Memorandum

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager 

Subject: Proposed Zoning Ordinance Amending Sections 33-1, 33-124 and 33-279 of the Code to Provide for Bed and Breakfast Establishments in AU (Agricultural) Zoning District

Recommendation

It is recommended that the Board of County Commissioners adopt the attached ordinance amending Sections 33-1, 33-124 and 33-279 of the Code to provide for bed and breakfast establishments in AU (Agricultural) zoning district.

Scope

The proposed ordinance applies to the unincorporated areas of Miami-Dade County.

Fiscal Impact/Funding Source

The proposed ordinance creates no fiscal impact on Miami-Dade County.

Track Record/Monitor

The Department of Planning and Zoning will administer the implementation of this ordinance.

Background

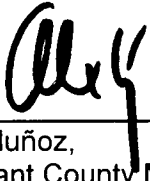

To assist the agricultural industry to be economically viable in the face of changing characteristics and increased pressure to convert agricultural lands to urban use, the Board of County Commissioners (BCC) adopted on April 24, 2007 Resolution No. R-436-07. This resolution directed County staff to conduct a fact finding mission, to develop a set of strategies to promote agri-tourism, and to find possible ways to diversify agriculture. On December 12, 2007, County Staff presented a report to the BCC outlining the findings of the fact finding mission and laying out a plan of action to address some of the challenges being faced by the County's agricultural community.

It is estimated that an average of two million visitors pass through the south Miami-Dade area every year on their way to destinations such as the Florida Keys, Everglades and Biscayne National Parks. The attached ordinance and the two other accompanying ordinances are designed to provide the local farmers with the tools necessary to attract a segment of those visitors passing through the area. These ordinances are designed to

remove impediments from the zoning code to allow for additional agricultural-related uses and to encourage agri-tourism.

The attached ordinance will allow local farmers to use their owner-occupied properties with an agricultural property tax classification for bed and breakfast establishment to attract people who are interested in learning more about agriculture and who would enjoy the unique landscape of South Florida.

Assistant County Manager
