CLERK OF THE BOARD
OF COUNTY COMMISSIONERS
MIAMI-DADE COUNTY, FLORIDA**

Memorandum

DATE: July 21, 2009

TO: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

FROM: George M. Purgess
County Manager

SUBJECT: Cooperative Agreement Between Miami-Dade County and the State Attorney,
Eleventh Judicial Circuit for Child Support Enforcement Actions

Agenda Item No. 14(A)(68)

Resolution No. R-1031-09

Recommendation

It is recommended that the Board retroactively authorize the County Mayor or County Mayor's Designee to execute the Cooperative Agreement between Miami-Dade County and the State Attorney, Eleventh Judicial Circuit to attempt the service of process on Title IV-D Child Support Enforcement actions. The period of this cooperative agreement begins July 1, 2009 and continues through June 30, 2013. The first year of services, July 1, 2009 through June 30, 2010 has been allocated federal funding in the amount of \$282,994.

Scope

The agreement will provide countywide services.

Fiscal Impact/Funding Source

Miami-Dade County will be reimbursed an estimated \$282,994 for the process of services for Title IV-D Child Support Enforcement cases. These are federal funds from the U.S. Department of Health and Human Services, Agency for Children and Families, Office of Child Support Enforcement, Florida Department of Revenue, and the State Attorney Eleventh Judicial Circuit.

Track Record/Monitor

The Agreement will be administered and monitored by the MDPD.

Background

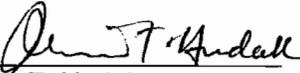

Ratification of this cooperative agreement is necessary because the submission of the agreement to the County on June 5, 2009 did not allow time to submit the resolution to the Board prior to the agreement's effective date of July 1, 2009. The previous agreement approved by the Board of County Commissioners on July 13, 2004 as Resolution Number R-855-04 has concluded and a new agreement is required.

The Miami-Dade Police Department (MDPD) is required to serve process and orders in child support enforcement cases and is only entitled to reimbursement at the prevailing rate of federal financial participation (F.S. Section 409.257). The State Attorney is the administrative agency for child support enforcement in Miami-Dade County and has requested to contract with the MDPD to attempt service of civil documents, in compliance with federal and state requirements. The attached Cooperative Agreement for Service of Process for Child Enforcement Services was prepared by the State Attorney and received by the Miami-Dade Police Department for appropriate execution. The agreement terms remain the same, with the new contract period through June 30, 2013.

Civil documents served by the MDPD Court Services Bureau consist of summons and complaints, subpoenas (except witness subpoena), orders to show cause, contempt notices to appear, default orders and judgments, notice to absent parent orders, writs of bodily attachment and commitment orders. The authorized process fee to serve these papers is \$20 and \$70 for writs of bodily attachment. The County will be reimbursed at the non-negotiable rate of 66 percent, the approved

matching rate for federal expenditures. For the first year of the agreement, this reimbursement amount is estimated at \$282,994.

One demonstration project shall be conducted in Miami-Dade County and be administered by the State Attorney for the Eleventh Circuit;

WHEREAS, as the administering entity for child support enforcement in Miami-Dade County, the State Attorney shall contract with local government for services as required in compliance with Title IV-D requirements;

WHEREAS, as required by § 409.257, F. S. (1997), the service of initial process and orders in lawsuits filed by the State Attorney (pursuant to its contract with the Department of Revenue), under this act, may be served by the Sheriff in the county where the person to be served may be found. The Sheriff shall be reimbursed at the prevailing rate of Federal Financial Participation for service of process and orders as allowed by law;

WHEREAS, as the Sheriff of Miami-Dade County, the Miami-Dade Police Department shall be the provider of services as defined by § 409.257, F. S. (1997) in Miami-Dade County.

NOW, THEREFORE, in consideration of the agreements contained herein, the State Attorney and the County do hereby mutually agree to all terms and conditions below:

I. Purpose and Scope

The State Attorney and the County hereby enter into a Cooperative Agreement for the purposes of:

- A. Setting forth the Provider's statutory duties as they relate to Title IV-D child support cases;
- B. Defining the roles, relationships and responsibilities of the parties; and
- C. Setting forth a basis for financial reimbursement as required by 45 C.F.R. § 303.107 and Chapter 85-178, §6 at 1294, Laws of Florida, as amended by Chapter 86-220, §156, at 1725, Laws of Florida.

II. Definitions

- D. "Federal Financial Participation" (FFP) means the approved federal matching rate available for federally approved expenditures.
- E. "Title IV-D case" refers to any child support case for which there is a valid assignment of rights to CSE or for which CSE is providing services as required by Title IV-D of the Social Security Act.
- F. Unless otherwise noted in this Cooperative Agreement, all other terms shall be defined by Florida Statutes, U.S. Code and the Code of Federal Regulations.

III. State Attorney Responsibilities

The State Attorney agrees to:

- A. To clearly identify all Title IV-D child support enforcement cases referred to the sheriff for which service or writ of bodily attachment is requested.
- B. To provide directly to the sheriff the best-known address(es) where the person may be served or the writ executed.

IV. County Responsibilities

Under this Agreement, the County will provide Service of Process on child support enforcement cases in Miami-Dade County and agrees to:

A. General Provisions

- 1. The sheriff shall promptly attempt service pursuant to Section 30.231, Florida Statutes, on all Title IV-D Child Support Enforcement actions that are referred by the State Attorney.
- 2. Promptly provide the State Attorney's Office with a copy of the Sheriff's return indicating whether service of process has been made. Where service of process has not been perfected, the Sheriff must specifically state on the return why service of process has not been perfected. Failure to perfect service at the address provided does not excuse the Sheriff from his or her duty to exercise due diligence in locating the person to be served.
- 3. The sheriff is to maintain sufficient staff, facilities and equipment to deliver the agreed upon services or to notify the State Attorney thirty (30) days in advance whenever the sheriff is unable, or is going to be unable, to provide the required quality or quantity of services.
- 4. Under the provisions of the law and the terms of this contract, the Sheriff is required, but not limited, to serve the following:
 - A. Summons and Complaint
 - B. Subpoena except witness subpoena

- C. Order to Show Cause
- D. Contempt Notice to Appear
- E. Default Order and Judgment (when court orders to be served by the Sheriff)
- F. Notice to Absent Parent for deemed Income Deduction Order
- G. Writ of Bodily Attachment
- H. Commitment Orders

5. Subject to the terms and the provisions of 45 C.F.R., Part 74, the State Attorney shall reimburse the county for expenditures made in accordance with the established Federal Financial Participation (FFP) rate, as stipulated in this contract, subject to the availability of funds and any related federal and/or state legislated changes.

B. Service of Process Provisions

1. Manner of Service

- a. The sheriff should attempt to promptly obtain child support summons, and thereafter serve process within seven (7) calendar days of receipt of the request. If process is not served on the first attempt, the sheriff should make a minimum of two additional attempts to serve process within twenty-one (21) calendar days after receipt.
- b. Given the critical issue of effective and timely service of process, it is incumbent upon the sheriff to attempt to serve a respondent at any address necessary to effect service. These attempts should include, but are not limited to, serving a respondent during employment hours at the respondent's place of employment, outside employment hours at the respondent's residence, or at any other additional address(es), when multiple addresses are provided by the State Attorney. To effect a successful service, the sheriff should attempt service at as many of the addresses provided and at different time intervals.

The Sheriff should determine the most appropriate time to attempt service and such attempts may include nights or weekends.

- c. (1) Within seven (7) calendar days of successful service, the sheriff should provide the State Attorney they received the documentation from a **copy** of the sheriff's return indicating service has been perfected and the address at which it was perfected as well as any other information listed in Attachment I.
- (2) Within seven (7) calendar days of successful service, the sheriff should provide the Clerk of Court the **original** documents indicating service has been perfected and the address at which it was perfected as well as any other information listed in Attachment I.

- d. (1) Within seven (7) calendar days of the final attempt in an unsuccessful service, the sheriff should provide the State Attorney, they received the documentation from a **copy** of the sheriff's return indicating service has not been perfected and specifically state on the service return form the reason(s) for lack of service for each address attempted as well as any other information listed in Attachment I.
 - (2) Within seven (7) calendar days of the final attempt in an unsuccessful service, the sheriff shall provide the Clerk of Court the **original** documents indicating service has not been perfected and specifically state on the service return form the reason(s) for lack of service for each address attempted as well as any other information listed in Attachment I.
 - (3) If the location information on the request is erroneous, the Sheriff shall return the request to the issuing office within seven (7) calendar days of the last attempt. Failure to serve at the address(es) provided does not excuse the sheriff from the duty to exercise due diligence in locating the person to be served.
- e. If the court orders the person served to pay the service of process, the payment shall be directed to the county, which will retain the prevailing local match rate (34%) of the payment. The remaining match rate (66%) should be used to reduce the total bill to the State Attorney for the month in which the person served actually made the payment. The invoice must show the names of all persons served who made payments so that cost records can be updated by the Child Support Enforcement Program.

C. Writ of Bodily Attachment Provisions

1. Manner of Service

- a. The sheriff should attempt to execute a writ within seven (7) calendar days of receipt of the request. If a writ is not executed on the first attempt, the sheriff should make a minimum of two additional attempts to execute the writ within twenty-one (21) calendar days after receipt.
- b. Given the critical issue of effective and timely execution of writs, it is incumbent upon the sheriff to attempt to execute a writ on a respondent at any address necessary to execute the writ. These attempts should include, but are not limited to, serving a respondent during employment hours at the respondent's place of employment, outside employment hours at the respondent's residence, or at any other additional address(es), when multiple addresses are provided by the State Attorney. To effect a successful writ execution, the sheriff should attempt execution at as many of the addresses provided and at different time intervals.

The Sheriff should determine the most appropriate time to attempt service and such attempts may include nights or weekends. After the service is executed it should be entered into the FCIC within three (3) business days.

- c. (1) Within seven (7) calendar days of successful execution of a writ, the sheriff should provide the State Attorney they received the documentation from a **copy** of

the sheriff's return indicating that the writ has been executed and the address at which it was executed.

(2) Within seven (7) calendar days of successful execution of a writ, the sheriff shall provide the Clerk of Court the **original** documents indicating the writ has been executed and the address at which it was executed. Failure to execute the writ at the address(es) provided does not excuse the sheriff from the duty to exercise due diligence in locating the person to be served.

- d. Since the respondent is required to carry the purge payment receipt for 30 days, the sheriff should establish, audit and monitor a procedure that will ensure removal, within thirty (30) calendar days, of all completed or rescinded writs from the Florida Crime Information Center (FCIC) telecommunications system, per Section 61.11(2)(e), F.S.
- e. If the court orders the person served to pay the writ of bodily attachment fee, the payment shall be directed to the county who will retain the prevailing local match rate (34%) of the payment. The remaining match rate (66%) should be used to reduce the total bill to the Office of the State Attorney, 11th Judicial Circuit for the month in which the person served actually made the payment. The invoice must show the names of all persons served who made payments so that cost records can be updated by the Child Support Enforcement Program.

D. Method of Payment

- a. Only one request for payment shall be submitted for each original service document to the State Attorney. Forms and reports should be submitted in the mutually agreed upon format.

The invoice for payment should be received by the State Attorney within 45 days after the end of the month in which services are rendered.

- b. The county will be reimbursed for **service on judicial and administrative summons** at the prevailing rate of Federal Financial Participation, 66% of the \$20.00 fee (\$13.20) for original service in Title IV-D cases. This reimbursement amount includes all costs associated with each service on judicial and administrative summons
- c. The county will be reimbursed for **judicial and administrative writs of bodily attachment** at the prevailing rate of Federal Financial Participation, 66% of the \$70.00 fee (\$46.20) for a writ of bodily attachment. This reimbursement amount includes all costs associated with each writ of bodily attachment.
- d. **Additional fees may be paid for alias and pluries** documents when service was not perfected on the original documents in that county by that sheriff. "Alias" is defined as the second document issued subsequent to the original document, which is for the same person in the same county and the same cause of action as the original. "Pluries" is defined as the third or subsequent document issued to the alias document which is for the same person in the same county and the same

cause of action as the original. Should the person, county or cause of action cited in the alias or pluries differ from the original request, it shall be considered a new request.

- e. Invoices must be received and approved by the 5th of the month in order to be included in the State Attorney's reimbursement request to the Department of Revenue for prior month expenditures. Invoices received after the 5th of the month will be included in the next reimbursement request to the Department of Revenue. Payments under this agreement will be made to County within seven (7) days of receipt of funds from the Department of Revenue.
