From: George M. Burgess
County Manager

Subject: Bill Bird Marina - FPL Easement

Agenda Item No. 8(M)(1)(A)

Resolution No. R-353-10

Recommendation

It is recommended that the Board approve the attached resolution authorizing the execution of an easement document for the Florida Power and Light Company (FPL) to install and maintain electric power facilities at Bill Bird Marina, located at 10801 Collins Avenue.

Scope

The park is located in Commission District 4. The easement will allow FPL to maintain electric power facilities that serve a new dockmaster building in the marina area.

Fiscal Impact/Funding Source

The easement will not create any financial impact to Miami-Dade County.

Track Record/Monitor

The County has given easements to FPL in the past. The Planning and Research Section of the Park and Recreation Department (MDPR) will process the easement document for execution and recording.

Background

MDPR is developing Bill Bird Marina with a new dockmaster building that requires electric transformers to reduce the voltage from the nearest power line. FPL has agreed to provide these facilities once the County gives them an easement. The electric lines will be underground.
