REASON FOR CHANGE

This contract establishes a pool of pre-qualified vendors for the rental of trailers, vans, pick-up trucks and utility vehicles for various Miami-Dade County Departments. The Elections Department (Elections) is requesting an increase in allocation of \$1,800,000 to suitably reflect the truck rentals that will be needed for election operations through December 31, 2012. This allocation will cover a minimum of five county-wide elections and approximately 60 municipal elections. The number of trucks required for an election will be determined based on anticipated voter turnout, equipment, and supply needs for particular elections. In addition, Elections now utilizes 16' trucks instead of 24' trucks, which require a specialized driver license. Using smaller trucks allows the department greater flexibility when hiring seasonal employees, since it is extremely difficult to find drivers who possess this license.
