Summary

This resolution declares the acquisition of Parcel 8 for right-of-way needed for the People's Transportation Plan (PTP) project entitled Roadway Improvements to S.W. 157 Avenue, from S.W. 152 Street to S.W. 184 Street, to be a public necessity and authorizing the County Mayor, his designee and the County Attorney to employ appraisers, expert witnesses, obtain required environmental audits, and to take any and all appropriate actions to acquire the subject property in fee simple by donation, dedication, purchase, or by eminent domain proceedings, including a declaration of taking as necessary. This project is included in Exhibit 1 of the PTP Ordinance under the Board of County Commissioners requested Major Roadway and Neighborhood Improvements.

Background and Relevant Information

According to Public Works Department (PWD) staff, a public meeting was conducted on November 2, 2006 to notify residents of the project and possible eminent domain proceedings by the County. The residents in the area indicated no objections to the proposed road improvements at the public meeting.

PWD staff mentioned that the S.W. 157 Avenue corridor has become a vital north/south artery in the western section of the County. The corridor extends from S.W. 42 Street to S.W. 112 Street as a 4-lane divided roadway. In addition, PWD currently has 2 projects under construction that will extend S.W. 157 Avenue as a 4-lane divided roadway from S.W. 112 Street and connect to the existing 4-lane section at S.W. 136 Street. Staff stated that when those projects as well as the proposed project are complete, S.W. 157 Avenue will be a continuous 9-mile, 4-lane divided corridor from S.W. 184 Street to S.W. 42 Street.

The anticipated start and completion dates for construction are February 2011 and February 2013 respectively.

Question: Has PWD hosted additional public meetings since 2006?

Budgetary Implications

PWD staff state that costs are dependent on the cooperation and willingness of the property owners to dedicate or sell at the appraised value.

The roadway improvement will be funded by PTP funds.

Public Sector Impact

According to PWD staff, there are large existing residential developments in this area to the East of S.W. 157 Ave. There is also development scheduled at the following 2 development sites: Estates at the Grove, 24-Single Family Homes located at S.W. 157 Avenue from S.W. 159 Street to S.W. 158; and St Venetian Park West, 407-Single Family Homes and future school located at S.W. 157 Avenue to S.W. 152 Avenue from S.W. 176 Terrace to S.W. 173 Street

Comments

According to the County Attorney's Office, resolutions acquiring parcels must be introduced to the Board of County Commissioners as separate resolutions, pursuant to F.S. 127.02. Section 127.02 requires that a "Board of County Commissioners adopt a resolution in order to acquire a property through the use of eminent domain." Eminent domain may be described as the fundamental power of the government to take private property for a public use without the owner's consent. The power of eminent domain is absolute, except as limited by the Federal and State Constitutions, and all private property is subject to the power of the government to take private property by eminent domain.

The County is authorized under the Constitution and Laws of Florida including Chapters 73,74,125, 127 and 341, Florida Statutes, and Sections 1.01(A)(1), (2) and (21) of the Home Rule Charter of Miami-Dade County to acquire property by eminent domain.
