

Memorandum

Date: February 17, 2009

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

Substitute
Agenda Item No. 8(O)(1)(B)

From: George M. Burgess
County Manager

Resolution No. R-116-09

Subject: Resolution Requesting Authority to Exercise Option-to-Renew Periods Under Existing Competitively Bid Contracts that Would Bring the Cumulative Contract Value to More than \$1 Million

This substitute is to amend the cover memorandum due to scrivener's error as follows:

- **Remove Item No. 3, Operation and Maintenance of Landfill Gas Control Systems.**
- **Renumber the balance of the items.**
- **On renumbered Item 4 (page two), Uniforms for Miami-Dade Police and Miami-Dade Corrections and Rehabilitation Departments, strike out any mention of the word "four", replace the word "periods" with period", replace the word "terms" with term", and reduce the amount being requested to \$961,809.**
- **On renumbered Item 6 (page three), Pants and Battle Dress Uniforms, strike out any mention of the word "four", replace the word "periods" with period" and reduce the amount being requested to \$800,000.**

Recommendation

It is recommended that the Board of County Commissioners delegate to the County Mayor or County Mayor's designee the authority to exercise, in his discretion, the Options-to-Renew (OTRs) set forth in this item. Ordinance #07-139 provides for committee review exemption. ***Contract amounts and department allocations represent the maximum spending authority based on estimated past usage. This action does not guarantee that the total contract amount/value will be expended by County departments and/or agencies.***

Scope

The impact of the items in the accompanying OTR package is countywide in nature.

Fiscal Impact/Funding Source

The accompanying OTR package states the allocation amount and funding source for each department utilizing a contract. ***Funding will be expended only if departmental budgets can support the expenditures approved in their Resource Allocation Plan adopted annually by the Board.***

Track Record/Monitor

There are no known performance issues with the vendors recommended for award in the accompanying OTR package. Each department's contract manager is reflected in the accompanying agenda item.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise OTRs in accordance with the terms and conditions of the contracts listed in the accompanying package.

Background

The competitively bid contracts listed in this item require approval to exercise OTRs contained in each contract that would, if exercised, bring the cumulative value of the contract over \$1 million. Each of the contracts were awarded under the County Mayor or County Mayor's designee's delegated authority (\$1 million for competitive procurements) pursuant to Section 2-8.1(b) of the County Code and the Master Procurement Administrative Order, A.O. 3-38.

Prior to exercising any Options-to-Renew (OTR) periods, market research is conducted to ensure that continuing to purchase from the awarded vendors is in the best interest of the County. Market research includes competitive factors such as pricing, quality, product features, technology, and lead time. It may also include commercial factors such as environmental issues, other governmental entity practices, industry trends, support and capabilities. The OTRs for each contract in this package will be executed if determined to be in the best interest of the County.

On August 11, 2008, the Board was informed that, prospectively, Board approval would be sought when awarding contracts exceeding \$1 million in value if the OTRs are exercised. The contracts listed in the package were awarded prior to that date.

Item No. 1: Fire Extinguisher Services seeks authority to exercise the four remaining OTR periods for a contract to purchase fire extinguisher services for various County departments. The amount being requested for the four remaining option terms is **\$2,886,600**.

Item No. 2: Rental of Linen seeks authority to exercise the two remaining OTR periods for a contract to purchase linen rental services (sheets, pillow cases and towels) for the Community Action Agency. The amount being requested for the two remaining option terms is **\$577,500**.

Item No. 3: Laundry Services seeks authority to exercise the four remaining OTR periods for a contract to purchase laundry services for the Miami-Dade Corrections and Rehabilitation Department. The amount being requested for the four remaining option terms is **\$3,276,000**.

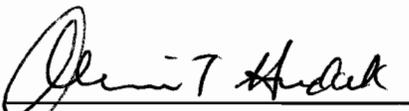

Item No. 4: Uniforms for Miami-Dade Police and Miami-Dade Corrections and Rehabilitation Departments seeks authority to exercise the remaining OTR period for a contract to purchase uniforms for the Miami-Dade Police and Miami-Dade Corrections and Rehabilitation departments. The amount being requested for the remaining option term is **\$961,809**.

Item No. 5: Bell Helicopter OEM Replacement Parts, Maintenance and Repair seeks authority to exercise the four remaining OTR periods for a contract to purchase Bell Helicopter OEM replacement parts, maintenance and repair for the Miami-Dade Police and Miami-Dade Fire Rescue departments. The amount being requested for the four remaining option terms is **\$4,000,000**.

Item No. 6: Pants and Battle Dress Uniforms seeks authority to exercise the remaining OTR period for a contract to purchase uniforms for the Miami-Dade Corrections and Rehabilitation Department. The amount being requested for the remaining option term is **\$800,000**.

Contract Managers: Abelin Rodriguez, Department of Procurement Management
Barbara Stridiron, Community Action Agency

JUSTIFICATION

This contract is utilized by Head Start Programs managed by the Community Action Agency for rental of linen used for after school care services.

This contract requires that the vendor make weekly pick ups and deliveries to 46 sites throughout the County. The size of the sites vary from two beds to forty-two beds. Because of the limited quantities of linens that are covered under this contract, and the span of distribution locations throughout the County, the pricing on the current contract is favorable. In addition, the vendor will maintain the current pricing for the next contract term. It is therefore in the County's best interest to exercise the third Option-to-Renew (OTR) period without a price adjustment. The fourth OTR period may include the appropriate Consumer Price Index adjustment as noted in the terms and conditions of the contract.

Item No. 3

Contract No.: 8443-4/13

Contract Title: **Laundry Services**

Description: It is recommended that the Board authorize the County Mayor or County Mayor's designee, to exercise the four remaining Option-to-Renew (OTR) periods to purchase laundry services for the Miami-Dade Corrections and Rehabilitation (MDCR) Department. This contract is in its initial term which expires on April 30, 2009. Exercising the four remaining OTRs will bring the cumulative value of the contract over \$1 million.

Initial Contract Term and

Usage:	May 1, 2008 to April 30, 2009	\$ 819,000
First OTR and Estimated Usage:	May 1, 2009 to April 30, 2010	\$ 819,000

JUSTIFICATION

This contract is being utilized to purchase laundry services for Miami-Dade Corrections and Rehabilitation Department. The services provided, include pick-up, washing, drying, folding and delivery of approximately 1,861,364 pounds of inmate uniforms and linens on an annual basis.

Market research identified four local commercial laundries with the capacity to comply with the contract requirements, of which two are the incumbents. The third vendor indicated they could bid in the 45 to 50 cents per pound range, which represents a maximum 12% increase over the current unit price. The fourth vendor did not respond to the market research inquiry. The incumbent vendors have not requested a price adjustment for the first Option-to-Renew (OTR) period. It is therefore in the County's best interest to exercise the first OTR period without a price adjustment. The second, third and fourth OTR periods may include the appropriate Consumer Price Index adjustment(s) as noted in the terms and conditions of the contract.

This contract is utilized by the Miami-Dade Police Department to purchase standard uniforms for all officers, special uniforms used by bicycle, mounted and motorcycle units, and specialized uniforms used by tactical units (SWAT). Miami-Dade Corrections and Rehabilitation Department purchases white shirts for its Corrections Officers.

The contract allows for price adjustments based on the Consumer Price Index. In order to take advantage of economies of scale, all law enforcement uniforms will be consolidated under one contract. A successor contract is being drafted to consolidate the uniforms being purchased on this contract with those under contract 8600-4/13 in Agenda Item No. 6 of this package. JUSTIFICATION

This contract allows purchase of boiler maintenance, inspection and repair services and asbestos rope seal replacement at various County locations. The maintenance services provided ensure that safety certifications can be properly maintained and oil consumption, inefficiency, and costly repairs are minimized.

Market research results indicated there is a very limited market of vendors qualified to provide the type of inspection and maintenance related services required. Extensive market research efforts did not yield cost related results. This is highly specialized work. It is therefore in the County's best interest to exercise the Option-to-Renew periods.

JUSTIFICATION

It is recommended that the Board authorize the County Mayor or the County Mayor's designee to exercise the Option-to-Renew periods for this spot market contract to purchase continuous stock pinfeed paper for the Enterprise Technology Services Department.

Market research indicates that it is in the best interest of the County to renew this contract as it allows all awarded vendors to submit spot market pricing every six months, assuring best value pricing. Additional qualified vendors may be added to the contract at any time during the contract term to further enhance competition.
