

**Date:** June 2, 2009

**To:** Honorable Chairman Dennis C. Moss  
and Members, Board of County Commissioners

Agenda Item No. 8(I)(1)(A)

**From:** George M. Burgess  
County Manager

**Resolution No. R-674-09**

**Subject:** Law Enforcement Trust Fund (LETf) Crime Prevention Program Funding

### Recommendation

It is recommended that the Board approve the attached resolution authorizing the annual expenditure of Law Enforcement Trust Funds (LETf) for Miami-Dade Police Department's (MDPD) crime prevention program funding. Approval of this resolution will give MDPD the authority to expend these targeted funds each fiscal year until otherwise revoked by the Board.

### Scope

The authorization is county-wide.

### Fiscal Impact/Funding Source

There is no fiscal impact to the county.

### Track Record/Monitor

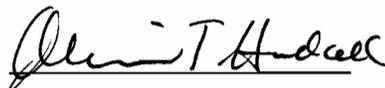

The authorization provided by this resolution will be monitored by the MDPD and the Office of Strategic Business Management.

### Background

According to Florida Statutes, Chapter 932.7055 (5) (c) (3) and pursuant to the Florida Contraband Forfeiture Act, any local law enforcement agency that acquires at least \$15,000 within a fiscal year must expend or donate no less than 15 percent of these funds for the support or operation of community crime prevention programs to comply with the statutory requirement. The 15 percent is based on LETf forfeited cash received during the previous fiscal year and is therefore discretionary funding.

Annually, the MDPD provides a report to the Board requesting approval of proposed LETf expenditures for community crime prevention programs. This annual request is made to comply with the statutory requirement cited. This resolution would establish this process as a policy for supporting these programs every year. An annual request to the Board would no longer be necessary.

Miami-Dade Police Department crime prevention programs such as the Gun Bounty Program, Don't Let Alcohol Be Your Last Taste of Life, Join A Team, Not A Gang, and DUI Mobile Education programs operate on a continuing basis each year, providing services to the community, especially children. The programs operate on a year round basis, with planning, organizing and implementing occurring all through the year. These activities also require expenditure of funds such as procuring program materials, supplies and other program items. This resolution will ensure the continuity of these MDPD services throughout the County. Should it be granted, this authorization will expedite the allocation of these funds and streamline the operation of these services provided by the MDPD.

Currently, MDPD provides an annual report to the BCC requesting the use of LETf funds for expenditures towards community crime prevention programs.

LETf funds are derived from the proceeds of the sale of law enforcement-related seizures of money and property with allowable uses determined by state and federal laws and regulations. **The LETf must be used for law enforcement purposes which are not budgeted, such as settling costs for investigations; purchasing technical equipment and/or expertise; providing matching funds for grant programs; or other law enforcement purposes.**

For FY 2008-09, the estimated total for the asset sharing expenditures was \$1,726,755 and included the following projects:

- Intergovernmental Bureau Community Service Program - \$71,542
- Media Relation Bureau - \$104,000

- Robbery Bureau - \$225,588
- Sexual Crimes Bureau - \$60,000
- Narcotics Bureau - \$70,000

#### Comments

The Manager's memo states that these funds are for the support or operation of **community crime prevention programs** to comply with statutory requirements. However, Florida Statutes do not mention community crime prevention programs, but only crime prevention programs along with other programs.

Florida Statutes, Chapter 932.7055 (5) ( c) (3) states that, "...any local law enforcement that acquires at least \$15,000 pursuant to the Florida Contraband Forfeiture Act within a fiscal year must expend or donate no less than 15 percent of such proceeds for the support or operation of any **drug treatment, drug prevention, crime prevention, safe neighborhood, or school resource officer program(s)**. The local law enforcement agency has the discretion to determine which program(s) will receive the designated proceeds."

**According to MDPD, the current balance of the LETF IS \$992,915. The LETF also funds the operation of MDPD's forfeiture section which completes the necessary legal processes to acquire the funds.**
