Resolution No. R-493-10

Subject: Waiver of Formal Competitive Bid Procedures Pursuant to Section 5.03(D) of the Home Rule Charter and Section 2-8.1(b) of the Code and a Waiver of the Requirements of Administrative Order 3-38 to Amend Resolution No. R-162-05 to Secure Umpire, Scorekeeper and Referee Services at County Parks

RECOMMENDATION

It is recommended that the Board approve a waiver of formal competitive bid procedures pursuant to Section 5.03(D) of the Home Rule Charter and Section 2-8.1(b) of the code and a waiver of the requirements of Administrative Order 3-38 to amend Resolution No. R-162-05 to authorize the Park and Recreation Department Director (MDPR) to execute on behalf of the County, all contracts related to the provision of individual Umpire, Scorekeeper and Referee Services at County parks up to the monetary limits set forth in Resolution No. R-162-05 and to exercise all provisions contained therein.

SCOPE

This agenda item has a countywide impact. Services requested will be used at various County parks.

FISCAL IMPACT/FUNDING SOURCE

There is no direct fiscal impact to Miami-Dade County. The referee, scorekeeper and umpire fees will be generated through sporting activities including but not limited to baseball, soccer, softball and football.

TRACK RECORD/MONITOR

The MDPR, Assistant Director for Operations will monitor the contracts.

BACKGROUND

On November 5, 1985, the Board adopted Resolution No. R-1492-85 (Attachment B) authorizing a waiver of formal bid procedures and the requirements of Administrative Order 3-2 in connection with the securing of softball umpires and scorekeepers at County parks through individual agreements not to exceed \$8,000 per agreement per year, nor a total of \$420,000 per year for all agreements. The resolution also authorized the County Manager to execute the agreements and to revise fees and total expenditures as deemed necessary, but not to exceed an increase of more than five percent (5%) per year.

Due to the volume of softball umpire and scorekeeper contracts, the Board adopted a second bid waiver (R-162-05) on February 1, 2005, authorizing the MDPR Director to execute these contracts for and on behalf of the County. Since FY 2005/2006, the MDPR Director has executed an average of 25 contracts per year totaling approximately \$90,000 per year.

Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners
Page 2

MDPR now has the opportunity to provide Umpire, Scorekeeper and Referee Services to leagues and organizations using its park facilities for a variety of athletic and sports activities and would like to amend Resolution R-162-05 to include these general categories of service. The Service Agreements (Exhibit 1) meet current County standards and procedures including background checks. With the addition of the new sports activities, MDPR expects the total to increase to approximately \$125,000 per year for all agreements.

Memorandum

Date: February 1, 2005

To: Honorable Chairman Joe A. Martinez and Members
Board of County Commissioners

From: George M. Burgess
County Manager

Agenda Item No. 7(M)(1)(A)

Subject: Waiver of Formal Bid Procedures to Authorize the Park and Recreation Department Director to Execute Umpire and Scorekeeper Contracts

RECOMMENDATION

It is recommended that the Board approve the attached resolution authorizing a waiver of formal bid requirements of Administrative Order 3-38, in connection with securing softball umpire and scorekeeper services as approved via the attached Services Agreements which initially authorizes expenditures for services in an amount not to exceed \$8,000 per individual per year for a total of \$420,000 per year for all agreements. It is further recommended that the Board authorize the Park and Recreation Department Director to execute on behalf of the County all contracts related to the provision of individual umpire and scorekeeper services at County Parks.

BACKGROUND

On November 5, 1985, the Board adopted Resolution No. R-1492-85 approving a waiver of formal bid procedures and the requirements of Administrative Order 3-2 in connection with securing softball umpires and scorekeepers at County Parks. The resolution further authorized the County Manager to execute service agreements and to revise fees and total expenditures as deemed necessary but not to exceed an increase of more than 5% per year. Administrative Order 3-2 has been replaced by Administrative Order 3-38.

Due to the volume of softball umpires and scorekeepers contracts it makes it onerous for the County Manager to execute all necessary contracts on a timely basis. The attached resolution requests that the Park and Recreation Department Director be authorized to execute these routine and moderate estimate contracts to expedite processing and avoid any delays. The resolution further authorizes the County Manager to revise fees and total expenditures as deemed necessary but not to exceed an increase of more than 5% per year. The Service Agreements for umpires and scorekeepers have been updated to meet current County standards and procedures including background checks.

SUBJECT: Service Agreements for
Scorekeepers and Umpires

MRS

RECOMMENDATION:

After a successful trial period over the past year (R-1415-85), it is recommended that the Board authorize a continuing waiver of formal bid procedures and of the requirements of Administrative Order 3-2, in connection with securing softball umpiring and scorekeeping services via the attached Services Agreements which initially authorizes expenditures for services in an amount not to exceed \$8,000 per individual per year for a total of \$420,000 per year for all Agreements, and also authorizes this office to increase these fees at a rate not to exceed 5% per year. Our General Services Administration Procurement Management has reviewed and concurs with this request.

BACKGROUND:

Over this past year, our Park and Recreation Department secured the services of umpires and scorekeepers through this contractual method, saving costs that otherwise would have been paid to service providers as part-time employee benefits. In effect nothing was altered as to performance of work -- only method of payment. Our fees paid to umpires remain competitive with other leagues.

As we enter the coming fiscal year, staff wishes to maintain this procedure and is proposing to increase fees paid to these umpires and scorekeepers by approximately 5% in keeping with the C.P.I. annual inflation rate:

<u>Classification</u>	<u>84-85 Fee per game</u>	<u>85-86 fee (proposed) per game</u>
Umpire (2 per game)	\$11.00 each	\$11.50 each
Umpire (1 per game)	\$16.50	\$16.75
Scorekeepers	\$ 7.00	\$ 7.50

All contracted umpires must meet qualifications established by either the American Softball Association (ASA) or the United States Slo - Pitch Softball Association (USSSA).

Also, it is requested that this office be authorized to execute individual contracts and to revise these fees and total expenditures, as deemed necessary, but not to exceed an increase of more than 5% per year.

The Board's approval of this procedure is respectfully requested, to continue a proven approach which provides public recreational services at a reduced cost for the residents and visitors to Metro-Dade County.

SERVICE AGREEMENT TO PROVIDE BASEBALL UMPIRE SERVICES FOR THE MIAMI-DADE COUNTY PARK AND RECREATION DEPARTMENT

This agreement, made the _____ day of, _____, _____ by and between the Park and Recreation Department of Miami-Dade County, a political division of the State of Florida, hereinafter referred to as the "COUNTY", and _____, hereinafter referred to as the "UMPIRE".

WHEREAS, the County and the Umpire desire to join together to provide baseball umpiring services for the Miami-Dade Park and Recreation Department;

NOW THEREFORE, the County and the Umpire for considerations hereinafter named, agree as follows:

ARTICLE 1 - CONTRIBUTIONS AND SERVICES BY THE UMPIRE

A. BASIC SERVICES

The Umpire hereby agrees to exercise and demonstrate proper judgment, technique and knowledge of Little League, Inc. and PONY Baseball, Inc. rules, regulations and standards as they apply. The Umpire shall meet with County staff when requested to present, discuss or clarify pertinent information.

B. TERM OF SERVICES

The Umpire will provide requested services for the Park and Recreation Department for a period of one year unless renewed or terminated as provided herein.

C. OTHER UMPIRE OBLIGATIONS

The Umpire shall provide umpiring services for the County upon the request of the County according to the procedures detailed herein. The Umpire shall arrive at the predetermined location not less than 1/2 hour prior to the scheduled game, tournament or clinic. It shall be the responsibility of the Umpire to obtain, wear, and have in possession while fulfilling County assignments such uniforms and equipment as may be required by Little League, Inc. and PONY Baseball League, Inc.

It is the responsibility of the Umpire to control play and promote friendly and safe competition. Upon arrival at the game site, the Umpire shall contact County personnel in charge of the facility. In the event of an emergency, it shall be the duty of the umpire to make a reasonable effort to contact County personnel at once.

The Umpire shall inspect the playing field prior to allowing play to occur. Such Inspection shall be in accord with Little League/PONY Baseball guidelines for such inspections, and shall always have as the primary focus, the safety of the participants and spectators. Upon arrival at the game site, the Umpire shall walk the entire field, including foul territory, to assure that the safety of the players, managers, and spectators will not be jeopardized.

ARTICLE 2 - CONTRIBUTIONS AND SERVICES BY THE COUNTY

The County shall notify the Umpire verbally or in writing as to the date, location and time of scheduled league games not less than seven (7) calendar days prior to the assigned game. In connection with tournament play, the County shall give notification to the Umpire as permitted by the circumstances surrounding each tournament.

Directives to work tournaments, league games and clinics will be scheduled by the Department's Divisional Coordinator or Designee. Only such County personnel are authorized to communicate with team managers or players and spectators concerning County rules, regulations, administration and operations.

The County shall provide the locations for scheduled games, tournaments or clinics. However, it shall be the responsibility of the Umpire to make appropriate pre-game inspections as delineated in current Little League/PONY Baseball Umpire manuals, which are incorporated herein by reference.

14

ARTICLE 3 - REMUNERATION FOR UMPIRE SERVICES

For each game worked, the Umpire shall receive from the County **\$25.00** per game.

In an event that the Umpire is unable to work a game due to last minute cancellation by the Umpire, it shall be understood that one umpire present at the work site may work the game and it is further understood that such cancellation will result in no fees being paid to the canceling Umpire. However, the sole umpire working the game shall receive **\$35.00** per game. Should the Umpire have prior knowledge of circumstances that may prohibit the Umpire from working an assignment, then it shall be the responsibility of the Umpire to contact the Coordinator or Designee not less than twenty four (24) hours prior to game time without penalty. Lack of timely appearance by the Umpire at the assigned work site without prior notification the County may be grounds for termination of this Agreement.

Should team managers wish to participate in a practice game during that period in which the Umpire is present at the assigned work site at which a forfeit has occurred, then the Umpire will be required to work the practice game and/or assist at another baseball league in the same facility at the discretion of the County and receive the standard remuneration of **\$18.00** per practice game. Should the third or final game of a set be rained out, or for any other reason cannot be worked by the Umpire, then the Umpire shall not be paid for the game not played.

In the event that a game is canceled and the County has provided proper opportunity for notification to the Umpire, no pay shall be forthcoming. The Umpire shall make all reasonable efforts (as viewed by the County) to contact the County Coordinator or Designee in order to determine the status of an assignment prior to its scheduled start time. Should the Umpire be unable to determine status of the assignment after making such efforts, and arrive at the assigned work site to find the scheduled assignment is canceled (for reasons other than acts of God), then the County shall pay the amount that would have been realized by the Umpire had one (1) game been completed.

The County may request that the umpire in Chief and/or his Assistant conduct training clinics and/or performance evaluations, which will include a minimum of three (3) games to be worked by the Umpire. The Umpire shall receive not more than **\$50.00** per day for such educational sessions.

It is understood that this agreement constitutes an offer by the County for the Umpire to work baseball games, tournaments and clinics at the request of the County. The County, through this Agreement, does not offer any guarantee as to a minimum number of games to be worked. **The maximum amount to be earned by the Umpire via this Agreement shall not exceed \$8,000.**

The Umpire shall attend any and all meetings requested by the County for the purposes of discussing and responding to any matters related to the Umpire's performance for the County. An example of such a related matter would be the Umpire's statements as they might concern appeals of decisions made by the Umpire while working a game. No remuneration will be forthcoming from the County in such instances.

To assure payment to the Umpire, it shall be the responsibility of the Umpire to sign the scorekeeper's book before each game worked. **A County check will be issued bi-weekly for those services rendered.**

ARTICLE 4 - UMPIRE QUALIFICATIONS

The Umpire affirms that proper certification of competency, as issued to Little League/PONY Baseball umpires, has been retained prior to entering into this agreement.

A working knowledge of current Little League and/or PONY Baseball rules and regulations is a requirement for the Umpire wishing to perform such services for the County.

The Umpire agrees by executing this Agreement to allow Miami-Dade County to perform background checks on him/her at any time prior to or during the course of this Agreement. The County reserves the right to terminate the Agreement at any time due to the results of a background check.

The Umpire must demonstrate a competency in the English language.

The Umpire shall be 18 years of age or older.

INDEPENDENT CONTRACTOR RELATIONSHIP

It is expressly understood and intended that the Umpire is not an officer, employee or agent of Miami-Dade County, its Board of County Commissioners, its Mayor, or its Department of Park and Recreation. Further, for purposes of this Agreement, the project or activity, the parties hereto agree that the Umpire is an independent contractor.

15

ARTICLE 5 - INDEMNIFICATION AND HOLD HARMLESS

The Umpire shall indemnify and hold harmless the County and its officers, employees, agents, and instrumentalities from any and all liability, losses, or damages, including attorney's fees and costs of defense, which the County or its officers, employees, agents, or instrumentalities may incur as a result of claims, demands, suits, causes of actions, or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Contract by the Umpire. Umpire shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Umpire expressly understands and agrees that any insurance protection required by this Contract or otherwise provided by Umpire shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents, and instrumentalities as herein provided.

ARTICLE 6 - INSURANCE REQUIREMENTS

In addition to such insurance as may be required by Law, and the State of Florida, the Umpire shall maintain during the term of this Agreement the following insurance:

- A. General Public Liability Insurance on a comprehensive basis in an amount not less than \$300,000 per occurrence for a combined single limit for bodily injury and property damage. Dade County must be listed as an additional insured.
- B. Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with work, in amounts not less than \$300,000 per occurrence, combined single limit for bodily injury and property damage. Worker's Compensation Insurance, in compliance with Chapter 440, Florida Statutes.

ARTICLE 7 - OUT OF COUNTY TRANSPORTATION EXPENSES

In the event that it should be in the County's best interest to participate in cooperative programs which may require that the Umpire, Umpire in chief and/or Assistant appear for an assignment in other than Miami-Dade County, then the Department Director shall authorize the reimbursement of such transportation expenses as provided in State Statutes and County Administrative Orders. Whenever possible, such costs will be borne by the host site or offset via a mutually beneficial exchange.

ARTICLE 8 - MIAMI-DADE COUNTY ORDINANCES

The Umpire agrees to abide and be governed by all state, federal and local laws, including but not limited to County Ordinance #77-13 (Financial Disclosure, as amended) County Ordinance #72-82 (Conflict of Interest as amended), and County Ordinance #88-121 (Disclosure Affidavit, as amended), and County Ordinance #08-07 (Miami-Dade County, Chapter 26, Article III, and the Shannon Melendi Act, as amended), which are incorporated herein as if fully set forth herein in connection with the Contract obligations hereunder.

ARTICLE 9 - RIGHTS OF DECISIONS

The County shall have the sole and exclusive right, based upon the available evidence, to support or reverse any judgments made by the Umpire while serving Miami-Dade County.

ARTICLE 10 - RENEWAL OF AGREEMENT

The County Manager or the Manager's designee may annually approve a renewal for one (1) additional period of one (1) year from the end of the previous term. In the event that the parties do not agree on terms before expiration of this Agreement, the Umpire shall have no further rights under this Agreement.
