Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution authorizing acceptance of a Quit Claim Deed transferring ownership of NW 38 Court, from NW 22 Street to NW 25 Street; NW 39 Avenue, from County Cloverleaf Right-of-Way to NW 25 Street; NW 41 Road, from NW 22 Street to NW 24 Street; NW 22 Street, from NW 38 Court to NW 41 Road; NW 24 Street, from NW 39 Avenue to NW 42 Avenue; and the Alleyway East of NW 42 Avenue (LeJeune Road), from NW 24 Street to NW 25 Street from the Florida Department of Transportation (FDOT) to Miami-Dade County (MDC).

Scope

The properties being conveyed are located within Commission District 6.

Fiscal Impact/Funding Source

There is no fiscal impact to the County associated with this item.

Track Record/Monitor

Not Applicable.

Background

The subject roads are being conveyed to MDC by the FDOT as part of a joint effort between the state agency and MDC for the development of the Miami Intermodal Center located east of the Miami International Airport. The subject roads are being transferred to MDC in order to fulfill a requirement for the approval of the final plat of "MIAMI INTERMODAL CENTER" which requires said roads to be closed for the aforementioned project. The transfer will provide MDC jurisdiction to allow said roads to be closed by the BCC under a companion resolution included in this agenda. The proposed plat of "MIAMI INTERMODAL CENTER" will be dedicating alternate roads that will better serve the area.
