Resolution No. R-476-09

Subject: Ratification of Acceptance and Execution of Federal Aviation Administration (FAA) Grant Agreement in the amount of \$10,110,000 for the tenth installment payment toward the cost of the already-constructed Runway 8L-26R. AIP No. 3-12-0049-057-2009

RECOMMENDATION

It is recommended that the Board adopt the attached resolution ratifying the actions of the Mayor's Designee regarding the acceptance and execution, pursuant to provisions of the Miami-Dade Aviation Department's (MDAD) Expedite Ordinance No. 95-64, codified as Section 2-285(6) of the Miami-Dade County Code, of the Federal Aviation Administration (FAA) grant in the amount of \$10,110,000 for the Northside Runway Project at Miami International Airport (MIA). This Grant Offer and Agreement represents the tenth installment of the anticipated eleven payments for the already-constructed Runway 8L-26R pursuant to the FAA's previously approved Letter of Intent (LOI) with Miami-Dade County.

SCOPE

This project is located within District Six.

FISCAL IMPACT

The total New Runway project cost was \$138,720,806.00. This \$10,110,000 Airport Improvement Program (AIP) grant represents the tenth installment of a total anticipated FAA funding of \$104,040,000. Other funding for this project included FDOT grants of \$17,790,000 and \$16,890,000 in Aviation revenue bonds.

PROJECT MONITOR

The project has been completed. Grants for this project are managed by MDAD Chief of Aviation Grants Norma Mata.

BACKGROUND

On April 3, 2000, MDAD submitted its application for federal assistance for the construction of a new Northside Runway at MIA. In response to MDAD's application, the FAA issued a Letter of Intent (LOI) for grants to the County in a maximum amount of \$101,040,000 toward the cost of the runway project.

Under the LOI, the FAA provides funds periodically through Grant Offers in individual Grant Agreements. The grant funds are from two sources: Discretionary Funds which, as the name suggests, are discretionary with the FAA; and Entitlement Funds, which MIA is entitled to as a matter of law.

On July 15, 2000, the Board, by Resolution No. R-783-00, authorized the acceptance of \$12 million as a first installment of the FAA's total commitment of \$101,040,000 under the LOI. On March 11, 2004, the LOI was amended to reflect an additional \$3 million toward the project, bringing the FAA participation in the runway project to \$104,040,000.

The following is the schedule of LOI Grant payments paid to date and to be paid in the future as they relate to the runway project:
