Subject: Resolution Authorizing Interlocal Agreement with City of Sunny Isles Beach Regarding One-Stop Permitting Shop for Film and Photography Production Companies

Agenda Item No. 9(A)(1)

Resolution No. R-1434-09

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the attached Interlocal Agreement (Agreement) between the City of Sunny Isles Beach (City) and Miami-Dade County (County) which allows the County to issue permits to film and still photography production companies wishing to use City facilities and further authorize the County Mayor or the County Mayor's designee to execute the Agreement in substantially the form attached.

Scope

The Agreement applies to any film and still photography production using facilities in the City, which lies entirely in Commission District 4.

Fiscal Impact

Approval of this item will generate additional revenue for the County. The Office of Film and Entertainment will receive a \$100 application fee for every film permit processed on behalf of the City.

Monitoring

This agreement will be monitored by the County's Office of Film and Entertainment.

Background

With the approval of Ordinance 91-50, the Office of Film and Entertainment provides one-stop film permitting services for many of Miami-Dade County's municipalities since 1991, which allows the Office of Film and Entertainment to facilitate film, television and still photography authorizations quickly and efficiently. This approach helps create a "film friendly" environment within Miami-Dade County for film and television production, and encourages more production as a result.

Without this Agreement, film and television companies wishing to do business in Miami-Dade County will encounter barriers to production as each municipal boundary crossed will require an additional permit, paperwork, man hours and fees. This simplified one-stop permitting service has enhanced our County's ability to efficiently process film permits for all of the most attractive filming locations, no matter which jurisdiction they fall within. This item will authorize those services to be performed for the City of Sunny Isles Beach. The one-stop permitting service is one of the most effective enticements the County has to attract an increasing number of film, television and still photography shoots into our community.

The City had previously entered into an Agreement with the County to provide film permitting services in 1991. The agreement has subsequently expired and it is the desire of the City and the County to continue to continue providing those services. The City Commission approved the attached Agreement on July 23, 2009.
