BACKGROUND

A solicitation was issued to obtain banking services for Miami-Dade County and the Clerk of Courts. The resulting contracts will immediately replace current banking service contracts which are in the fourth of five available one-year option to renew periods, and will expire on September 30, 2010. The current contracts will remain in place with sufficient time for a successful transition of the accounts and services to the replacement contracts. Some of the benefits achieved through the competitive process include improved rates, updated and improved scope of services, restructuring of Group B accounts into three sub-groups to meet Clerk's needs, and assurance that all recommended banks are members of the Federal Reserve System.

There were five account groups/sub-groups included in the solicitation for which banking services are required. The following is the list of account groups/sub-groups in their priority order.

1. Group A General
This group includes General Operating Account, Payroll and Emergency Payroll Accounts, and other County accounts.
2. Group B, Sub-Group B1 Clerk's Accounts
This sub-group includes the Fee Account, Central Depository Account, County Court Trust Account, County Recorder Account, Court Registry Accounts, Adjustment Account, and Jury Trust and Investigative Witness Accounts.
3. Group B, Sub-Group B2 Clerk's Accounts
This sub-group includes the Clerk's Trust Fund Account-County, Criminal Bond Account, Bail Bond Account, and Probation Registry Account.
4. Group B, Sub-Group B3 Clerk's Accounts
This sub-group includes the Clerk's Trust Fund Account – Circuit.
5. Group C Special
This group includes the Special Services Account, Miami-Dade Police Department General Account, and Risk Management Trust Fund Account.

This award recommendation is for the three Clerk of Courts account sub-groups. Accordingly, project management responsibilities in the contracts will be assigned to the Clerk of Courts upon award. All three award recommendations are consistent with the method of award in the solicitation.

For Sub-Group B-1, City National Bank was the highest ranked proposer and is recommended for award. For Sub-Group B-2, TD Bank, N.A. was the second highest ranked proposer, and is recommended for award since the highest ranked proposer for this account sub-group, City National Bank, is already recommended for the higher priority Sub-Group B-1.

For Sub-Group B-3, Bank of America, N.A. was recommended for negotiations since the three highest ranked firms were already recommended for higher priority account groups/sub-groups. When the negotiations with Bank of America, N.A. reached an impasse, the negotiation team recommended termination of the negotiations. Since all eligible proposers for Sub-Group B3 had already been recommended for negotiations on another account group/sub-group, the negotiation team recommended that the County return to the top of the ranking and negotiate with City National Bank (the highest ranked firm). Upon approval of this action, the contract for Sub-Group B-3 was negotiated with City National Bank and is recommended for award.

The following chart provides the ranking of proposers by account group/sub-group, in their prioritized order. The highlighted vendors for Sub-Groups B1-B3 are the recommended vendors for award. The highlighted vendors for Groups A and C are the vendors that are in negotiations for those groups.

		Score	535	491	457	399	

Negotiations for the two remaining contracts, Groups A and C, are ongoing and, pursuant to Section 2-11.1(t) of the Miami-Dade County Code, under the Cone of Silence. It is anticipated that award of the remaining two account groups will be presented to the Board in Spring 2010.

Thereafter, the County may, at its sole discretion, terminate this Contract.

ARTICLE 11. MANNER OF PERFORMANCE

- a) The Contractor shall provide the Services described herein in a competent and professional manner satisfactory to the County in accordance with the terms and conditions of this Agreement. ARTICLE 35. CONFLICT OF INTEREST

The Contractor represents that:

- a) No officer, director, employee, agent, or other consultant of the County, or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Agreement.

ARTICLE 39. SURVIVAL

The parties acknowledge that any of the obligations in this Agreement will survive the term, termination and cancellation hereof. Negotiation Team

Subject: Status Report of Negotiations for RFP No. 8270, Banking Services, and Recommendation to Terminate Negotiations with the Recommended Proposer for Sub-Group B3 Clerk's Accounts and Initiate Negotiations with Another Proposer

The County issued a Request for Proposals to obtain banking services for the County and the Clerk of the Courts. There are five banking account groups. The Evaluation/Selection Committee completed the task of evaluating proposals and submitted its recommendation (see attached Report of Evaluation/Selection Committee), in accordance with the method of selection specified in the solicitation. On August 6, 2008, the proposers recommended for negotiations (see chart below) were approved and the negotiation process began. A series of pre-negotiation strategy meetings and negotiation meetings were held for each account group. Due to the complexity of this project and the amount of time required for negotiations, the Negotiation Team is providing this interim status report. Additionally, authorization is requested to terminate negotiations with the recommended proposer for Sub-Group B3 Clerk's Accounts and to initiate negotiations with another proposer.

Status of Negotiations:

The proposers approved for negotiations and the status of the negotiations are below. Individual award recommendations will be made as negotiations conclude for each account group. The award recommendation for Sub-Groups B1 and B2 Clerk's Accounts is already being developed.

Account Groups	Proposers Approved for Negotiations	Negotiation Status	Comments
Group A General Operating Account	Wachovia Bank N.A.	Nearing completion	Contract was negotiated and is being sent to proposer for signature. Negotiations may be resumed depending on proposer's response.
Sub-Group B1 Clerk's Accounts	City National Bank	Completed	Contract was negotiated and signed by proposer. Award recommendation is being developed.
Sub-Group B2 Clerk's Accounts	Commerce Bank, N.A. (now TD Bank, N.A.)	Completed	Contract was negotiated and signed by proposer. Award recommendation is being developed.
Sub-Group B3 Clerk's Accounts	Bank of America, N.A.	Not successful	Parties could not agree. Recommending termination of negotiations.
Group C Special Accounts	SunTrust Bank, Inc.	On-going	Negotiation meeting was held on September 21, 2009.

Recommendation to Terminate Negotiations with Bank of America, N.A.:

It is recommended that the County terminate negotiations with Bank of America, N.A. for Sub-Group B3 Clerk's Accounts. During the negotiations, the following Bank of America, N.A. requests were discussed:

1. Pass on new Federal Deposit Insurance Corporation insurance costs which are incurred by the bank to the Clerk's Office. The estimated cost to the Clerk's Office is \$30,000 a year in fees.
2. Restructure Account Sub-Group B-3, Clerk's Trust Fund Money Market Account into two accounts. One account would generate interest earnings and one would generate earnings credits (that can be used to pay for account services). This bank cannot pay for interest and services from the same account. Two accounts will cost the Clerk's Office interest income, as the funds in the earnings credits account would not accrue interest.
3. Excess earnings credits will not carry forward from year-to-year, unlike all other recommended banks. Any excess earnings credits not used would be lost and unavailable for use the next year by the Clerk's Office.

Allowing the provisions requested by Bank of America, N.A. is not in the County's best interest. The negotiations have reached an impasse. The proposer was invited to a final negotiation session and advised of the County's position as well as, the County's rights to terminate negotiations. The proposer stated that their position would not change and they would not accept the County's contract without said provisions. Pursuant to the solicitation, Section 1.20, Negotiations: "If the County and the recommended Proposer cannot negotiate a successful contract, the County may terminate said negotiations and begin negotiations with another recommended Proposer." The Negotiation Team recommends termination of the Bank of America, N.A. negotiations.

Recommendation to Begin Negotiations with City National Bank:

It is recommended that, if approval is granted to terminate negotiations with Bank of America, N.A. for Sub-Group B3 Clerk's Accounts, negotiations begin with City National Bank for said accounts. The solicitation detailed the process for the Evaluation/Selection Committee to follow in order to determine which proposers to recommend for negotiations. This process and the resulting recommendations are outlined in the attached Banking Services Recommendations. In summary, if the highest ranked Proposer for a particular account group has already been recommended for another account group, the Evaluation/Selection Committee would recommend the next highest ranked Proposer that has not been recommended for award.

The Negotiation Team reviewed the recommendation process from the solicitation as summarized above. However, since all eligible proposers on the Sub-Group B3 Clerk's Accounts have already been recommended for negotiations on another account group, the Negotiation Team recommends the highest ranked proposer, City National Bank, for negotiations. City National Bank has already signed the County's contract for Sub-Group B1 Clerk's Accounts. Therefore, it is anticipated that negotiations with City National Bank for this new account group would primarily be focused on issues specific to these accounts such as fees, thus expediting the negotiation process.

Negotiation Team:

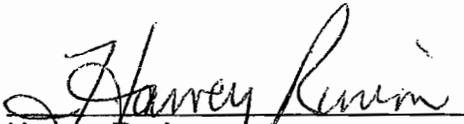

This interim report and recommendation is being provided on behalf of the Negotiation Team. The following individuals, as previously identified in the Report of the Evaluation/Selection Committee, are participating in the negotiations:

- Rita Silva, Senior Procurement Contracting Officer, Department of Procurement Management (as of May 2009, replaced Scott Voelker, Procurement Contracting Officer, who left County service)
- Graciela Cespedes, Deputy Director, Finance Department
- Chris Hill, Portfolio Manager, Finance Department
- Martha Alcazar, Comptroller, Clerk of the Courts
- Margaret Enciso, Deputy Comptroller, Clerk of the Courts

Memorandum

Date: July 11, 2008

To: Scott Voelker
Department of Procurement Management

From: Oren Rosenthal
Assistant County Attorney

Subject: Responsiveness of Great Florida Bank and OneUnited Bank to RFP No. 8270,
Banking Services

You have asked whether proposals submitted by Great Florida Bank ("GFB") and OneUnited Bank ("OUB"), both of whom are not members of the Federal Reserve System are responsive to RFP No. 8270, Banking Services ("RFP") which requires that all proposers be members as a minimum qualification. For the reasons set forth below, we conclude that GFB and OUB are not responsive to the RFP.

FACTS

We rely on the information provided in your memorandum regarding this subject dated June 24, 2008 and the accompanying attachments. On February 14, 2008, seven proposals were received for the RFP. During staff's review of the proposals, it was noted that two Proposers, GFB and OUB did not provide documentation demonstrating that they were, at the time of the bid, members of the Federal Reserve System. Section 2.2(A) of the RFP, titled "Minimum Qualifications" requires that: "The Proposer shall, at the time of the proposal due date ... (2) Be a member of the Federal Reserve System." In addition to inquiring of the proposers, staff also contacted the Federal Reserve and reviewed the Federal Reserves' website and concluded that neither of the banks are members of the Federal Reserve System.

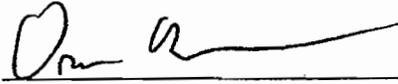

According to the County's Department of Finance, membership in the Federal Reserve System provides the County with the assurance that the proposing banks are subject to stringent regulations, oversight and auditing. Moreover, membership in the Federal Reserve System allows access to wire services and other financial transaction services in a far timelier manner than a relationship through a corresponding bank. This time factor is often critical to the County in its banking transactions. Banks must also expend resources in order to become a member of the Federal Reserve System by buying stock in the system and in complying with the System's regulations and oversight.

DISCUSSION

Based on the above, GFB and OUB have failed to meet a material minimum requirement of the RFP and are thus not responsive. There is a two part test to determine if a specific noncompliance in a proposal constitutes a substantial and thus non-waivable issue: (1) whether the effect of the waiver would be to deprive the County of the assurance that the contract would be entered into, performed and guaranteed according to its specific requirements; and (2) whether it would adversely affect competitive bidding by placing a bidder in a position of advantage over other bidders. *See, e.g., Glatstien v. City of Miami*, 399 So.2d 1005 (Fla. 3d DCA), rev. denied, 407 So.2d 1102 (Fla. 1981); *Robinson Electric Co. v. Dade County*, 417 So.2d 1032, 1034 (Fla. 3d DCA 1982) ("A variance is material if it gives the bidder a substantial advantage over other bidders and thereby restricts or interferes with competition.")

Here, staff has represented that the specific nature of the oversight provided by membership in the Federal Reserve as well as the ability of member banks to perform certain transactions that corresponding banks subject to state regulations are unable to perform are critical to the County's use of the services. As such a denial of these assurances and abilities would deny the County the assurance that the contract would be performed and guaranteed according to its specific requirements.

Allowing proposers who do not meet this requirement and who have not had to expend the resources to buy into and subsequently comply with the requirement of maintaining membership in the Federal Reserve would give those proposers a "material advantage" over other proposers and would not allow the selection committee to compare proposals on a level playing field. Accordingly, the proposals are not responsive and should be rejected.

Oren Rosenthal

Banking Services Recommendations

Method of Award:

Following the evaluation and ranking of the proposals, the Evaluation/Selection Committee will recommend that a contract(s) be negotiated with the highest ranked responsive and responsible proposer for each Account Group, in the prioritized order, as shown below. However, if the highest ranked proposer for a particular Account Group has already been recommended for another Account Group, the Evaluation/Selection Committee will recommend the next highest ranked proposer that has not been recommended for award in another Account Group (if any are available).

To: Those Listed Below

From: George M. Burgess
County Manager 

Subject: Request for Evaluation/Selection Committee for the Finance Department and Clerk of the Courts
Request for Proposals for Banking Services - RFP No. 8270

In accordance with Administrative Order 3-34, I am hereby appointing those listed below as the Selection Committee for the Finance Department and Clerk of the Courts Request for Proposals for Banking Services - RFP No. 8270:

Selection Committee

Rita Silva, DPM, Non-Voting Chairperson
Graciela Cespedes, Finance
Christopher Hill, Finance
Martha Alcazar, COC
Sylvia Rojas, Miami-Dade Public Schools
Rosella Dore, DBD
Christopher Rose, MDSWM (Alternate)

Technical Advisor (Non-Voting)

Connie White, Finance
Margaret Enciso, COC

The Selection Committee will meet to review written or printed material regarding the qualifications of each of the certified firms as it relates to the requirements defined in the advertised document. If required, the Selection Committee will select several candidate firms meeting the published criteria, to make oral presentations at a properly noticed public hearing to the full Selection Committee.

The Selection Committee shall be responsible for evaluating, rating and ranking the proposals by each Committee member, based on the criteria and procedure contained in the advertised document. The Evaluation/Selection Committee will first evaluate and rank responsive proposals on the Technical (Quality) criteria. If responsive proposers are invited to make oral presentations, the Committee may re-rate and re-rank the proposals based upon the written documents combined with the oral presentation. You may utilize staff of the issuing department and the using agency to conduct a preliminary review of the proposals for responsiveness to the technical requirements. All requests for specific determinations shall be made in writing to the County Attorney's Office.

You are directed to assist me in the selection process considering the factors delineated in the advertised document. These factors may include methodology and management approach, qualifications and experience of principals and staff, financial stability, proposer's past performance of similar scope and size, proposer's detailed plans to meet the objectives of each task, activity, etc., pursuant to any schedule, proposer's previous County experience, history and experience of the firm or individual(s), understanding of the project and the County's objectives, responsiveness to the established requirements, and Cost/Revenue (normally separate and sealed). When the document requires the proposer to provide cost/revenue in a separate sealed envelope, cost/revenue will be considered separately and after the other criteria have been evaluated.

If you are unable to participate in the Selection process, contact this office through the Department of Business Development (DBD) by memorandum documenting the reason why you cannot participate. Only in cases of dire urgency may you be excused from participation.

156.

The alternate committee member will serve only in the event of an approved substitution. No substitution of committee members shall be allowed after the first official meeting of the committee. The Department of Procurement Management's (DPM) RFP Unit may substitute the chairperson to ensure the appropriate level of staffing expertise as deemed necessary to accommodate the needs of this solicitation.

Following the oral presentation, or upon completion of the review process, the Committee shall prepare and submit a memorandum to include a narrative of the evaluation and justification of the top recommended firm(s) based upon the reasoning and mathematical formula, if utilized, and attach supporting documentation and a summary sheet which MUST include the following information:

Name of firm(s)
Quality Rating Score
Price
Adjusted Score (if applicable)
Committee's Overall Ranking

This report should be submitted to me through the DPM and the DBD for review and consideration for further recommendation to the Board of County Commissioners.

As a matter of administrative policy and to maintain a fair and impartial process, all individuals appointed to the Selection Committee (including the Chairperson) and staff are instructed to refrain from discussing the solicitation with prospective lobbyists and/or consultants. Committee members are reminded that in accordance with the Code of Silence Ordinance 98-106, they are prohibited from having any communication with potential respondents and/or their representatives. Violation of this policy could lead to termination.

All questions must be directed to the staff contact person(s) designated by the issuing department.
