RESOLUTION NO. R-386-09

RESOLUTION URGING THE FLORIDA LEGISLATURE TO ENACT LEGISLATION CREATING AN INSURANCE RE-CONSTRUCTION APPRAISAL FORMULA CONSISTENT WITH REASONABLE NATIONAL AND INDUSTRY WIDE STANDARDS AS WELL AS A APPEALS PROCESS FOR HOMEOWNERS TO CHALLENGE SUCH APPRAISALS IF NECESSARY

**WHEREAS**, the cost of homeowner's insurance and property insurance in the State of Florida has sky rocketed over the past 15 years; and

**WHEREAS**, pursuant to Chapter 624, Florida Statutes, the State of Florida regulates insurance companies doing business in the State of Florida through the Office of Insurance Regulation (OIR); and

**WHEREAS**, OIR regulates the cost insurance companies may charge Florida residents and properties; and

**WHEREAS**, certain insurance companies are developing individual assessment practices for determining the proposed cost for re-construction of a structure, based upon their individual appraised assessment standards and not reasonable nation-wide or industry-wide recognized standards; and

**WHEREAS**, upon developing these individual standards, each insurance company can then increase the cost of a homeowner's insurance policy based upon the new appraisal of re-construction cost should a claim event occur; and, in turn by the increased cost increase the value of the deductible; and

**WHEREAS**, there have been instances where the unregulated, individual appraised assessment standards of individual insurers has increased the re-construction appraised value by two-thirds of assessed or actual appraised value, let alone actual re-construction costs; and

**WHEREAS**, such arbitrary action, with no nation-wide or industry standards on developing a formula for what would be a reasonable and acceptable assessed re-construction cost, will result in higher insurance premiums to all insured, thus pricing many residents and property owners out of the insurance market; and

**WHEREAS**, the Village of Palmetto Bay recently passed a resolution urging the Florida Legislature to enact legislation creating an insurance re-construction appraisal formula consistent with reasonable national and industry wide standards as well as a process for homeowners to challenge such appraisals if necessary; and

**WHEREAS**, this Board desires to join the Village of Palmetto Bay in urging the Legislature to take create such an appraisal formula and appeal process,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA**, that this Board:

**Section 1.** Urges the Florida Legislature to enact legislation to create an insurance re-construction appraisal formula consistent with reasonable national and industry wide standards as well as a process for homeowners to challenge such appraisals if they deem it necessary.

**Section 2.** Directs the Clerk of the Board to transmit certified copies of the resolution to the Governor, Senate President, House Speaker, the Chair and Members of the Miami-Dade State Legislative Delegation, the Commissioner of the Office of Insurance Regulation and the Mayor and Council Members of the Village of Palmetto Bay.

**Section 3.** Directs the County's state lobbyists to advocate for the issue identified in Section 1 above, and authorizes and directs the Office of Intergovernmental Affairs to include this item in the 2009 and 2010 state legislative packages.
