and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution Approving the Selection of Public Resources Advisory Group to Serve as
Financial Advisors for the Housing Finance Authority

Amended
Agenda Item No. 10(A)(3)

Resolution No. R-545-09

The item was amended at the April 15, 2009 meeting of the Housing and Community Development Committee to remove the automatic renewal of the contract. However, the amendment was clarified at the May 5, 2009 meeting of the BCC as only requiring the HFA to provide an annual report regarding the performance of the financial advisor, and not the renewal of the contract. The HFA Board is required to approve the amended language regarding the annual report prior to the execution of the contract.

This item is being placed on the Board of County Commission (BCC) agenda at the request of the Housing Finance Authority (HFA). This resolution approves i) the selection of Public Resources Advisory Group to serve as Financial Advisors and ii) the execution of the related contract for the HFA. This item has been reviewed and approved by the County Attorney's Office.

Scope

The service impact of the HFA is countywide.

Fiscal Impact

Public Resources Advisory Group will be compensated based on the amount of bonds issued during the fiscal year as well as an annual retainer for other financial advisory services provided.

The contract costs will be covered from housing fees and charges generated by the HFA. No County general funds will be utilized.

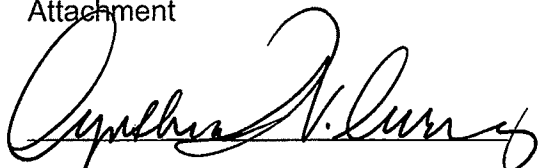

Monitoring

The HFA will monitor this contract. This agreement shall be for a period of one year; and will be automatically renewed for four years. The HFA is required to submit annual reports to the BCC on the performance of the financial advisor. Public Resources Advisory Group has served as HFA's financial advisor since 2006.

Background

Per the HFA's creation through Ordinance 78-89, which was adopted on December 12, 1978, Section 10 states that all contracts that the HFA wishes to enter into shall first be approved by Resolution of the BCC. As a result, the HFA is requesting BCC consideration.

AGREEMENT FOR THE PROVISION OF FINANCIAL ADVISORY SERVICES
TO THE HOUSING FINANCE AUTHORITY OF MIAMI-DADE COUNTY, FLORIDA

This agreement, dated the _____ of _____, 2009, is made and entered by and between PUBLIC RESOURCES ADVISORY GROUP, (the "Advisors") and the HOUSING FINANCE AUTHORITY OF MIAMI-DADE COUNTY, FLORIDA ("Authority").

WITNESSTH THAT:

WHEREAS, the Authority desires the services of highly skilled and experienced financial advisors to provide the Authority with ongoing advisory services;

WHEREAS, the Advisors have the expertise to perform such financial services for the Authority; and

WHEREAS, the Authority has determined to retain the Advisors to provide such financial advisory services,

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the Authority and the Advisors agree as follows:

Scope of Services

The Advisors will coordinate their activities so they are jointly able to perform the following services:

- Assist the Authority with the development and analysis of proposed bond financing structures. This will include the preparation of studies to determine whether it is economically advisable to proceed with a bond issuance, bond refunding or bond restructuring.

- Review, analyze, and make recommendations with respect to housing and financing proposals made to the Authority by investment bankers, developers, nonprofit community groups, or others. Evaluate the financial strength of a multi-family project proposal, developer's financial situation and experience, assumptions made with regards to income and expenses, marketability of the project, and architecture and site plans.
- Provide information and advice to the Authority from time to time concerning the Authority's investment of available funds, general economic conditions, housing market conditions, and tax law changes.
- Attend monthly meetings and special meetings of the Authority and any meetings of the County Commission as deemed necessary by the Authority.
- Assist legal counsel, bond counsel, and investment bankers in the development of new programs and in preparation of rules and regulations and other documentation necessary

to implement such programs.

- Assist with the preparation of Requests for Proposals and selection of other professionals as needed by the Authority.
- Discuss, at the direction of the Authority, the present and proposed programs with any interested parties such as institutional investors, participating lenders, community groups and developers.
- Review cash flows, evaluate bond pricing by the underwriters, and review bond documents and official statements. Participate in all necessary meetings prior to the bond issuance and, if necessary, in activities associated with rating agency reviews.
- Perform related services and special studies as needed.

Compensation

The Advisors shall be compensated for professional services rendered and expenses incurred in accordance with the terms of this agreement, and shall be paid within thirty (30) days upon invoicing. Fees for professional services shall be in accordance with the schedule set forth below:

- In lieu of hourly fees, the Advisors will have an annual fixed retainer fee of \$45,000 for ongoing advisory services. The retainer of \$45,000 would cover all services, except bond issuances and will be billed and paid on a quarterly basis.
- For services in connection with the sale of bonds:

\$1.25 per \$1,000 of the bond amount, with minimum fees as follows:

Single family	\$25,000
Multifamily, publicly offered and rated investment grade by Standard & Poors, Moody's, or Fitch	\$25,000
Multifamily, privately placed	\$35,000

The work necessary to review multifamily projects prior to the inducement of such projects by the Authority shall be compensated in a manner consistent with the Authority's policies for multifamily projects.

- Fees for special projects not included in the scope of services described herein may be negotiated. In addition, the Authority and the Advisors can agree to payment of additional fees for extraordinary services.

All compensation earned will be paid to PUBLIC RESOURCES ADVISORY GROUP. Expenses shall be paid as submitted.

Sale of Bonds

The Advisors will coordinate with the Director any negotiated sale of bonds, including the approval of the initial pricing of the bonds, any repricing, and all components of the

underwriter's fee or discount and all other costs, as necessary to ensure the best possible terms to the Authority.

The Advisors shall provide a detailed analysis of any purchase proposal for bonds submitted by underwriters. This analysis will be of sufficient detail to allow the Authority to determine that the rate of interest and underwriting fees are fair and in accordance with prevailing market conditions.

Neither of the Advisors will bid on any of the Authority's bonds advertised for public sale, or traded, or sold in a negotiated sale; nor will the Advisors represent any entity seeking financing from the Authority.

Severability

In the event that the Advisor terminates their participation in this contract, or is terminated by the Authority, this contract may be amended to provide for participation by another qualified financial advisory firm.
