In accordance with the SBE Participation Provisions, in order to comply with the approved measures all firms performing on a set-aside project must be certified SBEs at the time of bid submittal, bid award and throughout the duration of the contract. Carmen Morris & Associates (CMA) submitted along with her proposal the Miami-Dade County Subcontractor/Supplier Listing indicating the utilization of two subcontractors who are not certified SBEs. CMA was contacted via e-mail and/or fax and given forty eight (48) hours to address noncompliance with the SBE Provisions. APPENDIX A

SCOPE OF SERVICES

1. Introduction

Miami-Dade County, hereinafter referred to as the County, as represented by the Miami-Dade Transit Department (MDT) is contracting to provide the supervision, staff and equipment to perform Transit Operator Performance Monitoring Services of the Metrobus system on a quarterly basis.

MDT provides Metrobus service throughout the County 365 days a year. Service is available from Miami Beach and Key Biscayne to West Miami-Dade, as far north as Diplomat Mall in Broward County, and as far south as Homestead, Florida City, and the Middle Keys.

The Metrobus system is currently run with approximately 1,431 bus operators, 769 directly-operated 40 and 60 foot buses, and 122 minibuses. The system serves all major business, shopping, entertainment, and cultural centers, as well as major hospitals and schools in more than 90 routes. Metrobus ridership reached over 83 million in fiscal year 2007 and buses traveled over 32.6 million scheduled miles throughout the County.

2. Definitions

The following words used in this Contract shall be construed as follows, except when it is clear from the context that another meaning is intended:

- A. The words "monitor", "monitored", or "monitoring" to mean the evaluation of bus operators' performance and performance of the vehicle.
- B. The words "Quarterly Monitoring Service" to mean the total monitorings conducted four times a year.
- C. The word "segment" to mean the boarding, staying, and alighting of a bus to conduct a monitoring of a trip.
- D. The word "trip" to mean the complete bus route from start to end.

3. Objective

The objective of this Contract is to provide performance monitoring services to conduct, without alerting or advising the operator, an evaluation of the:

Operators' adherence to the Federal Transit Administration (FTA)/ Department of Transportation (DOT) requirements including compliance with the Americans with Disabilities Act (ADA), stop announcements (interior announcements), and route identification number/name (exterior announcements) requirements; and,
- B. Other Metrobus system obligations identified by MDT.

4. Tasks

The Contractor shall:

- A. Perform Quarterly Monitoring Service in the third month of each quarter of the County's fiscal year from October 1st through September 30th. Each Quarterly Monitoring Service shall consist of twenty complete bus routes and a minimum total of 390 announced stops, not to exceed 410 announced stops. The ADA Bus Stop Announcement listing the bus routes to be monitored each quarter will be provided by the County's Project Manager. The list will identify each bus route by name/location, weekend/weekday bus route and the number of announceable stops for each route. Along with the list, the County's Project Manager will also provide the timeframe within which the Quarterly Monitoring Services must be completed.

- H. Make every effort to ensure that the same personnel performing the monitorings will be available on an as-needed basis as support in the event that a future disciplinary hearing results from the Quarterly Monitoring Service.

 - 1. Fare collection,
 - 2. Schedule adherence,
 - 3. Passenger relations,
 - 4. Safety observations,

The Contractor shall prepare its schedule for segments to allow time for re-monitorings in the event that the County's Project Manager determines that a segment or a complete route monitoring must be re-done.
- D. Provide a copy of the Operator Performance Evaluation forms completed by the Contractor's personnel who performed the monitoring to the County's Project Manager via email or fax no later than 12:00 noon the day after each segment is conducted.
- E. Provide its actual schedule that segments were conducted, on company letterhead and signed, to the County's Project Manager via email or fax no later than 12:00 noon the day after the final segment is conducted for the quarter.
- F. Provide a Performance Monitoring Report (see Paragraph 4.J above) of the Quarterly Monitoring Service to the County's Project Manager via email or fax no later than seven (7) calendar days after the final segment for the quarter is conducted.
