CLERK OF THE BOARD
OF COUNTY COMMISSIONERS
MIAMI-DADE COUNTY, FLORIDA**

Date: April 7, 2009

To: Honorable Chairman Dennis C. Moss
and Members Board of County Commissioners

Agenda Item No. 8(P)(1)(F)

From: George M. Burgess
County Manager

Resolution No. R-357-09

Subject: Resolution Authorizing the Conveyance of an Easement to Florida Power and Light Company for Portions of McMillan Park, a County Owned Park Located at SW 133 Avenue and SW 62 Street, to Service Proposed Street Lights Along SW 62 Street
Sections: 26-54-39
Commission District: 10

Recommendation

It is recommended that the Board of County Commissioners (BCC) adopt the subject Resolution granting a perpetual utility easement to Florida Power and Light Company (FPL) in order to service proposed street lights in the perimeter of McMillan Park located in the vicinity of SW 133 Avenue and SW 62 Street.

Scope

The subject property is located within Commission District 10.

Fiscal Impact/Funding Source

There is no fiscal impact associated with this item.

Track Record/Monitor

Not Applicable.

Background

The subject property to be granted as a utility easement is located within McMillan Park, a County facility operated and owned by Parks and Recreation Department (PRD). The Public Works Department (PWD) is in the process of adding street lights around a portion of the park perimeter to light public rights-of-way in the interest of public safety. In order to accomplish this work an easement is required by FPL to install the power supply lines from an existing transformer within said park to the street. Additionally, another supply line will also need to be installed along the south line of the park to feed the street lights along the north side of SW 62 Street. Conveyance of this easement is essential for the installation of the aforementioned street lights.

The Directors of PRD and PWD agree as to the public benefits to be derived from the installation of street lights in the abutting roads.
