and Members, Board of County Commissioners

Agenda Item No. 9(A)(10)

From: George M. Burgess  
County Manager

Resolution No. R-379-10

Subject: Resolution Authorizing Interlocal Agreement with City of North Miami Beach Regarding One-Stop Permitting Shop for Film, Television and Photography Production Companies

**Recommendation**

It is recommended that the Board of County Commissioners (BCC) approve the attached interlocal agreement between the City of North Miami Beach (City) and Miami-Dade County (County) which allows the County to issue permits to film, television, and still photography production companies wishing to use City facilities and further authorize the County Mayor or the County Mayor's designee to execute the interlocal agreement in substantially the form attached.

**Scope**

The interlocal agreement applies to any film, television and still photography production using facilities in the City, which lies in Commission Districts 2 and 4.

**Fiscal Impact**

Approval of this item will generate additional revenue for the County. The Office of Film and Entertainment will receive a \$100 application fee for every film permit processed on behalf of the City.

**Monitoring**

This agreement will be monitored by the County's Office of Film and Entertainment.

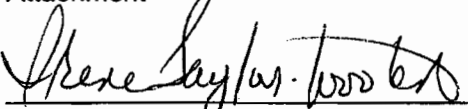

**Background**

With the approval of Ordinance 91-50, the Office of Film and Entertainment provides one-stop film permitting services for some of Miami-Dade County's municipalities to facilitate film, television and still photography authorizations quickly and efficiently. This approach helps create a "film friendly" environment within Miami-Dade County for film and television production, and encourages more production as a result.

Without this Agreement, film, television and still photography companies wishing to do business in Miami-Dade County will encounter barriers to production as each municipal boundary crossed will require an additional permit, paperwork, man hours and fees. This simplified one-stop permitting service has enhanced the County's ability to efficiently process film permits for all of the most attractive filming locations, no matter which jurisdiction they fall within. This item will authorize those services to be performed for the City of North Miami Beach. The one-stop permitting service is one of the most effective enticements the County has to attract an increasing number of film, television and still photography shoots to our community.

The City had previously entered into an Agreement with the County to provide film permitting services in 1992, which was renewed in 1996. That agreement has subsequently expired and it is the desire of the City and the County to continue to provide those services. The City Commission, through Resolution R2009-72 adopted on November 17, 2009, authorized the City Manager to execute the attached Agreement on behalf of the City
