County Manager

Resolution No. R-830-09

Subject: Historic Preservation Ad Valorem Tax Exemption for
6227 S.W. 57th Street, South Miami, Florida

Recommendation

It is recommended that pursuant to the provisions of Florida Statute Section 196.1997 and 196.1998 and Dade County Ordinance 16A-18 that the Board approves the resolution for the Ad Valorem Tax Exemption for the property located at 6227 S.W. 57th Street, South Miami, FL.

Scope

Impact of the agenda item is countywide and does not have a separate impact upon one or more commission districts.

Fiscal Impact

Annual taxes to be foregone if this Historic Preservation Exemption application is granted are estimated at \$479 (see the attached "Revenue Implications Report" provided by the Property Appraiser).

Track Record/Monitor

County Historic Preservation staff or the Preservation Officer of the municipality in which the property is located will conduct periodic reviews of the property to insure that the improvements are maintained for the duration of the tax abatement.

Enabling Legislation

In 1993, the State legislature approved Tax Exemptions for historic properties; and enabled local governments the option to provide property tax exemption for historic properties.

The purpose of this legislation is to encourage historic preservation by offering an economic incentive to those property owners who take on the responsibility of restoring and maintaining a designated historic structure. The exemption is not for the entire assessed value of the property. The tax exemptions are calculated from what the value of the renovations to the historic property were, and only apply to Miami-Dade County's portion of the taxes.

All applicants must meet certain criteria as set forth by the Florida Department of State, Division of Historical Resources in order for a tax exemption to be allowed, such as:

- Certification, by the applicable preservation board, that the property has been designated historic

- Certification, by the applicable preservation board, that the property has received approval for the improvements.
- Determination, by the applicable preservation board, that the planned improvements are consistent with the Secretary of the Interior's Standards for Rehabilitation.

Duration

The tax exemption takes effect on January 1 following substantial completion of the improvement and extends for a ten-year period. Failure by the owners to adhere to these standards would result in revocation of the exemption.

Project Details

6227 S.W. 57th Street, South Miami is a historically contributing property within the 'Cambridge Lawns Historic District,' a district designated by the City of South Miami. The cottage was built in 1926 as one of a series of compact (1000 sq. ft.) masonry bungalows located off Miller Drive and S.W. 62nd Avenue. The bungalows were recognized due to their craftsman style of design and architectural cohesion.

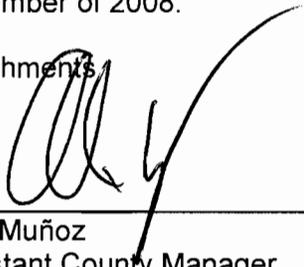

The project involved rehabilitation and restoration work including window and door replacements, new stucco and copper gutters, kitchen renovation, interior millwork, lights and fans, and a rear small (500 sq. ft.) addition that allowed for a larger kitchen area and added a new dining room and master bedroom to the cottage.

The property located at 6227 SW 57th Street meets the criteria set forth by the State of Florida. Both the City of South Miami Preservation Board and the Miami-Dade County Historic Preservation Board have approved this application for the tax exemption.

Submittal Dates

Part I and Part II of the application was received by county historic preservation staff in July of 2008. Both Part I and Part II of the applications were "completed" (authorized by the local historic preservation officer) on the same date. The owner submitted a signed covenant of agreement in July of 2008 and the county's Historic Preservation Board approved the project in July of 2008 as well. The Property Appraiser submitted the Revenue Implications worksheet in November of 2008.
