**Memorandum**

**Date:** February 2, 2010

**To:** Honorable Chairman Dennis C. Moss  
and Members, Board of County Commissioners

**From:** George M. Burgess  
County Manager

**Subject:** FY 2009-2010 Community Grants Program – Second Quarter Recommendations  
for a Total of \$154,400

Agenda Item No. 9(A)(3)

Resolution No. R-130-10

**Recommendation**

It is recommended that the Board approve the funding of 33 grants for a total of \$154,400 from the FY 2009-2010 Community Grants Program – Second Quarter. Attached is a list describing the projects being recommended for funding.

**Scope**

The impact of this agenda item is countywide.

**Fiscal Impact/Funding Source**

Funding for the Community Grants Program comes from Department of Cultural Affairs' approved departmental revenues as carried in the FY 2009-2010 adopted County budget ordinance.

**Track Record/Monitor**

Each recommended, non-profit cultural organization has a track record of following Departmental grant requirements and contractual conditions. Michael Spring, Director of the Miami-Dade Department of Cultural Affairs, is responsible for monitoring the grant contracts.

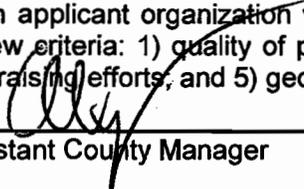

**Background**

The FY 2009-2010 Community Grants Program panel convened on November 17, 2009 to review 33 applications requesting \$264,885 for the Second Quarter of the program. The panel recommended funding 33 applicants for a total of \$154,400. The Cultural Affairs Council approved these recommendations at their meeting on November 18, 2009.

The projects selected for funding represent a diversified range of activities and demographic locations. In its deliberations, the panel carefully considered and applied the Community Grants guidelines, as outlined below.

The Community Grants Program is responsive on a quarterly basis to organizations, which develop small and large-scale community-based programs, projects, events, and publications. The program is particularly sensitive to the needs of: 1) indigenous cultural neighborhood activities and projects encouraging the preservation of heritage, traditions and culture; and 2) social service organizations and cultural groups developing collaborative intervention projects.

Each applicant organization was evaluated specifically based on the following competitive review criteria: 1) quality of program; 2) administrative capability; 3) marketing strategy; 4) fundraising efforts; and 5) geographic location of event.
