In addition, the lease agreement requires the School Board to pay a portion of the County's building management staff salaries, estimated at \$62,230.00 for fiscal year 2007-2008. The School Board needs to continue using the property for student classes.

CURRENT LEASE: The current lease agreement was approved by the Board on November 18, 1997 by Resolution No. R-1336-97. The lease is for a five-year term with one five-year renewal option period. The first amendment to the lease agreement, approved by the Board on November 19, 2002 by Resolution No. R-1316-02, modified the term of the lease to one-year with four-additional one-year renewal options; reduced the annual rental rate to \$1.00 per year; and transferred responsibility of utilities and operating expenses for the building to the tenant. While the School Board authorized the amendment to the lease agreement at their November 14, 2007 meeting, County staff was reviewing other clauses to ascertain if additional amendments were required. The School Board is current with all their obligations under the lease.

SUBJECT: AUTHORIZATION FOR THE SUPERINTENDENT TO FINALIZE NEGOTIATIONS AND EXECUTE AN AMENDMENT TO THE LEASE AGREEMENT WITH MIAMI-DADE COUNTY FOR THE SOUTH DADE SKILLS CENTER, LOCATED AT 28300 SW 152 AVENUE, LEISURE CITY, TO CONTINUE THE LEASE FOR FIVE MORE YEARS

COMMITTEE: FACILITIES AND CONSTRUCTION REFORM

LINK TO STRATEGIC PLAN: IMPROVE CONSTRUCTION SERVICES

Introduction

Since 1976, the Board has leased space at 28300 SW 152 Avenue, for the South Dade Skills Center (Center), from Miami-Dade County (County). Out of the total building square footage of 45,216 square feet, the County occupies 1,934 square feet for the Farm Worker Training Program and the District utilizes approximately 37,000 square feet; another 6,000 square feet on the ground floor is unused, as it is prone to flooding.

The lease agreement with the County provides for an annual rent of \$1, with the District having responsibility for all building operations expenses, which includes building utilities, routine building and grounds maintenance, security and custodial services, as well as repair of major building components, such as exterior walls, windows, roof, air conditioning, plumbing and electrical systems. In addition, the lease requires the District to pay a portion of the County's building management staff salaries, estimated at \$52,983 for 2006-07. The County will in turn reimburse the District for its proportional share of the building utility and maintenance costs for the 1,934 square feet of space it occupies, which was approximately \$13,100 for 2006-07. Cost to the District for all building operating expenses for the period of July 1, 2006 to June 30, 2007, minus the County's reimbursement, was approximately \$494,763.

The current population at the Center is comprised of 883 students. Of those, 497 are adult daytime and 80 are daytime ESE- dual enrollment students (total of 577), and 306 are adult evening students.

F - 16**

Additional Information

The current term of the lease agreement will expire November 30, 2007, and no renewal options remain. Staff explored alternatives to continued use by the District of the leased space, and to that end Facilities Planning collaborated with the Center Principal and Regional staff to review and discuss possible alternate locations for the educational functions now located within the Center.

These options included:

Option 1:

Use of South Dade Senior High School – extending the existing lease with the County to allow continued use of the Center until August 2008, with the possible relocation of the high school students attending the Center to South Dade Senior High School, and the distribution of adult classes to Robert Morgan Educational Center (Robert Morgan), the main South Dade Adult Education Center (South Dade Adult), classrooms at the Homestead Homeless Assistance Center (HAC), South Dade Senior High School (evening only) and Job Corp.

Option 2:

Possible Reuse of the former Science Wing on the campus of South Dade Senior High School –subsequent to the opening of the replacement South Dade Senior High School, potentially repurposing an existing 14-classroom building for this use. This would require capital improvements, the cost of which has been estimated at approximately \$2,000,000. Under this scenario, the existing lease with the County would need to be extended for up to an additional year (November 30, 2008). Just as in the above scenario, adult classes would be distributed among different facilities.

Option 3:

Remain at the current location - extending the existing lease with the County to allow continued use of the Center. Annual ongoing costs to the District are expected to remain at approximately \$500,000. In addition to the on-going operating costs, the District will remain responsible for the building systems, including roofing, HVAC, and building envelope, at an additional potential expense to the District.

School Operations Recommendations

After reviewing the above three options, and determining that there are no other viable options, School Operations has provided a recommendation that the Center remain at the current location for the foreseeable future. This recommendation is predicated on the following:

- moving operations from the Center would eliminate a District presence for these services east of US 1;
- current classes offered at the Center, such as auto mechanics, would not be practical to replicate at another school site due to the nature and expense of the equipment;
- the relocation of several programs to existing secondary schools during day hours would not be practical due to the co-mingling of adult students and secondary students; and

a significant majority of students attending the Center have limited access to public transportation and, as such, would not be able to benefit from the adult education program at another site.

Proposed Lease Amendment

Based on the recommendation from School Operations, staff seeks Board authorization to amend the current lease agreement to provide one additional five-year renewal option period (December 1, 2007 through November 30, 2012). In addition, the lease agreement will be amended to incorporate the provisions of the Jessica Lunsford Act, and to specify that each party will be responsible for its own attorney fees in the event of litigation against the other. All other terms and conditions of the lease agreement will remain unchanged, including the following:

- annual rental rate of \$1;
- the District is responsible for payment of a percentage of the County's building management staff, which is estimated at \$62,230 for 2007-08, as well as all building operations expenses, including the payment of water and sewer, electrical, gas, waste removal and any other utilities serving the facility, routine building and grounds maintenance, security and custodial services;
- the County shall reimburse the District for its proportional share of the building utility and maintenance costs for the 1,934 square feet of space it presently occupies, which is estimated at \$13,500 for 2007-08;
- the District is responsible for all other maintenance and repair of the building and its major components, such as exterior walls, windows, roof, air conditioning system and plumbing and electrical systems;
- the District has the right to cancel the lease at any time by giving the County sixty (60) days prior written notice; and
- the County has the right to cancel only if the District defaults under the terms of the lease and fails to cure such default.

The proposed lease amendment will be reviewed by the Office of Risk and Benefits Management and the School Board Attorney's Office prior to its execution.

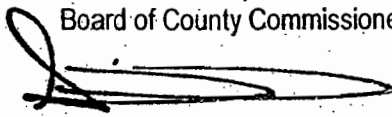

RECOMMENDED: That The School Board of Miami-Dade County, Florida, authorize the Superintendent to finalize negotiations and execute an amendment to the lease agreement with Miami-Dade County for the South Dade Skills Center, located at 28300 SW 152 Avenue, at an annual rental rate of \$1, and substantially in conformance with the terms and conditions listed above. The term of the renewal option period will commence December 1, 2007 and will end November 30, 2012.

MEMORANDUM

Institute
A da Item No. 6(F)(1)(I)

TO: Honorable Chairperson and Members
Board of County Commissioners

DATE: November 19, 2002

SUBJECT: Amendment to Lease at 28300 S.W.
152 Avenue, with the School Board of
Miami-Dade County
Property #7904-03-02

FROM: Steve Shiver
County Manager

This item is being substituted to modify the square footage occupied by the County from 3,565 square feet to approximately 1,934 square feet, subject to final measurement, to modify the financial impact, and to include language in the amendment providing for the County Manager and the Superintendent of Schools to modify the square footage.

The attached Lease amendment has been prepared by General Services Administration at the request of the Department of Human Services and is recommended for approval.

- PROPERTY: The South Dade Skill Center
28300 S.W. 152 Avenue, Miami
- OWNER: Miami-Dade County
- TENANT: The School board of Miami-Dade County
- USE: Classroom training and related uses.
- PURPOSE OF AMENDMENT:
- a.) Reduce the annual rental rate from \$384,688.17 to \$1.00.
 - b.) Tenant shall assume the responsibility for the payment of water and sewer, electrical, gas, waste removal and any other utilities serving the facility, and for routine building and grounds maintenance, security and custodial services, except that Landlord shall reimburse Tenant for its proportional share of the building utility and maintenance costs for approximately 1,934 square foot space occupied by the Landlord.
 - c.) Tenant shall reimburse the County for thirty percent (30%) of the salary and benefits for the Center Director and fifty percent (50%) of the salary and benefits for the Center Director's secretary.
 - d.) The Tenant shall assume responsibility for all other maintenance and repair of major building components, such as exterior walls, windows, roof, air conditioning system, plumbing and electrical systems.
 - e.) Modify the term of the lease to one (1) year, with four (4) additional one-year renewal options

JUSTIFICATION:

The South Dade Skills Center is situated a ten-acre former rock pit, and includes approximately 45,216 square feet of buildings, grounds and a small lake. The School Board has been leasing 43,282 square feet at the Skills Center from the County since 1976 to provide vocational and adult education and training to the South Dade migrant community. The County occupies the remaining 1,934 square feet at the facility, from which it administers the Farmworker Training Program, manages the facility and grounds, and coordinates various other activities for the migrant community. The current lease term expires November 30, 2002; however, the School Board has an option to renew for an additional five-year period. The School Board would like to renew the lease, but not under the present terms and conditions, which require that the School Board pay rent equivalent to its pro-rata share of the facility's operating expenses, which amounted to \$384,688.17 for the current term.

Following extensive negotiations, the School Board has requested that the rental rate be reduced to \$1.00 a year, in exchange for their assuming all operational and maintenance costs of the entire facility and grounds, which they believe can be reduced by careful coordination with other existing school facilities in the area. The amended agreement requires that facility appearance and condition be maintained. In addition, the School Board has agreed to cover a significant portion of the personnel expense for the Center Director and secretary, both of whom are County employees and will continue to manage the facility. The County will be required to reimburse the School Board for its pro-rata share of operating expenses (due to its occupancy of the 1,934-square foot area).

TERM:

One year with four one-year renewal options

FINANCIAL IMPACT:

Two custodial staff will be affected in the reduction of building responsibilities. The revenues generated from the previous lease were only sufficient to cover operating and maintenance costs of the facility. All of those costs will now be assumed by the Tenant.

EFFECTIVE DATES
OF AMENDMENT:

Commencing December 1, 2002
and terminating November 30, 2003

FORMER LEASE:

On November 18, 1997 the Board passed Resolution No. R-1366-97 authorizing execution of lease Agreement at South Dade Skill Center with the Dade county School Board. That lease agreement commenced on December 1, 1997.
