee of the LESSEE or its assigns, nor shall the COUNTY be required to join in such mortgage financing. No Leasehold Mortgagee may impose any lien upon the LESSOR'S fee simple interest in the DEMISED PREMISES.

30.2. Consent Required for Cancellation, Surrender and Amendment. A cancellation, surrender or modification of this LEASE by agreement between LESSOR and LESSEE shall be effective as to all Leasehold Mortgagees, if consented to in writing by all Leasehold Mortgagees, and the Investor Limited Partner. Notice of any such consent by each Leasehold Mortgagee shall be delivered to the LESSOR pursuant to the provisions of Article XXIII.

30.3. Default Notice. LESSOR, upon providing LESSEE with any notice of: (i) default or a potential or threatened default under this LEASE, or (ii) termination of this LEASE, shall at the same time provide a copy of such notice to Investor Limited Partner and to every Leasehold

Mortgagee of whom it has knowledge pursuant to notice from LESSEE provided in accordance with this Article. No such notice by LESSOR to LESSEE shall be deemed to have been duly given unless and until a copy thereof has been so provided to Investor Limited Partner and to every Leasehold Mortgagee in the manner required or as specified in Article XXIII. From and after the date such notice has been given to Investor Limited Partners and/or a Leasehold Mortgagee, such Leasehold Mortgagee shall have the same period, after the giving of such notice upon it, for remedying any default or causing the same to be remedied, as is given LESSEE, after giving of such notice to LESSEE, plus, in each instance, the additional periods of time specified in paragraphs 30.4, 30.5 and 30.6 of this Article XXX. Lessor shall accept such payment or performance by or at the instigation of Investor Limited Partner or such Leasehold Mortgagee, as if the same had been done by LESSEE. LESSEE authorizes Investor Limited Partner and any and each Leasehold Mortgagee to take any such action at the Investor Limited Partner's or such Leasehold Mortgagee's option and does hereby authorize entry upon the DEMISED PREMISES by the Investor Limited Partner and/or any Leasehold Mortgagee for such purpose.

30.4. Notice to Leasehold Mortgagee and Investor Limited Partner. Anything contained in this LEASE to the contrary notwithstanding, if any default shall occur which entitles LESSOR to terminate this LEASE, LESSOR shall have no right to terminate this LEASE unless, following the expiration of the period of time given LESSEE to cure such default, LESSOR shall notify every Leasehold Mortgagee and Investor Limited Partner, of LESSOR's intent to so terminate, at least ninety (90) days in advance of the proposed effective date of such termination (the "Mortgagee Cure Period"). The provisions of paragraph 30.5 of this Article XXX shall apply if, during such Mortgagee Cure Period, any Leasehold Mortgagee or Investor Limited Partner:

30.4.1. notifies LESSOR of such Leasehold Mortgagee's or Investor Limited Partner's desire to cure the default described in such notice; and

30.4.2. pays or causes to be paid all Base Rent and other payments then due and in arrears as specified in the notice given to such Leasehold Mortgagees and Investor Limited Partner and which may become due during such Mortgagee Cure Period; and

30.4.3. complies or in good faith, with diligent efforts, commences to comply with all non-monetary requirements (i.e., all obligations other than the payment of Base rent and other amounts due LESSOR under this LEASE) of this LEASE then in default and reasonably susceptible of being complied with by such Leasehold Mortgagee or Investor Limited Partner; provided, however, nothing herein shall excuse the Leasehold Mortgagee or its successors from using the Development for the purposes required by this Lease.

30.5. Procedure on Default. If LESSOR shall elect to terminate this LEASE by reason of any default of LESSEE, and a Leasehold Mortgagee or Investor Limited Partner shall have proceeded in the manner provided for by paragraph 30.4 of this Article XXX, LESSOR will enter into a new lease for the DEMISED PREMISES with such Leasehold Mortgagee or Investor Limited Partner, for the remainder of the term, effective as of the date of such termination, at the same Base Rent and subject to the same covenants and agreements, terms, provisions and limitations herein contained, provided that: (i) LESSOR receives the Leasehold Mortgagee's written request for such new lease within the Mortgagee Cure Period and such written request is

accompanied by payment to LESSOR of all amounts then due and owing to LESSOR under this LEASE, as well as interest accumulated thereon, and such non-monetary defects have been cured or are being cured in a diligent manner that is satisfactory to LESSOR, and (ii) within ten (10) days after the delivery of an accounting therefore by LESSOR, such Leasehold Mortgagee or Investor Limited Partner pays any and all costs and expenses, including reasonable counsel fees, court costs and disbursements made by LESSOR in connection with any such default and termination as well as in connection with the execution and delivery of the new lease, less the net income collected by LESSOR from the DEMISED PREMISES subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Base Rent thereafter becoming due under the new lease.

30.6. Extension of Cure Period. If, within the Mortgagee Cure Period, more than one request for a new lease shall have been received by LESSOR for the DEMISED PREMISES, priority shall be given (regardless of the order in which such request shall be made or received) to the Investor Limited Partner and then to any Leasehold Mortgagee making such a request in order of their priority of interest in said DEMISED PREMISES. Simultaneously with the making of such new lease, the party obtaining such new lease and all other parties junior in priority of interest in the DEMISED PREMISES shall execute, acknowledge and deliver such new instruments, including a new mortgage, and a new sublease, as the case may be, and shall make such payments and adjustments among themselves as shall be necessary and proper for the purpose of restoring to each of such parties as nearly and reasonably possible, the respective interest and status with respect to the DEMISED PREMISES which was possessed by the respective parties prior to the termination of this LEASE.

3.1. The term of this LEASE shall become effective upon the date the last of the LESSOR and LESSEE executes this Lease (the "Effective Date"). LESSEE shall take no action to change the physical nature of or otherwise commence any substantial construction upon the

DEMISED PREMISES until the Commencement Date, as defined below. The term of the lease shall expire sixty-five (65) years and one (1) day after the Commencement Date (the "Term of the Lease"), unless this Lease is terminated earlier pursuant to the provisions contained herein. The "Commencement Date" shall be the date that the LESSEE closes on its construction financing and the syndication of federal low income housing tax credits for purposes of constructing affordable housing for rental to qualified persons under Section 42 of the Internal Revenue Code of 1986 and the regulations promulgated thereunder, as amended (the "Code") awarded to LESSEE by the Florida Housing Finance Corporation ("FHFC") (the "Housing Credits").

Notwithstanding the foregoing, the LESSEE understands and agrees that there is no obligation of the COUNTY or OCED to fund either this \$300,000 in matching funds or any gap funding and that it is the obligation of the LESSEE to properly apply for said funds at the appropriate time.

ARTICLE IV

4.1.4. LESSOR further agrees that, subsequent to the Effective Date of this Lease, LESSOR and LESSEE shall grant substantively to each other, all reasonable and customary pedestrian and vehicular access and utility easements, over, through and under LESSOR's and LESSEE's property, necessary or convenient for the construction, use and operation of the Development and for the use of the existing County facilities.

4.2. No material changes in the use described above are permitted without the express prior written approval of the Miami-Dade County Board of County Commissioners.

4.3. The Residential Units will be constructed on the DEMISED PREMISES in accordance with the general timeline as set forth in EXHIBIT "B", which is attached hereto and incorporated herein by reference.

4.4. LESSEE, in its use of the DEMISED PREMISES, shall comply with all applicable laws and regulations regarding waste and hazardous materials. In that regard, LESSEE shall not do or suffer to be done in, on or upon the DEMISED PREMISES or as may affect the DEMISED PREMISES, any act which may result in damage or depreciation of value to the DEMISED PREMISES or any part thereof due to the release of waste or hazardous materials on the DEMISED PREMISES.

4.5. LESSEE shall not do or suffer to be done in, on or upon the COUNTY's surrounding property, any act which may result in damage to or interference with, the COUNTY's use of its surrounding property, including interference with the current availability of persons to park in up to 107 parking spaces at the Culmer Center Neighborhood Service Center and LESSEE shall be liable to repair any damage it causes. If the playground equipment located on County property is moved or damaged due to construction of the Development, the LESSEE shall replace such equipment with new equipment similar in standard, which is acceptable to the County's Department of Human Services. If the playground equipment is moved, it shall be moved to a location chosen by the County on County property and subject to the direction of the County.

4.6. LESSEE shall not do or suffer to be done any act which may interfere with the County's plans to rehabilitate or demolish and reconstruct the Culmer Neighborhood Service Center buildings located on County owned property adjacent to the Demised Premises.

4.7 Notwithstanding the foregoing, the LESSEE agrees that:

(a) if LESSEE has not received an Allocation Letter for either the Development or the Adjacent Development by December 31, 2010; and,

(b) the COUNTY has provided LESSEE no less than thirty (30) days' notice in writing, that it has a use for a portion of the DEMISED PREMISES on either the Development or the Adjacent Development ; then

upon the expiration of the above notice period, that portion of the DEMISED PREMISES required by the COUNTY and described in its written notice to the LESSEE, shall be released and removed from this Lease as a portion of the DEMISED PREMISES, by amendment to the Lease, and this Lease, as amended, will remain in effect and otherwise unmodified.

(c) The Parties agree that the COUNTY may exercise its right to remove a portion of the DEMISED PREMISES from this Lease, as set forth above, for any use, except for the development of affordable housing. The Parties further agree that such removal will only affect and reduce the size of the DEMISED PREMISES of either the Development or the Adjacent Development, but not both.

ARTICLE V

RENT LEASE PAYMENTS

5.1. The annual base rent shall be One Dollar (\$1.00) per year (the "Base Rent"). LESSEE will pay LESSOR the base rent for the entire initial Term, on the Commencement Date.

The Base Rent will be paid at the address specified for LESSOR or such other address as LESSOR may direct from time to time by written notice.

ARTICLE VI

UTILITIES, INFRASTRUCTURE, TAXES AND ASSESSMENTS

6.1. All utilities shall be placed in the name of the LESSEE, and the cost of all utilities, including the cost of any infrastructure installed in connection with any utilities pertaining to the DEMISED PREMISES, shall be paid by the LESSEE. LESSEE shall also install or cause to be installed, at its sole cost or expense, all necessary connections between the buildings constructed by it on the Demised Premises, and the water, sanitary and storm drain mains and mechanical and electrical conduits and other utilities, whether or not owned by LESSOR. LESSOR hereby grants to LESSEE the non-exclusive right to construct utility infrastructure and connection and to tie-in to existing infrastructure and utility connections serving the Demised Premises, as may be set forth in the Approved Plans. LESSEE shall pay the cost of all utilities provided to the DEMISED PREMISES.

6.2. The LESSEE shall have the obligation to pay all taxes and assessments levied upon or relative to the DEMISED PREMISES incurred subsequent to the Commencement Date, unless LESSEE is granted an exemption therefrom by appropriate government bodies. LESSEE's obligation to make any payments pursuant to this paragraph shall survive the expiration or early termination of this LEASE. Notwithstanding anything set forth in this Article VI to the contrary, LESSEE shall only be liable for the taxes and assessments levied against, upon or relative to the DEMISED PREMISES arising, accruing or assessed during the Term of this LEASE.

6.3. Any off-site improvements required to be performed, paid for or contributed to as a result of the construction of the Development shall be paid for by the LESSEE or third-parties other than the LESSOR. As part of the off-site improvements, LESSEE shall also be required to incorporate into its development plan the façade improvements of the businesses along NW 3rd avenue, north of NW 16th street and south of NW 17th street, which abut the property. Such improvements will be done at the sole cost and expense of LESSEE and its affiliates and partners, in a time and manner acceptable to and approved by the LESSOR. The LESSEE agrees that with the first phase of its development it will contribute \$75,000 for the façade improvements mentioned above and \$50,000 with the second phase. The Mayor or his designee is authorized to execute or amend such Agreements as may be required, following approval by the County Attorney's Office, to enforce this requirement and LESSEE shall execute any such agreements LESSOR deems necessary to enforce LESSEE'S to make such improvements.

ARTICLE VII

7.1. The LESSEE agrees to provide, at its sole cost and expense, all maintenance and repairs for the DEMISED PREMISES and the Development to be constructed thereon, both exterior and interior, required to keep the DEMISED PREMISES in a state of good repair, and in

- M. Maintenance of elevator(s).

7.2. If the LESSEE fails to maintain the DEMISED PREMISES and effect repairs, the LESSOR shall notify the LESSEE of the deficiency. Failure of LESSOR to notify Lessee of the deficiency shall not relieve LESSEE of LESSEE's obligation to affect such repairs or maintain the DEMISED PREMIISES. If the LESSOR causes the repair, after no less than thirty (30) days prior notice, or immediately in case of an emergency, the LESSEE is responsible for payment for such repairs within thirty (30) days of presentation of an invoice. Failure to affect repairs or promptly reimburse LESSOR shall constitute an event of default under the LEASE and shall entitle the LESSOR to cancel the LEASE pursuant to the remedies set forth in Article XXI of this LEASE.

ARTICLE VIII

CONSTRUCTION

8.1. It is hereby agreed that the DEMISED PREMISES shall be left in its natural state insofar as possible and that said lands shall be utilized only for the purposes as are outlined above. However, the LESSEE, at its own expense, shall make such improvements, as provided herein, upon said land as shall be reasonably necessary to place the DEMISED PREMISES in such state or condition that they may be used for the purposes for which this LEASE is made and entered into. Such improvements are to be at the sole cost and expense of the LESSEE. All phases of construction required pursuant to this LEASE shall be completed by: (i) June 30, 2012 if LESSEE receives the Allocation Letter in 2009; or (ii) June 30, 2013 if LESSEE receives the Allocation Letter in 2010; or (iii) June 30, 2014 if LESSEE receives the Allocation Letter in 2011, unless a later date is approved in writing by the County Manager or his designee.

8.2. Development Plans.

8.2.1. COUNTY Approval of Plans. No clearing or excavation of any portion of the Demised Premises shall be commenced until the Plans (as defined below) for the Development planned thereon have been approved in writing by the COUNTY, as applicable, as

more particularly set forth in this Section 8.2. COUNTY shall designate the department, division, or office to perform all functions under this section 8.2 and shall notify LESSEE of such designation not later than June 30, 2009. The COUNTY may at any time, and in the COUNTY'S sole and absolute discretion, designate a different department or office to perform the functions under this section and shall give LESSEE notice of such change. No building, wall, structure or other improvement constituting the Development shall be commenced, erected or placed on any portion of the Project Site until the Plans for same have been approved in writing by the COUNTY, pursuant to this Section 8.2. Each building, wall, structure or other improvement constituting the Development shall be constructed by the LESSEE in substantial accordance with the Plans, all as approved by the COUNTY, in accordance with this Section 8.2 (the "Approved Plans"). The term "Plans" as used in this Agreement shall mean plans, drawings and outline specifications providing details as to: (i) the volume of all improvements to be constructed (including, without limitation, the height, setbacks, projecting elements, entries and access ways of all such improvements); (ii) roof-level design, (iii) elevations and facades of all improvements (including elements such as windows, spacing and size of fenestrations, balconies, canopies, cornices, moldings and ornamentation lines and exterior details); and (iv) exterior finishing materials, lighting plans and architectural treatment of machinery and equipment visible from the exterior of the Development. The Plans shall be substantially consistent with the LESSEE'S Application for the Leasehold, which was submitted and was the inducement for the passage of County Resolution No. R-_____. The COUNTY shall not unreasonably withhold its approval of the Plans. Under this Section 8.2, the COUNTY shall not be liable to the LESSEE or any third party as a result of its approval of any Plans; and the LESSEE shall indemnify and hold harmless the COUNTY, its officers, employees and agents from any and all claims arising out of or relating to the COUNTY'S approval of the Plan.

8.2.2. Plan Approval Process. The COUNTY shall have a period of thirty (30) days after receipt of two (2) counterpart copies of the Plans to advise the LESSEE in writing of their approval or disapproval of the same. The COUNTY shall notify the LESSEE on or before the thirtieth (30) day following receipt of the Plans of any disapproval of said Plans together with the specific reasons therefor and the steps necessary to correct the same. In the event of a disapproval of which the LESSEE is duly notified, the LESSEE shall, within thirty (30) days after the date they receive the notice of such disapproval, resubmit such Plans to the COUNTY altered to meet the grounds of disapproval. Any resubmission shall be subject to review and approval by the COUNTY pursuant to the Plan Approval Process (as defined below), until the same shall be finally approved by the COUNTY, provided, however, after resubmission of the Plans to the COUNTY, the COUNTY shall have a period of thirty (30) days after receipt of the Plans to advise the LESSEE in writing of their approval or disapproval of the same. After approval of any particular Plans by the COUNTY, the approval as to those Plans may not be subsequently withdrawn or rejected (the preceding approval process is defined herein as the "Plan Approval Process"). No approvals by the COUNTY of any Plans pursuant to this Section 8.2 shall release the LESSEE of any obligation they may have at law to file the Plans with any appropriate department of the COUNTY or any other governmental authority having jurisdiction thereover, or to obtain any building or other permit or approval required by law, regulation or ordinance. All Plans as finally approved by the COUNTY shall be initialed by an authorized representative of the COUNTY and the LESSEE, and shall be and are incorporated into this Agreement by this reference, and such Plans shall be deemed conclusive evidence that the COUNTY has accepted such Plans as being in conformity with the requirements of this

Agreement. The foregoing shall in no way be deemed to inhibit, restrict or require the exercise of the COUNTY's police power or actions of the COUNTY when acting in a quasi-judicial capacity.

8.2.3. Construction Plans. Prior to the commencement of construction of the Development on the Demised Premises, the LESSEE shall submit to the COUNTY final detailed working plans and specifications, including, without limitation, foundation, structural, electrical and mechanical drawings and specifications as required by COUNTY Code.

8.2.4. Notice of Commencement. LESSEE shall promptly provide a copy of the recorded Notice of Commencement to COUNTY.

8.2.5. Changes to Plans. The LESSEE shall not materially change or modify the Approved Plans without the COUNTY's prior written consent, which shall not be unreasonably withheld provided that the change is consistent with the approved Plans. Any such requested modification of the Approved Plans shall be submitted to the COUNTY for review in accordance with the Plan Approval Process, provided, however, that the time period for review shall be thirty (30) days. The COUNTY agrees that it shall approve any change which is in fact in substantial accordance with the approved Plans.

8.2.6. Conformity of Plans. All work by the LESSEE with respect to the Development shall be in substantial accordance with the Approved Plans, this Agreement and applicable governmental permits, laws, codes, ordinances and regulations.

8.2.7. Construction Contract(s). The LESSEE shall engage a general contractor(s) having experience commensurate with the size and scope of the Development and the financial ability to perform their obligations to complete the Development. The LESSEE shall provide the COUNTY with a copy of the proposed construction contract(s) for review. The COUNTY shall have the right to review the construction contract only to determine that the contract: (i) is fully one hundred percent (100%) bonded as to both payment and performance in favor of the COUNTY and the LESSEE (and/or any other affected party if required by applicable law), as co-obligees and as their interests may appear; (ii) is with a general contractor(s) meeting the requirements of this Section 8.2.7; (iii) contains a definition of "completion" or "substantial completion" which is the same or more stringent than the definition of Substantial Completion set forth in Section 8.2.9 below; (iv) requires construction of the Development in substantial accordance with the Approved Plans; (v) requires completion of the Development within the term of this Agreement; (vi) includes usual and customary liquidated damage clauses or incentives for timely completion; and (vii) includes a provision that neither the contractor thereunder, nor any subcontractor, shall lien the COUNTY's fee simple interest in that portion of the Demised Premises that is the subject matter of the contract. If the COUNTY reasonably determines that the construction contract(s) is not in accordance with the foregoing, then the COUNTY shall give notice of such to the LESSEE together with a written list of provisions in the construction contract(s) which it determines do not comply with clauses (i) through (vii) above, and accordingly require modification, within thirty (30) days of submission to the COUNTY.

8.2.7.1 The LESSEE shall cooperate with the Miami-Dade County Department of Business Development (“DBD”) to identify and establish appropriate Community Small Business Enterprise (“CSBE”) measures including goals and local workforce goals under the Community Workforce Program Provisions (“CWP”) for the construction trade and labor work associated with the construction.

8.2.7.2 LESSEE and the general contractor(s) retained hereunder shall comply with all CSBE subcontractor and local workforce goals established by DBD and comply with all other requirements of CSBE participation provisions and Community Workforce Program Provisions.

8.2.7.3 Any general contractor(s) retained hereunder shall, and shall require all subcontractors to (i) comply with all periodic monitoring and other compliance documentation required by DBD in connection with the CSBE Participation provisions, the CWP and the Responsible Wages ordinance; (ii) grant to DBD all rights of access to records of the general contractor and subcontractors for monitoring and compliance with the foregoing; and (iii) comply with all enforcement actions and pay any sanctions imposed by DBD for non-compliance with the foregoing. The foregoing requirements shall be included in the general contractor’s construction contract and subcontractor bid package and subcontract.

8.2.7.4 Any general contractor(s) retained hereunder shall have an affirmative action plan filed with and approved by the DBD which plan shall be in accordance with Miami-Dade County Ordinance No. 82-37 and shall be in effect for the entire term of its construction contract with the LESSEE.

8.2.8. COUNTY’s Inspection. The LESSEE shall be responsible for inspecting the construction and work being performed by the general contractor(s) to determine if said construction and work are being performed in substantial accordance with the Approved Plans. Monthly reports of their inspections shall be included within the Progress Reports (as defined below). The COUNTY shall have the right to inspect the Development from time to time to verify the LESSEE’s reports. The LESSEE shall cooperate (and shall cause their general contractor(s) and any other contractors, subcontractors, employees and agents to cooperate) fully with all such inspections and examinations. In making the foregoing inspections, the COUNTY will take care so as not to interfere with the progress of construction of the Development.

8.2.9. Acknowledgement(s) of Final Completion. Upon the “Substantial Completion” (as defined below) of the Development on any portion of the Demised Premises, the COUNTY shall furnish the LESSEE with an instrument acknowledging the completion of the Development and evidencing the COUNTY’s acceptance of the Development (the “Acknowledgement of Final Completion”). For the purposes hereof, “Substantial Completion” or “Substantially Completed” shall mean such time as: (i) the Development have been completed in substantial accordance with the Approved Plans, except only for minor punch list items of detail and decoration; (ii) a temporary certificate of occupancy or unconditional certificate of occupancy (if required or applicable) has been issued by the appropriate governmental agency with respect to the Development; and (iii) the COUNTY has received a signed and sealed professional certification from an architectural or engineering firm reasonably acceptable to the COUNTY that the Development are completed in substantial accordance with the Approved

Plans, except only for minor punch list items of detail and decoration. The Acknowledgement of Final Completion shall only be issued upon a determination by the COUNTY (which shall not be unreasonably withheld, delayed or conditioned) that the Development have been Substantially Completed, and upon COUNTY's receipt from the LESSEE of the following:

8.2.9.1 two (2) sets of as-built final Plans for the Development; and

8.2.9.2 a final affidavit and release of lien from the LESSEE's general contractor(s) attesting to the receipt and payment of all obligations relating to construction and development of the Development and final releases of lien by all lienors, subject to final payment by the LESSEE under this Section 8.2.8.

If the COUNTY reasonably determines not to issue the Acknowledgement of Final Completion in accordance herewith, the COUNTY shall, within thirty (30) days after written request from the LESSEE, provide the LESSEE with a written statement indicating in what respects the LESSEE have failed to Substantially Complete the Development, and what measures and acts, the COUNTY reasonably believes are necessary for the LESSEE to take or perform in order to obtain such Acknowledgement of Final Completion pursuant to this Section 8.2.9. The issuance of the Acknowledgement of Final Completion shall be conclusive evidence of the full compliance by the LESSEE of all requirements of this Agreement as to the Development. After issuance of an Acknowledgement of Final Completion, such acknowledgement may not be revoked by the COUNTY.

8.2.10. Warranty. The LESSEE shall cause the COUNTY to be provided with a usual and customary one (1) year contractor warranty in connection with all Development constructed by the LESSEE on any portion of the Demised Premises.

8.2.11. Commencement of Construction. Subject to "Force Majeure" (as defined below) and the satisfaction of the conditions precedent set forth in this Lease, the LESSEE shall commence construction of the Development and, at all times, proceed diligently to Substantial Completion in substantial accordance with Exhibit B.

8.2.12. Progress of Construction. The LESSEE shall commence construction of the Development and at all times continuously proceed with said construction, subject to Force Majeure. The LESSEE shall keep the COUNTY advised of the progress of the Development through monthly progress reports (the "Progress Reports") in form and substance reasonably agreed to by the COUNTY and the LESSEE, delivered to the COUNTY on or before the fifteenth (15th) of each month containing information for the immediately preceding month. In the scheduling of construction work on the Project Site, the LESSEE shall take reasonable steps to minimize interference with the normal traffic flow and operations of the County facilities, in and around the Project Site in a system and manner reasonably acceptable to the COUNTY. The LESSEE shall perform all work in a good and professional manner and consistent with and substantially in accordance with the Approved Plans.

8.2.13. Compliance with Laws. The Development will be constructed by the LESSEE in accordance with applicable statutes, laws, ordinances, rules, regulations, and orders, including, without limitation, those regarding the storage, use, removal, disposal, handling and

transportation of Hazardous Substances (as defined below), provided that nothing herein shall limit the right of the LESSEE or contractor to contest the validity or enforceability of any such statute, law, ordinance, rule, regulation, or order with which the LESSEE may be required to comply. As used herein, the term "Hazardous Substances" mean any flammable explosives, radioactive materials, friable asbestos, electrical transformers, batteries and any paints, solvents, chemicals, or petroleum products, as well as any substance or material defined or designated as a hazardous or toxic waste material or substance, or other similar term by any federal, state, municipal or local environmental statute, regulation or ordinance presently or hereinafter in effect, as such statute, regulation or ordinance may be amended from time to time.

8.2.14. Force Majeure shall be defined as any event or condition beyond the control of LESSEE or the COUNTY, including, without limitation, strikes, labor disputes, acts of God (expressly including, but not limited to, tropical storms, hurricanes, earthquakes, and tsunamis), the elements, governmental restrictions, regulations or controls, enemy action, acts of terrorism, wars, riots, major upheaval, civil commotion, fire, casualty, or accidents, which causes delay.

ARTICLE IX

CONSTRUCTION RELATED LIENS

9.1. All persons, firms or corporations dealing with the LESSEE, if any, in respect to the furnishing of any labor, services or materials for any Development, are hereby placed on notice that no liens of any nature or character shall be imposed upon or enforced against LESSOR'S interest in the DEMISED PREMISES or Development, but the interest of the LESSEE in the DEMISED PREMISES only shall be relief for payment of the cost of such Development. The LESSEE shall include language to the effect of the foregoing sentence in all its agreements, if any.

9.2. The LESSEE agrees that it will not permit any mechanic, materialmen or other liens to stand against the DEMISED PREMISES for work or materials furnished to the LESSEE for the DEMISED PREMISES, it being provided, however, that the LESSEE shall have the right to contest the validity thereof. The LESSEE shall immediately pay any and all judgment decrees rendered against the LESSEE, following the conclusion of such legal processes (including all available appeals), with all proper costs and charges, and shall cause any such liens to be released of record without cost to the LESSOR.

9.3. This Section shall not apply to Leasehold Mortgages authorized by this LEASE.

ARTICLE X

TITLE TO DEVELOPMENT

10.1. Prior to the expiration, termination, or cancellation of this LEASE, title to all Development on the DEMISED PREMISES and all assets and personal property incorporated into such Development shall be vested in the LESSEE, provided, however, in the event the DEMISED PREMISES are subleased to SUBLESSEE (as defined below) pursuant to the provisions of Article XII and SUBLESSEE constructs the Development, such Development shall

be vested in SUBLESSEE, as long as the Development is used for public and community interest and welfare, and in accordance with and as authorized by this LEASE. However, the LESSEE agrees that it will not resell, lease, mortgage, or encumber or otherwise dispose of any part of the Development except in accordance with this LEASE. Upon expiration, termination, or cancellation of this LEASE, title to the Development on the DEMISED PREMISES and all assets and personal property incorporated into such Development, other than personalty which is not permanently affixed to the DEMISED PREMISES, shall thereafter be vested in the LESSOR without payment by the LESSOR to the LESSEE.

10.2. The LESSOR shall have no liability or obligation to the LESSEE's contractors, subcontractors, and materialmen performing work on or supplying materials for construction of the Development. The LESSEE warrants that no mortgage, liens, or other encumbrances whatsoever will be placed against the DEMISED PREMISES and the Development thereon by LESSEE. Notwithstanding anything contained herein to the contrary, any provision in this Article restricting or prohibiting the sale, leasing, mortgaging or other encumbrance of the Demised Premises (including the Development) shall not prohibit LESSEE from: (i) entering into the Leasehold Mortgages authorized by this LEASE (and any associated regulatory agreements or other restrictive covenants required by such Leasehold Mortgages), (ii) leasing the Residential Units, or (iii) entering into any extended low income housing agreement as may be required by the Florida Housing Finance Corporation in connection with the award of tax credits for the construction of the Development.

ARTICLE XI

DESTRUCTION OF PREMISES; CONDEMNATION

11.1. In the event that any improvements to the DEMISED PREMISES should be destroyed or so damaged by fire, windstorm, or other casualty to the extent that such improvements are rendered unfit for the LESSEE's purposes, LESSEE shall restore the Development to good condition as soon as practical thereafter as set forth below. If the insurance proceeds are insufficient to restore the DEMISED PREMISES as required by this paragraph, then LESSEE shall give prompt written notice to LESSOR after the occurrence of any fire, earthquake, act of God or other casualty to the Development or any portion thereof. Subject to Section 11.2 below, if during the Term, the Development shall be damaged or destroyed by casualty, LESSEE shall repair or restore the Development, so long as it is lawful to do so and there are adequate insurance proceeds available to LESSEE for that purpose. In the event that more than fifty percent (50%) of the value of the Development and/or the DEMISED PREMISES are damaged or destroyed, and LESSEE shall determine (or if SUBLESSEE shall so determine pursuant to the Sublease, as defined below) subject to the rights of the Leasehold Mortgagees and the obligations of the grantor under such Leasehold Mortgages, and shall notify LESSOR in writing within thirty (30) days after settlement of any claim with the insurer, that it is not economically practical to restore the DEMISED PREMISES to substantially the same condition in which they existed prior to the occurrence of such casualty, then LESSEE may terminate this LEASE as of a date that is not less than thirty (30) days after the date of such notice. If LESSEE terminates this Lease pursuant to this Section, LESSEE shall surrender possession of the Premises to LESSOR upon termination and assign to LESSOR all of its right,

title and interest in and to the proceeds from LESSEE's insurance and the proceeds of any insurance shall be disbursed as provided in Section 11.2 below.

11.2. In the event that this LEASE is terminated pursuant to Section 11.1 above, the insurance proceeds received as the result of such casualty shall be distributed as follows: (a) first, to the holders of the Leasehold Mortgages in their order of priority to the extent of any indebtedness then owed to the Leasehold Mortgagees; (b) second, LESSOR shall be paid an amount sufficient to remove any improvements not repaired and to return the DEMISED PREMISES to the level of the adjacent streets, (c) third, LESSEE shall be paid an amount equal to the then unamortized costs of construction of the Development (including any alterations or modifications thereto), provided, however, if LESSEE and SUBLESSEE have entered into the sublease and the Development are constructed and insured by SUBLESSEE, any amounts payable to LESSEE under this clause (c) shall be paid to SUBLESSEE, and (d) the balance, if any, of such insurance proceeds shall be assigned or paid over to LESSOR.

11.3. If, by exercise of the right of eminent domain or by conveyance made in response to the threat of the exercise of such right (in either case a "Taking"), all of the DEMISED PREMISES are taken, or if so much of the DEMISED PREMISES are taken that the DEMISED PREMISES cannot reasonably be used by LESSEE for the purposes for which they were used immediately before the Taking, then this LEASE shall, subject to the requirements of the Leasehold Mortgages, at LESSEE's sole option, terminate on the earlier of the vesting of title to the DEMISED PREMISES in the condemning authority, or the taking of possession of the DEMISED PREMISES by the condemning authority; provided, however, if LESSEE and SUBLESSEE have entered into the sublease, LESSEE may not elect to terminate this LEASE without the prior written consent of SUBLESSEE and all Leasehold Mortgagees and Investor Limited Partner, as defined below.

11.3.1. LESSOR and LESSEE agree that, in the event of a Taking that does not result in the termination of this LEASE pursuant to this Article, this LEASE shall continue in effect as to the remainder of the DEMISED PREMISES, and the net amounts owed or paid to the Parties or to which either of the Parties may be or become entitled by reason of any Taking or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any reasonable, unreimbursed costs and expenses incurred by the Parties in collecting such award or payment (the "Net Condemnation Award"), will be disbursed under applicable laws and regulations, and to the extent permitted by the foregoing, in accordance with subsection 11.3.3 below to LESSEE and/or any Leasehold Mortgagees, if the terms of the Leasehold Mortgage so require. Such Net Condemnation Award shall be used so as to make the Demised Premises and Development, including any necessary construction, complete, unified and efficient, as nearly as reasonably possible to the condition existing prior to the Taking, subject to any applicable requirements of any Leasehold Mortgage.

11.3.2. If there shall be a temporary Taking with respect to all or any part of the DEMISED PREMISES or of LESSEE's interest in this LEASE, then the term shall not be reduced and LESSEE shall continue to pay in full all rents, impositions and other charges required herein, without reduction or abatement thereof at the times herein specified; provided, however, that LESSEE shall not be required to perform such obligations that LESSEE is prevented from performing by reason of such temporary Taking.

11.3.3. If there is a Taking, whether whole or partial, LESSOR and LESSEE shall be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to their respective interests in any condemnation proceedings, or as may be otherwise agreed. If the DEMISED PREMISES shall be restored as is contemplated in subsection 11.3.1 above, LESSEE shall be entitled to recover the reasonable costs and expenses incurred in such restoration out of any Net Condemnation Award, as determined by such award. Thereafter, if the condemning authority does not make separate awards, the parties agree that any Net Condemnation Award will be allocated between them on a proportionate basis, taking into account factors including the value of the land, the value of the Development and the remaining term of this LEASE. If the parties are unable to agree as to the exact percentage of such allocation and the parties are unable to agree as to amounts that are to be allocated to the respective interests of each party, then each party shall select an independent M.A.I. real estate appraiser (an "Appraiser"). Each Appraiser shall separately determine the amount of the balance of the Net Condemnation Award that is to be allocated to each party. If the percentage allocated to LESSOR by one Appraiser is within ten percent (10%) of the percentage allocated to LESSOR by the other Appraiser, then the two percentage allocations shall be averaged and such average percentage shall be the percentage to be allocated to LESSOR, with the remaining percentage of the balance of the Net Condemnation Award to be allocated to LESSEE. If the percentage allocated to LESSOR by one Appraiser is not within ten percent (10%) of that allocated to LESSOR by the other Appraiser, then the two Appraisers shall select a third Appraiser, who shall independently determine the percentage of the balance of the Net Condemnation Award that should be allocated to each party; and the average of the percentages determined by the three Appraisers to be allocable to LESSOR shall be the percentage that is allocated to LESSOR, and the remaining percentage of the balance of the Net Condemnation Award shall be allocated to LESSEE. If necessary to engage a third Appraiser, such Appraiser shall be engaged jointly by LESSEE and LESSOR. The costs of all Appraisers engaged under this Section 11.3.3 shall, in the aggregate, be split equally by LESSEE and LESSOR. Nothing herein prohibits any party from seeking the determination of a court of competent jurisdiction as to the value of each party's interest in the Demised Premises.

11.3.4. If any Leasehold Mortgage exists, the Leasehold Mortgagee(s), to the extent permitted by law, shall be made a party to any Taking proceeding.

ARTICLE XII

ASSIGNMENT; SUBLEASE

12.1. The LESSEE shall not assign or transfer its interest in this LEASE without the written approval of the LESSOR. Notwithstanding the foregoing, LESSOR and LESSEE agree that LESSEE may assign this LEASE to a limited partnership of which the LESSEE, a not-for-profit affiliate of LESSEE, or a limited liability company affiliate of LESSEE, is a general partner.

12.2. Notwithstanding anything construed in this LEASE to the contrary, the LESSOR acknowledges and agrees that LESSEE intends to sublet the DEMISED PREMISES to AMC HTG 1, LTD., a Florida limited partnership, ("SUBLESSEE") pursuant to a sublease (the "Sublease") whereby SUBLESSEE will agree to construct and insure the Development, in

accordance with the provisions and subject to the requirements of this LEASE. For so long as the Sublease is effective, LESSOR agrees (i) to accept performance by SUBLESSEE of any and/or all of LESSEE 's obligations hereunder as if same had been performed by LESSEE, and (ii) LESSOR may enforce directly against SUBLESSEE any rights or remedies of LESSOR hereunder, as though SUBLESSEE and LESSOR were in direct contractual privity and as though this LEASE was between SUBLESSEE and LESSOR. Furthermore, LESSOR acknowledges that SUBLESSEE intends to finance construction of the Development and other improvements, in part, with an equity investment to be provided by third party investors (the "Investor Limited Partner"). The aforescribed Sublease shall be effective and valid without any further approvals or consents of LESSOR.

The LESSOR can disallow only signs which have not been previously approved.

ARTICLE XIV

NO LIABILITY

14.1. All personal property placed or moved onto the DEMISED PREMISES shall be at the risk of the LESSEE or the owner thereof. Such periodic inspections may also be made to determine whether the LESSEE is operating the DEMISED PREMISES in compliance with the terms and provisions of this LEASE.

ARTICLE XVI

INTENTIONALLY DELETED

17.1. The COUNTY shall not be liable for any damage or injury which may be sustained by any party or person on the DEMISED PREMISES other than damage or injury caused by the negligence of the COUNTY, its employees or agents, subject to all limitations of Florida Statutes, Section 768.28.

ARTICLE XVIII

PEACEFUL POSSESSION

18.1. Subject to the terms, conditions and covenants of this LEASE, the LESSOR agrees that the LESSEE shall and may peaceably have, hold and enjoy the DEMISED PREMISES, without hindrance or interruption by the LESSOR.

INDEMNIFICATION AND HOLD HARMLESS

19.1. The LESSEE shall protect, defend, using attorneys reasonably acceptable to the LESSOR and hold the LESSOR and its officers, agents, and employees completely harmless from and against any and all liabilities, losses, suits, claims, judgments, fines, or demands arising by reason of injury or death of any person or damage to any property, including all reasonable costs for investigation and defense thereof (including but not limited to reasonable attorneys' fees, court costs, and expert fees, in connection with administrative hearings and litigation through all levels of trial and appellate proceedings), of any nature whatsoever arising out of or incident to this LEASE and the use or occupancy of the DEMISED PREMISES or the acts or omissions of officers, agents, employees, contractors, subcontractors, licensees, or invitees of the LESSEE regardless of where the injury, death or damage may occur, unless such injury, death, or damage is caused by the negligence of the LESSOR, its employees or agents. The LESSOR shall give to the LESSEE reasonable notice of any such claims or actions. The provisions of this Article shall survive the expiration or early termination of this LEASE.

ARTICLE XX

SUCCESSORS INTEREST

20.1. It is hereby covenanted and agreed between the PARTIES that all covenants, conditions, agreements, and undertakings contained in this LEASE shall extend to and be binding on the respective successors and assigns of the respective PARTIES hereto, the same as if they were in every case named and expressed.

ARTICLE XXI

DEFAULT, REMEDIES, AND TERMINATION

21.1. If the LESSEE fails to pay when due amounts payable under this LEASE or to perform any of its other obligations under this LEASE, LESSOR, after thirty (30) days' prior written notice to LESSEE and without waiving any of its rights under this LEASE, may pay such amount or perform such obligations. All amounts so paid by LESSOR and all reasonable costs and expenses incurred by LESSOR in connection with the performance of any such obligations, will be payable by LESSEE to LESSOR within thirty (30) days of demand.

21.2. At the option of the LESSOR, the occurrence of any of the following events shall constitute an Event of Default by LESSEE:

21.2.1. Failure of the LESSEE to operate the DEMISED PREMISES substantially in accordance with its approved uses; material non-performance of any covenant of this LEASE by the LESSEE or any of its subcontractors, agents or licensees, including a failure to rent all of the residential units to households with income at or below sixty percent (60%) of adjusted median income as required by this Lease Agreement and such breach continues for a period of thirty (30) days after written notice by LESSOR to LESSEE; provided, however, if the LESSOR determines that the nature of the breach is such that it cannot be cured by LESSEE within the period of thirty (30) days, the LESSOR shall not declare the LESSEE to be in default of this LEASE, as long as LESSEE has commenced the curing of such default within such thirty (30) day period and prosecutes in good faith, as determined by the LESSOR, the curing of same continuously thereafter until the same is, in fact, cured.

21.2.2. Abandonment or vacation of the DEMISED PREMISES by the LESSEE before the end of the term of this LEASE, for ten (10) days or more.

21.2.3. The failure of the LESSEE to correct destruction of the DEMISED PREMISES, if required in writing by the LESSOR, pursuant to the provisions of Article XI.

21.2.5. Failure to pay the annual rent when due or to reimburse the LESSOR, as required by this Article for more than thirty (30) days after written notice from LESSOR.

21.2.6. Failure to apply for Housing Credits, as required by this Lease Agreement or to use best efforts in its application for Housing Credits. At a minimum, best efforts shall require LESSEE to file a complete and timely application, to timely and in good faith respond to any and all requests for additional information, and to take all actions reasonably necessary to be awarded the Housing Credits.

21.2.7. Failure of the LESSEE to procure an allocation of Housing Credits from the FHFC in either 2009, 2010 or 2011, and alternatively, LESSEE has not, by January 5, 2012, provided to LESSOR, for LESSOR's approval, a feasible financial plan (the "Financial Plan") which, at the sole expense of LESSEE, substantially accomplishes the construction of the

Development, as determined by the Miami-Dade County Commission. If submitted, LESSOR shall, within one hundred and eighty (180) days of receipt of LESSEE's Financial Plan, provide LESSEE with LESSOR's acceptance or rejection of the Financial Plan. If rejected, this LEASE shall be immediately and automatically terminated and LESSEE shall surrender the DEMISED PREMISES back to LESSOR. If the Financial Plan is accepted by LESSOR, the Commencement Date of this LEASE shall be the date LESSEE closes on its construction loan pursuant to the Financial Plan.

21.3. If any one or more Events of Default set forth in this Article occur, then LESSOR may, at LESSOR's sole and exclusive remedy, at law or in equity, but subject in all respects to the rights of any holder of a Leasehold Mortgage and the Investor Limited Partner, as set forth herein, terminate this LEASE by written notice to LESSEE of its intention to terminate this LEASE on the date specified in such notice. On the date of termination, LESSEE's right to possession of the Premises and the Development will cease and the leasehold interest conveyed by this LEASE shall re-vest in LESSOR, subject to the cure provisions of Article XXX and elsewhere in this LEASE, providing such re-vesting of the estate and the reentry by LESSOR shall be subject to and limited by, and shall not defeat, render invalid or limit in any way the lien of any Leasehold Mortgage.

21.4. Notwithstanding any provision to the contrary contained in this LEASE, the LESSOR may, subject to the notice and cure periods set forth in Article XXX and elsewhere in this LEASE, terminate this AGREEMENT immediately upon the voluntary or involuntary assignment of this LEASE without written approval of the LESSOR, except as expressly permitted by this LEASE.

21.5. Notwithstanding any provision to the contrary contained in this LEASE, in the event the LESSEE violates this LEASE and such violation results in a physical defect in the subject property which poses a substantial risk to persons or property, the LESSOR may terminate this LEASE immediately, subject to the notice and cure periods set forth in Article XXX and elsewhere in this LEASE.

21.6. Notwithstanding any provision to the contrary contained in this LEASE, failure of the LESSEE to maintain all necessary zoning approvals and permits for the construction and operation of the Development.

21.7. Notwithstanding any provision to the contrary contained in this LEASE, failure, after the Commencement Date, of the LESSEE to secure and to maintain at all times required licensing, shall entitle the LESSOR, subject to the notice and cure periods set forth in Article XXX and elsewhere in this LEASE, to terminate this LEASE.

21.8. Notwithstanding any provision to the contrary contained in this LEASE, LESSEE acknowledges that a default under this LEASE after the expiration of all cure and grace periods, shall constitute a default under the Adjacent Development Lease and likewise, a default under the Adjacent Development Lease, after the expiration of all cure and grace periods, shall constitute a default under this LEASE. The cross-default provisions of this section 21.8 shall automatically expire, terminate and be of no further force and effect upon the first Commencement Date to occur of either this LEASE or the Adjacent Development Lease.

ARTICLE XXII

On the last day of the Term of the LEASE Agreement, or upon any earlier termination of this LEASE subject to compliance with the provisions of this LEASE regarding termination of the LEASE, LESSEE shall surrender and deliver up the DEMISED PREMISES to the possession and use of LESSOR the buildings and improvements in their then "as is" condition. Where furnished by or at the expense of LESSEE, or secured by a lien held by a lender financing same, signs, furniture, furnishings, movable trade fixtures, business equipment and alterations and/or other similar items may be removed by LESSEE, or, by an approved Sublessee, or lien holder at, or prior to, the termination or expiration of this LEASE; provided however, that if the removal thereof will damage a building or necessitate changes in or repairs to a building which is a part of the Development, LESSEE shall repair or restore (or cause to be repaired or restored) the building to a condition substantially similar to its condition immediately preceding the removal of such furniture, furnishings, movable trade fixtures and business equipment, or pay or cause to be paid to LESSOR the reasonable cost of repairing any damage arising from such removal. The provisions of this paragraph shall survive any expiration of termination of this LEASE.

22.4 Rights to Personal Property After Termination or Surrender. Any personal property of LESSEE which shall remain in the DEMISED PREMISES after the fifteenth (15th) day following the termination or expiration of this LEASE and the removal of LESSEE from the DEMISED PREMISES, may, at the option of LESSOR, be deemed to have been abandoned by LESSEE and, unless any interest therein is claimed by a lender, said personal property may be retained by LESSOR as its property or be disposed of, without accountability, in such manner as LESSOR may see fit. The provisions of this paragraph shall survive any expiration of termination of this LEASE.

ARTICLE XXX

LEASEHOLD FINANCING

30.1. Right to Mortgage. LESSEE and SUBLESSEE shall have the right to grant such mortgages of their respective interest in this LEASE or the Sublease, as applicable, as may be contemplated by the Housing Credits application and SAIL loan application filed by LESSEE or SUBLESSEE, (each, a "Leasehold Mortgage" and collectively, the "Leasehold Mortgages") to lenders and, in connection therewith, to collaterally assign this LEASE or the Sublease, as applicable, to such lenders; provided, however, that in no event shall LESSOR ever be required to execute any such mortgage, or any note secured thereby or any other obligation securing any such note, or to subordinate LESSOR'S fee interest in the DEMISED PREMISES or any portion thereof to the lien of any such mortgage. LESSEE shall deliver to LESSOR a written notification containing the name of the mortgagee (holder of each Leasehold Mortgage (each, a "Leasehold Mortgagee" and collectively the "Leasehold Mortgagees") and the address(es) to which notices to the Leasehold Mortgagees are to be sent, within five (5) business days after LESSEE'S grant of a Leasehold Mortgage. LESSOR hereby consents to the proposed Leasehold Mortgages and related regulatory agreements set forth on EXHIBIT "C" attached hereto. Notwithstanding any provision in this LEASE to the contrary, there shall be no subordination of the LESSOR'S fee simple interest in the Demised Premises to the lien of any Leasehold Mortgagee of the LESSEE or its assigns, nor shall the COUNTY be required to join in such mortgage financing. No Leasehold Mortgagee may impose any lien upon the LESSOR'S fee simple interest in the DEMISED PREMISES.

30.2. Consent Required for Cancellation, Surrender and Amendment. A cancellation, surrender or modification of this LEASE by agreement between LESSOR and LESSEE shall be effective as to all Leasehold Mortgagees, if consented to in writing by all Leasehold Mortgagees, and the Investor Limited Partner. Notice of any such consent by each Leasehold Mortgagee shall be delivered to the LESSOR pursuant to the provisions of Article XXIII.

30.3. Default Notice. LESSOR, upon providing LESSEE with any notice of: (i) default or a potential or threatened default under this LEASE, or (ii) termination of this LEASE, shall at the same time provide a copy of such notice to Investor Limited Partner and to every Leasehold

Mortgagee of whom it has knowledge pursuant to notice from LESSEE provided in accordance with this Article. No such notice by LESSOR to LESSEE shall be deemed to have been duly given unless and until a copy thereof has been so provided to Investor Limited Partner and to every Leasehold Mortgagee in the manner required or as specified in Article XXIII. From and after the date such notice has been given to Investor Limited Partners and/or a Leasehold Mortgagee, such Leasehold Mortgagee shall have the same period, after the giving of such notice upon it, for remedying any default or causing the same to be remedied, as is given LESSEE, after giving of such notice to LESSEE, plus, in each instance, the additional periods of time specified in paragraphs 30.4, 30.5 and 30.6 of this Article XXX. Lessor shall accept such payment or performance by or at the instigation of Investor Limited Partner or such Leasehold Mortgagee, as if the same had been done by LESSEE. LESSEE authorizes Investor Limited Partner and any and each Leasehold Mortgagee to take any such action at the Investor Limited Partner's or such Leasehold Mortgagee's option and does hereby authorize entry upon the DEMISED PREMISES by the Investor Limited Partner and/or any Leasehold Mortgagee for such purpose.

30.4. Notice to Leasehold Mortgagee and Investor Limited Partner. Anything contained in this LEASE to the contrary notwithstanding, if any default shall occur which entitles LESSOR to terminate this LEASE, LESSOR shall have no right to terminate this LEASE unless, following the expiration of the period of time given LESSEE to cure such default, LESSOR shall notify every Leasehold Mortgagee and Investor Limited Partner, of LESSOR's intent to so terminate, at least ninety (90) days in advance of the proposed effective date of such termination (the "Mortgagee Cure Period"). The provisions of paragraph 30.5 of this Article XXX shall apply if, during such Mortgagee Cure Period, any Leasehold Mortgagee or Investor Limited Partner:

30.4.1. notifies LESSOR of such Leasehold Mortgagee's or Investor Limited Partner's desire to cure the default described in such notice; and

30.4.2. pays or causes to be paid all Base Rent and other payments then due and in arrears as specified in the notice given to such Leasehold Mortgagees and Investor Limited Partner and which may become due during such Mortgagee Cure Period; and

30.4.3. complies or in good faith, with diligent efforts, commences to comply with all non-monetary requirements (i.e., all obligations other than the payment of Base rent and other amounts due LESSOR under this LEASE) of this LEASE then in default and reasonably susceptible of being complied with by such Leasehold Mortgagee or Investor Limited Partner; provided, however, nothing herein shall excuse the Leasehold Mortgagee or its successors from using the Development for the purposes required by this Lease.

30.5. Procedure on Default. If LESSOR shall elect to terminate this LEASE by reason of any default of LESSEE, and a Leasehold Mortgagee or Investor Limited Partner shall have proceeded in the manner provided for by paragraph 30.4 of this Article XXX, LESSOR will enter into a new lease for the DEMISED PREMISES with such Leasehold Mortgagee or Investor Limited Partner, for the remainder of the term, effective as of the date of such termination, at the same Base Rent and subject to the same covenants and agreements, terms, provisions and limitations herein contained, provided that: (i) LESSOR receives the Leasehold Mortgagee's written request for such new lease within the Mortgagee Cure Period and such written request is

accompanied by payment to LESSOR of all amounts then due and owing to LESSOR under this LEASE, as well as interest accumulated thereon, and such non-monetary defects have been cured or are being cured in a diligent manner that is satisfactory to LESSOR, and (ii) within ten (10) days after the delivery of an accounting therefore by LESSOR, such Leasehold Mortgagee or Investor Limited Partner pays any and all costs and expenses, including reasonable counsel fees, court costs and disbursements made by LESSOR in connection with any such default and termination as well as in connection with the execution and delivery of the new lease, less the net income collected by LESSOR from the DEMISED PREMISES subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Base Rent thereafter becoming due under the new lease.

30.6. Extension of Cure Period. If, within the Mortgagee Cure Period, more than one request for a new lease shall have been received by LESSOR for the DEMISED PREMISES, priority shall be given (regardless of the order in which such request shall be made or received) to the Investor Limited Partner and then to any Leasehold Mortgagee making such a request in order of their priority of interest in said DEMISED PREMISES. Simultaneously with the making of such new lease, the party obtaining such new lease and all other parties junior in priority of interest in the DEMISED PREMISES shall execute, acknowledge and deliver such new instruments, including a new mortgage, and a new sublease, as the case may be, and shall make such payments and adjustments among themselves as shall be necessary and proper for the purpose of restoring to each of such parties as nearly and reasonably possible, the respective interest and status with respect to the DEMISED PREMISES which was possessed by the respective parties prior to the termination of this LEASE.

ARTICLE XXXI

31.1.2. Construction/Renovation Schedule - The LESSEE shall provide a schedule, consistent with EXHIBIT "B" attached herein, detailing the anticipated time-line for the completion of the construction of the Development and shall update such schedule on a quarterly basis until all expected construction is completed. If there is any renovation in the future, a similar schedule must be provided within the same time frame.

ARTICLE XXXII

BONDS

32.1. Bonds: The LESSEE and its assigns, at its own cost and expense, shall obtain and deliver or cause to be obtained and delivered by its general contractor to the COUNTY, not less than ten (10) days prior to the anticipated commencement of construction, a completion and

payment bond in favor of the COUNTY, the LESSEE, the General Contractor and any Leasehold Mortgagees as security for the faithful performance of the construction of the Development undertaken to fulfill this Lease and for the payment of all persons performing labor or furnishing materials in connection therewith. 32.2. Florida Statutes Section 255.05 provides for the following conditions to be made in all Contract Bonds relating to public projects. The same conditions shall be just as applicable for cash used in lieu of the bond. "A claimant, except a laborer, who is not in privity with the Principal and who has not received payment for his labor, materials, or supplies shall, within forty-five (45) days after beginning to furnish labor, materials, or supplies for the prosecution of the work, furnish the Principal with a notice that he intends to look to the bond for protection. A claimant who is not in privity with the Principal and who has not received payment for his labor, materials, or supplies shall, within ninety (90) days after performance of the labor or after complete delivery of the materials or supplies, deliver to the Principal or the Surety written notice of the performance of the labor or delivery of the materials or supplies and of the non-payment. No action for the labor, materials, or supplies may be instituted against the Principal unless both notices have been given. No action shall be instituted against the Principal or the Surety on the bond after one (1) year from the performance of the labor or completion of delivery of the materials or supplies.

32.3. In the event the Surety on the bond(s) given by the LESSEE becomes insolvent, or is placed in the hands of a receiver, or has its right to do business in its State of domicile or the State of Florida suspended or revoked as provided by law, or in the event of cancellation of the required bonds by Surety, the COUNTY shall withhold all payments until the LESSEE shall give good and sufficient bond(s) in lieu of the bond(s) executed by such Surety.
