To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager 

Subject: Resolution authorizing the conveyance of an easement to the Florida Power and Light Company to service the new GSA Trades Shop Facility located at 3501 N.W. 46 Street, unincorporated Miami-Dade County

Agenda Item No. 8(F)(1)(B)

Resolution No. R-1148-09

RECOMMENDATION

It is recommended that the Board approve the attached resolution authorizing the conveyance of an easement to Florida Power and Light Company for the installation of underground electric transmission and distribution lines to service the new GSA Trades Shop Facility. This item was prepared by the General Services Administration.

OWNER: Miami-Dade County, General Services Administration

TAX FOLIO NUMBER: 30-3121-000-0620

LOCATION: 3501 N.W. 46 Street, Unincorporated Miami-Dade County

COMMISSION DISTRICT: 2

COMMISSION DISTRICT: 2
IMPACTED:

ZONING: IU-1 (Industrial, Light Manufacturing District). The proposed use is permitted under the current zoning; therefore, a Governmental Facilities hearing is not required pursuant to section 33-303 of the Code of Miami-Dade County.

BACKGROUND: The new GSA Trades Shop Facility will require electric transformers to reduce the voltage from the nearest power line. FPL has agreed to provide the construction, operation and maintenance of electric transmission and distribution lines in exchange for an easement to allow access to install and maintain them.

JUSTIFICATION: The Florida Power and Light Company has requested an easement to construct, maintain, and operate the underground electrical lines that will provide electrical service to the new GSA Trades Shop Facility.

EASEMENT

The undersigned, Miami-Dade County ("MDC" or "County") in consideration of the payment of \$1.00 and other good and valuable consideration, the adequacy and receipt of which is hereby acknowledged, grant and give to Florida Power & Light Company ("FPL" or "Company"), its licensees, agents, successors, and assigns, the non-exclusive right, privilege and easement to be used for the construction, operation and maintenance of electric transmission and distribution lines, with all rights necessary and convenient for the full use thereof, including wires, poles, communication lines and necessary appurtenant equipment, within an easement described and shown as follows:

SEE ATTACHED EXHIBITS "A", "B" and "C"

Together with the rights to reconstruct, inspect, alter, improve, add to, enlarge, change the voltage, as well as, the size of and remove or relocate such transmission lines on the County's property, with all rights necessary and convenient for the full enjoyment and use thereof for the above-mentioned purposes, including without limitation, the right of ingress and egress to the property, and to cut and keep clear all trees and undergrowth and other obstructions on the property that may interfere with the proper construction, operation, and maintenance of said electric transmission and distribution lines.

Reserving to the County, however, the right and privilege to use the land described above, except as herein stated or as might interfere with the Company's use thereof, provided that no building or structures, other than fences which do not interfere with the Company's use of said parcel, will be located or constructed by the County on said property, and provided further, that the County shall not excavate any portion of the property without written permission of the Company, which permission shall not be unreasonably withheld by the Company.

This Easement shall be subject to the following restrictions:

1. Prior to the installation of any electric transmission and distribution lines, FPL shall obtain all required regulatory permits including, but not limited to, permission from the Department of Environmental Resources Management (DERM) to install said electric transmission and distribution lines.
2. Nothing in this Easement shall restrict the County's right to utilize said property.
3. FPL shall maintain the subject property in a clean and clear state free of debris, trash and vegetation overgrowth.

FPL agrees to indemnify and save harmless forever, Miami-Dade County, its officers, agents and employees from all claims, actions, judgments, liability, loss, cost and expense, including attorney's fees which may be sustained by the County, its officers, agents and other employees due to, caused by, or arising from FPL's use of said easement granted herein, and agrees to defend against any claims brought or actions filed against the County, its officers, agents, and employees in connection with the use of said easement.

This easement shall be subordinate to the rights of the County and, FPL, by acceptance hereof, does hereby release the right to be reimbursed, either now or in the future for any relocation or adjustment of said electric transmission and distribution lines located on the above described property, or if such relocation or adjustment of said electric transmission and distribution lines is caused by present or future uses of the above described property or by the County.

IN WITNESS WHEREOF, the party of the first part has caused these presents to be executed in its name by its Mayor acting under Authority of County Resolution No. R-795-82.
